14. Bidder agrees and acknowledges that grades and/or conditions are the opinion of the cataloguer only and not a warranty. Grading is a subjective art and not an objective science. The opinions of different individuals as to the grade of a given lot can and will vary. The opinion of the same

individual grading an item at different times can and will vary. Grades are stated as a convenience to bidders only to assist in directing them to lots they may wish to examine. *Currency Auctions of America, Inc.* strongly urges all bidders, including mail bidders, to examine lots prior to bidding, either in person or through their own agent. *Currency Auctions of America, Inc.* does not represent that a note has or has not been cleaned or that any other entity or third party grading service will or will not agree with our grade opinion for any item. Please note that no lots graded by a third party grading service may be returned for any reason. Bidders should examine all lots and form their own opinions of the items in the sale prior to bidding. Successful bidders outside the United States agree to provide their own insurance on lots shipped to them. *Currency Auctions of America, Inc.* shall not be responsible for nondelivery of lots shipped to addresses outside the United States.

A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

On lot 777 you bid $325. If the next highest mail bid is $260 the lot will be opened to floor bidders at $275. If no one bids higher ($300) from the floor you will be awarded the lot at $275. If we receive a bid of $300 from the floor, the book (your bid) will bid $325 for you. If the floor action stops here you will be awarded the lot at your full bid of $325. Should the bidding proceed past $325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

A WORD ABOUT ESTIMATES

The estimates in this catalog are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we wish to acknowledge the achievement of Don C. Kelly, the author of National Bank Notes (Third Edition). This recently published book, with its veritable reams of information regarding every aspect of National Bank Notes, has quickly become the standard in its field. The Kelly census, in conjunction with data on the true availability of notes, will transform the pricing of nationals from guess work to fact.

We would also like to thank Penny Mincho, Jean Glazer, Dan Glazer and Karen Glazer for their hard work and long hours and MaryJane Pfisterer for her tireless typing abilities.

Thank you, friends and colleagues,

5 **Continental Currency February 17, 1776 $3 Choice New** A lovely note with nice margins, strong signatures and no problems. (250-up)

6 **Continental Currency May 9, 1776 $4 Extra Fine.** A good-looking example. (75-up)

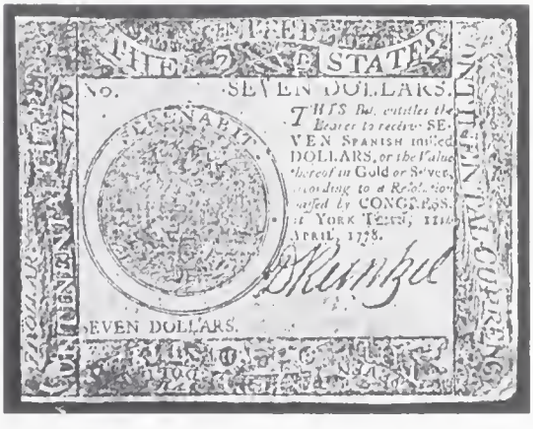
TO ALL SUCCESSFUL BIDS.

8 **Continental Currency February 26, 1777 $5 Extra Fine.** A very nice note from the popular Baltimore issue. (100-up)

9 **Continental Currency April 11, 1778 $6 Extra Fine.** A well margined and attractive example from this Yorktown issue. These April 11, 1778 notes are the only rare issue of Continentals. Because of extensive British sponsored counterfeiting, these notes were called in for exchange and the survival rate is far lower than for any other Continental Emission. This note has one of it's two signatures quite faded and it's lightly aged but it is free of any other problems. (500-up)



10 **Continental Currency April 11, 1778 $7 Fine.** A second rare note from this same issue. This one grades Very Fine from the face but the back is decidedly weaker. (250-up)

13 **Two Continentals.** February 26, 1777 $2 **Fine** and January 14, 1779 $30 **Fine** with a missing corner. (2 pieces) (75-up)

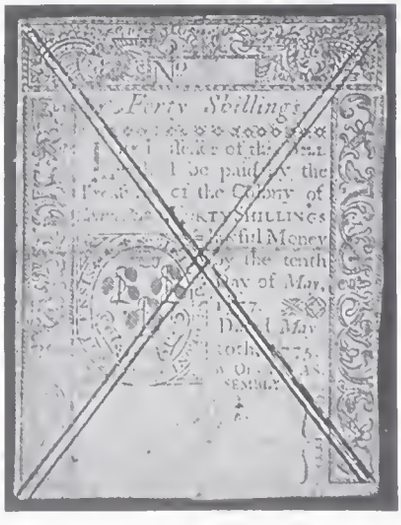
16 **Three Colonials and a Continental.** The Continental is January 14, 1779 $3 **Fine** and the Colonials Connecticut October 11, 1777 5d **New** pinholed and slash cancelled, heavily aged, New Jersey December 31, 1763 12s **Very Good** and Virginia May 7, 1781 $250 Very Fine backed, with numerous splits. (4 pieces) (100-up)

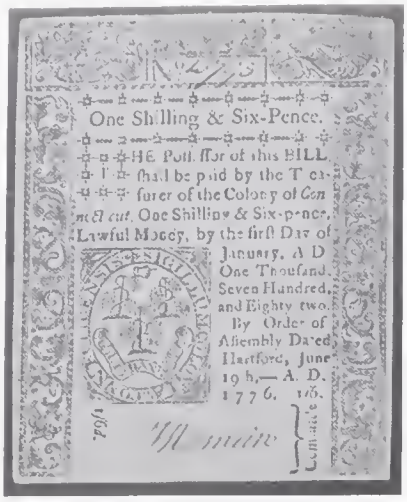
COLONIAL CURRENCY

CONNECTICUT



17 **Connecticut May 10, 1775 40s Contemporary Counterfeit Very Fine.** Cancelled with a double-ruled penned X on both sides. Counterfeit Connecticuts of this era are far scarcer than genuine notes. (150-up)

18 **Connecticut June 19, 1776 6d Choice New.** There is an internal slit cancel but it does not reach the edge and it is invisible unless searched for. (100 up)



19 **Connecticut June 19, 1776 1s6d Choice New.** A nice uncancelled example. (175-up)

20 **Connecticut October 11, 1777 Small Change Assortment.** 2d **About New** and uncancelled, 3p (two) one **Extra Fine** and one **About New** both are slit cancelled, and 4p **Extra Fine** uncancelled. (4 pieces) (175-up)

22 **Three Hole Cancelled Connecticuts.** Two 2s6d notes from the March 1, 1780 issue and a 10s note from the July 1, 1780 issue. All three notes grade **About New.** (75-up)

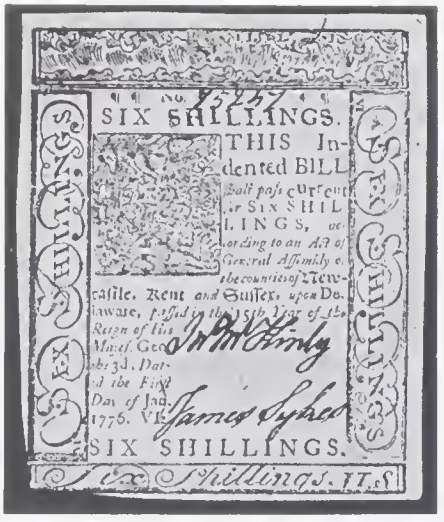
DELAWARE

24 **Delaware June 1, 1759 15s Fine Split and Pinned.** This Benjamin Franklin printed note has split along its horizontal center fold and has been pinned together with two Colonial-era straight pins. The horse vignette at the bottom of the back is clean and sharp. (150-up)

25 **Delaware January 1, 1776 6s Very Choice New.** Crisp and nearly perfect. (150-up)

26 **Delaware January 1, 1776 6s Very Choice New.** A second, identical to the above. (150-up)



27 **Delaware January 1, 1776 6s Very Choice New.** If the margins did not come close at the lower left, this pretty Delaware note would be a full Gem. (150-up)

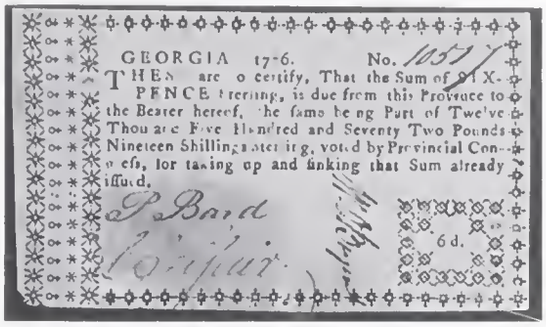
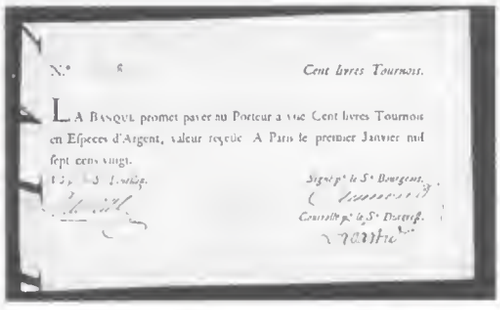
GEORGIA



28 **Georgia 1776 Sterling Issue 6d Extremely Fine.** There is some aging at the signatures and a tiny corner off, but this overall is a fine nicer example of this issue than we are accustomed to seeing. (400-up)

LOUISIANA



29 **Louisiana January 1, 1720 100 Livres Choice About New.** This is one of the nicest examples we can ever recall seeing of this issue. Unlike the far more common 10 Livres, this 100 has autographed signatures of the two bank officials. But for two light folds, this important early piece is in as-issued condition. Even the embossed Banque Royale seal is sharp and clear. (1000-up)

MARYLAND

30 **Maryland January 1, 1767 $2, $4 and $8 (two).** All of the notes grade right around **Fine.** (4 pieces) (100-up)

31 **Maryland August 14, 1776.** Two pieces, a $1 1/3 **Fine** and $4 **Very Fine.** (2 pieces) (125-up)

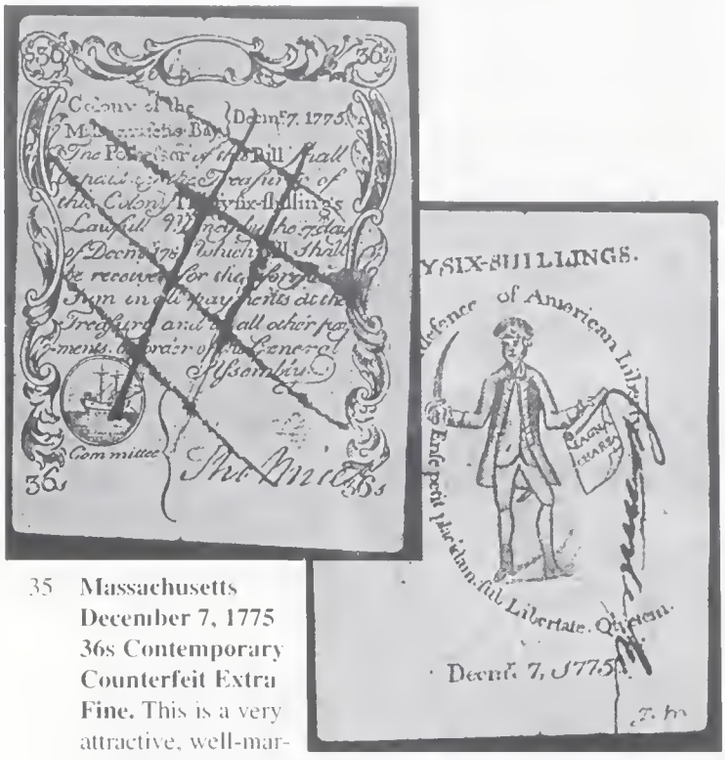
32 **Five Maryland Notes.** All from the 1770s issues and all grade right around **Very Good** but without the normal problems. No returns on this lot. (5 pieces) (100-up)

33 **Maryland Grouping.** Seven notes from the 1770s issues. Six are solid **Fines** with minor repairs and the seventh has a large piece missing. (7 pieces) (125-up)

34 **Twelve Mixed Marylands.** A nice group of common Marylands from the 1760s and 1770s issues. The average grade is **Fine** or a bit better but several have glue or taped repaired damage. No returns on this lot. (12 pieces) (175-up)

REMINDER —
A 10% Buyer's Fee Will Be
Added To All Successful Bids.

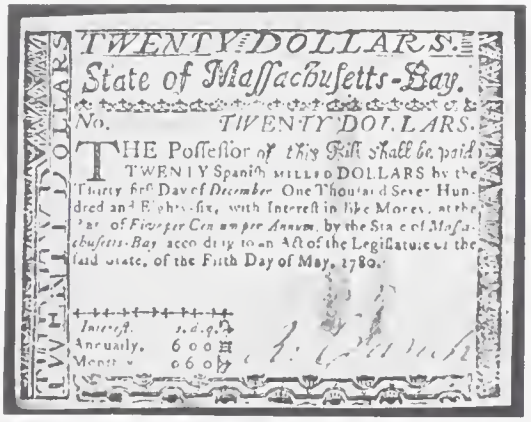
MASSACHUSETTS



35 **Massachusetts December 7, 1775 36s Contemporary Counterfeit Extra Fine.** This is a very attractive, well-margined example of a deceptive and important counterfeit. It is cancelled with crossed-hatched pen strokes on the face and the word counterfeit is written on the back. The vertical center fold has been strengthened with a well done restoration. (600-up)

36 **Massachusetts June 18, 1776 $4 Contemporary Counterfeit Very Fine.** This is a very nice example of a small Sword in Hand contemporary counterfeit. It's pen cancelled with criss-crossed X's on the face and the word "Counterfeit" is penned across the back. These scarce and historic counterfeits have hung at roughly the same value for the last 25 years. In our opinion, Colonial Currency, both counterfeit and genuine, is one of the more neglected and under priced areas in the currency hobby. In any event, this great little piece is likely to sell in the area of. . (400 up)

37 **Massachusetts 1779 5s Choice Very Fine.** This is a very lovely, lightly circulated example of the scarce and extremely popular Rising Sun issue. The face plate was engraved by Paul Revere. The faces of this issue were also printed by Revere; the backs were typeset and printed by Thomas Fleet. (500-up)



38 **Massachusetts May 5, 1780 $20 Choice New.** Uncancelled Massachusetts Guaranteed Notes are seldom seen. This one is fully signed both face and back and is stamped "Interest paid one year." The note is a perfect Gem but for some light aging at the outer edges. (200-up)

39 **Massachusetts May 5, 1780 Cancelled Group.** $1 (two) **Very Fine** hole cancelled and **About New** wedged cancelled, $3 **Extra Fine** hole cancelled, and $8 **About New** wedge cancelled. (4 pieces) (100-up)

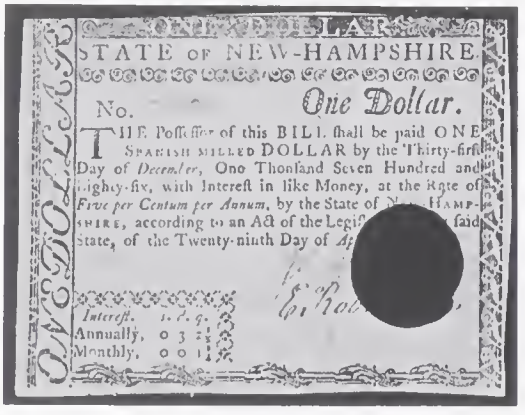
Rare 1744 New Hampshire

40 **New Hampshire April 3, 1742 Redated February 1744 20s.** Split and sewn, with heavily tattered edges. The internal portions of the note, away from the splits, grade Very Fine or better, and the fairest overall grade is **Fine, Tattered.** Unlike many examples of these early notes, over 95% of the original note is present and there has been absolutely no restoration work done, with the exception of a small piece of modern restoration tape holding on the upper left corner piece. This is the first early New Hampshire note we've had in any of our sales, and in spite of its rather low grade, we expect it will attract considerable attention. All three signatures, Jotham Odiorne, Ebenezer Stevens and Joseph Sherburne, are dark and clear. (2000-up)



41 **New Hampshire April 29, 1780 $1 Choice New.** Hole cancelled with the typical nickel size hole, but very nice in all other respects. (200-up)

REMINDER —

A 10% Buyer's Fee Will Be

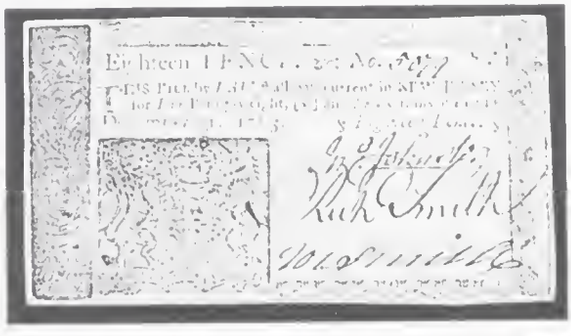
Added To All Successful Bids.

NEW JERSEY

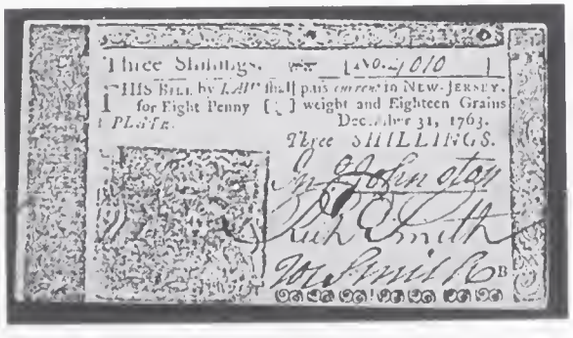
42 **New Jersey April 12, 1756 £6 Very Good.** This is one of the two early New Jersey issues where the £6 note has its Back printed in green. The Face is quite weak grading Good at best, but the important green Back is boldly printed and grades a full **Fine.** Very rare and underappreciated (250-up)

43 **New Jersey April 12, 1760 30s Fine.** The corners are severely rounded and the heavy center fold is splitting at the top and bottom, but this is still a far better grade than that in which this issue is normally encountered. (100-up)

44 **New Jersey April 12, 1760 Pin Money.** Two notes, one 12s and the other 15s, both grade **Good** or so and have been split and put back together with contemporary Colonial pins. (2 pieces) (75-up)



45 **New Jersey December 31, 1763 13d Choice New.** An unusually nice example of this often horrifically margined issue. (175-up)



46 **New Jersey December 31, 1763 3s Very Choice New.** Well printed, decently centered and with very strong dark signatures. (200-up)

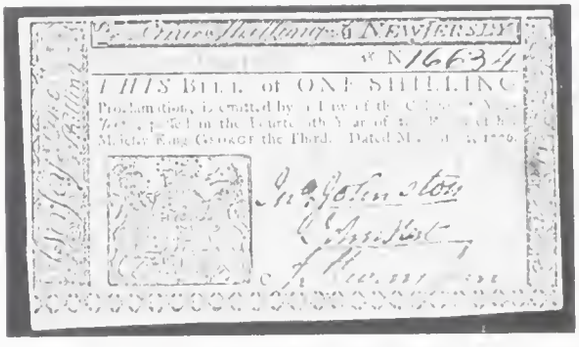
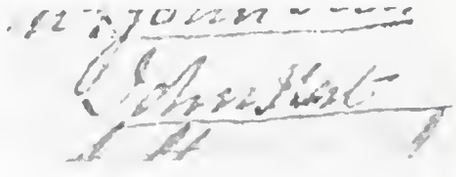
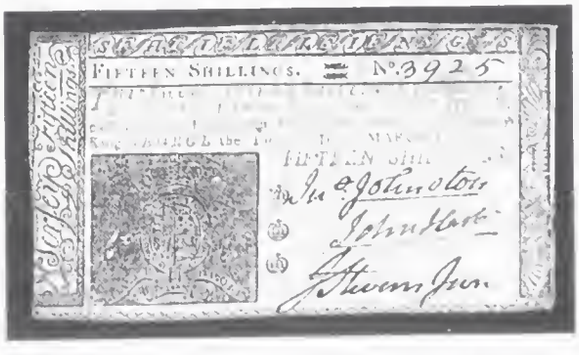
47 **New Jersey February 20, 1776 £3 Choice Extra Fine.** This is a much scarcer New Jersey issue, not to be confused with the March 25, 1776 issue, which is quite common. This pretty red and black note bears the bold, dark signature of John Hart, one of the signers of the Declaration of Independence. (300-up)



48 **New Jersey March 25, 1776 1s Choice Extra Fine.** The signature of John Hart, one of the signers of the Declaration of Independence, is bold and clear. (200-up)

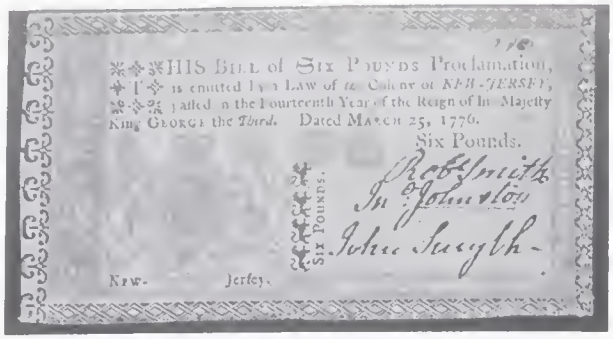


49 **New Jersey March 25, 1776 18d Choice About New.** The appearance of a Gem, but there is a light center fold. (50-up)

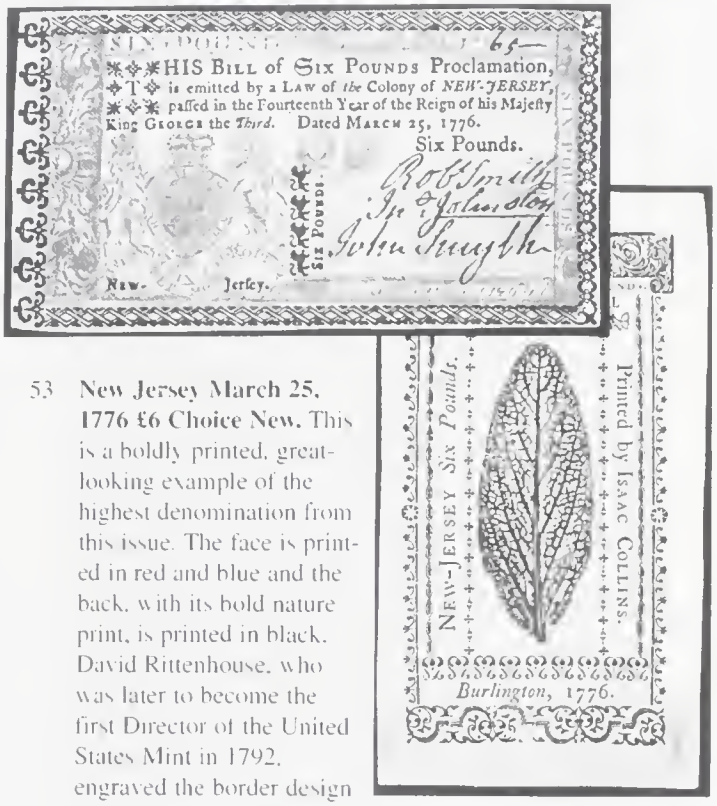


50 **New Jersey March 25, 1776 18d Very Fine.** Signed by John Hart, one of the signers of the Declaration of Independence. (150-up)

51 **New Jersey March 25, 1776 15s Very Fine.** Boldly signed by John Hart, one of the signers of the Declaration of Independence. (150-up)



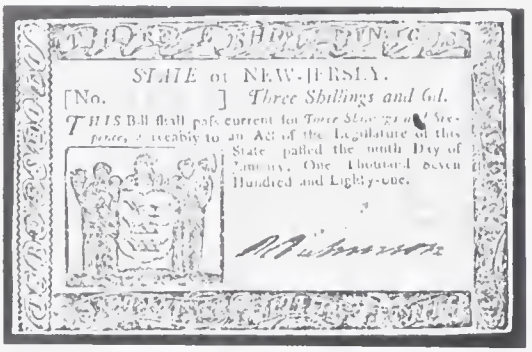
52 **New Jersey March 25, 1776 £6 Very Choice New.** This is a near-Gem example of this popular Tricolor note. (400-up)



53 **New Jersey March 25, 1776 £6 Choice New.** This is a boldly printed, great-looking example of the highest denomination from this issue. The face is printed in red and blue and the back, with its bold nature print, is printed in black. David Rittenhouse, who was later to become the first Director of the United States Mint in 1792, engraved the border design and worked his name into it in extremely small letters. His name is generally impossible to see, but this example is so well printed that under good magnification, every letter is sharp and clear. (500-up)

54 **New Jersey January 9, 1781 5s Extra Fine.** A nice example of this scarcer New Jersey issue. The note appears new from the face, but its center fold is more visible on the back. (250-up)

MAIL BIDDERS!
PLEASE REMEMBER TO SIGN YOUR BID SHEET, AND MAIL EARLY!

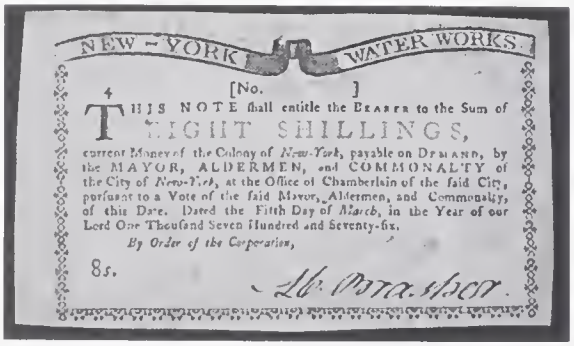


55 **New Jersey January 9, 1781 3s6d Choice Extra Fine.** A very nice example of this issue, signed by David Brearley, who was to become one of the signers of the U.S. Constitution six years after he signed this note. (200-up)

56 **Interesting New Jersey Lot.** Two early notes, a 12s and a 30s from the April 23, 1761 issue, both are **About Good**. And seven notes from the March 25, 1776 issue, all grade better than **Fine** but four of them are damaged. No returns on this lot. (9 pieces) (150-up)

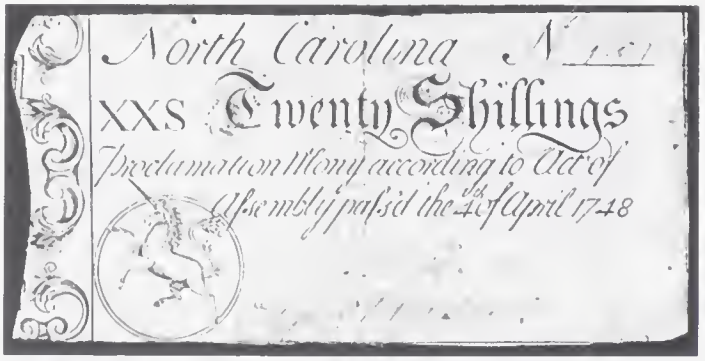
NEW YORK

57 **New York February 16, 1771.** 10s (two), £1 and £5. All four are damaged and one of the 10s is pinned. The £5 note is a repaired **VF** and the other three are **Poor**. (4 pieces) (75-up)



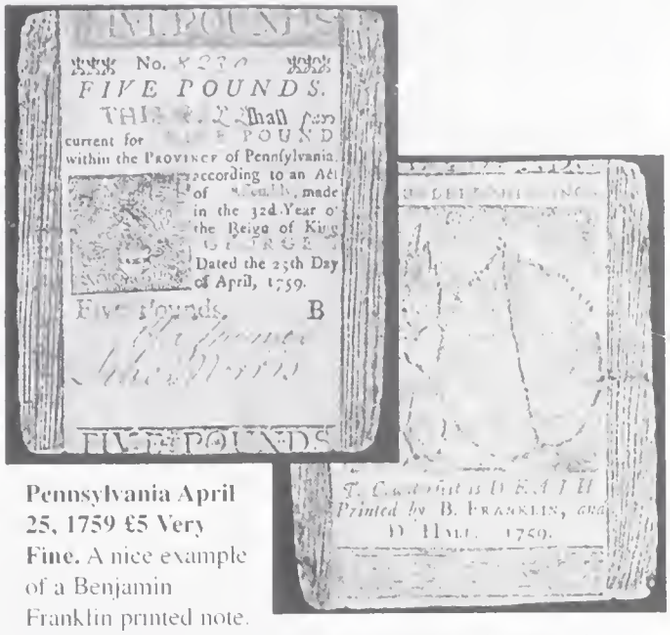
58 **New York March 5, 1776 8s Gem New.** One of the nicer examples we've seen from this popular New York City Water Works issue. (250-up)

NORTH CAROLINA

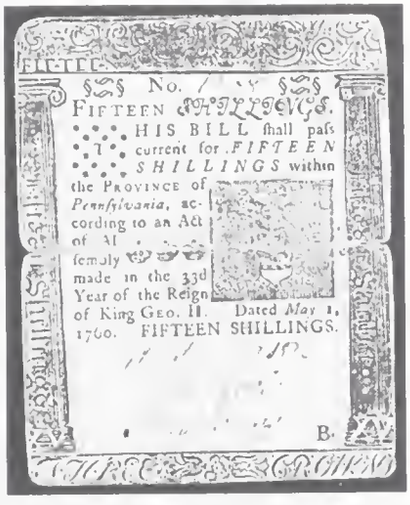


59 **North Carolina April 4, 1748 20s Fine - Very Fine.** Previously split and sewn and now restored along the split, this is a far better example of this scarce note than normally seen. It bears a wonderfully detailed and sharply printed unicorn vignette. It's #1257 out of 2000 notes printed. (400-up)

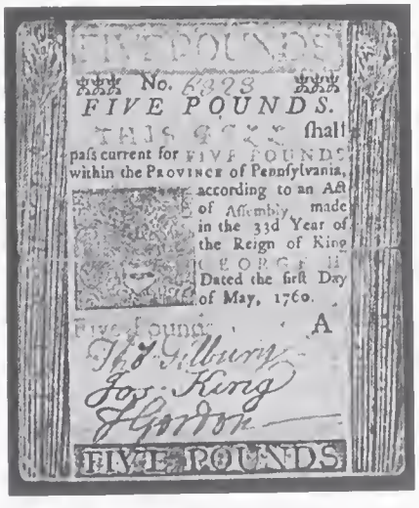
PENNSYLVANIA



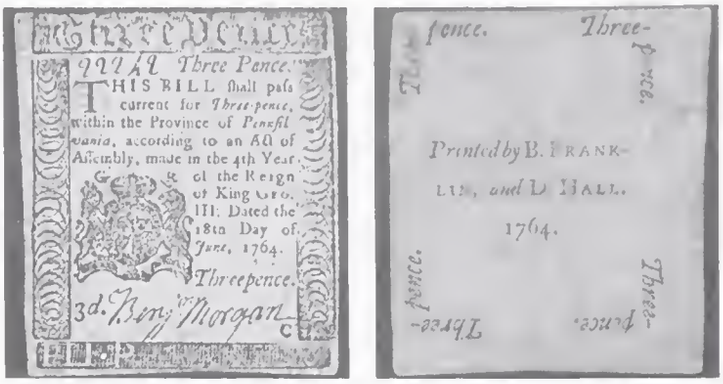
60 **Pennsylvania April 25, 1759 £5 Very Fine.** A nice example of a Benjamin Franklin printed note. The corners are rounded and the margins quite close, but the internal portions of the note are in far better condition than what's typically seen for notes of this era. (400-up)



61 **Pennsylvania May 1, 1760 15s Very Fine.** The note is tape reinforced along it's heavy horizontal fold, but it is otherwise in exceptional condition for this issue. It was printed by Benjamin Franklin and his imprint appears on the back. (250-up)

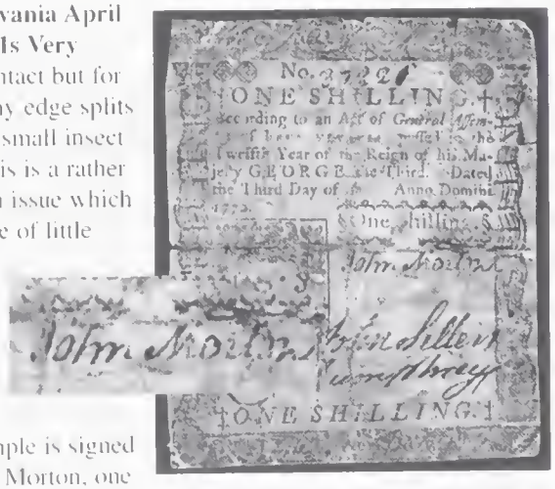


62 **Pennsylvania May 1, 1760 £5 Extra Fine.** This is an extraordinary grade for this issue. The corners are a bit rounded and there is a center fold, but the clarity and cleanliness of the note is outstanding. It was printed in Ben Franklin's printing shop 239 years ago. The only detraction is a small brown stain on the back. (500-up)



63 **Pennsylvania June 18, 1764 3d Choice Very Fine.** A lightly circulated but absolutely problem-free example of this Benjamin Franklin printed note. (350-up)

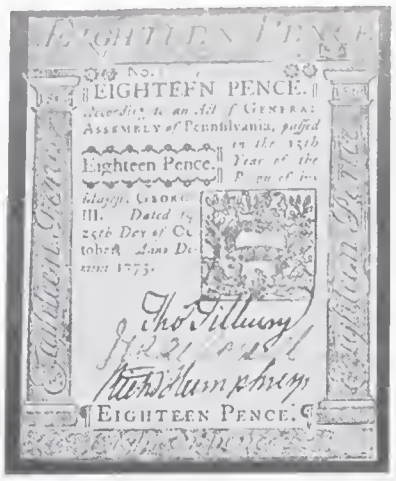
64 **Pennsylvania April 3, 1772 18d Gem New.** An absolutely pristine example, with exceptional margins and great surface originality to the paper. It's amazing to us how inexpensive these items remain in today's collector market. (200-up)



65 **Pennsylvania April 3, 1772 1s Very Good.** Intact but for a few tiny edge splits and one small insect hole. This is a rather common issue which would be of little importance in this grade, but this particular example is signed by John Morton, one of the signers of the Declaration of Independence from Pennsylvania. (250-up)

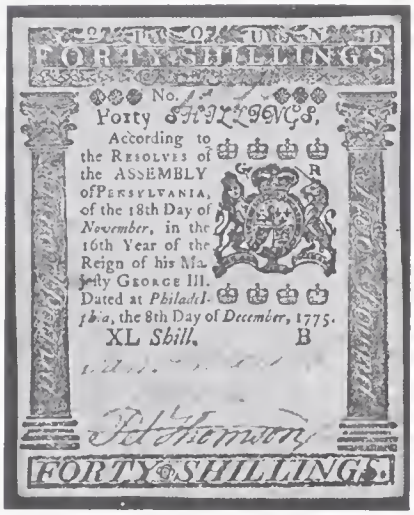
66 **Pennsylvania October 1, 1773 20s Choice Very Fine.** (50-up)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will be in Rosemont, Illinois MAY 14-15, 1999



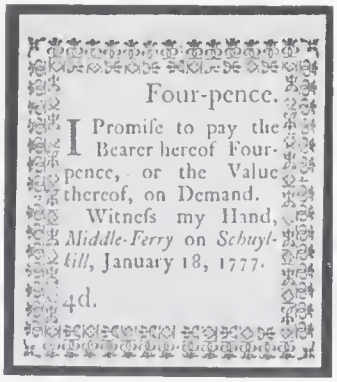
67 **Pennsylvania October 25, 1775 18d Choice New.** With slightly better margins, this beauty would be a full Gem. (150-up)

68 **Pennsylvania December 8, 1775 40s Very Choice New.** Well margined, boldly printed and with great eye appeal, this is an overall highly desirable example. The nature print on the back, which is almost always muddy, is in this instance sharp and clean. (200-up)



69 **Pennsylvania January 18, 1777 5d New.** This should be a perfect Gem example of this Middle Ferry on Schuylkill private issue if it were not for some water staining. (125-up)

70 **Pennsylvania January 18, 1777 4d Gem New.** A letter perfect, beautifully clean remainder example from the Middle Ferry on Schuylkill issue. (200-up)



71 **Pennsylvania April 10, 1777 20s Extra Fine.** This is a very nice example of the Red and Black issue. Much of the face and the central portions of the back, including the farm scene, are printed in red. (75-up)

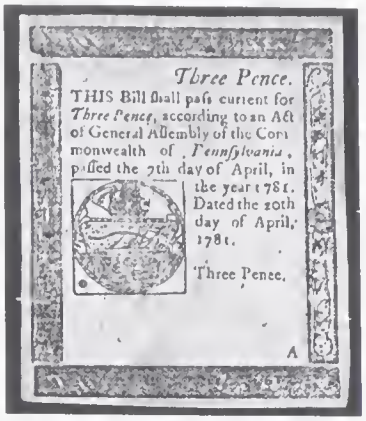
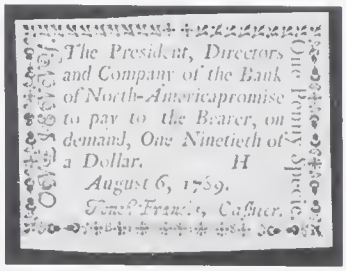
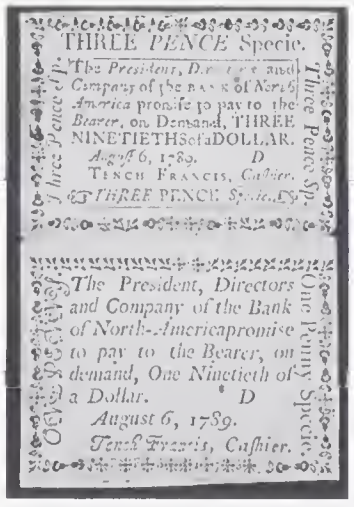
72 **Pennsylvania April 20, 1781 3d About New.** A very nice example of this scarcer Pennsylvania issue. Interestingly the new Newman Book prices these in three columns up to Very Fine. It gives no price in the Extra Fine column and prices them again in Uncirculated. This is because the notes are invariably seen either very well used or absolutely new but virtually never very lightly used as this example is. (250-up)



73 **Pennsylvania August 6, 1789 Bank of North America $1/90 Gem New.** A perfect example of this small change note. The note was printed by Benjamin Franklin's grandson, Benjamin Franklin Bache, whose imprint appears on the back. It was printed on paper which Benjamin Franklin personally brought home from England. These are always popular when they appear, and they rarely appear so well preserved. The latest edition of Newman values them at $650 in Very Fine with no higher grade listed. (800-up)





74 **Pennsylvania August 6, 1789 Bank of North America $1/90 and $3/90 Vertical Pair.** Each note grades Choice New, although there is a heavy fold in the margin area between them which has begun to split at the ends. The paper on which this pair was printed was manufactured in London in 1779 for use in printing obligations of the United States for French loans. On his return to this country, Benjamin Franklin brought the remaining blank sheets home with him. The paper was then used by his grandson, Benjamin Franklin Bache, to print this Small Change issue. The paper had been prepared with a marbled (sometimes called polychrome) edge. The $3/90 denomination is polychromed across 3/4 of its back area in red, green and yellow. The new Newman book lists the $1/90 at $650 in **Very Fine** and the $3/90 at $1250 in **Very Fine**. Neither is listed in any higher grade. (2250-up)

75 **Eight Pennsylvania Notes.** Several different common 1770s issues are represented, all of the notes grade at least **Fine** and only two have minor problems. No returns on this lot. (8 pieces) (200-up)

RHODE ISLAND

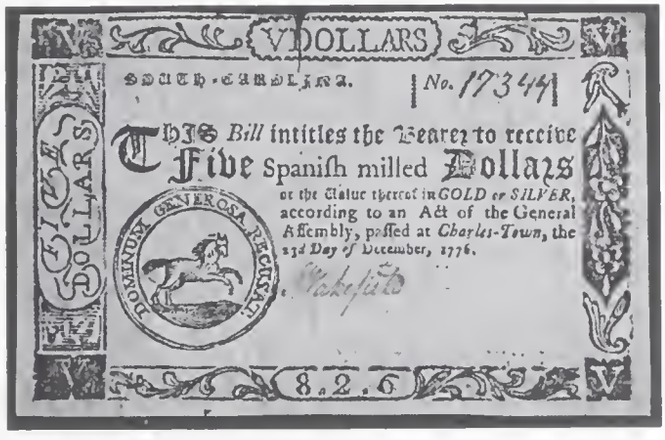
76 **Rhode Island July 2, 1780 $7 Choice About New.** Fully signed (even the guarantee on the back). (50-up)

77 **Rhode Island July 2, 1780 Block of Four.** This block consists of the $3, $4, $8 and $20 denominations. The top two notes are **Gems** and the bottom two have a heavy fold and some splitting. (150-up)

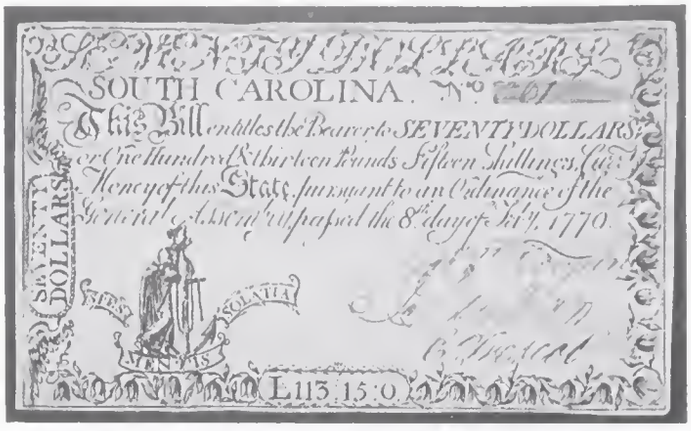
78 **Rhode Island July 2, 1780 Half Sheet of Eight.** Each of the eight notes is of a different denomination. Six of the eight have a single, heavy, splitting fold and two of the eight are **Gem New.** In the wide top margin of the sheet is written "Compliments of Horris M. Grant" and Mr. Grant's ANA number along with a 1953 date. (150-up)

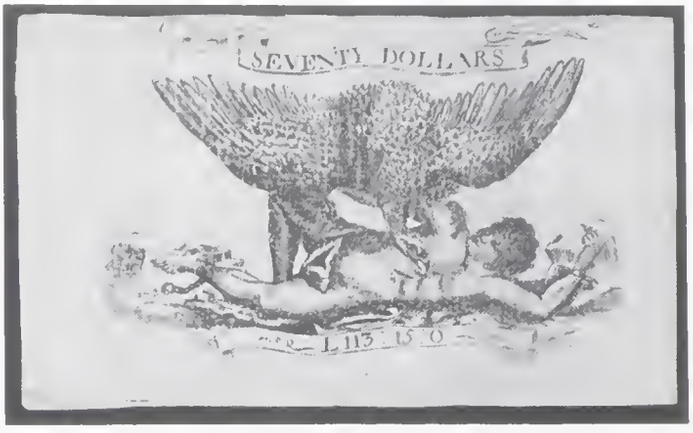
79 **Rhode Island May, 1786 Group.** Ten notes all from the same issuer represent six different denominations. The average grade is **Very Fine** and only three of the notes have problems. No returns on this lot. (10 pieces) (175-up)

SOUTH CAROLINA

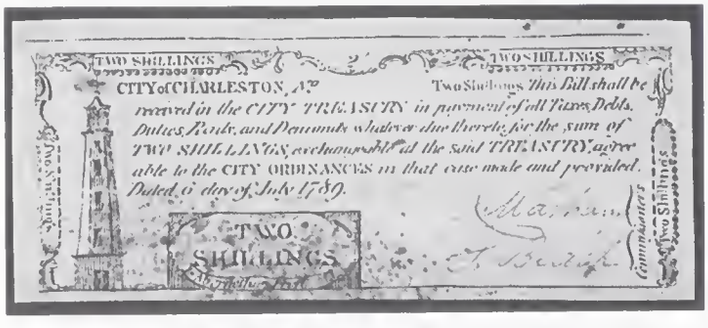


80 **South Carolina December 23, 1776 $5 Very Fine.** Although this is a remainder note, signed by Wakefield only, it appears to have seen some actual circulation. It's problem-free save for a nick at the top of the center fold. (150-up)





81 **South Carolina February 8, 1779 $70 Extra Fine.** This note has strong signatures, better-than-normal margins and very good printing quality. The elaborate back engraving was done by Thomas Coram and is signed in small letters near the left end. There appears to be some restoration work along a vertical line toward the right of the back; we'll leave it to the floor bidders to speculate. (500-up)



82 **South Carolina July 6, 1779 City of Charleston 2s New.** A perfect as issued note that is not a remainder but has been signed by two commissioners. It would grade Gem were it not for some scattered dark foxing most of which is concentrated at the bottom of the note to the right of the lighthouse. (500-up)

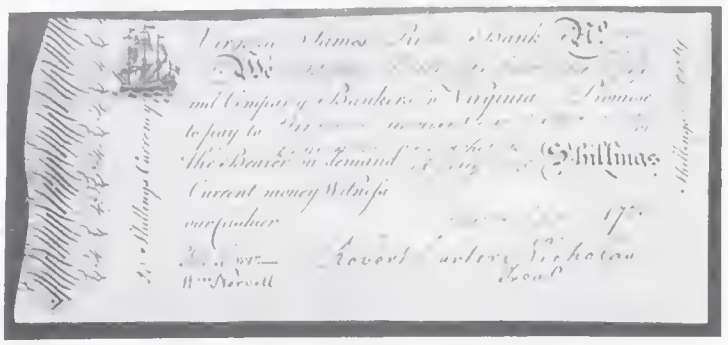
VIRGINIA



83 **Virginia September 1, 1775 James River Bank Form Choice Very Fine.** This is an exceptional grade for this issue and particularly for this scarcer variety with the printed back. This variety is the result of the use of paper that was already printed on the backs for the April 1, 1771 issue. The note is lightly used and with a number of folds but is problem free save for a minor restoration of a split at the top center. (300-up)

MIXED STATES COLONIALS

84 **Colonial Grouping.** Three Fractional Continentals from the February 17, 1776 issue, two May, 1786 Rhode Islands, one 1776 Connecticut and a November 29, 1775 $4 Continental. Two of the Fractional notes are presentable, the other five pieces have serious problems. Average grade perhaps **Fine**. No returns on this lot. (7 pieces) (150-up)

85 **Colonials and Obsoletes.** Continental Currency $1/6 **Fine**; Rhode Island May, 1786 2s6d **Fine**; and four common obsoletes, two North Carolina, a Virginia from the 1860s and an 1806 Pittsfield, Massachusetts note. (6 pieces) (100-up)

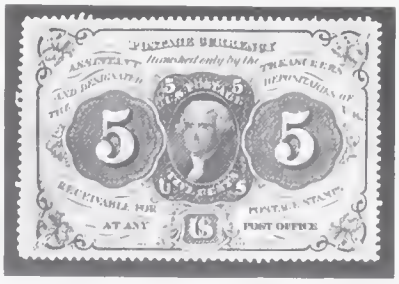
FRACTIONAL CURRENCY

The Dr. Wally Lee Fractional Currency Collection

Dr. Lee has been a customer and friend for the last three decades. He was present for the founding of and is a charter member of the FCCB. We are pleased to have been chosen to offer his outstanding collection of Fractional Currency.

FIRST ISSUE

86 **Fr. 1228 5c First Issue Superb Gem New.** Extremely large margins, perfect deep perforations on all four sides, original paper surfaces and impeccable printing quality. This is one of the nicest perforated notes of any denomination that we have seen. (350-up)

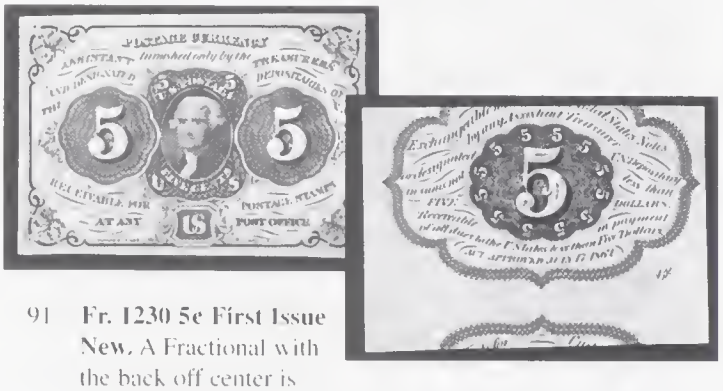


87 **Fr. 1228 5c First Issue Choice New.** Fully perforated all around, but the perforations at the right just touch the frame line. (125-up)

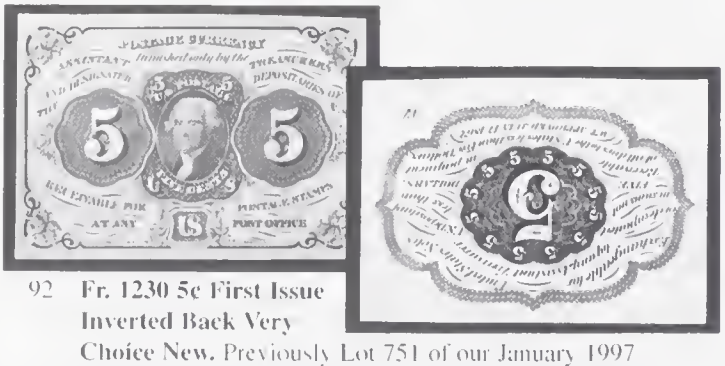
88 **Fr. 1228 5c First Issue Choice New.** (100-up)

89 **Fr. 1229 5c First Issue Very Choice New.** This is a near-Gem example of the perforated edge, no-monogram Five Cent. It's well printed, bright and with excellent paper originality. (200-up)

90 **Fr. 1230 5c First Issue Complete Sheet of 20 Superb Gem New.** An absolutely perfect, flawless, wrinkle-free, strictly original, broadly margined sheet. The full selvage is present all the way around, and this immaculate sheet shows the original embossing on every one of its 20 gorgeous notes. (2000-up)



91 **Fr. 1230 5c First Issue New.** A Fractional with the back off center is generally not considered to be an Error note as it's such a common occurrence. This one is so massive as to fully qualify as an error, and quite a neat one at that. (250-up)



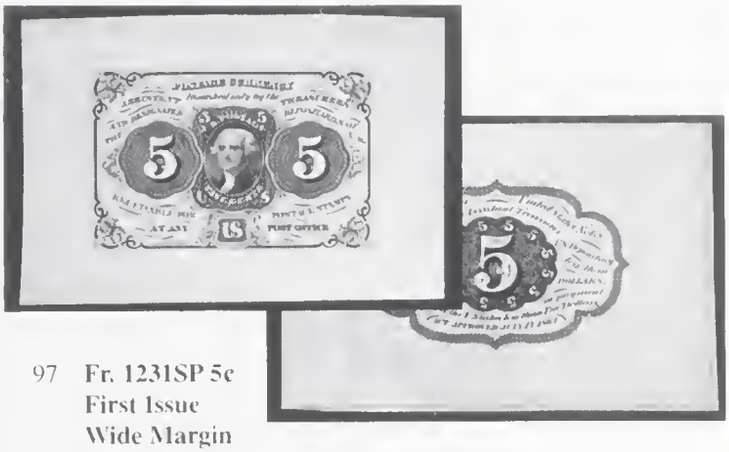
92 **Fr. 1230 5c First Issue Inverted Back Very Choice New.** Previously Lot 751 of our January 1997 Friedberg Collection sale, where this Error realized over $450. It was described there, "A broad-margined and absolutely stunning example of this more common invert. It's the plate note from the Milton *Encyclopedia* where it appears both face and back on page 20. (500-up)

93 **Fr. 1230 5c First Issue Very Choice New.** (40 up)

94 **Two Fr. 1230's.** Both 5c First Issue pieces are **Choice New** (2 pieces) (100-up)

95 **Fr. 1231 5c First Issue Very Choice New.** Quite nearly a Gem. (200-up)

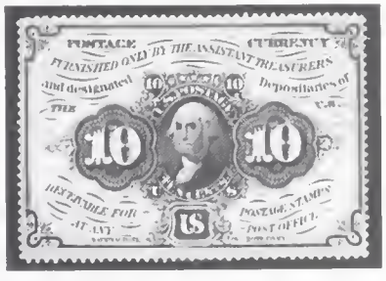
96 **Fr. 1231 5c First Issue Choice New.** The close side margins are all that prevent the Gem grade on this pretty no monogram First Issue note. (100-up)



97 **Fr. 1231SP 5c First Issue Wide Margin Pair Superb Gem New.** This utterly flawless pair from Dr. Lee's collection was acquired by him at the B & R Hetrich sale in January of 1982. Both face and back are fully wide; in fact, the face shows parts of three cutting guides and the back fully shows all four all the way around. This incredible pair are original, perfectly bright and as nice a pair as could exist. (500-up)

98 **Two Lovely First Issue Narrow Margin Pairs.** Fr. 1231SP and 1243SP. All four pieces are perfect **Gem New** examples with no traces of ever being mounted. (4 pieces) (200-up)

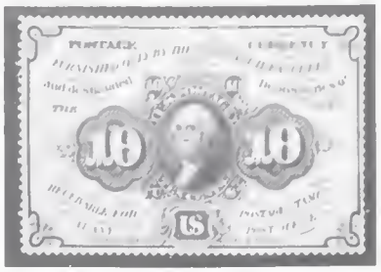
99 **Fr. 1240 10c First Issue Gem New.** Deeply perforated all the way around and with needle sharp printing quality. A very lovely example. (275-up)



100 **Fr. 1240 10c First Issue Choice New.** Perforated all the way around, but the margins (both face and back) are too close at points for a higher grade. (150-up)

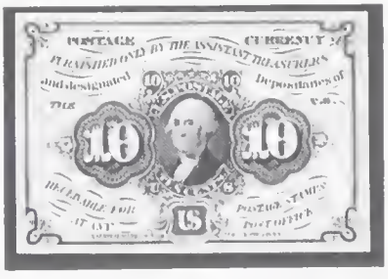
101 **Fr. 1241 10c First Issue Gem New.** Well perforated all around and extremely well margined, this no-monogram perforated note is one of the nicer examples we've seen. It's a really tough number in top grade. (300-up)

102 **Fr. 1241 10c First Issue Very Choice New.** A near-Gem example of this scarce perforated no-monogram variety. (150-up)



103 **Fr. 1241 10c First Issue About New.** Only three of the edges are perfect, but interestingly, the straight edge, the extra-wide right margin, shows traces of a few perfs at the top. (150-up)

104 **Fr. 1242 10c First Issue Complete Sheet of 20 Gem New.** An outstanding sheet, with great paper originality, large margins, terrific brightness and sharp printing. There is some extremely light water staining in the left selvage, but it does not reach any note. The originality of the surface is apparent, as all 20 notes have their original embossing. A bright and very attractive sheet. (1500-up)



105 **Fr. 1242 10c First Issue Superb Gem New.** Broadly margined, beautifully bright and perfectly centered on both sides (150-up)

106 **Fr. 1242 10c First Issue Choice New.** Bright and pretty. (40-up)

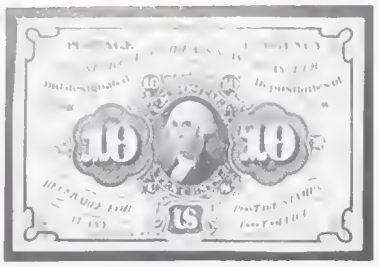
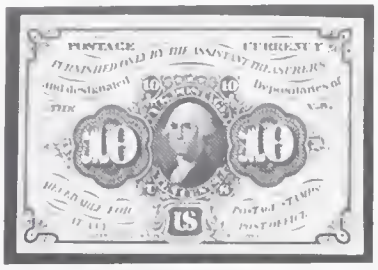
107 **Fr. 1243 10c First Issue Gem New.** This is an outstanding example of this very scarce straight edge no-monogram variety. (225 up)





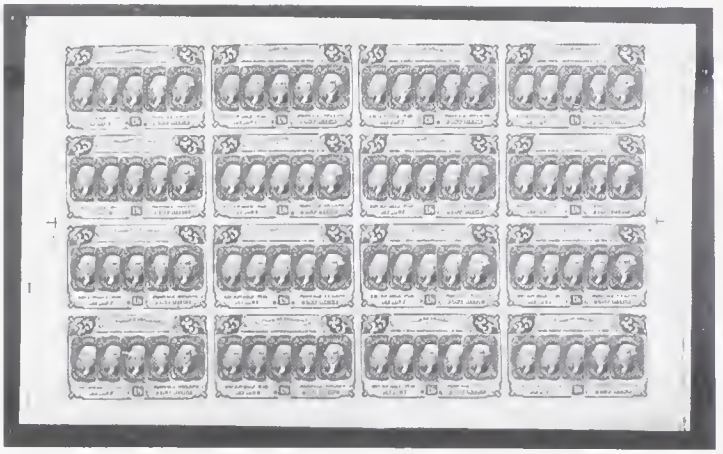
108 **Fr. 1243 10c First Issue Very Choice New.** This beautifully bright, straight edge no-monogram note is very close to the pure Gem grade. With a tiny bit more left face margin, it would rate among the finest we've ever seen. (150-up)

109 **Fr. 1243 10c First Issue Very Choice New.** The margins are a hair too tight for the Gem grade, but this very scarce and pretty note is perfect in all other respects. (125-up)

110 **Fr. 1243 10c First Issue Choice New.** (100-up)

111 **Fr. 1243SP 10c First Issue Wide Margin Pair Gem New.** Another lovely pair acquired by Dr. Lee from the Vacca Collection. Both face and back are fully wide, perfectly matched and beautifully bright. (2 pieces) (350-up)

112 **Fr. 1279 25c First Issue Gem New.** Beautifully margined, extremely well printed and deeply perforated all the way around, this is a truly nice example of a perforated note. (350-up)

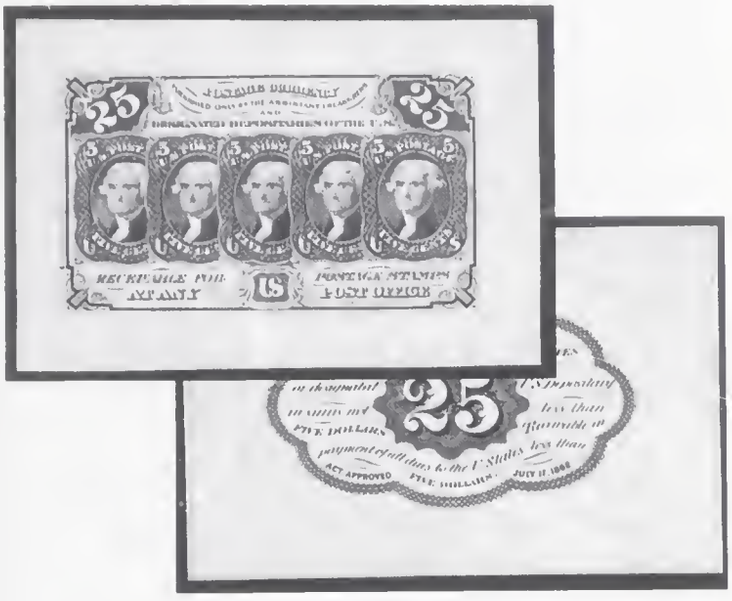


113 **Fr. 1281 25c First Issue Uncut Sheet of 16 Gem New.** There is some minute handling here and there on the sheet, but the appearance, surfaces, margins and brilliance are second to none. Taken individually, fully 12 of the notes are Superb Gems and four of the others show pinch folds. (1500-up)

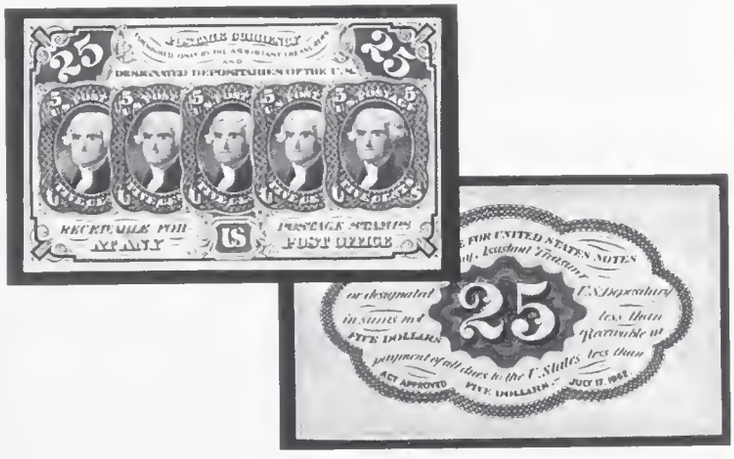
114 **Fr. 1281 25c First Issue Superb Gem New.** Deep, even perforations, excellent margins, perfect back centering and strictly original paper quality all combine on this gorgeous little note. (450-up)

115 **Fr. 1281 25c First Issue Inverted Back Very Good.** One of the more common Inverts, this one is almost identical to Lot 768 of the Friedberg sale which realized $176. Dr. Lee acquired this from the April 1981 NASCA sale as Lot 1230. It has a few small skins and some rust spots but it's wholly intact. (200-up)

116 **Fr. 1282 25c First Issue New.** A decent example of this scarce note, but the back is considerably off-center. (150-up)



117 **Fr. 1282SP 25¢ First Issue Wide Margin Pair Superb Gem New.** This impeccable pair was acquired by Doc Lee from NASCA's September 1981 sale. They are a strictly original, flawless pair with fully wide margins and perfect printing quality. (2 pieces) (400-up)



118 **Fr. 1282SP 25¢ First Issue Narrow Margin Pair Gem New.** A perfect pair from Dr. Lee's collection that appear to have been cut down from Wide Margins. (2 pieces) (150-up)

119 **Fr. 1310 50¢ First Issue Superb Gem New.** An absolutely flawless example, with bright colors, broad, even margins and perfect, deep perforations all the way around. It's as nice as these can come. (400-up)

120 **Fr. 1310 50¢ First Issue Gem New.** A gorgeous, fully perforated, beautifully bright example from the Dr. Lee Collection. We haven't seen very many this nice. (500-up)

Gem New Rare Fr. 1310a

121 **Fr. 1310a First Issue Perforated 14 Milton 1R50.3d Gem New.** This spectacularly attractive example of a very popular variety was acquired by Dr. Lee in the September 1981 NASCA sale. "Perforated 14" refers to the number of perforations per 20mm of edge length. The normal perforations on all other First Issue Fractional notes are slightly larger: "perf 12" or 12 perforations per 20mm of edge length. The generally accepted history of these smaller perforated notes is that they were produced from two sheets by dealer Harlan P. Smith circa 1890. Although there is no documentary evidence, there is considerable circumstantial evidence that Smith perforated these sheets himself. As this variety was listed by Blake, Valentine, Limpert and Rothert as genuine, it remains highly desirable and collectable in spite of its possible private production. In May of 1996 we sold an example for $5280, and Milt's About New example realized $2860 in our January 1997 sale. Dr. Lee's note is perfect but for two pre-print wrinkles and the back's being off-center (although not touching) to the left. (3500-up)

122 **Fr. 1311 50¢ First Issue Choice New.** This note was acquired by Dr. Lee from New England auctions in the early 80's. It would grade higher but the bottom margin is not perforated. (150-up)

DUPLICATES? CONSIGN THEM TO OUR MAY, 1999 SALE! DON'T WAIT!

123 **Fr. 1312 50c First Issue Full Sheet of 16 About New.** There are a few very light folds, making this sheet and all 16 of its notes **About New.** Three of the margins are fully wide; the bottom margin is a bit smaller and it has one short repaired tear that does not reach any note. (800-up)

124 **Fr. 1312 50c First Issue Gem New.** An outstanding example of its type, with excellent margins, razor sharp printing quality and good centering on both sides. This is a common note but a challenging one to find in Gem condition. (250-up)

125 **Fr. 1312 50c First Issue Choice New.** (125-up)

126 **Fr. 1313 50c First Issue Gem New.** Dr. Lee's 1313 is one of the nicer examples we've seen. The margins are excellent all the way around and the back centering is virtually perfect. This straight-edge, no monogram 50c is one of the scarcest of the First Issue notes. (500-up)

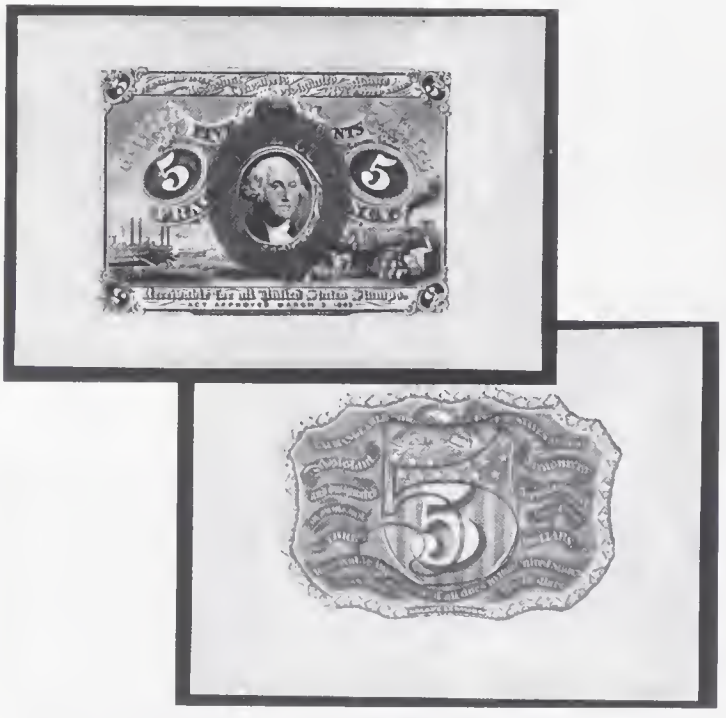
127 **Fr. 1313SP 50c First Issue Wide Margin Pair Superb Gem New.** Dr. Lee acquired this flawless pair from the late Tom Knebl in the mid-1980's. Both face and back are spectacular, broadly margined, flawless examples. (2 pieces) (400-up)

SECOND ISSUE

128 **Fr. 1232 5c Second Issue.** Two identical pieces. One is **Choice New** and the second identical but for a broad corner fold **About New**. (2 pieces) (65-up)



129 **Fr. 1232SP 5c Second Issue Wide Margin Pair Gem New.** This beautiful pair was acquired by Dr. Lee during the April 1982 NASCA sale. Both face and back are fully wide, beautifully printed, strictly original and very good looking. (350-up)

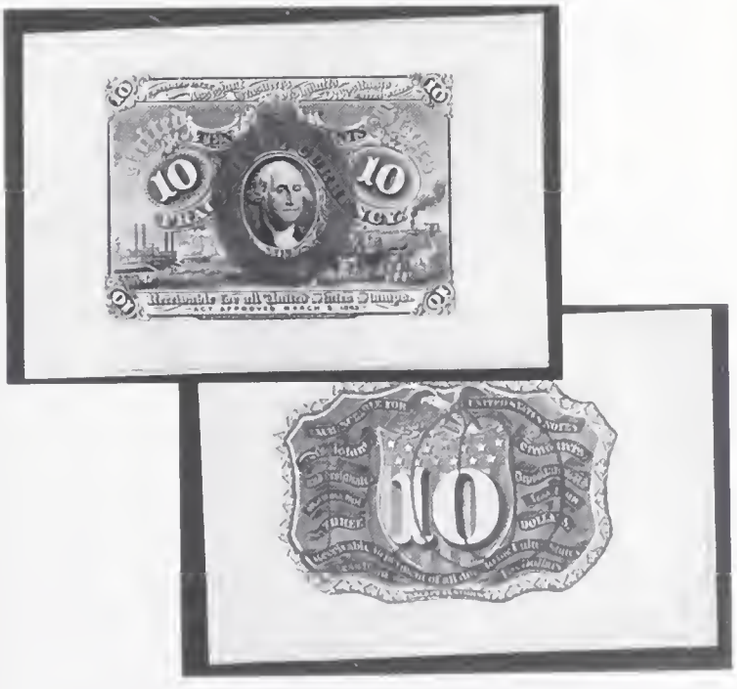
130 **Two Lovely Second Issue Narrow Margin Pairs.** Fr 1232SP and Fr. 1244SP. All four pieces are perfect **Gem New** examples with no traces of ever being mounted. (4 pieces) (200-up)

131 **Fr. 1234 5c Second Issue Very Choice New.** This pretty little piece is quite nearly Gem. (50-up)

132 **Fr. 1235 5c Second Issue Very Choice New.** Dr. Lee's Fiber Paper 5c is right up there with the very best examples of this number we've ever seen. It's well margined, bright and extraordinarily sharply printed for a Fiber Paper note. (250-up)

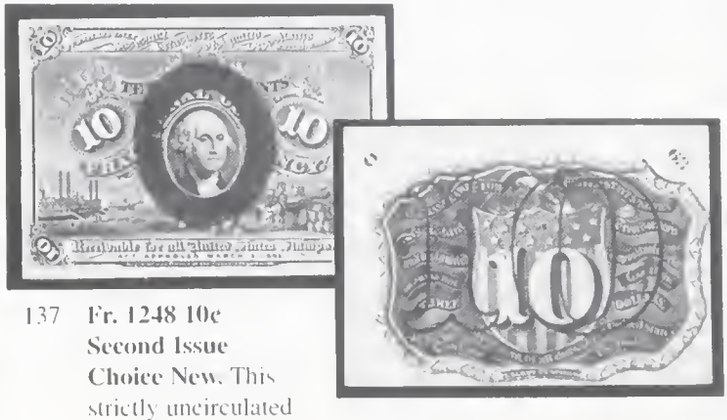
133 **Fr. 1244 10c Second Issue Very Choice New.** With just a bit more top margin, this otherwise Superb note would be a full Gem. The colors are amazing. (100-up)

134 **Fr. 1244 and 1246 10c Second Issue.** Both grade **Choice New**. (2 pieces) (100-up)



135 **Fr. 1244SP 10c Second Issue Wide Margin Pair Gem New.** This lovely pair from Dr. Lee's Collection are both fully wide and very good looking. (300-up)

136 **Fr. 1246 10c Second Issue Inverted Reverse Engraving Very Good.** This piece, one of four known, is apparently from the same sheet as the Friedberg example, the back centering of both the surcharge and the bronze's being virtually identical. Doc Lee purchased this note from the H.L.M. February 1984 sale of the Dr. Glen Clark Collection. (300-up)

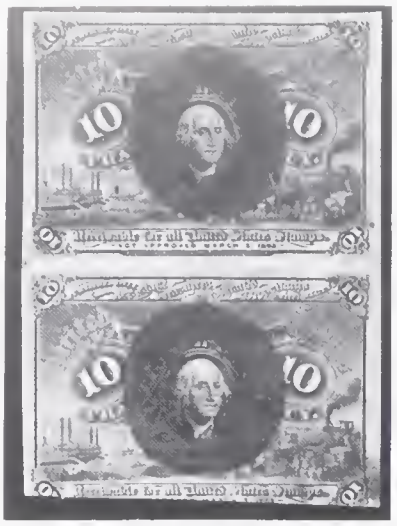


137 **Fr. 1248 10c Second Issue Choice New.** This strictly uncirculated example is centered a little bit toward the right and bottom on the back, but very well centered on the face. Dr. Lee acquired it from this cataloger in the early 80's. Since then, the census has gone up considerably, but this still is one of the finer examples known. It's considerably nicer than the Milt Friedberg poorly centered About New which realized over $1200. (1750-up)

138 **Fr. 1249 10c Second Issue Gem New.** This is a number that is virtually impossible to acquire in this grade. Dr. Lee was the successful bidder in NASCA's September, 1981 sale, where he acquired this as Lot 2076. This Fiber Paper beauty is broadly margined all the way around, well printed both face and back and with its bronze fully bright. It's one of the nicest if not *the* nicest example of this number that we've seen. (750-up)

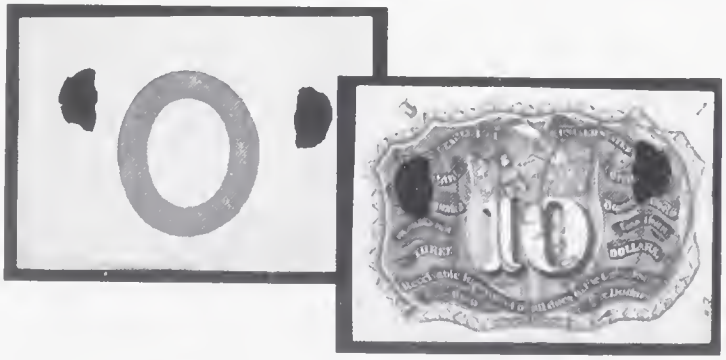
Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in May of 1999!

Two Rare 10¢ Experimental Pairs



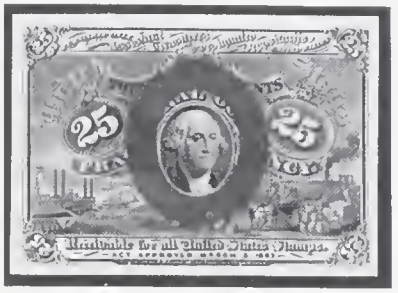
139 **10c Second Issue Experimental Pair Choice About New.** There is a fold between the notes on this vertical pair, but individually the top note grades Gem New and the bottom note New. Printed on heavy fiber paper, this uniface pair has the normal 10c Second Issue engraving, but the bronze oval is double-printed, giving it an exceedingly thick, unusual appearance. We believe this piece is Milton 2E10E.4c, and it is likely the vertical pair from the October 20, 1904 S & H Chapman sale. The note was acquired privately by Dr. Lee in December of 1980 from NASCA, and the offering letter is enclosed with this lot along with an article from the Bank Note Reporter featuring and photographing this particular item. Milt had a single of this note, apparently from the same sheet as the bronze centering is identical. But for that single and this pair, we've never seen another. (1250-up)

140 **10c Second Issue Experimental Pair Choice New.** This horizontal pair is on the same paper and has the same engraving as the previous pair, but it is printed with only the normal bronze oval, not the double oval of the previous lot. Dr. Lee acquired it from the February 1, 1982 Superior sale. The left-hand note is a perfect Gem; the right-hand note has two very light corner folds. (1000-up)

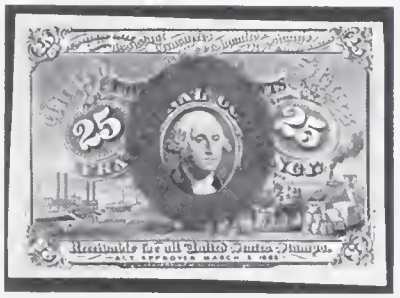


141 **Second Issue 10c Experimental Milton 2E10R.4 Gem New.** Bright colors, flashy bronze and excellent centering make this a desirable example of this somewhat scarcer type. (300-up)

142 **10c Experimental Pair.** Milton 2E10E.4 and 2E10R.4 both face and back grade **Choice New.** (2 pieces) (400-up)



143 **Fr. 1283 25c Second Issue Superb Gem New.** The margins are unusually broad and the printing very sharp for this normally poorly centered issue. The colors are also very bright, and the back centering is fully equal to that of the face. (250-up)



144 **Fr. 1283 25c Second Issue Gem New.** A lovely, strictly original example of a type and denomination that is very scarce in top grade. (175-up)

145 **Fr. 1283 25c Second Issue Very Choice New.** A nice example from Dr. Lee's collection. (125-up)

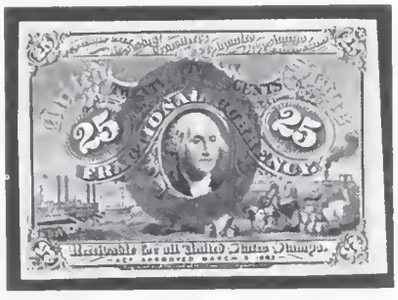
146 **Fr. 1283SP 25c Second Issue Wide Margin Pair Superb Gem New.** This beautiful, perfectly matched pair was acquired by Dr. Lee in April of 1982 from a NASCA sale. The two pieces are perfectly matched, fully wide and extremely attractive. The back has the full plate number 8 at its lower right corner. This is an extremely high quality pair. (2 pieces) (350-up)

147 **Fr. 1286 25c Second Issue Slate Back Very Choice New.** This is a particularly nice example of this popular variety. The back ink is totally slate gray, without any indication of the normal purple color. This variety has been known for many decades and although it certainly is a major variation, it has never received a number of its own. It's frequently referred to as Fr. 1286a. (400-up)



148 **Fr. 1286 25c Second Issue Very Choice New.** A near-Gem Fractional note. (150-up)

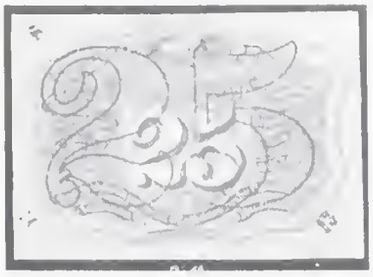
Rare Inverted "S" Fr. 1286 One of the finest known



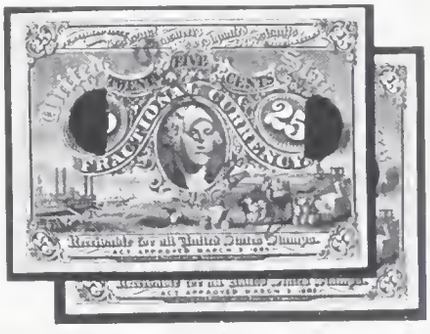
Inverted "S"

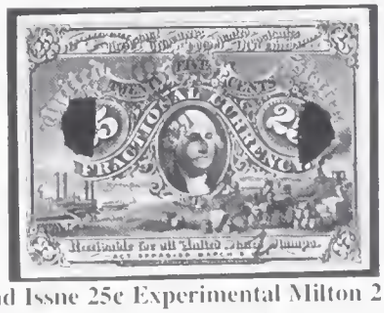
Normal "S"

149 **Fr. 1286 25c Second Issue Inverted "S" About New.** Dr. Lee acquired this important rarity from NASCA's April 1981 sale. It was previously Lot 207 from this cataloger's June, 1979 sale, where it was written, "Inverted 'S' in surcharge, (Milton 2R25.3g) listed as Rarity 8 in the Encyclopedia. A lightly aged About New, this note appears never to have circulated but has picked up one corner fold. It has decent margins on both sides, with the all important "S" sharp and clear. This note is the result of an engraving error rather than a printing error (incorrect feeding of the sheet) as are all other inverts." Estimated at $600 in that sale, it realized $700. When Doc Lee acquired it in 1981, the note was estimated at $750 and it realized $1150. Now, 18 years later, we expect this rare note (one of the best of five or six known) to realize... (1500-up)

150 **Fr. 1288 25c Second Issue Very Choice New.** Strictly original and with extremely sharp printing, this is a near-Gem example. (150-up)

151 **Second Issue 25c Experimental Milton 2E25F.3c V-219 Superb Gem New.** Two pieces both bright, flawless Gems. (400-up)





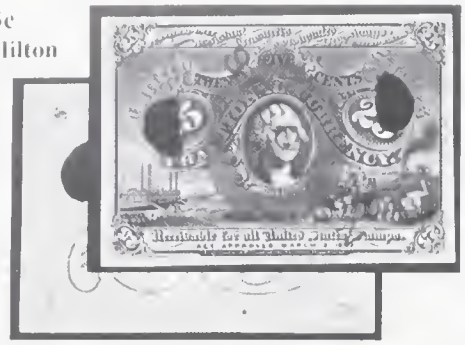
152 **Second Issne 25c Experimental Milton 2E25F.3c V-219 Superb Gem New.** Bright, perfectly centered and flawless. (150-up)

153 **25c Second Issue Experimental Milton 2E25F.3c V-219.** The first of three identical **Gem New** examples. (150-up)

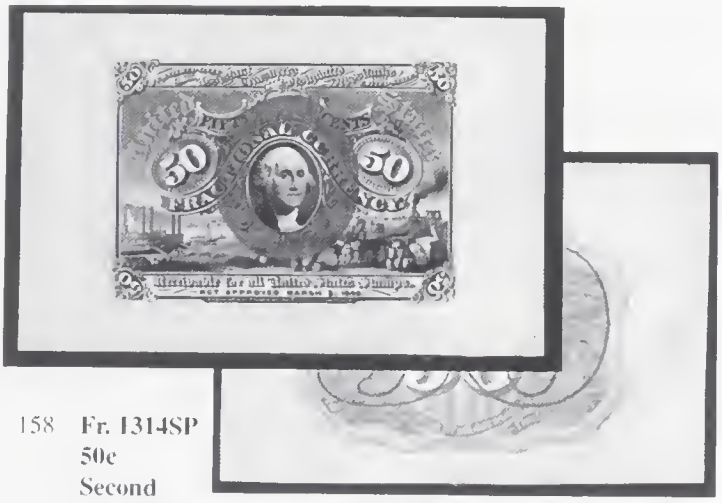
154 **25c Second Issue Experimental Milton 2E25F.3c V-219 Gem New.** The second of three. (150-up)

155 **25c Second Issue Experimental Milton 2E25F.3c V-219.** (150-up)

156 **Second Issue 25c Experimental Milton 2E25F.6 V-237. A Gem New** example of this popular Experimental type. (200-up)

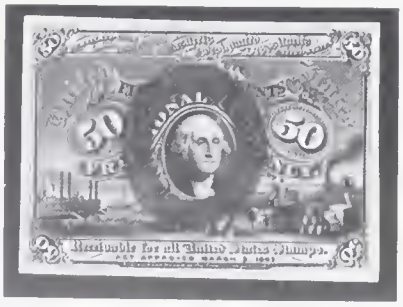


157 **Second Issue 25c Experimental Milton 2E25F.6 Gem New.** A lovely example of this second most common experimental. (200-up)



158 **Fr. 1314SP 50c Second Issue Wide Margin Pair.** Both face and back are on paper that has mellowed very slightly, but their ink colors are perfect and the surfaces pristine. The face grades **Gem New** and the back **About New** due to a minor corner fold. (2 pieces) (250-up)

159 **Fr. 1316 50c Second Issue Gem New.** Dr. Lee's 1316 is one of the nicer examples of this number that we've seen. It's broadly margined, well printed on both sides and with good color of the inks and paper. (250-up)



160 **Fr. 1317 50c Second Issue Gem New.** A great example of a very scarce type in high grade. The margins are particularly large, and all the ink and bronze colors are perfect. Also, this note is most unusually sharply printed throughout the design. Even the frame line on the face is well printed all the way around. (400-up)

161 **Fr. 1317 50c Second Issue Choice New.** The margins are tight but the note is otherwise very nice. (150-up)

162 **Fr. 1318 50c Second Issue Gem New.** This lovely little note from Dr. Lee's Collection has broad margins, bright colors and excellent bronze both face and back. It's not often that any Second Issue 50c note is encountered nearly this nice. (350-up)

163 **Fr. 1318 50c Second Issue Choice New.** Quite nearly a Gem, the colors and print quality are excellent. (150-up)

164 **Fr. 1318 50c Second Issue Choice New.** (150-up)

165 **Fr. 1320 50c Second Issue Very Choice New.** Dr. Lee's 1320 is quite nearly a full Gem. The paper has a few spots of minor toning but the margins, ink colors and bronze are all far superior to normal. (300-up)

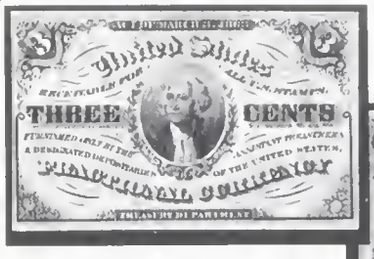
166 **Fr. 1321 50c Second Issue Gem New.** This scarce number is hugely margined, beautifully bright and extremely well printed for a Fiber Paper note. It has something that in paper money can only occur on a few numbers of Fractional Currency and nowhere else: a fold on one side only. Fr. 1321 is printed on two separate pieces of paper that have been glued together. The back of this note was folded in the printing or paper making process, and the ink and bronze have cracked slightly along the line of that fold - but the fold does not exist on the face of the note, clearly indicating it was part of the manufacturing process. We unhesitatingly consider this note a Gem and expect it will attract quite a bit of interest at the lot viewing as its technical grade is discussed *ad nauseam*. (300-up)

167 **Fr. 1322 50c Second Issue Very Choice New.** With a bit more margin, this bright, well centered Fiber Paper note from Dr. Lee's Collection would grade Gem. (225-up)

168 **50c Second Issue Experimental Face Milton 2E50F.4 Very Choice New.** From our sale of the Friedberg Collection where it was described, "Fully Gem but with a close left-hand margin, this note has the same [as the previous several lots] contemporary writing buried in the design near the bottom. It also has a minor offset transfer at the bottom of the blank back." (300-up)

169 **50c Second Issue Experimental Back Milton 2E50R.3 Gem New.** A lovely example of a far scarcer Experimental type than the usually encountered 25c face. (300-up)

170 **Fr. 1226 3c Third Issue Superb Gem New.** With boardwalk margins all the way around, perfect back centering and the full face plate number 55 in the upper left corner, this 3c has it all. (300-up)



171 **Fr. 1226 3c Third Issue Inverted Back.** This is one of only five known examples of this number, and as the other 3c note Fr. 1227 is even rarer as an Invert, the 3c is the rarest denomination for which an Invert can be obtained. This note is a perfect **Very Fine** with strictly original surfaces and excellent color. Dr. Lee obtained it from one of the early 80's NASCA sales. (1000-up)

172 **Fr. 1227 3c Third Issue Superb Gem New.** We've seen lots of Fr. 1226's this nice, we believe because they've been cut from sheets specifically to retain the large margins, but few multiples of Fr. 1227 exist, and finding this type with this centering is almost unheard of. (400-up)

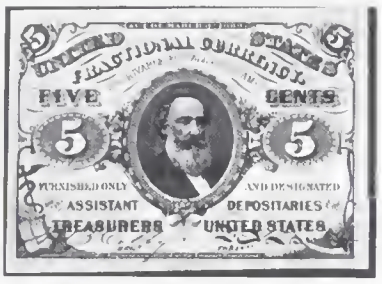
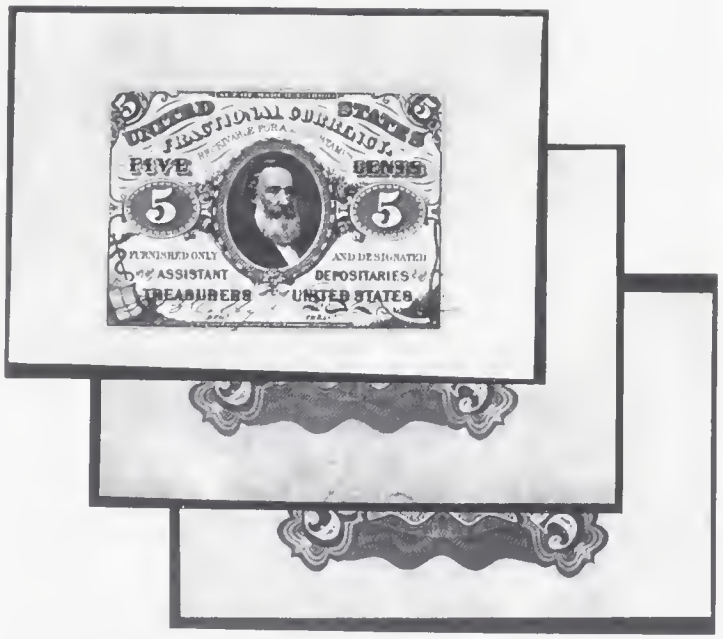
173 **Fr. 1227SP 3¢ Third Issue Wide Margin Pair Superb Gem New.** This flawless pair was acquired by Dr. Lee in the April 1982 NASCA sale. Both face and back have their full original embossing, and both are gorgeous, well printed examples. There are two natural paper ripples far out in the wide right margin of the face. (300-up)

174 **Fr. 1236 5¢ Third Issue Superb Gem New.** Yet another Fractional jewel. The margins are broad and even, the embossing strictly original and boldly obvious and the printing razor sharp on both sides. This pretty Red Back Clark also has perfectly bright colors of its inks and paper. (300-up)

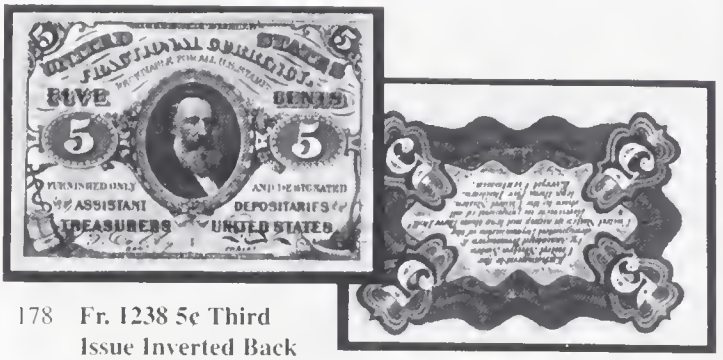


175 **Fr. 1236 5¢ Third Issue Superb Gem New.** A lovely Red Back Clark without a hint of a problem. (150-up)

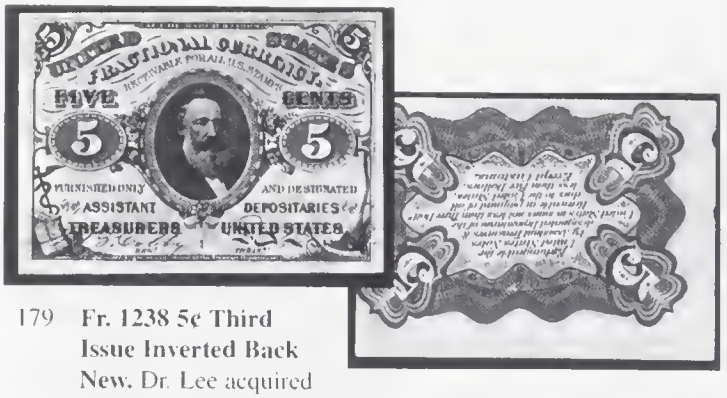


176 **Fr. 1236/38SP 5¢ Third Issue Wide Margin Set of Three.** This lovely set was acquired by Dr. Lee from the April 1982 NASCA sale. All three pieces are perfect **Gems**, fully wide, beautifully bright and totally original. This is a flawless set. (3 pieces) (500-up)

177 **Fr. 1236/38SP 5¢ Third Issue Narrow Margin Set of Three Gem New.** A lovely set. (3 pieces) (150-up)



178 **Fr. 1238 5¢ Third Issue Inverted Back Gem New.** One of only a half-dozen or so known, this rare Invert is in pristine condition. It's very well margined and perfectly bright and it even has its original embossing totally intact. It's an infrequent occurrence in Fractional Currency and even more so in Fractional Inverts when both rarity and quality combine. This magnificent piece from Dr. Lee's Collection epitomizes that combination. (1750-up)



179 **Fr. 1238 5¢ Third Issue Inverted Back New.** Dr. Lee acquired this very important Invert at NASCA's 1981 Vacca sale. It's one of only six Clark Inverts known, and it's one of the nicest. The back is off-center and touches one edge, the face centering is uneven but with margins all the way around and the paper is lightly toned. The note is 100% New, with all the original embossing plainly evident and its surfaces clean and pristine. Included with this great invert is a normal Fr. 1238 in About New. (2 pieces) (1000-up)

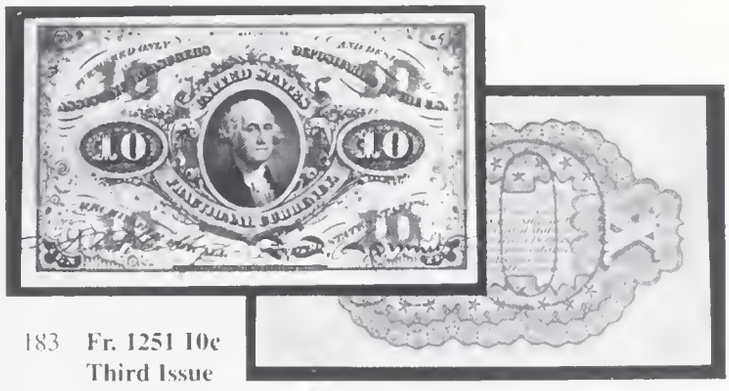
180 **Fr. 1239 5¢ Third Issue Superb Gem New.** The margins on this small note are as large as any we've ever seen for the type, and the back centering is fully equal to that of the face. This is a perfectly gorgeous note. (200-up)

181 **Fr. 1239 5¢ Third Issue.** Three identical notes all grade **Choice New** and close to Gem. (3 pieces) (150-up)

Rare 5¢ Clark Face and Back Proofs

These are exceptionally sharp, perfect proofs done on soft white paper which is glued lightly at the tips to a gray light-cardboard backing. They are identical to the notes that appear mounted in the Treasury Presentation Books. (2 pieces) (1000-up)



183 **Fr. 1251 10¢ Third Issue Superb Gem New.** Hugely margined, perfectly bright and with its original embossing wholly intact, this is one of the nicest examples we've ever seen of a Red Back 10¢ note. Astounding quality. (300-up)

184 **Fr. 1251 10¢ Third Issue Choice New.** Bright and attractive. (125-up)

186 **Fr. 1252 10¢ Third Issue Superb Gem New.** This strictly original, deeply embossed Red Back Ten Cent exudes top draw quality in every respect. It's a perfect little note. (350-up)

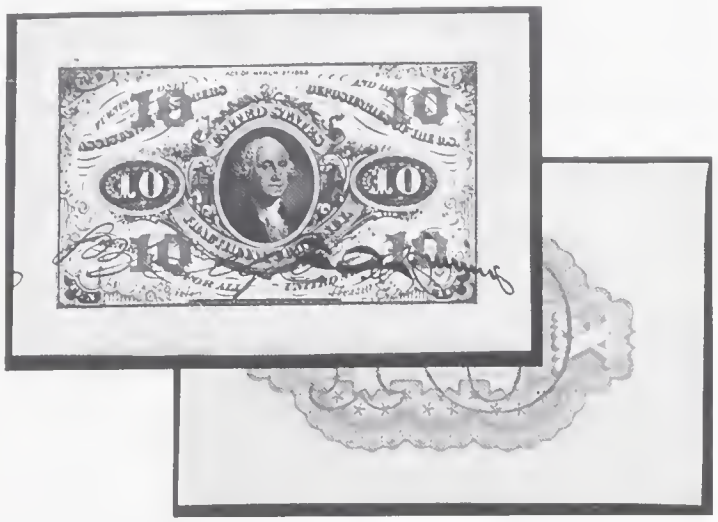
187 **Fr. 1253 10¢ Third Issue Superb Gem New.** Huge margins all around and back centering that is as good as the face. These hand-signed Colby Spinner 10¢ notes have a tendency to come rather nice, but this particular one is well beyond the quality of the normal Gems. (300-up)

188 **Fr. 1253 10¢ Third Issue Very Choice New.** A strictly original, near Gem example from Dr. Lee's Collection. (125-up)

189 **Fr. 1253 10¢ Third Issue Choice New.** There is an interesting partial offset of the back bronze onto the face. (125-up)

190 **Fr. 1253 10c Third Issue New.** Well margined and original, but the ink on the back is toned. (100-up)

191 **Fr. 1253 10c Third Issue New.** This would be a Gem but there are a few small brown spots on the face. (100-up)



192 **Fr. 1253SP 10c Third Issue Wide Margin Pair Superb Gem New.** Both the hand-signed face and the red back are beautifully bright, strictly original, fully wide and flawless. This is one of the highest quality Wide Margin Pairs from the lovely Dr. Lee Collection. (400-up)

193 **Fr. 1254 10c Third Issue Gem New.** This lovely example was acquired by Dr. Lee in one of the early 80's NASCA sales. It's very well margined, beautifully bright and strictly original. This Jeffries-Spinners hand autographed note has a partial plate number in the lower right-hand corner. (500-up)

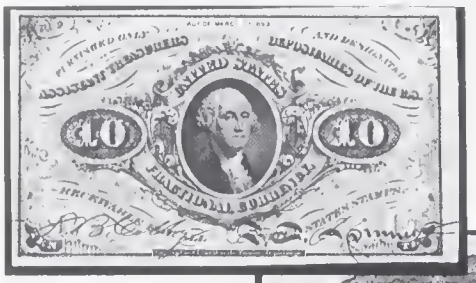
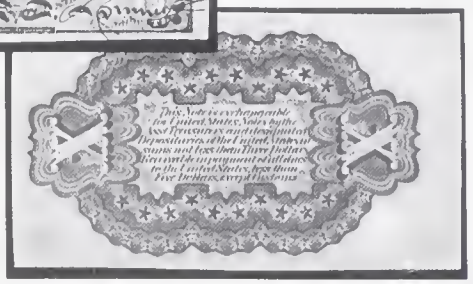
Fr. 1255 No Surcharges - 1 of 3 Known



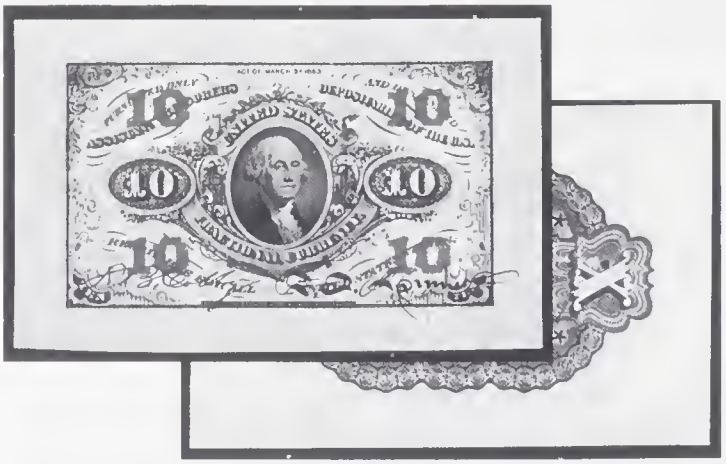


194 **Fr. 1255 10c Third Issue No Face or Back Surcharges Milton 3R10.6g Choice New.** This gorgeous piece is the finest of three known examples. Milt's Extra Fine realized $2200. It is apparently from the same sheet as the other two known pieces, as the back centering is also low and left, although it is well clear of the edges unlike the other two notes' which touch. This is one of the better known and more important Fractional Error Notes. It was acquired by Dr. Lee from the sale of the Vacca Collection. (3500-up)

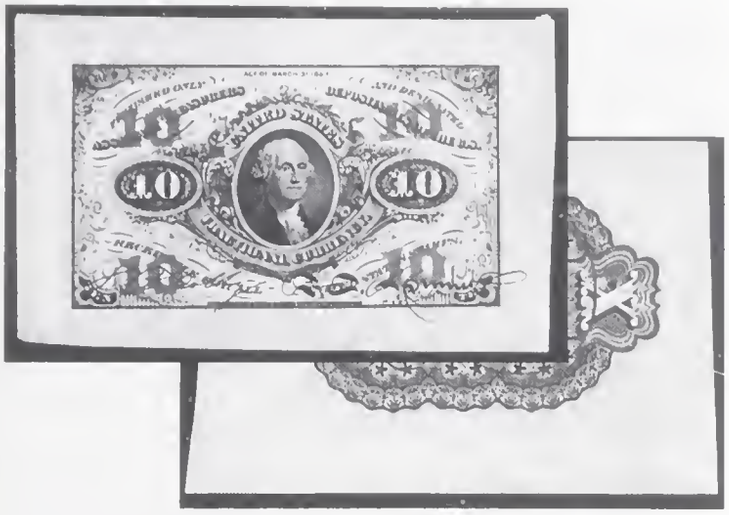
195 **Fr. 1255 10c Third Issue Gem New.** A lovely, strictly original, broadly margined piece. (80-up)

196 **Fr. 1255 10c Third Issue Superb Gem New.** Strictly original, bright and hugely margined. A very special piece. (125-up)

197 **Fr. 1255 10c Third Issue Very Choice New.** (50-up)



198 **Fr. 1255SP 10c Third Issue Wide Margin Pair Gem New.** Great paper originality and perfect colors highlight this beautiful pair. (400-up)



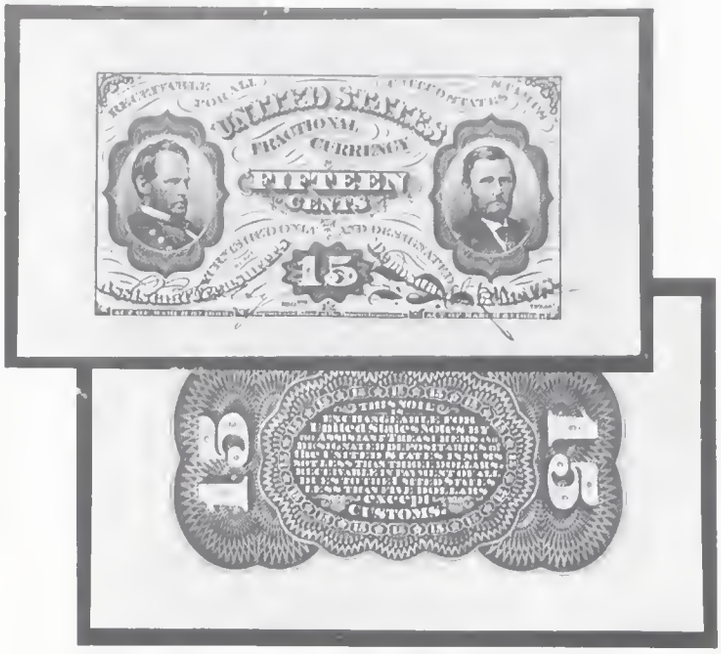
199 **Fr. 1255SP 10c Third Issue Wide Margin Pair Choice About New.** The face has some mounting remnants at its corners and the back a short pinch fold. Still, this is a rather nice pair from Dr. Lee's Collection. (2 pieces) (200-up)

200 **Fr. 1256 10c Third Issue Gem New.** A lovely example. (100-up)

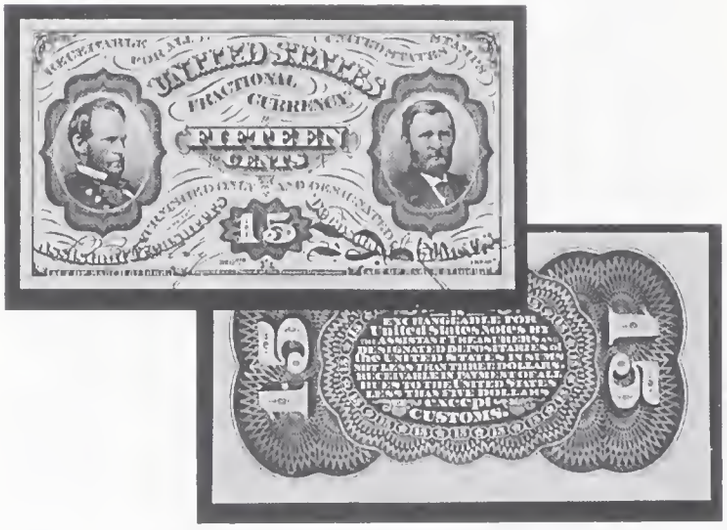
201 **Fr. 1256 10c Third Issue Gem New.** Fresh, original and with excellent margins. (75-up)

10¢ Third Issue Back Proof

202 **10c Third Issue Back Proof Gem New.** Dr. Lee acquired this perfect proof as Lot 2425 from NASCA's April 1982 sale. At that time, only three examples were known outside of the Treasury Presentation Books and this was the finest of the three. It's an exceptionally sharp impression on soft white paper, tipped lightly at the corners to gray light card backing. The impression is that of the normal 10c Third Issue Green Back but without the bronze "10." We know of no others having turned up since that time and we anticipate a realization of... (750-up)



203 **Fr. 1272SP 15c Third Issue Wide Margin Pair Gem New.** Purchased by Dr. Lee from the April, 1982 NASCA Auction, these two are both letter perfect. Both the Face and the Back have their full embossing, beautiful colors and wide margins. This is a premium pair with extraordinary eye appeal. (2 pieces) (450-up)



204 **Fr. 1272SP 15c Third Issue Narrow Margin Pair.** This lovely pair from Doc Lee's Collection was clearly cut down from Wide Margin notes as the margins are the width that would be expected on a normal, well-margined note. Both the Face and Back grade **Gem New** and are strictly original and fully bright. The eye appeal of this pretty pair is exceptional. (2 pieces) (300-up)

205 **Fr. 1272SP 15c Third Issue Narrow Margin Set.** A nice **Choice New** set with bright colors and better margins than one expects for this issue. (2 pieces) (250-up)

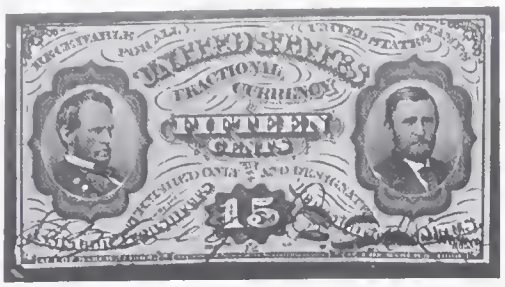
Rare Colby-Spinner Signed 15¢

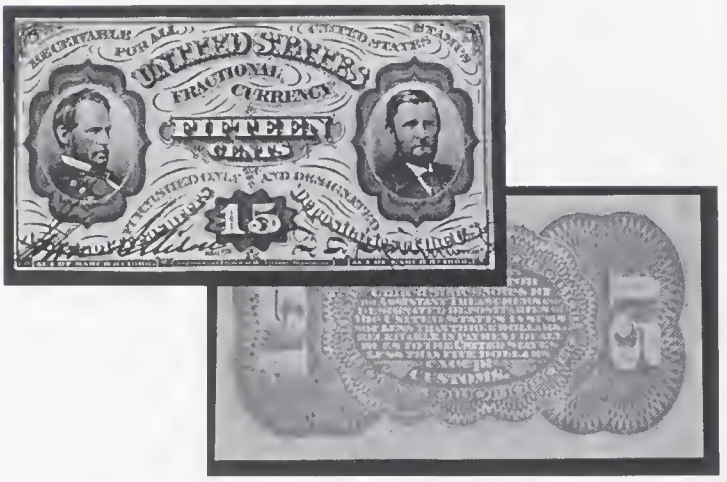


206 **Fr. 1273SP 15¢ Third Issue Narrow Margin Face Milton 3S15F.2 New.** There are mounting remnants on the Back and some minor splits have been checked with pieces of stamp hinges. Close inspection under magnification reveals that this note has been removed from a Pink Shield as have most known examples of this rare number. We have always felt that these Fr. 1273's were an under appreciated rarity. A situation that may now be correcting itself as Milt's similar example (minus the splits) realized $1100 on an estimate of $750. We would expect this piece, which was acquired by Dr. Lee in NASCA's September, 1981 sale, to do just about the same. (800-up)

207 **Fr. 1274SP 15¢ Third Issue Wide Margin Face Gem New.** The margins are full, the paper is fully bright and the signatures are dark and bold. A beautiful piece! (250-up)

208 **Fr. 1274SP 15¢ Third Issue Medium Margin Face Gem New.** Perfect colors, strong signatures and deep original embossing highlight this lovely note. It's been cut down from a Wide Margin and has nice, even 5mm margins all around. Acquired by Doc Lee at the 1981 NERCA Grand Central Auction. (200-up)

209 **Fr. 1275SP 15¢ Third Issue Wide Margin Pair Gem New.** This lovely pair has fully wide margins, excellent centering and bright colors. The paper originality, particularly on the back, is outstandingly sharp. Dr. Lee acquired this pretty pair from the late Tom Knebl. (500-up)



210 **Fr. 1275SP 15¢ Third Issue Narrow Margin Pair Gem New.** Narrow margin Pairs are seldom seen in perfect condition but this pair is a happy exception. Both Face and Back are 100% perfect with excellent colors, bright paper and all their original embossing. Dr. Lee's entire collection is exceptional but his Specimen Notes are particularly so. (2 pieces) (300-up)

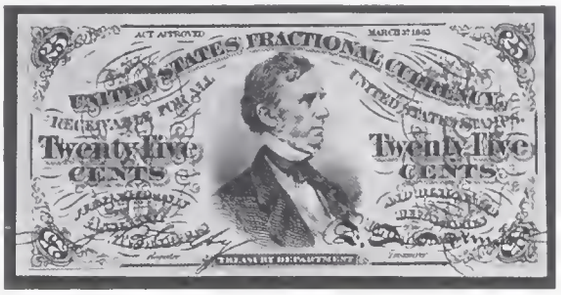
will take place

in May of 1999!

211 **Fr. 1291 25¢ Third Issue Superb Gem New.** The margins are large and even all the way around on this lovely Red Back Fessenden. Another interesting feature is the back plate number 1 which appears in the lower left corner. This lovely note also has bright bronze, flashy perfect colors of the ink and paper and overall exceptional eye appeal. (250-up)



212 **Fr. 1291 25¢ Third Issue Superb Gem New.** An absolutely magnificent note, with all its original embossing, full blazing colors and excellent margins. (250-up)

213 **Fr. 1291 SP 25¢ Third Issue Wide Margin Pair.** The face is a perfect **Gem** and the back **About New** due to two corner folds. Acquired by Dr. Lee in the B & R January 1982 sale. The back has its full plate number 12 in its lower right corner. (2 pieces) (250-up)

214 **Third Issue Narrow Margin Specimens.** There are five pieces in this lot: A Fr. 1291/94 set of three, a Fr. 1357a Face and a Third Issue 50¢ Green Back. All the pieces are **About New** or so. (5 pieces) (125-up)

215 **Fr. 1292 25¢ Third Issue Superb Gem New.** This is an extraordinarily nice Red Back Fessenden. The embossing is deep and plainly evident. The margins are large and even and the colors of the paper, ink and bronze are fully brilliant. Fr. 1292 is a challenging note to locate in almost any grade and an absolute prize when found this nice. (500-up)

216 **Fr. 1292 25¢ Third Issue Superb Gem New.** A deeply embossed, beautifully colored knockout of a note from Dr. Lee's Collection. As flawless an example of this Red Back "a" Fessenden as is ever likely to be encountered. (300-up)

217 **Fr. 1294 and 1295.** Both are from Dr. Lee's Collection and both grade **Choice New**. (2 pieces) (125-up)

Fr. 1296 Valentine 41k

218 **Fr. 1296 25¢ Third Issue (Valentine 41k Milton 3R25.2b) Gem New.** This rare and beautiful note is 100% perfectly original, with all its embossing plainly evident. It's from our January 1995 sale of the M. Gengerke Collection. It was described there, "This is the rare variety with the extremely large "a" 7mm to the lower right of its normal position. This shifted position occurred only on face plate #144 which was one of the 90 plates used. This is the second finest example known, slightly superior to the Liechty piece, and slightly inferior to Lot 231 of our June, 1994 sale. Bright, deeply originally embossed, and with excellent color." This piece is ex-Henry Chapman, then to David Bullowa as a matching cut pair. It was purchased privately from Lester Merkin in 1974. It realized just under $1800 in our January 1995 sale and will probably do the same or a bit better tonight. (2000-up)

A Second Lovely Fr. 1296

219 **Fr. 1296 25c Third Issue (Valentine 41k Milton 3R25.2b) Very Choice New.** Dr. Lee's Fr. 1296 is strictly original with terrific embossing. It would be a perfect Gem if the centering, both face and back, were just a hair better. It's a privilege to have two examples of this important note in the same sale, and we expect this second piece will end up just a hair behind the one above. (1750-up)

220 **Fr. 1297 25c Third Issue Very Choice New.** If the centering were a bit better both face and back, this Fiber Paper Fessenden would be a perfect Gem. As it is, it's still a very desirable piece. (175-up)

221 **Fr. 1297 25c Third Issue New.** The back is a bit off center and the paper slightly dark. (100-up)

222 **Fr. 1297 25c Third Issue Choice About New.** (75-up)

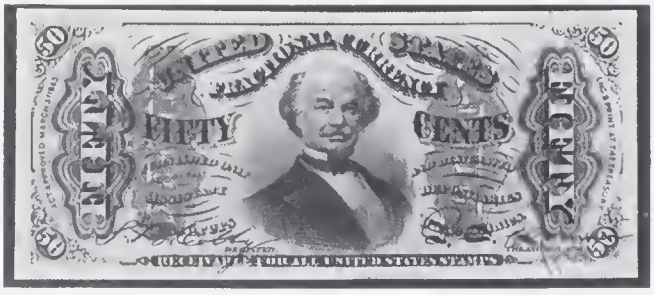
Gem Solid Surcharge Fessenden

223 **Fr. 1299 25c Third Issue (Milton 3R25.3) Gem New.** Formerly part of the Milton R. Friedberg Collection, which we sold on January 10, 1997. It was described there, "By far the finest Fiber Paper Solid Surcharge Fessenden that we have ever seen. The face has lovely margins all the way around, with an extra-large margin at the top, and the back is 100% perfectly centered. This lovely note has reflectively bright bronze in its solid ornaments on the face, as well as on the back surcharges. This terrific solid surcharge note actually exhibits its original embossing effect, something which is simply never seen on a Fr. 1299. Every Fractional collector needs this note, either to represent the number or upgrade a current piece, as no one owns as nice an example as this." At that time, the note realized $3080 on an estimate of $2500-up. We expect it will do about the same today. (3000-up)

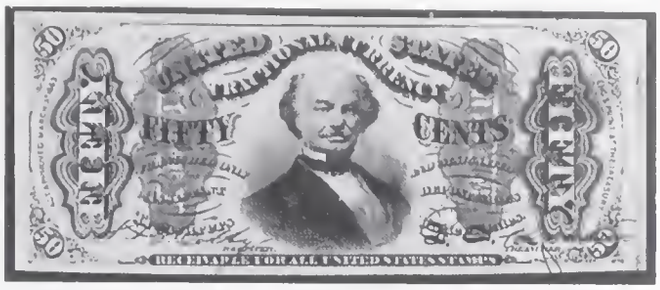
224 **Fr. 1299 25c Third Issue About New.** A very nice example of this rare note, this Solid Surcharge Fessenden has far better margins than normal for the issue, and it is free of any damage or problems that so often mar these thick Fiber Paper notes. (400-up)

225 **Fr. 1299 25c Third Issue Fessenden Extra Fine, Damaged.** A small piece is missing from the lower left corner that does not touch the design, and a larger piece is missing from the upper right that does. There are also a few splits with no paper missing. Still, a not wholly undesirable example of a very rare number. (300-up)

226 **Fr. 1300 25c Third Issue Solid Surcharge Fine-Very Fine.** Purchased by Dr. Lee from NASCA's 1981 Vacca Collection sale, this is a solid note, problem free but for a group of small pinholes and some minute edge splits reinforced on the back with tiny sections of stamp hinge. Only about a dozen Fr. 1300s are known to exist, and this, in spite of its rather low grade, is in the top half of the census as a number of pieces are quite damaged. (750-up)

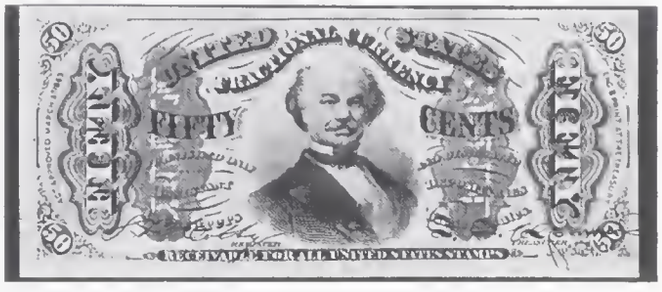


227 **Fr. 1324 50c Third Issue Spinner Superb Gem New.** A flawless note, with huge margins, bright bronze and perfect paper originality. (400-up)

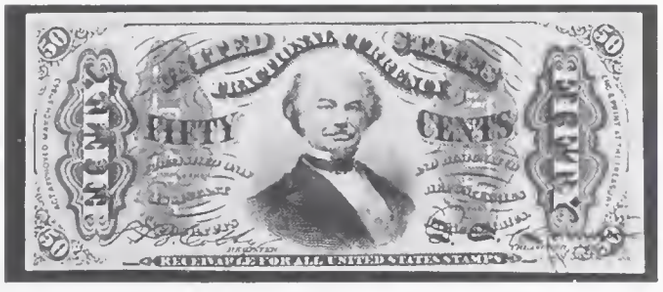


228 **Fr. 1324 50c Third Issue Spinner Gem New.** This untouched, beautifully original note has deep embossing and excellent margins. (350-up)

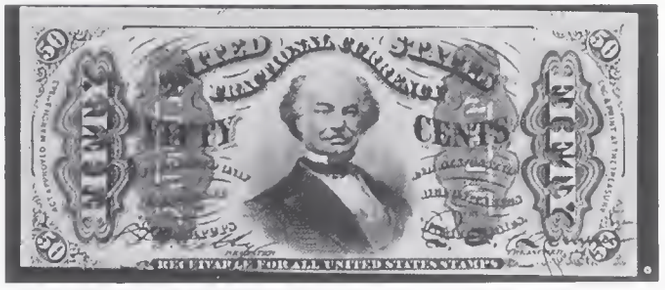
229 **Fr. 1324 50c Third Issue Spinner Gem New.** Bright, pretty and strictly original. A lovely Red Back Spinner. (350-up)



230 **Fr. 1324 50c Third Issue Spinner Gem New.** Beautifully margined, perfectly bright and strictly original. (300-up)



231 **Fr. 1324 50c Third Issue Spinner Very Choice New.** Strictly original and beautifully bright. With a slightly larger bottom face margin, this note would be a Gem. (225-up)



232 **Fr. 1324 50c Third Issue Spinner New.** Cut in at the bottom face. (100-up)

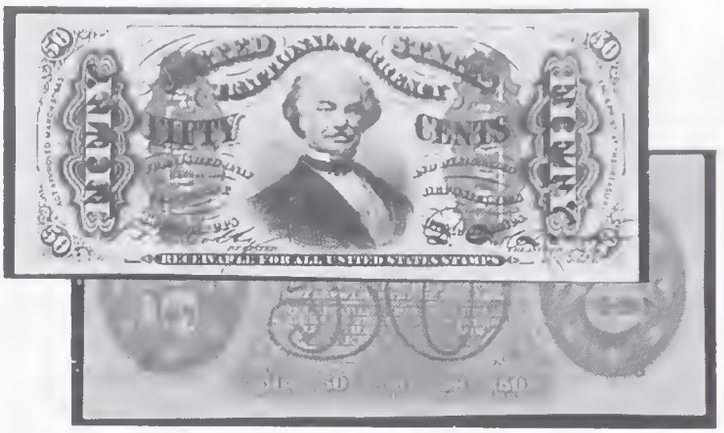
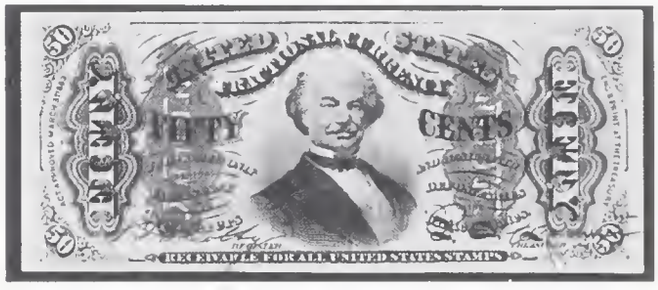
Superb Gem Fr. 1325



233 **Fr. 1325 50c Third Issue Spinner Superb Gem New.** This is the single nicest example of this rare "1" and "a" Spinner that we can ever recall seeing. Milt's Choice New realized right around $750 in 1997, and Gengerke's Gem in our January 1995 sale realized over $1100. This note, clearly superior to either of those, has incredibly broad margins, perfect colors of the paper, inks and bronze and all its obviously evident deep, original embossing. We cannot imagine the existence of a finer example. (1250-up)

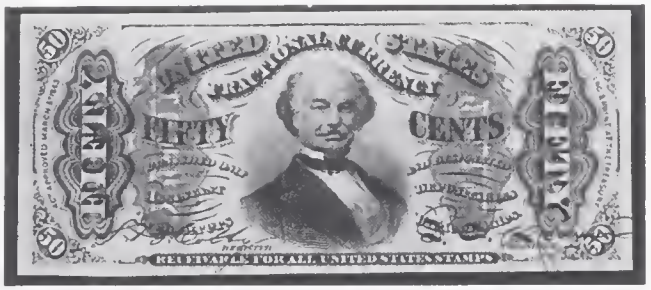


234 **Fr. 1325 50c Third Issue Spinner Gem New.** High quality "1" and "a" Red Back Spinners are not often seen, and this is one of the nicest that we have had the opportunity to handle. It's bright and broadly margined, and it has very nearly perfect centering on both sides. (1000-up)

235 **Fr. 1325 50c Third Issue Spinner Gem New.** A great example of this "1" and "a" Red Back Spinner, with terrific paper originality, bright colors and deep, original embossing. (750-up)

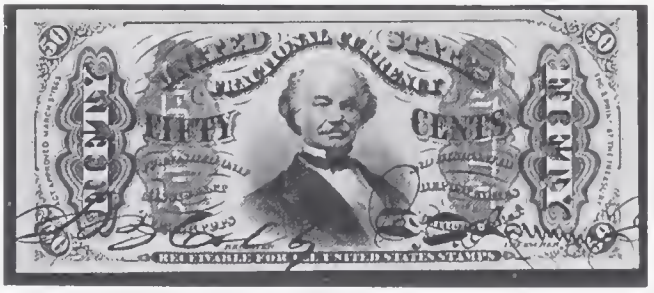
236 **Fr. 1326 50c Third Issue Spinner Gem New.** Beautifully embossed, perfectly centered and very, very bright. Another lovely note from Doc Lee's holdings. (300-up)

237 **Fr. 1327 50c Third Issue Spinner Superb Gem New.** This magnificent note is the ultimate Red Back Spinner. It has broad, even margins, beautifully bright paper, inks and bronze and original embossing that is impressively deep and obvious. If such a thing as perfection exists in a Red Back Spinner note, this is it. (500-up)



238 **Fr. 1327 50c Third Issue Spinner Superb Gem New.** Broadly margined, magnificently bright and flawless, this example from Dr. Lee's Collection is exactly how an ideal Gem Spinner should look. (500-up)

239 **Fr. 1327 50c Third Issue Spinner New.** Very closely margined. (75-up)



240 **Fr. 1328 50c Third Issue Spinner Superb Gem New.** A truly great example, with large margins, dark, clean hand-autographed signatures, beautifully bright bronze, paper and inks and bold original embossing. Another lovely note from this incredible collection. (350-up)

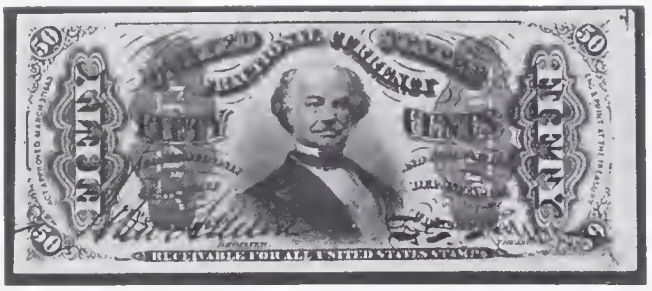
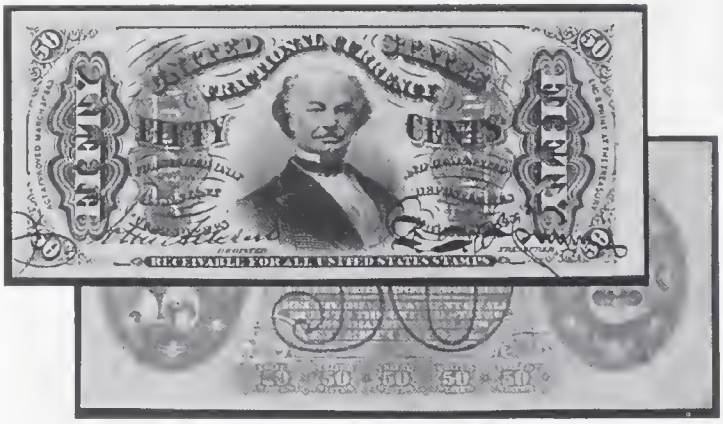
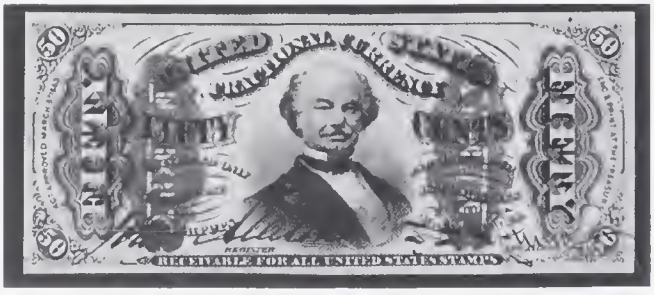
241 **Fr. 1328 50c Third Issue Spinner Superb Gem New.** Broadly margined and gorgeous, with dark, bold signatures, perfect back centering and all its original embossing intact. (300-up)



242 **Fr. 1329 50c Third Issue Spinner Superb Gem New.** Fully the equal of any example of this note we have seen. The margins are broad and even all the way around, and the original embossing is clearly apparent. This note is from the lower-right-hand corner of the sheet, as the edge of the plate can be seen embossed into the extra-wide margins. (750-up)

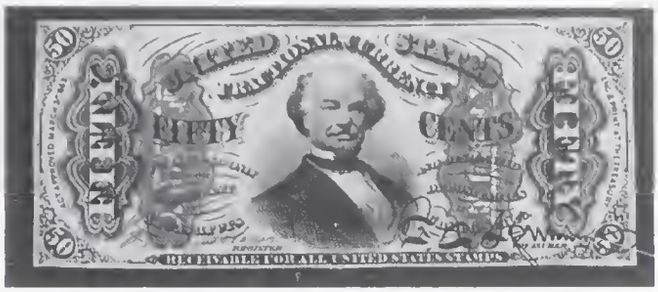


243 **Fr. 1329 50c Third Issue Spinner Superb Gem New.** Another drop dead perfect Red Back Spinner. The margins are huge, the colors extraordinary and the embossing fully original and boldly evident. This piece is head and shoulders over both the Friedberg and Gengerke examples. (750-up)

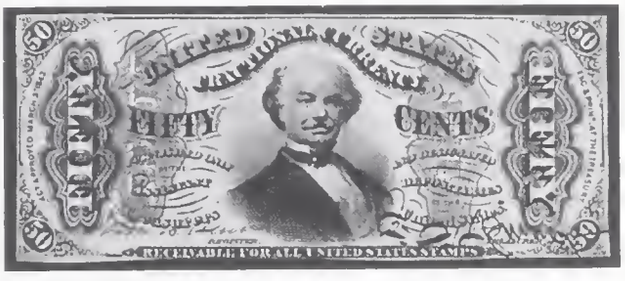


244 **Fr. 1329 50c Third Issue Spinner Very Choice New.** This nice, original note is a pure Gem but for the back's being shifted to the right and just touching that edge. (400-up)

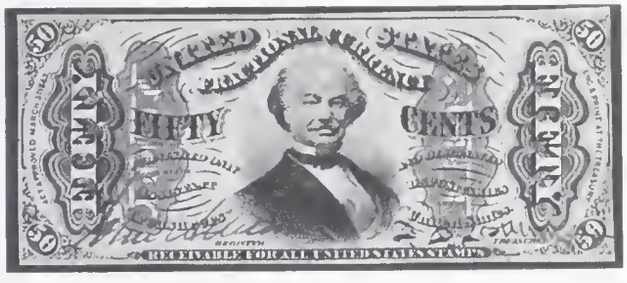
An Incredible Offering of All Three Known Single Fr. 1329SP Narrow Margin Specimens



245 **Fr. 1329SP 50c Third Issue Narrow Margin Specimen Face Milton 3S50F.6 Gem New.** This classic rarity is one of only three known as single notes, and Dr. Lee owns all three. Three others are known mounted to Fractional Currency shields. This incredible piece has never been mounted, as is clear from its readily visible, deep, original embossing. It was acquired by Dr. Lee from the B & M November 1984 sale, and it's one of the most significant items. Milt had no Narrow Margin example, and his Wide Margin, which was one of two known, realized $5775. We would expect this flawless Specimen to fall not too far short of that. (4000-up)



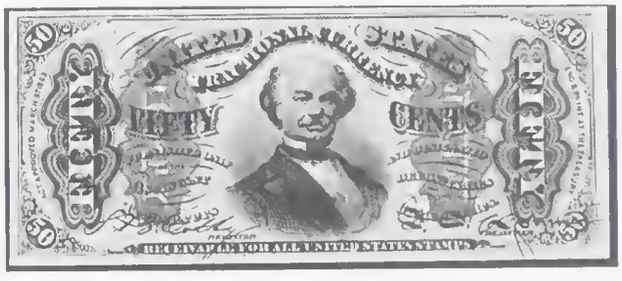
246 **Fr. 1329SP 50c Third Issue Narrow Margin Specimen Face Milton 3S50F.6 Choice New.** Dr. Lee has all three known examples of this great rarity. This second he acquired in 1988 privately. It's identical to the previous lot in every respect but for the margins, which are slightly tighter on this perfectly original, well embossed, never-mounted example. (3000-up)



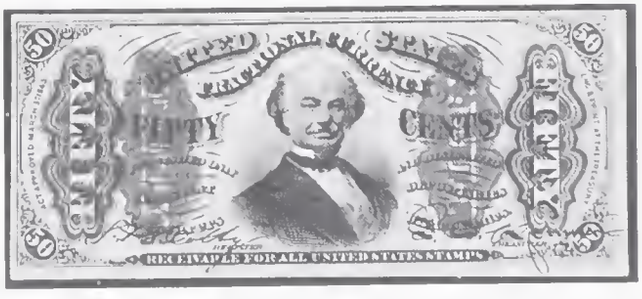
247 **Fr. 1329SP 50c Third Issue Narrow Margin Specimen Face Milton 3S50F.6 Choice New.** Dr. Lee purchased his third and final example of this very rare note from our sale of the Gengerke Collection. It was described there, "A very rare Narrow Margin Specimen from the Gengerke Collection with only five pieces known, two of which are mounted on shields. The signatures are strong and the bronze is quite bright. Unlike most Narrow Margin Specimens, there is some margin all around. The only defect is a light stain at the top center of the note. (2500-up)

Gem Allison-New Fr. 1330

248 **Fr. 1330 50c Third Issue Spinner Gem New.** This gorgeous Allison-New signed note is broadly margined, beautifully bright and with all its original embossing deep and clearly evident. Fr. 1330's are a very rare number, but when they are seen, they tend to come rather nice. This one is as nice as any. The note is comparable to Milt's example which we sold in January of 1997 for $5500. The Gengerke note, which we sold in January of 1995 — another comparable piece — brought $5885. Allison and New were in office from June 30, 1875 until January 7, 1876. These notes were clearly not intended as a regular issue, but rather they were signed to be given to friends or as some form of a patronage act. In any event, they became legal tender when signed, as Allison and New were legal signers. This note was acquired by Dr. Lee from the NASCA sale of the Rockholt Collection in September of 1981. (5500-up)



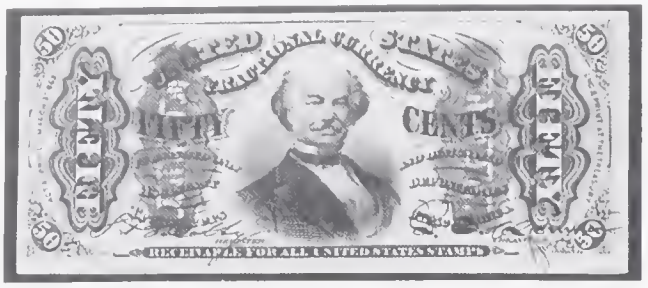
249 **Fr. 1331 50c Third Issue Spinner Superb Gem New.** Beautifully centered, extremely well printed, perfectly bright and with its deep original embossing wholly intact. This is a very, very nice note. (350-up)



250 **Fr. 1331 50c Third Issue Spinner Gem New.** Perfect colors, bright paper and bronze, as well as vibrant inks and deep original embossing, all come together on this lovely note (300-up)

251 **Fr. 1331 50c Third Issue Spinner Choice New.** Very tight at the right but Superb in all other respects. (225-up)

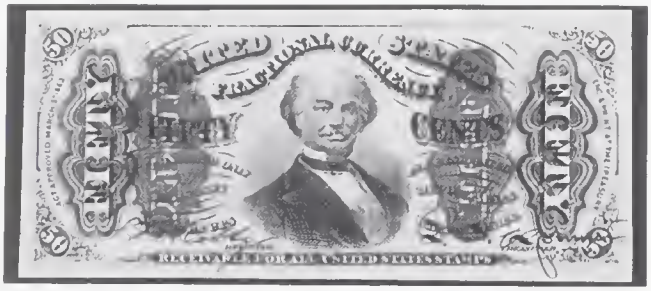
252 **Fr. 1331 50c Third Issue Spinner Choice New.** (150-up)



253 **Fr. 1332 50c Third Issue Spinner Gem New.** An outstanding example of this "1" and "a" Spinner with broad, even margins, strong inking and excellent centering of both sides. There are a few minor press-bed smears at the right of the back as is typical for "1" and "a" notes which were at the upper left corner of the sheet. The lovely note was acquired by Dr. Lee at the April 1981 NASCA sale of the Dr. Vacca Collection. (500-up)

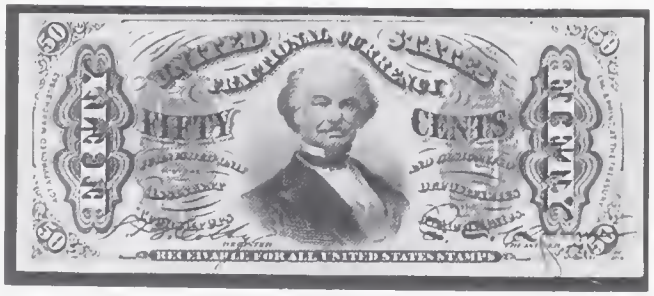
254 **Fr. 1332 50c Third Issue Spinner About New.** (150-up)

255 **Fr. 1333 50c Third Issue Spinner Choice New.** The bottom margin is quite close. (200-up)



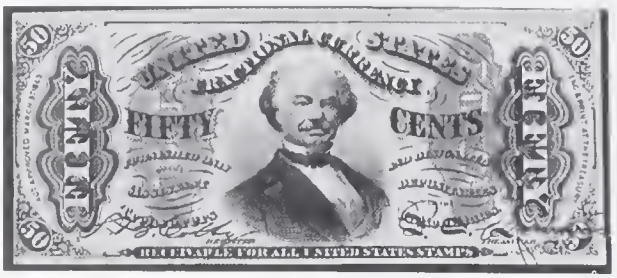
256 **Fr. 1334 50c Third Issue Spinner Superb Gem New.** Hugely margined, incredibly bright and with its deep original embossing wholly intact. (400-up)

257 **Fr. 1334 50c Third Issue Spinner Gem New.** Bright and perfectly centered on both sides among huge margins. (350-up)

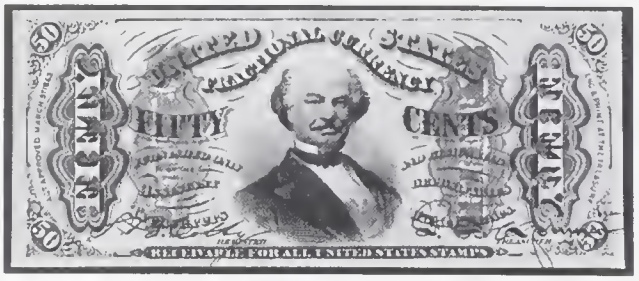


258 **Fr. 1334 50c Third Issue Spinner Choice New.** Acquired by Dr. Lee at NASCA's Vacca sale in 1981, this is a bright, original, flashy example. It would be a perfect Gem with a slightly broader top margin. (250-up)

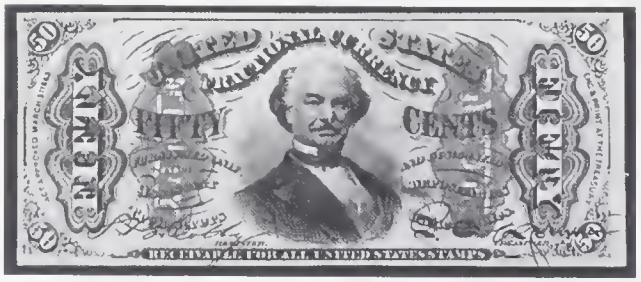
259 **Fr. 1335 50c Third Issue Spinner Choice About New.** A nice example of a scarce number. (100-up)



260 **Fr. 1336 50c Third Issue Spinner Choice New.** This is a flashy, sharply printed, strictly uncirculated example of the rarest Spinner note. Three of the face margins are excellent, but the left face margin is quite close. There are a few light press-bed smears on both sides, which is typical for a "1" and "a" Spinner. We know of only two or three other uncirculated 1336's. This is one of the rarest and most significant Fractional Notes in this collection, and we would not be surprised to see it realize... (2000-up)



261 **Fr. 1336 50c Third Issue Spinner Choice About New.** Bright, well margined, strictly original and a light center fold away from being the finest 1336 in existence. Dr. Lee purchased this lovely note from the April 1981 NASCA sale. (750-up)



262 **Fr. 1337 50c Third Issue Spinner Choice New.** One of Dr. Lee's more recent acquisitions, this note was purchased in a 1993 Coin Galleries sale. It's strictly original, decently margined and overall quite attractive. (300-up)

263 **Fr. 1338 50c Third Issue Spinner New.** Bright and with excellent bronze, paper and inks, this rare number has all the attributes of a Gem but for the centering, which is very poor both face and back. (100-up)

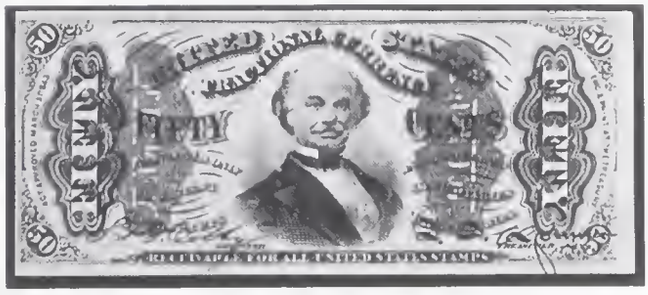
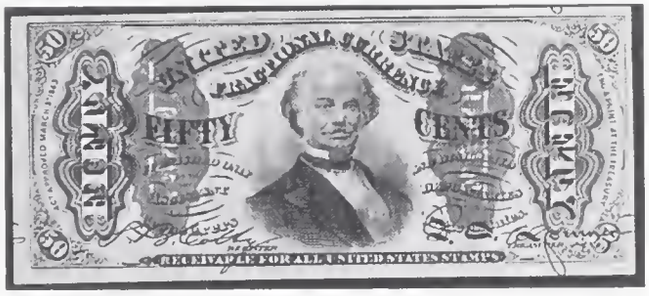
264 **Fr. 1339 50¢ Third Issue Spinner Type II Superb Gem New.** This is a flawless, impeccable example of a challenging Fractional type. It's totally clean, beautifully bright and with all its original embossing plainly evident. We've seen most if not all of the best Fractional notes that exist, and we have no recollection of ever seeing a more technically perfect example of this type. (500-up)



265 **Fr. 1339 50¢ Third Issue Spinner Type II Very Choice New.** A near-Gem example. (175-up)



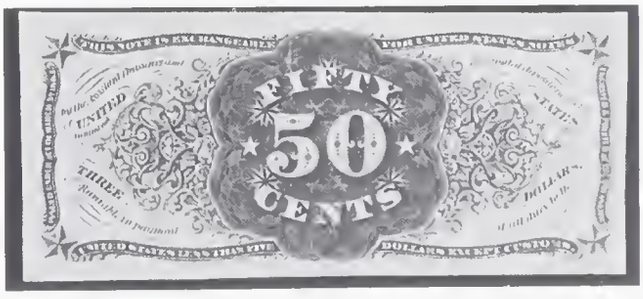
266 **Fr. 1339 50¢ Third Issue Spinner Type II Choice New.** The paper color has mellowed slightly, but all else about this note is full Gem quality. It's strictly original, well centered and with excellent inks and bronze. Acquired by Dr. Lee from Harry Jones. (200-up)

267 **Fr. 1339SP 50¢ Third Issue Spinner Type II Narrow Margin Specimen Back Milton 3S50R.3 Very Choice New.** Doc Lee acquired this lovely piece from a 1990 Coin Galleries sale. It's one of the finest known examples of the roughly dozen pieces in existence. (1250-up)

268 **Fr. 1339SP 50¢ Third Issue Spinner Type II Narrow Margin Specimen Back Milton 3S50R.3 Choice New.** Dr Lee acquired this example as Lot 2247 of NASCA's September 1981 sale. Fifteen or so examples are known, and this is one of the nicer ones. This Specimen has all its original embossing, terrific color and broader margins than most of the known examples. The example in the Milt Friedberg Collection which was almost identical to this realized just under $1000, and we would expect this pretty and rare note to do about the same. (1000-up)

Wide Margin Type II Spinner Reverse

269 **Fr. 1339SP 50¢ Third Issue Spinner Type II Wide Margin Specimen Back Milton 3P50R.3 About New.** Light mounting marks on the back and two light folds are all that prevent the Gem grade on this classic Fractional rarity. Milt's similarly graded example realized $2420 in our January 1997 sale. Doc Lee acquired this example from the B & M April, 1983 sale. (3000-up)



270 **Fr. 1339SP 50¢ Third Issue Spinner Type II Narrow Margin Specimen Back Milton 3S50R.3 Extra Fine.** Only about a dozen examples are known of this rare Specimen type. Doc Lee acquired this example as Lot 2440 of NASCA's April, 1982 sale. The note is deeply embossed and fully original but it has a few light folds. Milt's Choice New example brought just under $1000 in January of 1997. (750-up)

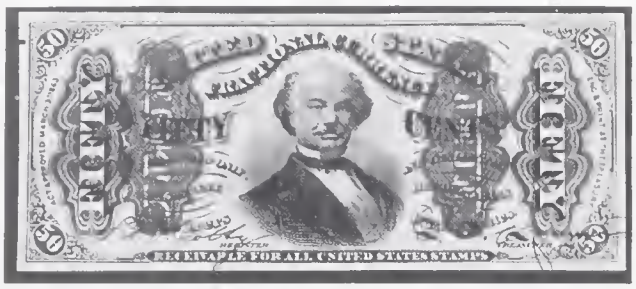
271 **Fr. 1340 50c Third Issue Spinner Type II Very Choice New.** This is a strictly original, near-Gem example of a very scarce number. "1" and "a" type II Spinners are hard to find in all grades, and are particularly challenging to locate this nice. (600-up)



272 **Fr. 1340 50c Third Issue Spinner Type II Very Choice New.** This rare "1" and "a" note exhibits its original embossing and is quite well margined. The paper is just a hair toned, but not unpleasantly so. (450-up)

273 **Fr. 1341 50c Third Issue Spinner Type II Choice New.** Tight at the top. (175-up)

274 **Fr. 1341 50c Third Issue Spinner Type II New.** Two close margins. (125-up)

275 **Fr. 1342 50c Third Issue Spinner Type II Very Choice New.** A near-Gem example that's just a bit shy of margin for the full grade. (225-up)

276 **Fr. 1343 50c Third Issue Justice Very Choice New.** This Justice note is bright, strictly original and a pure Gem from the face; the back, unfortunately, just touches the right edge. In all other respects, this note is Superb. (300-up)

277 **Fr. 1343 50c Third Issue Justice Choice About New.** The lightest of center folds can be seen at the proper angle. (125-up)

A Pair of Gem New Fr. 1344's

278 **Fr. 1344 50c Third Issue Justice Gem New.** There are five or six really nice 1344's in existence, and we believe that in our collective experience we have seen all of them and handled most. There is one distinctly finer piece — the Leichty note — which we sold in January of 1994. The note we offer now, in our opinion, ties for the second finest known. It's very well margined, beautifully bright and strictly original, right down to its embossing. Fractional notes of this quality are not seen often, and the opportunity to purchase them should not be passed up when it presents itself. (3000-up)

279 **Fr. 1344 50c Third Issue Justice Gem New.** Consigned after the previous lot was written, this note is it's virtual equal in every respect. Again, the only Fr. 1344 that we've ever seen finer than this one was the Leichty example. A side by side comparison between this note and the previous lot will be necessary for the bidders to decide which piece they think is superior. You can count on that judgment not being unanimous as that call is very, very close. (3000-up)

280 **Fr. 1344 50c Third Issue Justice New.** Bright, very well printed and with all of the Gem attributes except for margins: there are none. There are also two inconspicuous paper pulls on the face and small penciled numbers in the corners of the back indicating that this note was once in the Maurice Burgette Collection. Dr. Lee acquired it in NASCA's September 1981 sale. (500-up)

281 **Fr. 1345 50¢ Third Issue Justice Gem New.** This lovely note of Dr. Lee's is beautifully bright, well centered on both sides and loaded with deep, original embossing. An exceptional piece. (500-up)

282 **Fr. 1346 50¢ Third Issue Justice Superb Gem New.** This is certainly not a common grade for any Red Back Justice and Fr. 1346 is not an easy number to locate in *any* grade. This note has extraordinary margins all around, beautifully bright colors of the paper, inks and bronze, back centering fully equal to that of the face and boldly obvious deep original embossing. This is the kind of note that appears only when significant collections are sold. (600-up)

283 **Fr. 1346 50¢ Third Issue Justice Gem New.** The back centering is absolutely perfect. The face has three large margins and one smaller, but adequate. A very nice note. (500-up)

284 **Fr. 1347 50¢ Third Issue Justice Gem New.** A lovely, strictly original Red Back Justice from Dr. Lee's magnificent holdings. The back centering is a little to the left, but it's clear of the edge. (500-up)

285 **Fr. 1347 50¢ Third Issue Justice Very Choice New.** Another lovely, original note from Dr. Lee's Collection. It would be a pure Gem if the top margin did not just clip the design at the right. (250-up)

286 **Fr. 1347 50¢ Third Issue Justice Choice New.** Gem in all respects but for the centering, which is rather typical of a Justice. The ink, paper and bronze colors are all beautifully bright. (225-up)

287 **Fr. 1348 50¢ Third Issue Justice Choice New.** Dr. Lee bought this note from our sale of the Gengerke Collection in January of 1995. It was described there, "The very rare 'I' and 'a' note from the upper left corner of the sheet. This extraordinarily deeply printed beauty is full Gem quality but for the lack of a left face margin and the back design's just touching the left edge. It is still easily in the top half dozen of the fewer than 20 known." At the time, the note was estimated at $1750 and it realized $2090. We would anticipate just about that much again. (2000-up)

288 **Fr. 1349 50¢ Third Issue Justice Very Choice New.** Purchased by Dr. Lee from the April 1981 NASCA sale of the Vacca Collection, Lot 1371. A pure Gem but for the top margin which strays very close at the right. (350-up)

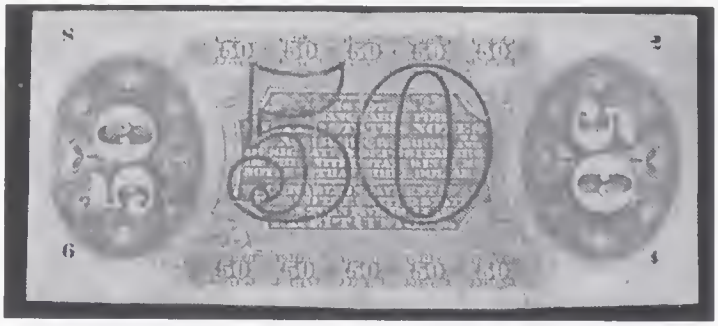
289 **Fr. 1350 50¢ Third Issue Justice Choice New.** Dr. Lee purchased this note from the late Tom Knebl in the early 80's. The side margins are tight but they are more than made up for by the lovely bright colors of the paper, inks and bronze. Fr. 1350 is a much tougher number, seldom encountered this nice. (350-up)

Choice About New Fr. 1353

290 **Fr. 1353 50c Third Issue Justice Choice About New.** This Fr. 1353 is one of only six examples known to us. It was the Maurice Burgett piece auctioned by Abe Kosoff in his August 13, 1958 sale. It was later in the Bowers & Ruddy September 19, 1975 Wintbrop sale and after that time, it was in the M. Gengerke Collection which was sold by CAA on January 6, 1995. It was described there "lovely and extremely rare, with only three pieces known to exist at the time of the writing of the Milton Friedberg Encyclopedia, one of wbicb was damaged. Since that time, three more have surfaced: another About New and two damaged pieces, one severely so. Three of the margins are excellent, though tbe fourth slightly cuts the design. It is clean and very bright for tbis type of fiber paper, and the printing quality is remarkable. Tbere are no signs of circulation soil, and only one very light fold. At the bottom center of the back, a tiny split has been repaired with a small piece of stamp hinge. It is certainly in the running with Lot 84 of our November 1990 sale for finest known. That note was technically finer due to its lack of folds and splits but it had some surface soil; this note, at worst, is the second finest known and to our eye is a more attractive piece. On reexamination we like this lovely note every bit as much. It realized $9,350 at that time and is likely to do a bit better now. (10,000-up))

291 **Fr. 1353 50c Third Issue Justice Very Good, Damaged.** The left third has split off the note and been reattached with what could generously be called moderate skill. There are also two fairly long splits, both of which have been checked on the back with restoration tape. Tbis 1353, from Dr. Lee's collection, one of only six known examples of this number, is an opportunity for some collector to have a representative example of one of the "Impossible" Fractional numbers without baving to mortgage the ranch. (2500-up)

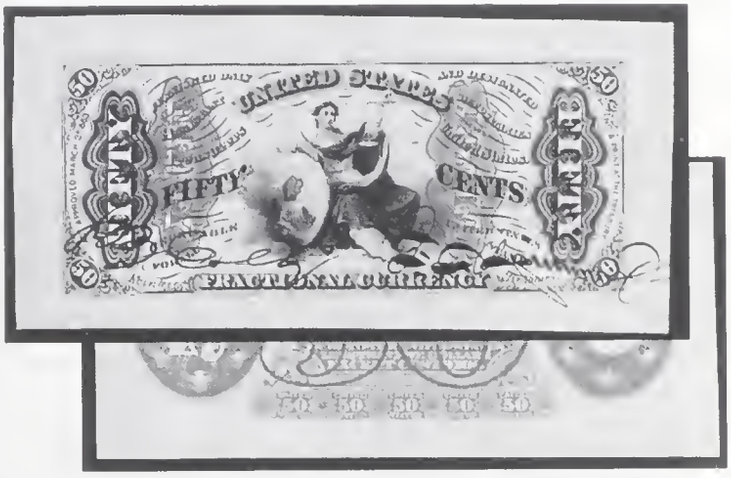
High Grade Fr. 1354



292 **Fr. 1354 50c Third Issue Justice Extra Fine.** This Fr. 1354 represents a new find for Fractional Currency collectors. It's well printed and very well margined, with strong ink colors both face and back. Good-looking bronze compliments a strong 'S-2-6-4' surcharge. The appearance of this note brings the total census to seven or eight, this being one of the better ones. The M. Gengerke example, which graded About New, brought $17,600 when we sold it in January of 1995. The Milt Friedberg example, which we sold in January of 1997, was an Extra Fine technically comparable to this piece which realized $11,000. This note has a far nicer appearance than the Friedberg example. It does have two minor expert restorations, one to the upper left corner tip and one to a split about 3/4" in fron the right at the top. Both repairs are done with such consummate skill as to make detection problematical. Because of our sales of the Milt Friedberg and M. Gengerke collections, both within the last five years, it has been possible for newer collectors to obtain these previously unobtainable numbers. Fr. 1351 to Fr. 1354 were, for decades, unacquirable. Matt Rothert, who collected for over 30 years, was never able to obtain a Fr. 1351,-52 or -53; his only representation of this type was the 1354 that was later to become the Gengerke example. We would expect this lovely and extremely important piece to realize... (12,500-up)

293 **Fr. 1355 50c Third Issue Justice Very Choice New.** Purchased by Dr. Lee from the Bowers & Ruddy Spring 1982 sale of the Gerry Nelson Collection, Lot 1517, this Justice is well margined, strictly original and very close to the full Gem grade. (350-up)

294 **Fr. 1355 50c Third Issue Justice New.** This nice original note is unfortunately cut in slightly at each end. (100-up)



295 **Fr. 1355SP 50c Third Issue Justice Wide Margin Pair Gem New.** This hand-signed face and Red Back make a lovely pair. They're both very wide, very bright and free of flaws. (400-up)

296 **Fr. 1356 50c Third Issue Justice Very Choice New.** Beautifully bright and with strong signatures and perfect colors of the bronze, inks and paper. The margins range from overly large to rather close but never touch the design. Purchased by Dr. Lee from obscure Fractional dealer Len Glazer in the early 1980's. (400-up)

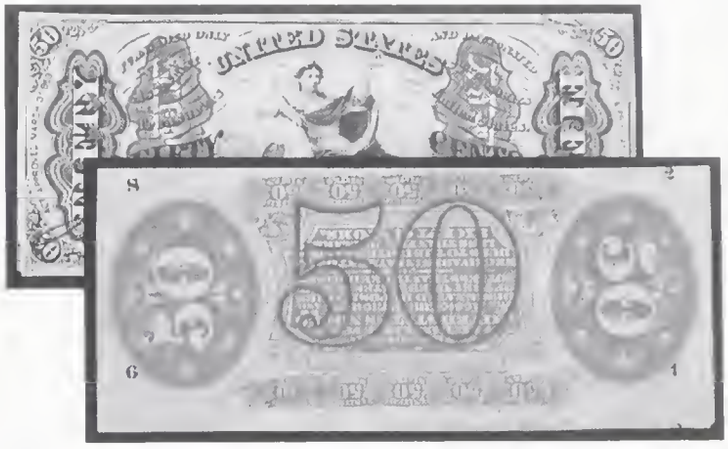
297 **Fr. 1356 50c Third Issue Justice Choice New.** But for a single close face margin and an off-center back, this note would grade fully Gem. The hand-signed autographs are particularly large and bold. A very pretty note. (225-up)

Inverted Fiber Paper Justice

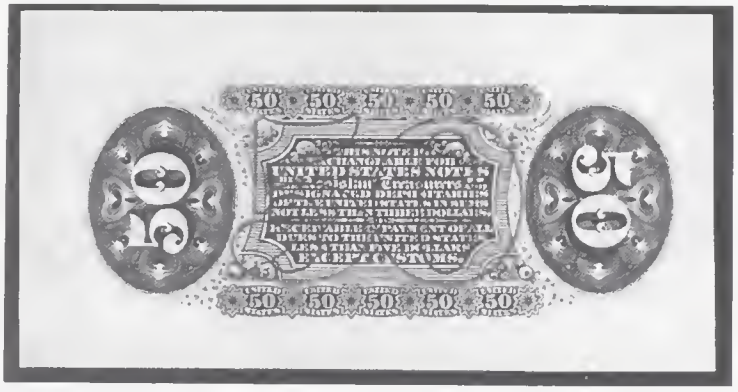


298 **Fr. 1357 50c Third Issue Justice Inverted Back Engraving Milton 3R50.6a Very Choice New.** This is a near-Gem example of this very popular Invert. It's not one of the rarer Inverts, but as it's on the extremely popular Red Back Fiber Paper Hand Signed type, it always attracts considerable attention when one is sold. Most of the known examples are low grade (the Milt Friedberg Collection had three, an Extra Fine and two About Goods) and a high-end example like this should see considerable interest. The surfaces are strictly original, with the embossing boldly evident. The note's only flaw is a minuscule missing lower left corner tip that comes nowhere near the frame line. (1750-up)

299 **Fr. 1357 50c Third Issue Justice Very Choice New.** This is one of the nicest examples we've handled of this Fiber Paper Red Back Hand Signed Justice. It's 100% fully original, bright and well printed and the margins, although not overly large, are certainly adequate for a Justice as they clear the design at all points. (800-up)

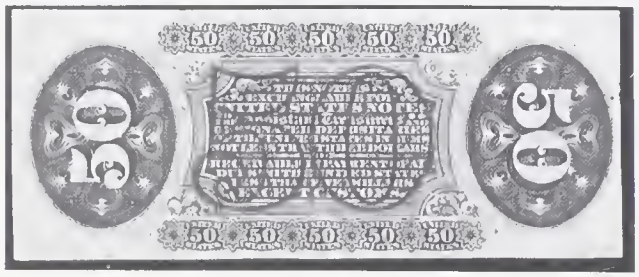
300 **Fr. 1357 50c Third Issue Inverted Back Engraving Very Good.** This is a much more typical grade for this note. The corners are rounded and the note has seen quite heavy use. Acquired by Dr. Lee as Lot 1377 of NASCA's April 1981 sale. (300-up)

301 **Fr. 1358 50c Third Issue Justice Gem New.** When Dr. Lee purchased this note from this cataloger nearly 20 years ago, I remember thinking that it had as much eye appeal as any Justice I had ever seen. That still holds today. The bronze is incredibly bright, the paper pure white, the ink colors perfect, and most importantly, the printing of both sides is unbelievably sharp. This is not a rare number, and the margins, while adequate for the grade, could be better, but the overall effect is amazing. (400-up)



302 **Fr. 1358SP 50c Third Issue Justice Wide Margin Pair Superb Gem New.** This gorgeous pair from the Lee Collection is as nice as any Justice Pair we've ever seen. Both the face and Green Back are fully wide, beautifully bright and covered with deep, original embossing. (2 pieces) (450-up)

303 **Fr. 1358 50c Third Issue Justice Very Choice New.** A pure Gem but for the close right face margin, which clears the frame line. (250-up)



304 **Fr. 1359 50c Third Issue Justice Choice New.** This is a terrific example of one of the rarest Justice numbers. It's very well printed, with excellent colors and good surface originality. The note's only problems are a very tight left margin and a few small pinholes. Dr. Lee acquired it as Lot 994 from Stack's June 1991 sale. (1250-up)

305 **Fr. 1360 50c Third Issue Justice Very Choice New.** Dr. Lee acquired this flashy Justice as Lot 2157 of NASCA's September 1981 auction. With a bit more left and bottom margin, this Justice would be a perfect Gem. (350-up)

306 **Fr. 1362 50c Third Issue Justice Gem New.** This is one of the more common Justice numbers, but Dr. Lee's example is an extremely nice one, with excellent margins for a Justice, bright colors and sharp inking. (500-up)

307 **Fr. 1363 50c Third Issue Justice Very Choice New.** Strong printing and blazing bright bronze highlight this pretty Justice which Dr. Lee acquired through New York City stamp dealer Robert Segal in 1983. As with most "I" and "a" notes, there are some offset smears, particularly at the top and right of the back. (450-up)

308 **Fr. 1363 50c Third Issue Justice Extra Fine.** (125-up)

309 **Fr. 1364 50¢ Third Issue Justice Very Choice New.** This note from the Dr. Lee Collection would be a full Gem if the right face margin did not just touch. (250-up)

310 **Fr. 1364 50¢ Third Issue Justice Extra Fine.** (75-up)

311 **Fr. 1365 50¢ Third Issue Justice Very Choice New.** But for the tight right face margin, this scarce number, which Dr. Lee acquired from the late Tom Knebl, would be a Gem. (250-up)

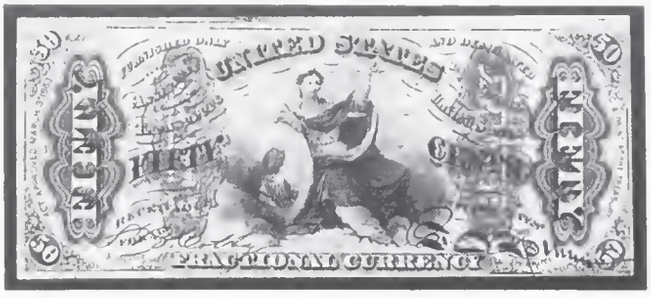
312 **Fr. 1366 50¢ Third Issue Justice Choice About New.** A beautifully well-margined example with a single light center fold. (125-up)

313 **Fr. 1368 and 1369.** Both of these scarce Justice numbers are from Doc Lee's Collection. Both are bright and attractive, but both have pinholes in their corners. (2 pieces) (250-up)

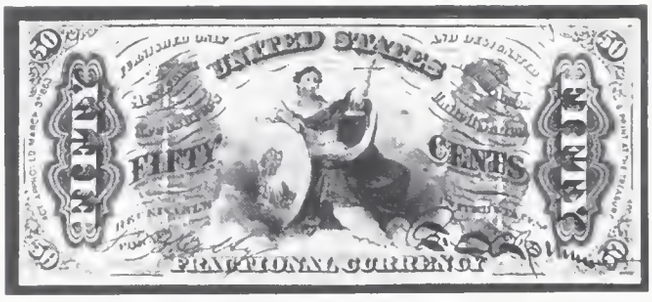
314 **Fr. 1369 50¢ Third Issue Justice About New.** (150-up)

315 **Fr. 1370 50¢ Third Issue Justice Gem New.** Three of the face margins on this Fiber Paper Justice are simply huge, and the fourth (the left) is far narrower but more than adequate to support the Gem grade on a Justice. The back centering is excellent, and this lovely note's only detraction is an as-made press bed smear at the bottom of the back. (750-up)

316 **Fr. 1370 50¢ Third Issue Justice Very Choice New.** This great-looking Fiber Paper Justice is extremely close to Gem. This issue is virtually never seen this nice. (600-up)



317 **Fr. 1371 50¢ Third Issue Justice Choice Extra Fine.** Extremely well margined and attractive for the grade, this "1" and "a" Fiber Paper Justice is one of the last numbers acquired by most collectors. The Friedberg Collection and the Gengerke Collection both lacked uncirculated examples of this number (Milt's was an aged and damaged Very Fine). We suspect the total number in existence of Fr. 1371 is not more than a dozen or so. (750-up)

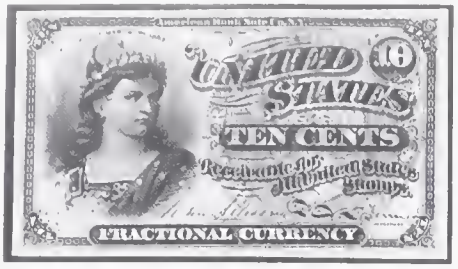


318 **Fr. 1372 50¢ Third Issue Justice Gem New.** Acquired by Dr. Lee from our late mutual friend Tom Knebl, this Fiber Paper Justice is one of the nicer examples we've seen for the number. It's unusually well margined and bright, with strong inks and excellent bronze. There are a few light offset press-bed smears on the back but they are of little consequence. (600-up)

319 **Fr. 1373 50¢ Third Issue Justice New.** The centering brings the grade down to New on what would otherwise be a spectacular example of this rare Fiber Paper number. The brightness, embossing and all other attributes are superlative, but the margins are bad, even for a Justice. Acquired by Dr. Lee from New England's 1981 Grand Central sale. (200-up)

FOURTH ISSUE

320 **Fr. 1257 10¢ Fourth Issue Superb Gem New.** As nice an example as we've ever seen. (125-up)



321 **Fr. 1257 10¢ Fourth Issue Superb Gem New.** Doc Lee's 1257 is a real knockout, with broad margins, perfect colors and great centering of both sides. (100-up)

322 **Fr. 1257 and 1258.** The 1257 is **Superb Gem New** and the 1258 not much far behind it at **Gem New**. (2 pieces) (150-up)

323 **Fr. 1259 10¢ Fourth Issue Superb Gem New.** When this number is Superb, it's one of the best looking Fractional types, with its deep blue anti-counterfeiting tint at the right. This one is gorgeous. (150-up)

324 **Fr. 1261 10¢ Fourth Issue Superb Gem New.** Unbelievably fresh and beautifully margined. Simply as nice as these ever come. (125-up)

325 **Fr. 1261 10¢ Fourth Issue Gem New.** An outstanding example of this pretty note from Dr. Lee's wonderful collection. (100 up)

326 **Milton 4E10F.2 10¢ Fourth Issue Essay Gem New.** This is Dr. Lee's example of the Fourth Issue 10¢ cardboard proof from the sheet that was discovered intact in the Fall of 1985 in Massachusetts. The sheet made its way to the Grand Central show in New York and was cut into pairs and singles in Memphis the following Spring. The notes were divided up by the active Fractional collectors in attendance at that show. We've handled a number of the original 20 pieces in our sales, including the vertical pair in the Milt Friedberg sale. Dr. Lee originally got two notes: a torn one and a nice one. This is his nice one. Included with this lot is the original printed sheet showing who got what and at what price. The note itself is a well margined, perfect cardboard proof. (750-up)

327 **Milton 4E10F.2 10¢ Fourth Issue Essay New.** A second Essay which traces its source to the same sheet as the above lot, as do all known examples of this type. This one would be a perfect Gem, but there is a 1/4" tear entering the note from the right edge. It's been repaired with a bit of restoration tape on the blank back. (600-up)

328 **Fr. 1267 15¢ Fourth Issue Superb Gem New.** Outstanding quality exudes from this lovely 15¢ note. The margins are huge, the paper pure white and the inks incredibly bright. (300-up)

329 **Fr. 1267 15¢ Fourth Issue Very Choice New.** A near-Gem example from Doc Lee's collection. (125-up)

330 **Fr. 1267 15¢ Fourth Issue Very Choice New.** A second example from Dr. Lee's lovely collection, this one has the full seal plate number 6 below the portrait. (175-up)

331 **Fr. 1269 15c Fourth Issue Superb Gem New.** Great paper originality, super bright colors and huge margins all combine to make this a very desirable 15c Type Note. (250-up)

332 **Fr. 1269 15c Fourth Issue Gem New.** A lovely, broadly margined note that would be Superb if the back centering were just a touch better. (200-up)

333 **Fr. 1271 15c Fourth Issue Superb Gem New.** Broadly margined, bright and absolutely beautiful. When Gem 15c notes are encountered — and it's not all that often — they tend to be Fr. 1267, followed by 1269. Perfect Gem Fr. 1271's such as this one are rarely encountered. (300-up)

334 **Fr. 1301 25c Fourth Issue Superb Gem New.** As nice an example as we've ever seen of this type. It's broadly margined, beautifully bright and strictly original. Partial seal plate number 15 appears in the bottom margin. (200-up)

335 **Fr. 1301 25c Fourth Issue.** There are three examples of this number in Dr. Lee's collection. All grade **Choice New**. (3 pieces) (200-up)

336 **Fr. 1303 25c Fourth Issue Choice New.** (50-up)

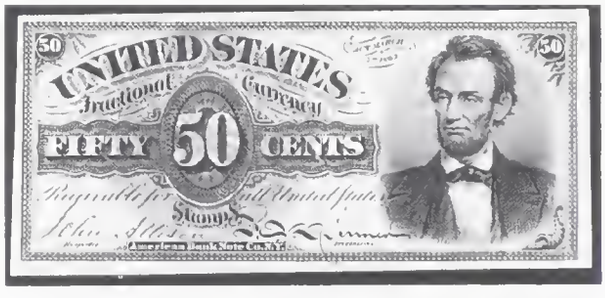
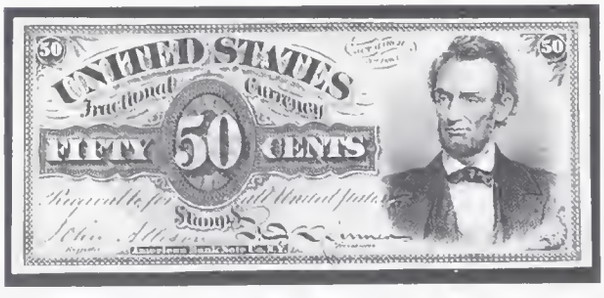
337 **Fr. 1307 25c Fourth Issue Superb Gem New.** Outstanding quality on a type that is often seen New but seldom Gem. (175-up)

338 **Fr. 1374 50c Fourth Issue Lincoln Superb Gem New.** This is an absolutely flawless Lincoln with great paper originality, huge even margins and back centering that is fully equal to that of the face. It's one of the nicest Lincoln's we've had the pleasure of handling and we've auctioned the finest Fractional Collections assembled in the last half century. (500-up)



339 **Fr. 1374 50c Fourth Issue Lincoln Gem New.** The margins are irregular but generous all around and the colors and print quality are exceptional. Purchased from this cataloger by Dr. Lee in the early 80's. (400-up)



340 **Fr. 1374 50c Fourth Issue Lincoln Choice New.** This pretty Lincoln from Dr. Lee's holdings is Gem in all respects but for the margins, which are a bit too tight for the top grade. The back centering is perfect. (250-up)

341 **Fr. 1376 50c Fourth Issue Stanton Very Choice New.** A near-Gem example from Dr. Lee's holdings. (125 up)

342 **Fr. 1379 50c Fourth Issue Dexter Superb Gem New.** Dexters are often seen in Choice and even Gem condition, but pieces with the huge, even margins of this note are quite difficult to come by. (150-up)

343 **Fr. 1379 50c Fourth Issue Gem New.** Dr. Lee's Dexter is a broadly margined, fully bright, strictly original piece. (125-up)

FIFTH ISSUE

344 **Fr. 1309(a?) 25c Fifth Issue Choice About New.** This Fifth Issue 25c note has the pink cast (which was created when the seal plate ink combined with the sizing solution) that for years was recognized as a separate number. Dr. Lee's example is as pink as any we've seen. (50-up)

345 **Fr. 1381 50c Fifth Issue Superb Gem New.** This is a flawless example of this type. (75-up)

346 **Fr. 1381 50c Fifth Issue Gem New.** Two identical notes. (2 pieces) (125-up)

347 **50c Fifth Issue Wide Margin Proof Back Gem New.** The margins on this lovely piece are slightly smaller than the previous lot, but the condition is superior as it is a flawless Gem example of this very rare Specimen. Missing from most major collections, nonetheless, Dr. Lee has succeeded in securing two. Very rare and quite beautiful. (1000-up)

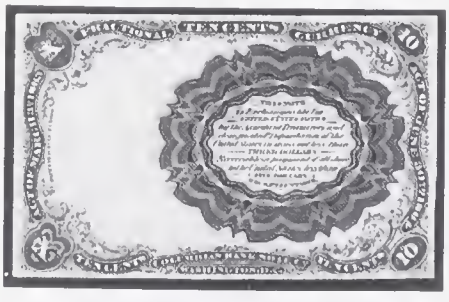
Currency Auctions of America, Inc. is pleased to announce that our next public auction will be in Rosemont, MAY 14-15, 1999

348 **50c Fifth Issue Wide Margin Proof Back New, Damaged.** The margins are wider on Doc Lee's second example, but the note has some light staining and three edge tears, one of which reaches the design. (500-up)

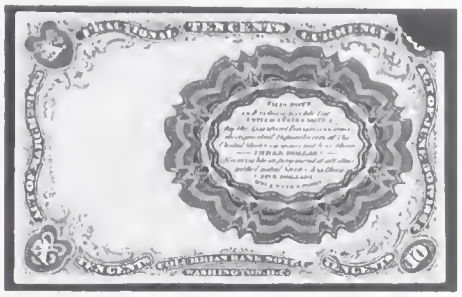
349 **25c Fifth Issue Narrow Margin Proof Back Milton 5E25R.1 New.** Printed on India paper and having been dismounted from its card, this note of Dr. Lee's is virtually identical to Lot 1107 from our Milt Friedberg Collection sale. It still has its original embossing, and but for some mounting remnants and a tiny pinhole in each corner, it's fully Choice. It was acquired by Dr. Lee from this cataloger in the early 80's. (600-up)

350 **25c Fifth Issue Narrow Margin Proof Back Milton 5E25R.1 New.** This second example from Dr. Lee's Collection is virtually identical to the above lot. This one lacks the corner pinholes but has a light stain in their stead. (500-up)

351 **10c Fifth Issue Narrow Margin Proof Back Milton 5E10R.2 New.** This rare Specimen note was acquired by Dr. Lee from this cataloger in the early 1980's. It's in far better condition than most of the other few known for this number. There is a pinhole in each corner and light traces of mounting, but the note is otherwise perfect. (600-up)



352 **10¢ Fifth Issue Narrow Margin Proof Back Milton 5E10R.2 Damaged New.** Identical to the previous Lot except this example is missing its upper right corner tip. It was acquired by Dr. Lee from the April 1981 NASCA sale. (300-up)



MIXED FRACTIONALS

353 **A Nice Circulated Fractional Grouping.** Fr. 1233, 1242, 1244, a 1245 Vertical Pair, 1255, 1257, 1261 (two), 1265, 1266 (two), 1294, 1295, 1302, 1307, 1309 and 1381. The mixed grades range from Fine to About New, but the group is primarily Very Fine. (18 pieces) (350-up)

354 **Six Fourth Issue Notes.** Fr. 1261, 15¢ Fr. 1271, Fr. 1302, Fr. 1374 Lincoln, Fr. 1376 Stanton and Fr. 1379 Dexter. All the notes are **New** but all are somewhat aged. (6 pieces) (200-up)

355 **Five Mixed Notes.** Fr. 1226 **New**, 1307 **About New**, 1308 **New**, 1309 **Extra Fine** and Fr. 1379 **About New**, pinholed. (5 pieces) (125-up)

356 **Seventeen Different Fractional Types.** Fr. 1226, 1230, 1233, 1242, 1246, 1256, 1261, 1266, 1281, 1284, 1294, 1301, 1309, 1312, 1376, 1379 and 1381. The grades are evenly mixed from Fine through Extra Fine. (17 pieces) (400-up)

POSTAGE STAMP ENVELOPE

371 **Postage Stamp Envelope J. Leach Stationary 30¢-M. Friedberg #67.** In our January 10, 1997 sale of the Milton Friedberg Collection, this piece was described, "Printed in red on white stock this envelope is absolutely flawless in every respect. It is clean, fresh and totally as-issued, and a wonderful example of this scarce denomination." In that sale, it was estimated at $500-up and it realized $660. (600-up)

ENCASED POSTAGE

United States Encased Postage Stamps came into being as a "Money of Necessity" at the same time and for the same reasons as Fractional Currency. For several years there had been a shortage of small change. This condition was at its worst in the spring and summer of 1862. It had become nearly impossible for merchants (and the public) to get along without being able to make change. private scrip, bank and merchant scrip, small private copper tokens, and postage stamps (both loose and in pre-printed envelopes) were all being pressed into service.

The inventor of Encased Postage, John Gault of Boston (later, with Kirkpatrick, of New York City) cleverly solved the problem of quick disintegration of stamps in circulation by encasing them in a metal case with a mica "window" so the stamp was visible. His profit was made by selling advertising on the back of the case to various merchants.

John Gault obtained a patent on Encased Postage Stamps on Aug. 12, 1862. Most, if not all of the Encased Postage was produced from this patent date until early 1863 when Postage Currency (First Issue Fractional Currency) was beginning to fill the small change gap (Postage Currency was first printed in August of 1862 and most likely was placed into circulation at once, or for sure by early September, but it was several months before it began to circulate freely). Mr. Gault was also hard pressed to obtain stamps, because after the July and August rush on post offices (to obtain stamps to replace the hoarded coins) the post office department cut off supplies of stamps for all but postage use.

Most major collections of Fractional Currency have had several pieces of Encased Postage in them as association items; and, needless to say, a collection of Encased Postage stands well in its own right.

The average collectable condition for Encased Postage is very fine with an exceptional piece being extra fine to about new. A fully new piece of Encased Postage is a major rarity even for the most common issues, and most varieties are unknown in even about new condition.

372 **HB-6 EP-32a 3c Ayer's Cathartic Pills About New.** The case is a nice, natural, light brass color, the stamp has its 100% original color and the mica approached perfection. An extremely nice example overall. (400-up)

373 **HB-50 EP-6 1c Joseph L. Bates Fancy Goods Extra Fine.** The case is a beautiful glossy medium brown, the mica has no serious problems but it has a few minor surface marks and the stamp is bright but it has a bit of surface soil. (350-up)

374 **HB-74 EP-39 3c Burnett's Cocoaine Kalliston Extra Fine.** The case has been cleaned and remains rather bright, the mica has some surface marks and the stamp is somewhat toned down. (300-up)

375 **HB-76 EP-105 10c Burnett's Cocoaine Kalliston.** The case is a nice, natural light brass color, the stamp is bright and attractive and the mica has a few minor imperfections but it is clear. (450-up)

376 **HB-83 EP-70 5c Burnett's Standard Cooking Extracts Very Fine.** The case is quite dark brown but problem-free, the mica has some crazing and the stamp is a bit soiled. (250-up)

377 **HB-123 EP-114 10c Gage Brothers & Drake Very Fine.** The case is lightly worn but very attractive, the mica remains nearly perfect and the stamp is quite bright. An exceptionally nice piece in spite of its use in circulation. (600-up)

378 **HB-131 EP-78 5c J. Gault Extra Fine.** The case has been cleaned and is now bright, but it's very nearly New. The mica and stamp approach perfection. (350-up)

379 **HB-133 EP-116 10c J. Gault About New.** The attractive medium-brown case shows almost no wear, the stamp is perfectly centered with its full original color and the mica is as close to perfection as these ever get. This is the most common 10c encasement, a perfect piece for type. (500-up)

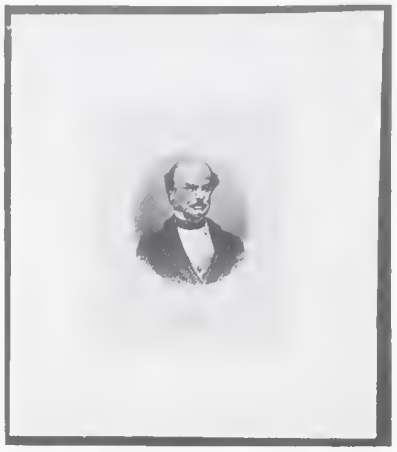
380 **HB-133 EP-116 10c J. Gault About New.** The case had been cleaned at one time but is retoning very nicely. The stamp is quite nice and the mica very nearly perfect. (400-up)

381 **HB-188 EP-24 1c North America Life Choice Extra Fine.** A lovely piece with a glossy mahogany-colored case, an exceptionally bright blue stamp and an essentially perfect mica. This is an unusually nice example of a somewhat scarcer piece. (500-up)

MISCELLANEOUS

382 **John Deere Company $500 Bill Complete Sheet of Four.** We sold a single in our January 1998 auction for over $250, and at the time, that was the only example we had ever seen. We would expect that this complete sheet will attract considerable interest and could easily realize... (500-up)

383 **F.E. Spinner Vignette.** Printed on India paper mounted to a 4 1/2" x 5" card. (100-up)

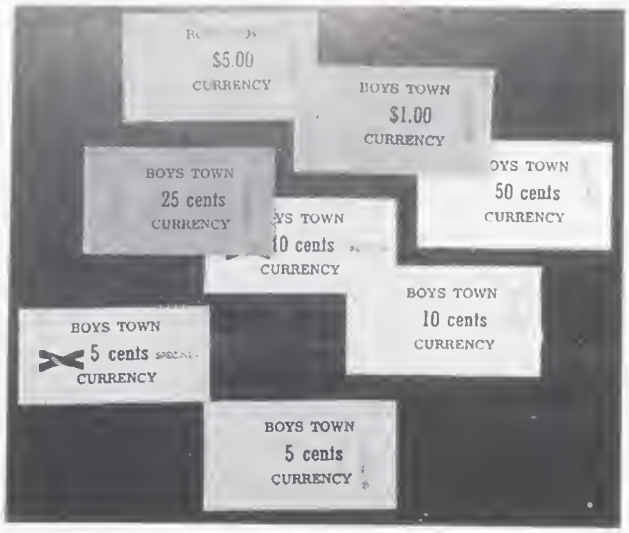


384 **Spinner Autograph.** Spinner's bold signature appears on a Treasury Department form transferring $15,000 to the Assistant Treasurer of the U.S. at New York. Dated June 3, 1875 and in very nice condition, with no ink erosion whatever. (75-100)

385 **Interesting Lot of Francis E. Spinner Checks.** Four checks drawn on the First NB of Florida dated between 1876 and 1889, each signed with the distinctive Spinner signature. These are far scarcer than the popular Spinner checks and drafts from the Mohawk Valley Bank dating from the 1850's. It is a little known fact that Spinner, after leaving office in Washington, became one of the first New Yorkers to migrate to Florida, becoming an official of the First NB of Florida in Jacksonville. (4 pieces) (150-250)

386 **Smith Brothers Profit Sharing Coupons.** 7 coupons each good for 1 1/2 "coupons". We're not sure of the vintage but these appear to be 1940's style. (25-up)

387 **1962 Football Bucks.** 18 examples (16 different) of these seldom seen highly collectible crossover items between currency and sports cards. (18 pieces) (100-up)

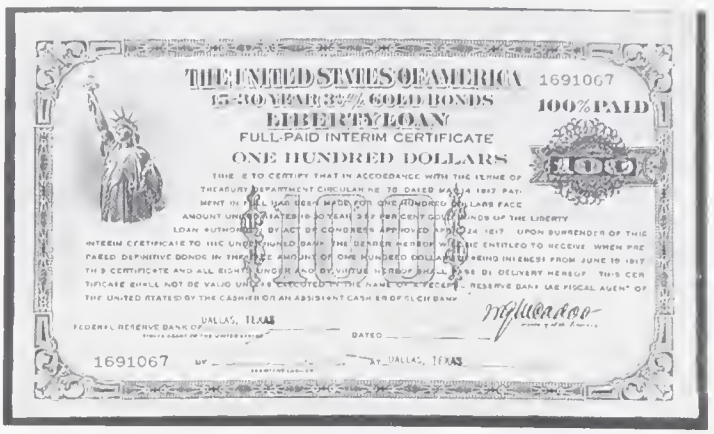


388 **Early Boys' Town Currency.** There are eight pieces in all: an orange 5c, pink 10c, gray 25c, yellow 50c, green $1 and blue $5. There are duplicates of the five and ten cent. The two extra pieces have a blue stamped "A" next to the denomination. Each of the eight pieces has the word "Specimen" stamped on it. These are outside our area of expertise, but our consignor informs us that these are rare and suggests an estimate of... (300-up)

389 **Macerated Currency George Washington.** This disc Macerated of our first President is in exceptional condition. It was made by the National Currency Souvenir Co. in Washington, D.C. (150-up)

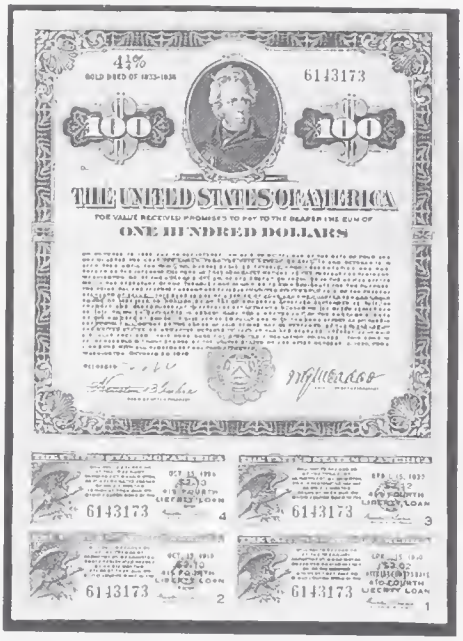
390 **Macerated Currency U.S. Capitol and Flag.** This very well preserved example was manufactured by the National Currency Souvenir Co. It's a very nice example of one of the more popular themes in macerated. (150-up)

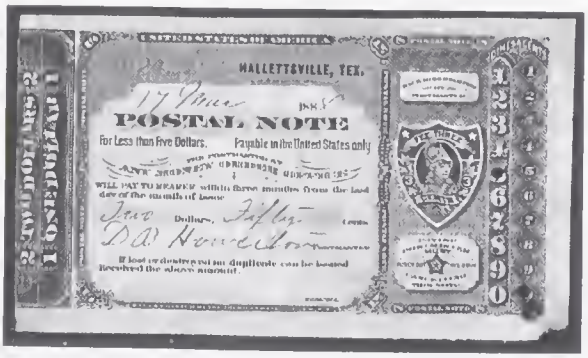
391 **Macerated Currency Herbert Hoover.** This macerated bust of Hoover is mounted on a black card with a ring at the top for hanging. This apparently is part of a series that may or may not have included all the Presidents. We've seen Washington, Lincoln and Calvin Coolidge in this exact format, but this is our first Hoover. (200-up)



392 **Rare Liberty Loan Interim Certificate.** This certificate was used as a substitute for Liberty bonds before their actual production, and was intended to be exchanged for said bonds when they became available in late 1917. For whatever reason, this fully paid certificate was never redeemed. This is the first such item we've had to offer. If rarity is any guide, expect this **Extremely Fine** certificate to reach or exceed... (500-up)

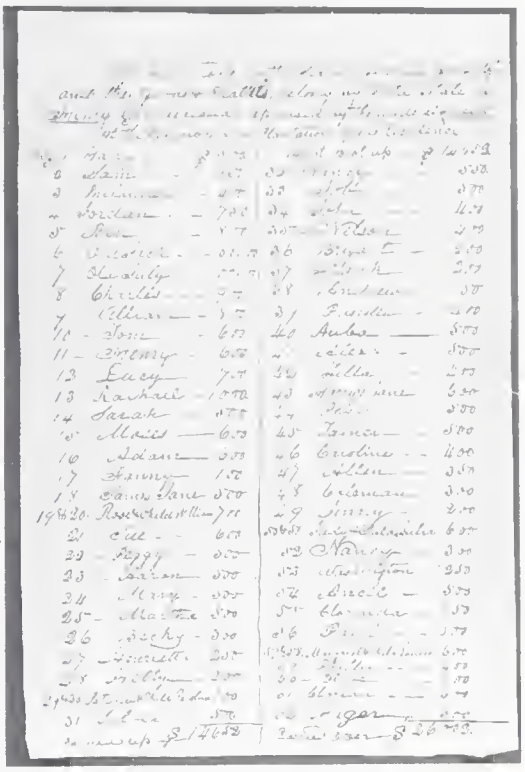
393 **Beautiful $100.00 Liberty Loan Bond.** This is the nicest bond of its kind we have ever had to offer. The colors are bright and sharp, the Treasury seal is hugely embossed, and there is no wear whatever, just one light bend and a corner tip fold. We would not be surprised to see bids in excess of... (500-up)





394 **Hallettsville, TX Postal Note.** A Postal note in the amount of $2.50 purchased at this small town Texas office on March 17, 1888. **Very Fine**, a small corner tip off. (40-80)

395 **Florida Slave Related Appraisal Document.** An itemized appraisal for the estate of Henry Gee dated June of 1851. Mr. Gee's 74 slaves are enumerated, with each valued as well. Indicative of the importance of slavery in the southern economy, the value of the slaves was around 90% of the value of the property (excluding the land) Mr. Gee left. An interesting document which reminds us that the "good old days" weren't really so good after all. (100-200)



396 **Canaan National Bank Night Deposit Bag.** A great heavy canvas, leather and metal bag of a style we have not seen before. It is designed to padlock closed. It was produced by the Mosler Safe Company. Unusual and interesting enough to perhaps reach... (50-up)

397 **Depositors Trust Company Bank Bag** An attractive brown bag with a yellow vignette and draw string from "The Bank That is Busy Building Maine". (25-up)

398 **2 Bank Bags.** Both bags are canvas, a rather large one from the Federal Reserve Bank of Boston and a smaller one from the New York City Transit Authority. (2 pieces) (20-up)

399 **Heath's Counterfeit Detector Twelfth Edition 1877** This banking and counting house edition is in excellent condition. This is the sought-after edition with the high denomination plates of Nationals and Legals. The brown cover shows very little wear and its goldleaf remains bright. The binding is perfect, and all plates and pages remain tightly in place. (500-up)

400 **Heath's Counterfeit Detector.** This is a second copy of the twelfth edition, the larger size banking and counting house edition. It has a replacement cover but is in perfect condition internally, with all its plates, including the hard-to-find left halves of the 1875 Legals and First Charter Nationals up through the Thousand. It also has the half-length green back plates of the Nationals from $5 to $1000. (300-up)

401 **Heath's Counterfeit Detector.** This banking house and counting room edition has a green cover with ornate gold leaf printing. It's in excellent overall condition with all of its plates, including the Fractional plate and the green back sections from the $10, $20, $50 and $100 Nationals. (200-up)

402 **Heath's Counterfeit Detector.** This banking house and counting room edition is quite an early one, with the "Entered" notices from the years 1866 and 1867 on the back of the title page. It's rubber stamped on its blank fly leaf in blue, "Albany City National Bank - Mar 7 '68." The cover is a brownish maroon with plain, block, gold leaf. The cover has scuffs and tears at the spine but internally the item is in excellent condition. (200-up)

403 **Heath's Counterfeit Detector.** The second edition Heath's is the large format banking and counting house edition. It contains the Fractional plate as well as full uncancelled faces and backs of the 1862 $50 Legal, the $10 of the same series and the $10, $20 and $100 First Charter National Bank Note plates, both face and back, uncancelled. The overall condition is excellent, but a few of the pages have stains and one of the plates is loose. (300-up)

404 **Heath's Counterfeit Detector.** Another second edition of the larger size, this one has one loose plate and some rather serious moisture staining on the cover. (250-up)

405 **Naramore Cards, Photos, and Heath Counterfeit Detector Plates.** Nine Naramore cards mounted on cardboard, six with the original backing (couple with corners missing), 35 Naramore photos, all unmounted, and six reverse National Bank Note plates from a Heath's Counterfeit Detector. (125-up)

406 **Underwood's Counterfeit Reporter.** Three copies of this valuable reference work, which lists known counterfeits in circulation. The three copies are July-August, September-October, and November-December 1896, and all are in excellent condition. (100-200)

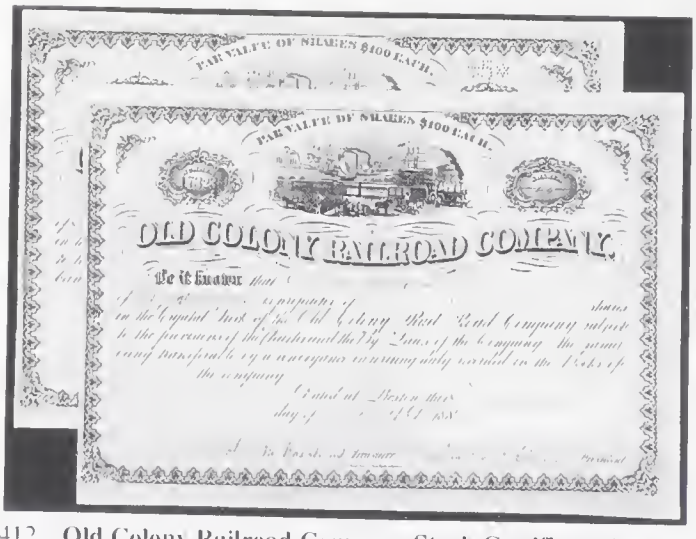
407 **Some Well mixed Miscellaneous Items.** Various financial documents, deposit tickets, notations, receipts and the like from several 1920s and 30s companies. Also, a storage envelope compliments of the Merchant's National Bank of Rhode Island and several Brown University related items including and English test dated February 1, 1930. Approximately 40 items. (25-up)

408 **Interesting Political Item.** A currency look-alike political piece printed on fabric promoting the Presidential candidacy of Geo. H. Pendleton, known today for his sponsorship of the Pendleton Act of 1883, creating the Civil Service. Pendleton was a Democrat from Ohio who served in the U.S. House from 1857 through 1865 and the U.S. Senate from 1879 through 1885. He was the Democratic candidate for Vice President in 1864, serving as the running mate to General McClellan. (100-200)

409 **Bank of America Travelers Checks.** Two circulars, one undated, the other circa 1936, detailing the introduction of newly designed B of A Travelers Checks. Also enclosed is a specimen $20.00 Travelers check identical to that pictured on the circular. (3 pieces) (100-200)

410 **1939 Connecticut Motor Vehicle Registration Stuff.** Various Motor Vehicle forms including a very early photostat involving a Mr. Steve Votre of Fairfield, Connecticut and his 1936 "Oldsmobiler." (25-up)

411 **Commemorative B of A Silver Ingot.** This large silver ingot, in the shape and size of the first Bank of America Travelers Check from 1891, was issued for the 100th anniversary celebration in 1991. As this violates our informal company policy of "If it doesn't fold we don't sell it," grading shall be at the discretion of the buyer.



412 **Old Colony Railroad Company Stock Certificate.** Two certificates, one for 40 shares and the other for five. The first dated 1888 and the second 1893. Both have a great railroad and shipping vignette. (2 pieces) (25-up)

413 **Unissued Railroad Stock Certificate Trio**

Michigan Southern & Northern Indiana Railroad Co. 1850's AU, small pieces missing

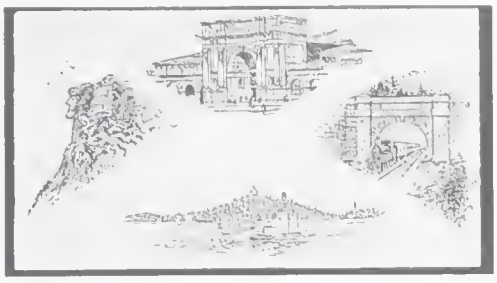
Detroit, Monroe & Toledo Railroad Co. 1850's AU, 6 POC

Dunkirk, Warren & Pittsburgh Railway Co. AU, 6 POC.

Three pieces. (100-200)

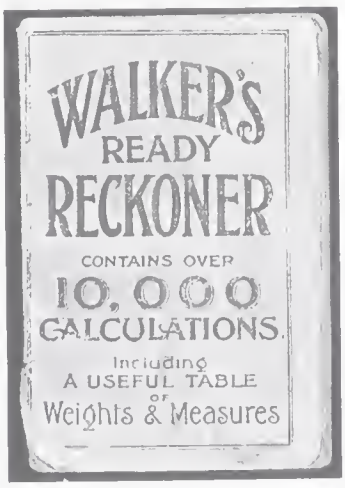
414 **Ohio & Missouri Mining Co-1847.** A stock certificate for this Cincinnati based mining enterprise printed by bank note printers Rawdon, Wright & Hatch. **Very Fine.** (50-100)

415 **Boston and Maine Railroad Ticket Envelope.** Four nice vignettes of New England on the back. (15-up)



416 **An Interesting Collection of Railroad Tickets.** The few pieces that are dated range from 1888 to 1920, and we suspect that all fall within that time period. They're mostly from New England, but a few are from the Midwest and two are French multiple-ticket sewn booklets. Over 50 pieces in all. (150-up)

417 **Walker's Ready Reckoner.** A handy book of about 50 pages. Amongst other bits of information, this will allow you to convert Gills to Firkins. Something this cataloger was unable to do before this book came into our hands. Apparently 1870's vintage, although it is undated. (25-up)



418 **Doovas Souvenir Cards.** Privately prepared by William Doovas for members of the SNC at the 1977 Atlanta ANA Convention, this oversized card reprints the New York Times article of July 10, 1929 discussing the introduction of small size currency. (50-100)

419 **Cigar and Fruit Label Art.** Six labels of various sizes, all of which have a bank note related theme. Also included is a Coin World article from October of 1997 discussing these collectibles.

420 **Interesting Prospector's Gold Scale.** Manufactured by the Triumph Scale Co. and complete in what appears to be its original wooden box. All of the weights are present and the scale appears to be in excellent condition. We've not sold one of these items previously, so we will not attempt to provide an estimate, but knowledgeable buyer's will certainly provide some guidance.

421 **O.P.A. Wallet.** This World War II era leather Office of Price Administration wallet has three compartments, one for a ration book, which it contains and two smaller pockets for ration tokens, quite a few of which are present. (100-up)

422 **One Hundred Dollar Bill Cigarette Case.** This half size case has a compressed version of the Face and Back of a 1928 $100. It is in excellent shape including the internal spring. (150-up)

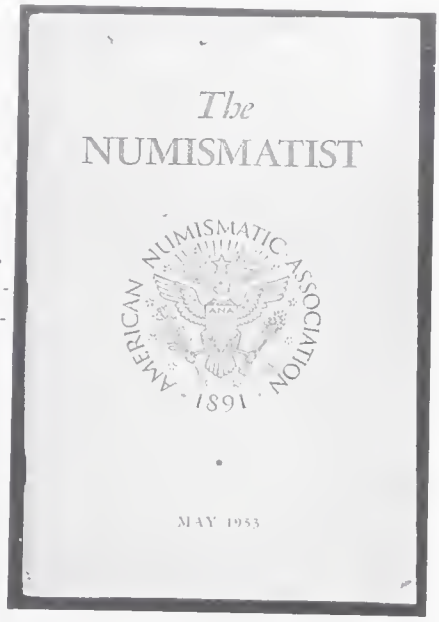
423 **Ten Dollar Bill Cigarette Case.** This half size case has the Face wrapping around to cover both Face and Back. It's a $10 denominated example that's a hybrid Gold and Silver Certificate. The serial numbers are red and the denomination and seal are blue. It's in perfect shape including the hinge, clasp and internal ribbon. (150-up)

424 **Five Thousand Dollar Bill Cigarette Lighter.** This small cigarette lighter is denominated at $5000. (100-up)

425 **One Hundred Dollar Bill Cigarette Lighter.** Far higher quality than these unusually are. The lighter is marked "Omega" and has two patent numbers. It appears to be American made which is most unusual for these. (100-up)

426 **One Hundred Dollar Bill Cigarette Case.** Slightly different than any other we can recall seeing. Unfortunately, the clasp is broken and the hinge is a bit bent. None the less, this is an important item to those of us, this cataloger included, who collect these things, as it is inconspicuously stamped inside "Made in Japan." Virtually none of these are ever marked with the country of origin. (150-up)

427 **The Numismatist May, 1953.** Some great old ads from some classic names in paper money are in this issue. Also included are reports from various regional meetings. It's surprising to see the high percentage of currency exhibited at these meetings. (15-up)



428 **Currency Collector's Mini-Library.** One copy of Wismer's **New York Paper Money** (the 1931 original printing) cataloguing New York obsolete issues, two copies of Dillistin's **A Description History of National Bank Notes**, two copies of Dillistin's **National Bank Notes in the Early Years**, a reprint of the article United States Paper Currency by Paul E. Draper, and a copy of the reprint of the Grinnell sale catalogues done by Anton and Perlmutter in 1971. (75-125)

429 **Various Donlon Catalogues.** William P. Donlon's **United States Large Size Paper Money**. Two first editions, both autographed by the author, one the special collector's edition, a second edition, two third editions, one hardbound, all autographed, and one fourth edition. Also included are two Donlon catalogues of Small Size U.S. Paper Money and a copy of Donlon's Mail Bid Sale number 11. (50-100)

430 **United States Paper Money-Old Series 1861-1923.** Frank A. Limpert's book, which was the predecessor to the Friedberg catalogue. This is the 1950 "Deluxe Edition," with illustrations and spiral bound. (50-100)

(50-100)

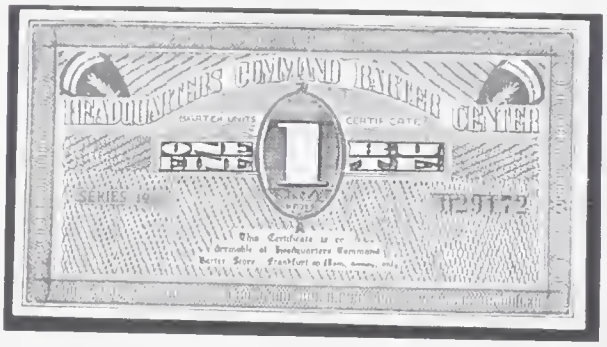
MILITARY PAYMENT CERTIFICATES

432 **Early U.S. Naval MPC.** A 10 sen piece of scrip to be used in the U.S. Navy Club in Vladivostok (Russia). Our best guess is that this piece dates from the little remembered Allied Expeditionary force sent to Russia to help the White Army overthrow the Bolshevik (Red) government after the Communist takeover in November, 1917. When the new Soviet government concluded a treaty of peace with the Germans (the treaty of Brest-Litovsk) in early 1918 and withdrew from World War I, the enraged Allied governments intervened on the side of the White armies. The U.S., Britain, France, and several other countries sent troops, and seized the port of Vladivostok, at the tip of Siberia, as the staging point for this intervention. By 1919, with the War in Europe concluded, the Russian intervention was largely forgotten, with the troops in Russia basically abandoned and left without a mission. All were withdrawn by 1920. This is the first piece we have seen of its kind. **Very Fine**, offered without estimate as, while its rarity is unquestioned, we haven't a clue of worth.



433 **U.S. Military Barter Certificate.** An interesting piece of scrip denoted as redeemable at "Headquarters Command Barter Store, Frankfurt on Main, Germany." It's denoted as Series 1946 and printed in green and brown on buff colored paper. **About Uncirculated**. (50-100)

434 **U.S. Military Barter Certificate.** Valid for one barter unit at the O.M.G. Barter Center. Undated, but clearly issued in postwar Germany after WWII. **Extremely Fine+**. (50-100)

435 **Series 461 $5 Choice Extra Fine.** This clean and bright note appears to be Gem but has three light folds. (50-up)

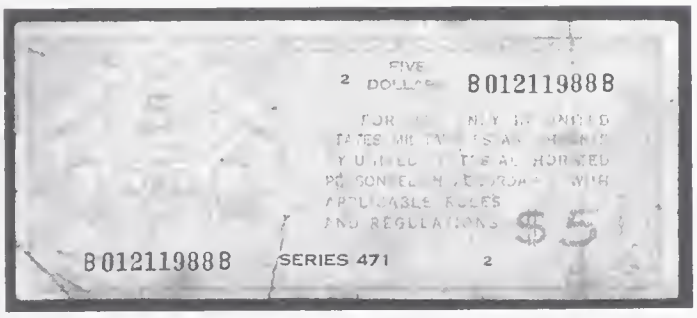
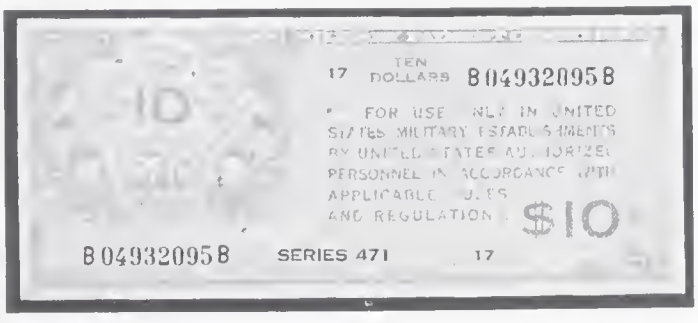
438 **Series 471 $1 Choice New.** Bright and perfect but the left margin is a bit close. (200-up)



439 **Series 471 $5 Very Good.** This key note to an MPC set has seen considerable honest use and along the way has picked up a 3/4 inch tear. (400-up)



440 **Series 471 $10 Gem New.** This bright and beautiful note is seldom seen in perfect gem condition in spite of its being rather common in lower grade. (2000-up)

441 **Series 472 $5 Choice About New.** A super looking piece that is a light center fold away from perfection. (600-up)

442 **Series 472 $10 Gem New.** A superb note with perfect margins, perfect color and deep original embossing. A lovely piece! (1250-up)

443 **Series 481 25c Replacement Note Very Good.** (150-up)

444 **Series 521 $5 Very Fine-Extra Fine.** This strictly original, lightly circulated note is one of the key pieces to an MPC set. This particular example is well margined and despite its use in circulation, it retains its full colors and even its original serial number embossing. (400-up)

445 **Series 641 $10 Replacement Note Very Fine.** Fifty-two examples are listed in the Schwan census. (350-up)

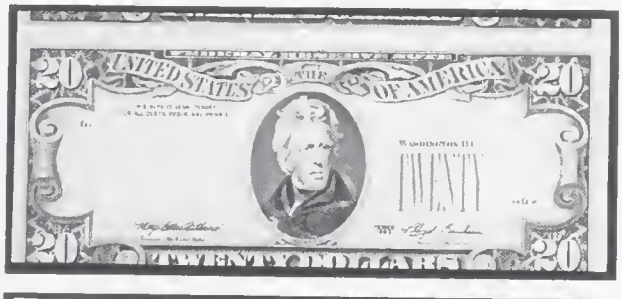
682 **Fr. 1908-J $1.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

Inverted third printing. (150-250)



683 **Fr. 2080-G $20.00 1993 Federal Reserve Note. Choice Crisp Uncirculated.**

A great error with the overprint inverted on the reverse. Steve Sullivan's Encyclopedia values this note at $1200 in CU, a number that may well prove conservative in today's market for better errors. (1000-1500)

684 **Fr. 1909-K $1.00 1977 Federal Reserve Note. Crisp Uncirculated.**

Blank reverse. (100-150)

A pristine blank reverse example. (200-400)

687 **Fr. 2175-E $100.00 1996 Federal Reserve Note. Extremely Fine-About Uncirculated.**

Blank reverse, an error that has proved quite scarce on the new hundreds. (500-700)

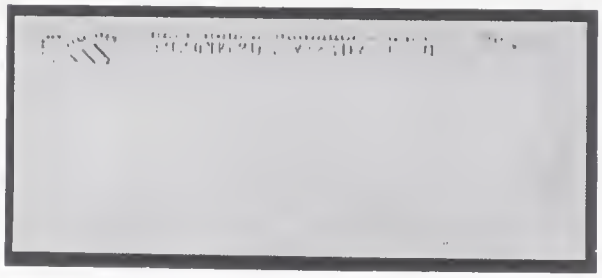
688 **Fr. 1975-K $5.00 1977A Federal Reserve Note. Gem Crisp Uncirculated.**

The reverse is about half gone due to under inking the plate. (150-300)

689 **Progressive Disappearing Reverse Set**

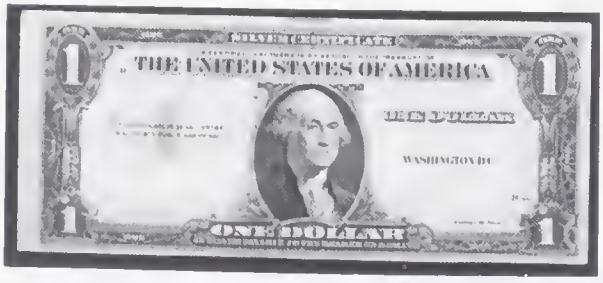
Fr. 2075-B $20.00 1985 Federal Reserve Notes. Gem Crisp Uncirculated.

Three pieces, the first with about 15% of the reverse inking almost gone, the second with 50% barely inked, and the third with 75% of the reverse barely visible. (250-450)



690 **Fr. 2167-K $100.00 1974 Federal Reserve Note. Choice About Uncirculated.**

The reverse is 95%+ blank, a very scarce error in this denomination. (400-600)

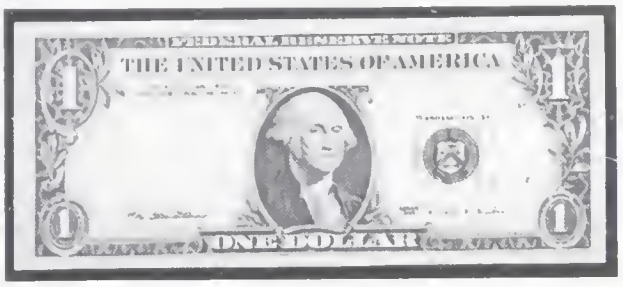


691 **Fr. ? $1.00 Silver Certificate. About Uncirculated.**

Missing virtually all of the third printing, save for just a hint of the blue seal and the first letter of the right serial number. The serial number written in red crayon on the left has been erased. (125-225)

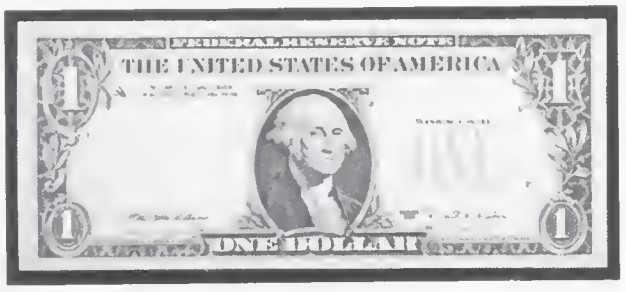
692 **Fr. 1913-J $1.00 1985 Federal Reserve Note. Gem Crisp Uncirculated.**

Missing the entire third printing, although the embossing is clearly present. (150-200)



693 **Fr. 1920-? $1.00 1995 Federal Reserve Note. Gem Crisp Uncirculated.**

Missing most of the third printing, although the green Treasury seal is letter perfect. (150-250)



694 **Fr. 1920-? $1.00 1995 Federal Reserve Note. Gem Crisp Uncirculated.**

From the same face plate as the note above, but now the entire third printing is missing. (150-250)

695 **Fr. 1920-? $1.00 1995 Federal Reserve Note. Gem Crisp Uncirculated.**

A second example missing the entire third printing. (150-250)

696 **Fr. ? $5.00 Federal Reserve Note. Gem Crisp Uncirculated.**

An early (Series 1950-50E) Federal Reserve Note completely lacking its third printing. There are two vertical red crayon inspector's rejection marks, so how this escaped the Bureau is anyone's guess. (500-800)

697 **Fr. 2030-? $10.00 1990 Federal Reserve Note. Gem Crisp Uncirculated.**

Not only is the third printing missing, but there is no embossing or other evidence to suggest that it was ever applied. (200-300)

698 **Fr. 1976-D $5.00 1981 Federal Reserve Notes. Gem Crisp Uncirculated.**

A nice group of eight pieces showing a progressive under inking of the green ink in the third printing, ending with two partially printed serial numbers and a disappearing seal. (600-900)

704 **Fr. 1621 $1.00 1957B Silver Certificates. Gem Crisp Uncirculated.**

705 **Fr. 1907-B $1.00 1969D Federal Reserve Note. Gem Crisp Uncirculated.**

Mismatched serial number B44573413E/B43573413E. (125-225)

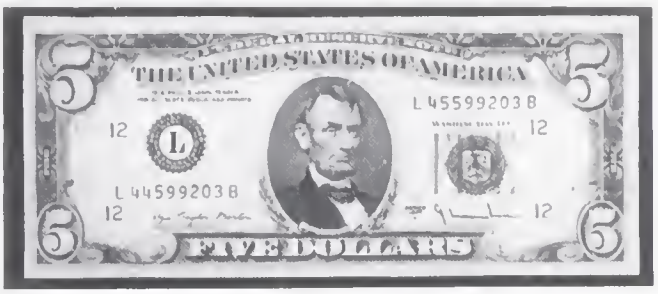
707 **Unusual Misnumbered Note**

Fr. 1964-F $5.00 1950C Federal Reserve Notes. Choice Crisp Uncirculated.

A fascinating and perhaps unique pair of notes, the first bearing serial number F27099999C and the second (and consecutive piece) misnumbered as F27000000C. The misnumbered note was found by the BEP inspector, who blue penciled the correct number in and put a rejection sticker on the note. The pair's authenticity is confirmed by the third item in this lot, which is the brick label in which these two notes were found, indicating that indeed the second note was misnumbered and should have been replaced. Hard to estimate, as we've never had or even seen an item such as this, but certainly worth... (1250-2500)



708 **Fr. 1975-L $5.00 1977A Federal Reserve Note. Gem Crisp Uncirculated.**

Mismatched serial numbers L44599203B/L45599203B. (125-175)

709 **Fr. 2014-E★ $ 10.00 1950D Federal Reserve Note. Extremely Fine+.**

A really nice high end circulated example of this rare star mismatch. Bearing serial numbers E11000096★ and E11100096★, this piece is removed from Gem because of three almost undetectable light folds. (250-500)

710 **Mismatched Serial Number Trio**

$1.00 1957 Silver. EF, serial numbers G55445109a/G54445109A.

The third printing is shifted to the right. (100-200)

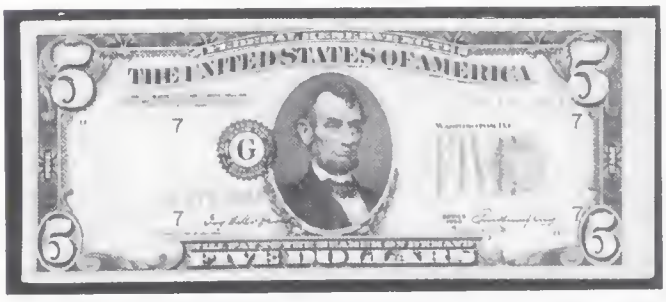
713 **Fr. 1935-C★ $2.00 1976 Federal Reserve Note. Gem Crisp Uncirculated.**

The third printing is shifted, particularly on the right side. This is an interesting star note error, especially in this denomination. (125-250)



714 **Fr. 1962-G $5.00 1950A Federal Reserve Note. Very Fine,** tear.

The third printing is shifted to the right. There is a tear into the right hand margin that does not enter the design. (75-125)

715 **Fr. 1970-A★ $5.00 1969A Federal Reserve Note. Gem Crisp Uncirculated.**

Shifted third printing on a star note, with the inspector's red crayon rejection mark. (150-300)

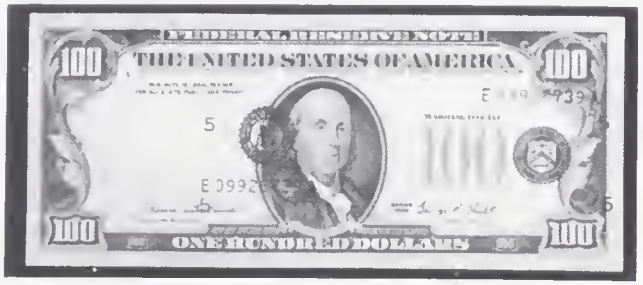
The third printing is shifted quite noticeably to the left. (100-200)



717 **Fr. 2166-F $100.00 1969C Federal Reserve Note. Choice Crisp Uncirculated.**

A really striking third printing shift, rare both for the fact that it occurred on a hundred and for the fact that it is shifted virtually off the note. (400-800)

718 **Fr. 2175-L $100.00 1996 Federal Reserve Note. Extremely Fine.**

The green overprint is shifted to the left, intruding into the left margin. (175-325)

719 **Fr. 1962-G $5.00 1950A Federal Reserve Note. Choice Crisp Uncirculated.**

Flagged by the BEP inspector, likely because the third printing is a bit low. The red tag is affixed at the lower right. (75-125)

720 **Fr. 1962-G $5.00 1950A Federal Reserve Note. Choice Crisp Uncirculated.**

Flagged by the BEP with a distinctive striped sticker. (100-150)

Another significant foldover showing a large part of the adjoining note. (400-700)

726 **Fr. 1907-E $1.00 1969 D Federal Reserve Note. Gem Crisp Uncirculated.**

A very nice foldover error where the third printing was applied next to the reverse sheet number on the back selvage. (400-700)

727 **Fr. 1907-G $1.00 1969D Federal Reserve Note. About Uncirculated.**

A neat foldover which printed part of the third printing over the reverse printing. (150-300)

728 **Fr. 1907-H $1.00 1969D Federal Reserve Note. Gem Crisp Uncirculated.**

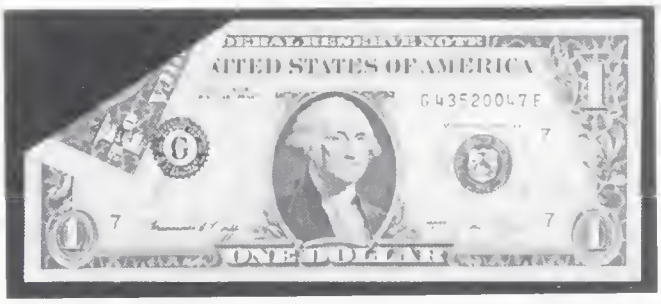
About as dramatic a fold as we've ever had to offer. Expect some stiff competition to take this note home. (700-1000)

729 **Fr. 1907-K $1.00 1969D Federal Reserve Note. Choice About Uncirculated.**

A great foldover error covering nearly half the note. The selvage number is under the later printed Treasury signature. (400-800)

730 **Fr. 1907-L $1.00 1969D Federal Reserve Note. Choice Crisp Uncirculated.**

A long foldover includes part of the adjacent note as well as a portion of the top sheet selvage. (400-700)

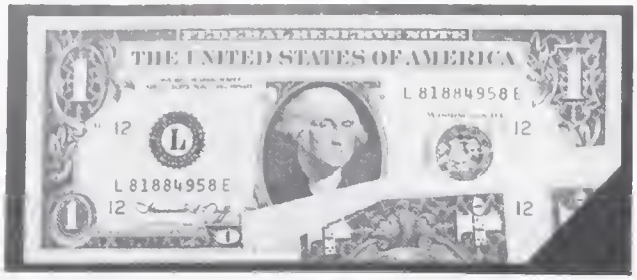


731 **Fr. 1908-G $1.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

A most unusual foldover, as the left serial number is skewed and applied on the reverse at right angles to the folded area. (300-600)

732 **Fr. 1908-G $1.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

The district seal, serial numbers and district number are all printed on this major foldover. (250-450)



733 **Fr. 1908-L $1.00 1974 Federal Reserve Note. Gem Crisp Uncirculated.**

A very neat multiple foldover error, as the third printing was applied over a foldover on top of a foldover. (700-1000)

734 **Fr. 1909-J $1.00 1977 Federal Reserve Note. Gem Crisp Uncirculated.**

A huge foldover which is about as dramatic as they come. (400-700)

738 **Fr. 1915-F $1.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.**

A very significant foldover where the foldover occurred after the back printing and before the first face printing. In addition to the printed area on the foldover, there was another obstruction, as the first face printing is incomplete even on areas not covered by the fold. (400-800)

739 **Fr. 1969-L $5.00 1969 Federal Reserve Note. Choice Crisp Uncirculated.**

A striking foldover error which shows part of the adjacent note on the sheet. (300-600)

753 **Fr. 2119-I $50.00 1977 Federal Reserve Note. Gem Crisp Uncirculated.**

The third printing's district number and most of the right serial number is upside down on the reverse. If there was a foldover, there's certainly not much evidence of it here. (150-300)

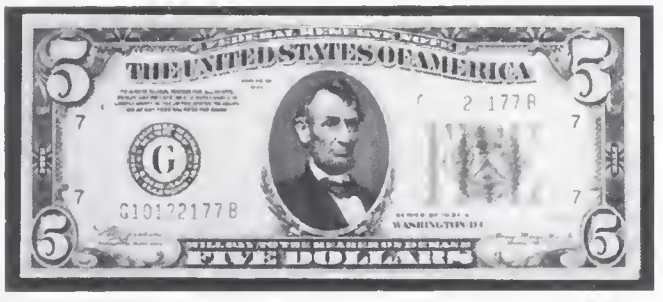
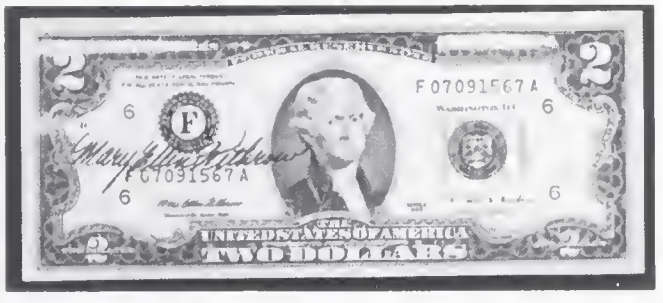
A huge obstruction left a large blank area on the face during both face printings. (100-200)



772 **Fr. 1957-G $5.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.**

A nice early obstruction error covers part of the right serial number. (100-150)



773 **Fr. 1936-F $2.00 1995 Federal Reserve Note. Gem Crisp Uncirculated.**

An interesting error on the "New Two," where the ink is missing on the extremities of the note. Examples in our last two sales brought $275 and $302.50 respectively. This piece, autographed by Mary Ellen Withrow over her printed signature as Treasurer, is clearly worth more. (300-500)

774 **Fr. 1975-L $5.00 1977A Federal Reserve Note. Gem Crisp Uncirculated.**

Lightly printed on the entire reverse, likely as result of too much solvent on the plate. (150-250)

778 **Fr. 2061-K $20.00 1950B Federal Reserve Note. Extremely Fine.**

There is an extra serial number printed along with the Ivy Baker Priest signature next to the right serial number on this note, as well as an extra Robert B. Anderson signature printed near the Dallas district seal on the left. (200-300)

779 **Fr. 2074-K $20.00 1981A Federal Reserve Note. About Uncirculated.**

A rather strange error. The right side third printing is completely absent, with the serial number on the left being K24484743A. Printed a bit skewed in the reverse right margin is the serial number K24584743A. This is one we simply have no explanation for. (250-500)

780 **Fr. 2077-B $20.00 1990 Federal Reserve Note. Fine-Very Fine.**

The third printing is all in green ink rather than green and black, an error which has proved quite scarce. (300-500)

781 **Fr. 1915-A $1.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.**

783 **Fr. 1981-L★ $5.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.**

An interesting star note cutting error, which has a small piece of the adjoining note showing on the bottom. (150-250)

784 **Fr. 2017-K $10.00 1963A Federal Reserve Note. Extremely Fine.**

An interesting note which tore during the third printing and received the printing over the torn area. (200-400)

785 **Fr. 2072-J $20.00 1977 Federal Reserve Note. Gem Crisp Uncirculated.**

As spectacular a printing error as we've ever had to offer. How this ever got through the third printing, considering the huge tear which must have occurred during this printing, let alone escaped the Bureau inspectors, is a total mystery to us. Expect to see some stiff competition to determine who gets to return home with this wonderful note. (1000-1500)

786 **Fr. 1980-H $5.00 1988A Federal Reserve Note. Gem Crisp Uncirculated.**

A major misalignment error with the third printing extending into Lincoln's portrait and a large portion of the adjoining note visible. (800-1200)

865 **Fr. 1950-C★ $5.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

About as good a low number star example as you could have. This is the type of note that makes a good collection great or a great collection definitive. Even the great Doovas Collection we sold three years ago had no Series 1928 low number star to compare to this piece. It did have a serial number 2 1934 star $20 in lower grade, which sold for $2420 on a $900-1500 estimate. Expect this great note to bring even more today. (2500-4500)

Beautiful St. Louis 1928 $500 Consecutive Pair

979 **Fr. 2200-H $500.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.**

981 **Fr. 2200-I $500.00 1928 Federal Reserve Note. Very Fine.**

The scarcest district to issue in this series, with this circulated example the nicest our consignor could obtain during his two decade search. (750-1150)

982 **Fr. 2200-J $500.00 1928 Federal Reserve Note. Crisp Uncirculated.**

The first of a consecutive pair of this very scarce $500.00. The St. Louis district had a total issue of only 24,000 pieces of both the light green and dark green seal varieties combined, with the light green being by far the scarcer issue. This example is very nicely centered and has just the lightest of handling. (1200-1500)

988 **Fr. 2201-J $500.00 1934 LGS Federal Reserve Note. Gem Crisp Uncirculated.**

A premium Light Green Seal example with bold colors, excellent centering, and full originality. We know of no finer LGS example from the Kansas City district. (1250-1500)

989 **Fr. 2201-K $500.00 1934 Federal Reserve Note. Choice About Uncirculated.**

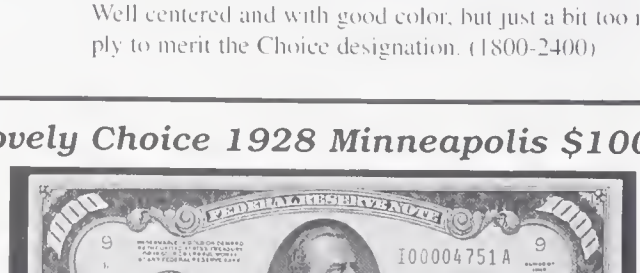
1002 **Fr. 2210-H $1000.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

A nicely centered and very bright example of this most popular denomination. The 1928 examples, with the exception of auction appearances as we sell this wonderful collection, have literally disappeared from the market during the past year or two. (2000-3000)

1003 **Fr. 2210-H $1000.00 1928 Federal Reserve Note. Crisp Uncirculated.**

Well centered and with good color, but just a bit too ripply to merit the Choice designation. (1800-2400)

Lovely Choice 1928 Minneapolis $1000



1004 **Fr. 2210-I $1000.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

An excessively rare note from the district with by far the smallest issue of any in the 1928 series. This is a lovely note which is bright, crackling fresh, and fully embossed. It is, in fact, a virtual twin to the example which sold in our last sale for $8250, the sole difference being that the back centering on this note is a touch high. We would still not be surprised, however, to see this note sell for almost the same amount, if not for even a bit more. (5000-8000)

1005 **Fr. 2210-J $1000.00 1928 Light Green Seal Federal Reserve Note. About Uncirculated.**

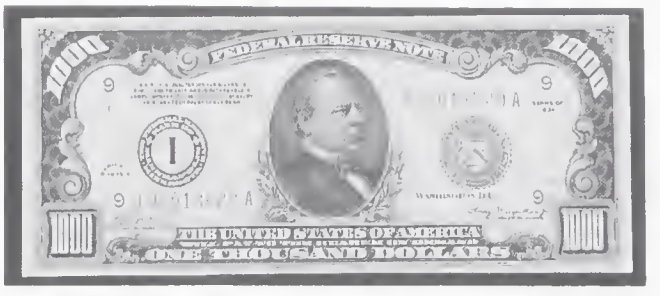
1008 **Fr. 2211-G $1000.00 1934 Light Green Seal Federal Reserve Note. Choice Crisp Uncirculated.**

This is a very scarce district in the light green seal variety, with this example the finest our consignor could locate in 20 years of searching. There are a few handling marks, but the colors are bright and the centering more than acceptable. (1750-2250)

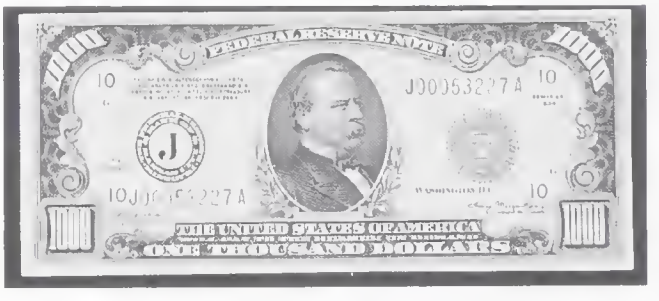
1009 **Fr. 2211-H $1000.00 1934 Light Green Seal Federal Reserve Note. Choice Crisp Uncirculated.**

A very lovely example of the rare light green seal note. The centering is a bit less than perfect, but the colors are as vivid as these ever come. (2000-3000)



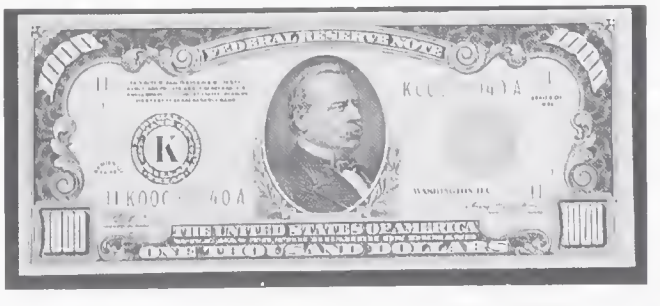
1010 **Fr. 2211-I $1000.00 1934 Federal Reserve Note. Gem Crisp Uncirculated.**

An absolutely lovely example from this excessively rare district, which had a total issue of a mere 12,000 pieces. The example we sold in our October sale realized $3025, a figure that should easily be exceeded by this superior piece. (2750-3750)



1011 **Fr. 2211-J $1000.00 1934 Federal Reserve Note. Choice Crisp Uncirculated.**

Perfectly centered and with excellent color. (2000-2400)

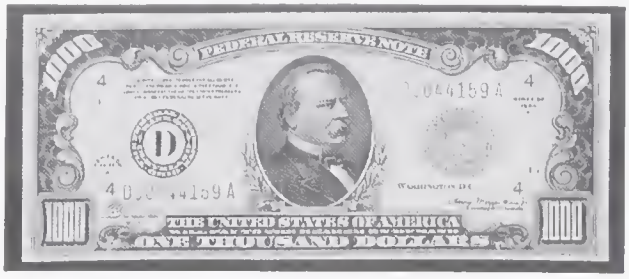


1012 **Fr. 2211-K $1000.00 1934 Federal Reserve Note. Choice Crisp Uncirculated.**

This is a very scarce district in any grade, let alone for a note as nice as this. The back centering is a trifle off, but otherwise this is as pretty a Dallas thousand as we've seen. (2000-2500)

1013 **Fr. 2211-I $1000.00 1934 Light Green Seal Federal Reverse Note. Crisp Uncirculated.**

This rare light green seal note is centered a bit low and has a considerable amount of handling. (2000-2500)



1014 **Fr. 2212-D $1000.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.**

The colors are sharp and there is a minimum of handling. (2000-2400)

1015 **Fr. 2212-G $1000.00 1934A Federal Reserve Note. Gem Crisp Uncirculated.**

There is a light handling mark, but to call this perfectly centered and crackling fresh example anything less than gem would be a total travesty. (2250-2750)

1016 **Fr. 2212-G $1000.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.**

Well centered and just a bit of handling removed from gem. (2000-2400)

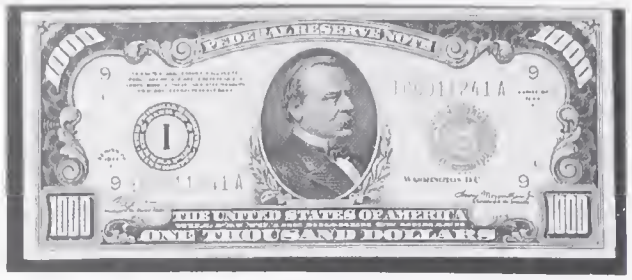
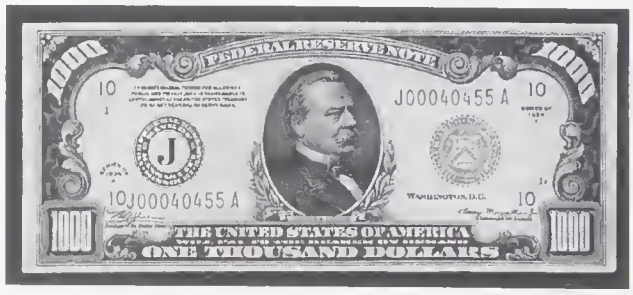
A nicely centered St. Louis thousand. (1500-1700)



1018 **Fr. 2212-I $1000.00 1934A Federal Reserve Note. About Uncirculated.**

This is one of the key pieces to the collection we have offered over the past two sales. The Minneapolis district is the scarcest by far in the 1934A series, with a total issue of a minuscule 4800 pieces. Of that number, this example is the finest our consignor could locate in the course of a two decade search. Expect this attractively well centered and brightly colored rarity to see bidding reach well into the range of... (2500-4500)



1019 **Fr. 2212-J $1000.00 1934A Federal Reserve Note. Choice Crisp Uncirculated.**

An Incredible Pair of 1928 $5000.00 Notes

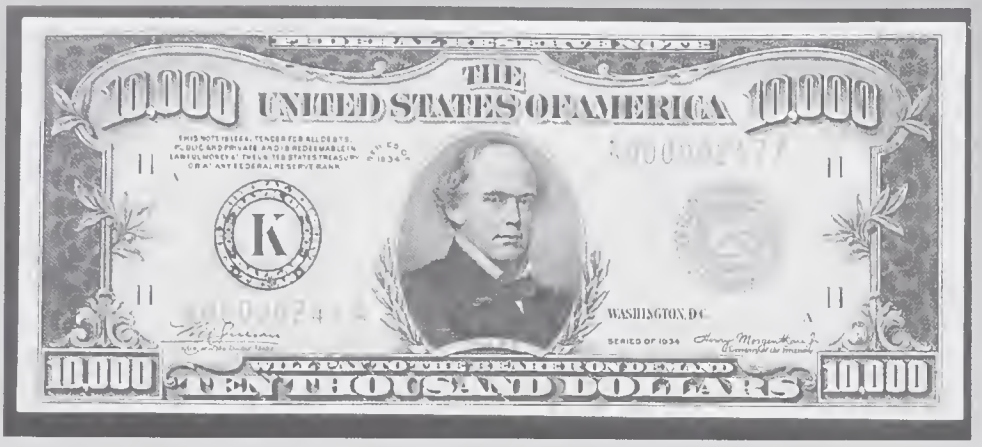
1021 **Fr. 2220-A $5000.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.**

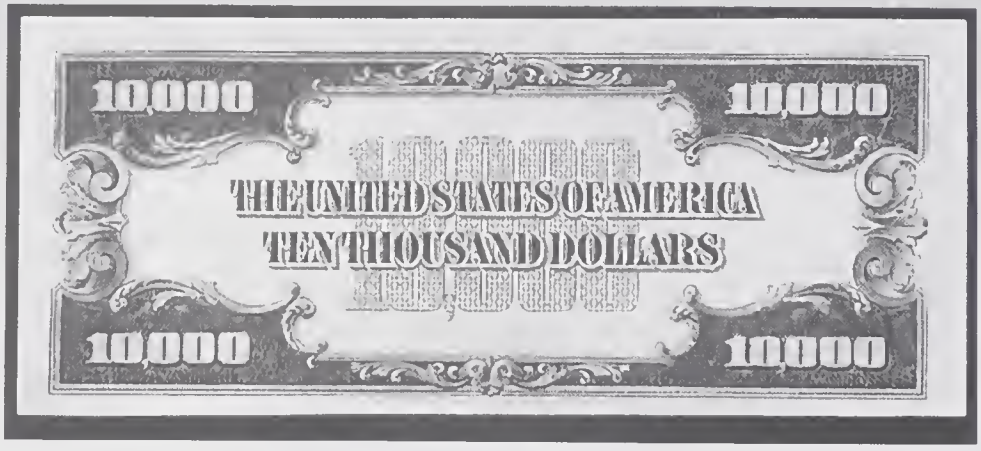
The first of two newly discovered gem $5000.00 notes from the rare Boston district. The two pieces are easily the finest Series 1928 examples we have ever had the pleasure of handling. The paper is creamy white, which sets off the bold green overprint and makes the overall appearance simply spectacular. The centering, while not perfect, is more than acceptable, and this note, like its companion below, is certain to excite even the most jaded of collectors. If you are seeking the finest, this note should be in your holdings. (35,000-45,000)

1022 **Fr. 2220-A $5000.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.**

A second magnificent note which is every bit the equal if not the better of its mate offered above. Once again the paper is crackling fresh, the colors bright as the day the note left the press, and the overall appearance somewhat breathtaking. This note is certainly as pretty as any $5000 we've ever seen, and likely as any that exist. (35,000-45,000)

Gem $10,000 1934 Federal Reserve Note





1023 **Fr. 2231-K $10,000.00 1934 Federal Reserve Note. Gem Crisp Uncirculated.**

This lovely 1934 $10,000.00 is as nice as any example of this denomination which we have ever been privileged to handle. Newly discovered and offered to the collecting fraternity for the first time, it is a nicely centered and brightly colored note from the Dallas district, which issued a total of only 1200 pieces. High grade $5000 and $10000 have appreciated substantially in the past few years as collectors have realized how truly scarce these notes are in clean, problem free condition. This is a note that the proud new owner will never have to improve upon. (65,000-85,000)

1024 **Fr. 2010-J $10.00 1950 Federal Reserve Note. Choice Crisp Uncirculated.**

A most attractive example of this much in demand high denomination Gold Certificate. The colors are bright and the centering more than acceptable for the grade. LARGE SIZE PROOFS

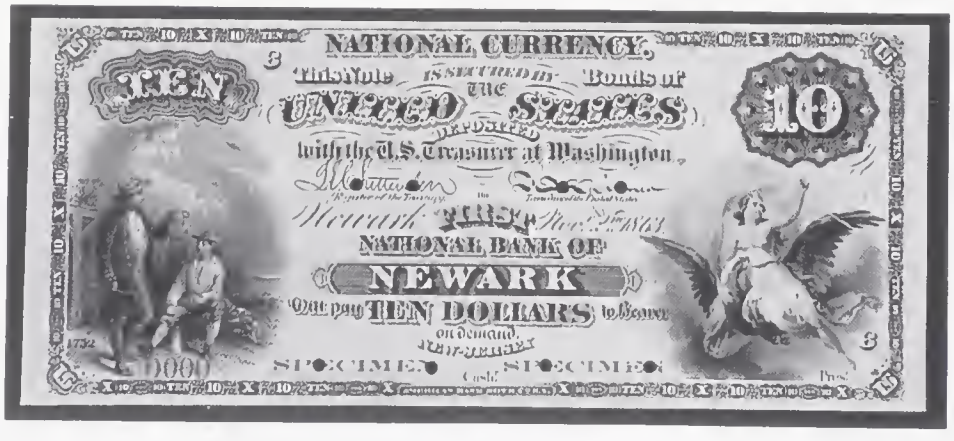
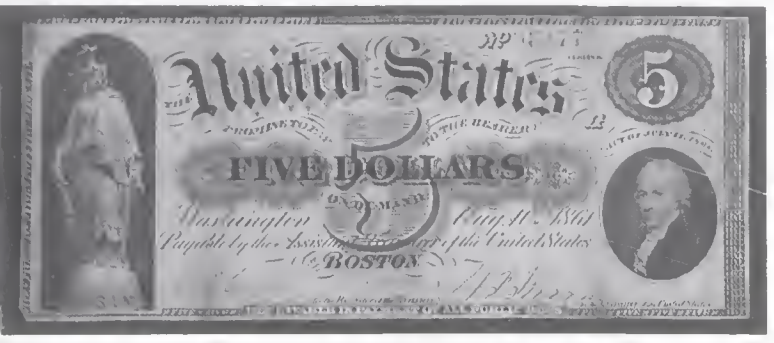
1077 **1895 $5 Wide Margin Educational Face Essay Superb Gem.** This absolutely flawless Proof was consigned to us as Hessler SE 15 but there clearly are some differences.The differences are most noticeable in the "V" in the upper left which is blank internally lacking its ornamentation. Other differences can be found in the large 5 at the right and the edges of the ribbons framing the vignette at both the left and right. Whether this is a unique Proof or a second known example of SE 16, 17 or 18 is unknown but what is certain is that this is the finest quality Federal Proof we have ever seen. It's printed on india paper with borders that exceed 1/4 inch all the way around. That paper is impeccably mounted by its corner tips to a slightly larger pure white card. Federal Proofs are extremely rare and under appreciated and it is most unusual when a pristine example such as this is found. (4000-up)



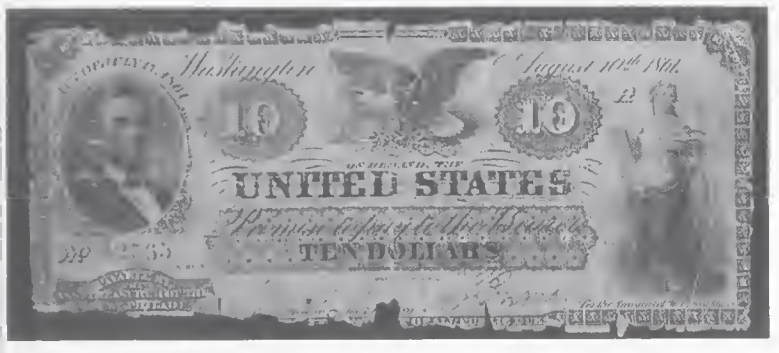
1078 **$10 First Charter Specimen Gem New.** This india paper Proof has margins the size of a perfectly centered regular issue note. Its printed with extreme sharpness and perfect detail. It has a red overprinted 0000 serial number and the word "specimen" is printed in red twice where the bank signatures normally appear. There are eight small punch cancels, two in each engraved signature and two in each of the red "specimens." This proof is printed with the tombstone of The First National Bank of Newark, New Jersey. An exceptionally nice example of this actual note appears as lot 2397 in the Ohio Nationals, using this exact layout minus the bizarrely hyphenated New-Jersey and replacing it with the correct Ohio. All Federal specimen notes are extremely rare and in our opinion they are one of the most over-looked and under-valued areas in our hobby. (3500-up)

LARGE SIZE TYPE NOTES

DEMAND NOTES

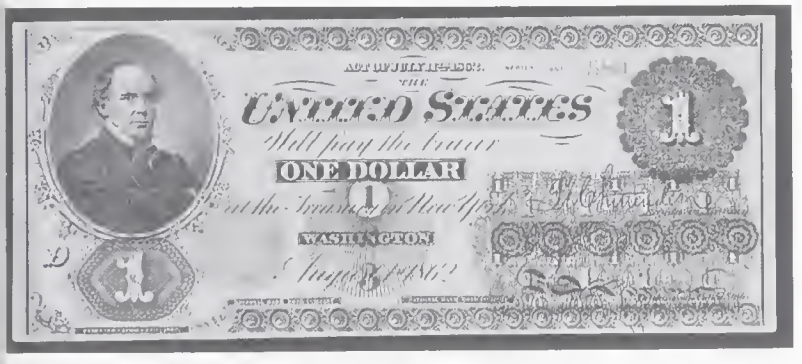


1079 **Fr. 3 $5 1861 Demand Note Fine.** The note has some soil and repaired edge splits. It is also missing its lower left corner tip. Nonetheless, the colors remain good and this is a not wholly unattractive example of an important and undervalued type. (1000-up)



1080 **Fr. 7 $10 1861 Demand Note Poor.** In the running for the lowest grade single-lotted item we've ever sold. Nonetheless, this cataloger has too much respect for Demand Notes to stick it in a group Lot. We've photographed it so you can see what's missing. What's *present* grades substantially Very Good. (300-up)

LEGAL TENDER NOTES



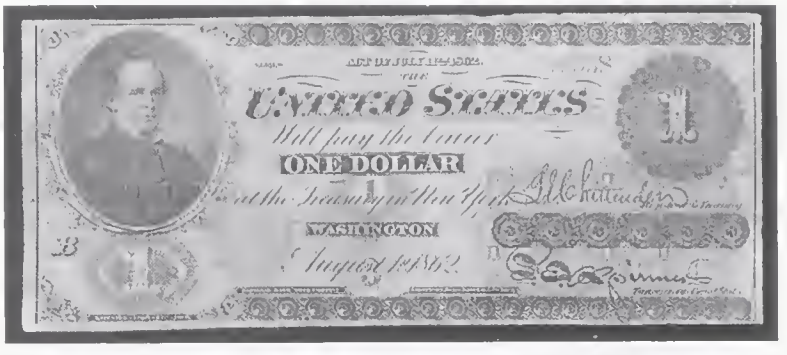
1081 **Fr. 16 $1 1862 Choice New.** Bright, strictly original and very good looking. The margins, although close in places, are vastly superior to what is normally seen for this issue. The ink colors are 100% perfect. (1000-up)

1082 **Fr. 16 $1 1862 Extra Fine.** The ink colors are strong, but the paper is lightly toned, particularly near the edges. (450 up)

1083 **Fr. 16 $1 1862 Very Fine.** Excellent color and nice original surfaces make this a desirable example of our earliest $1 Bill. (350-up)

1084 **Fr. 16 $1 1862 Very Fine.** A virtually identical example. Again with strictly original surfaces. (350-up)

1085 **Fr. 17a $1 1862 About New.** The ink colors are bright and this is a good looking note but the upper left corner tip is missing (not touching the frame line) and there is a double center fold. (500-up)



1086 **Fr. 17a $1 1862 Very Good.** An interesting note that may well be an early major error. A very large portion of the Back printing is missing. The surfaces appear perfectly natural and there is no sign of discoloration or wetting. If this is anything but a legitimate error, the technique used to produce it is beyond our grasp. Examination is suggested and we're sure this note will provoke some discussion. (400-up)

1087 **Fr. 18 $1 1869 Gem New.** Brilliant, vivid colors, huge margins and great printing quality make this one of the most attractive Rainbow Aces we have ever seen. For some reason, the combination of margins and color never quite gets itself together on this type. This stunning note is a happy exception to that negative rule. (2250-up)

1088 **Fr. 18 $1 1869 Fine-Very Fine.** A nice problem free. example.(350-up)

1089 **Fr. 18 $1 1869 Fine.** With excellent ink colors for the grade, and free of problems. (350-up)

1090 **Fr. 19 $1 1874 Very Choice New.** Well margined, bright and beautiful, this scarce number is extremely close to the full Gem grade. There are two perfectly natural paper inclusions, both of which are nearly invisible as they are buried in design elements. (750-up)

1091 **Fr. 19 $1 1874 Very Fine.** Nice bright colors. (150-up)

1092 **Fr. 20 $1 1875 Very Choice New.** Original, well margined and most attractive, this early Ace is quite near the full Gem grade. (800-up)

1093 **Fr. 22 $1 1875 Extra Fine.** This is the very scarce "B" series 1875 Ace. Only about a dozen pieces are known to us, and this note is clearly in the top half condition wise. It's an absolutely original note, separated from uncirculated only by three light folds. The red overprint has dulled a bit and the paper is lightly toned, but the overall appearance of this rarity is rather pleasing to the eye. We sold a Very Good last January for $825, and this Fr. 22 is only the fourth example we've ever had to offer in any grade. (1500-up)

1094 **Fr. 26 $1 1875 Choice New.** But for the close top margin, this strictly original, flashy example is a pure Gem. The red overprint is outstanding. (750-up)

1095 **Fr. 27 $1 1878 Gem New.** A truly lovely example, with great paper originality, excellent embossing (rarely seen on this issue) and broad, even margins all the way around on both sides. This particular Fr. 27, which comes in several minor varieties, is the variety on the watermarked paper with the blue security stain running horizontally the full length of the note. It's an overall impressive beauty. (1100-up)

1878 $1.00 Double Courtesy Autographed by U.S. Grant

1096 **Fr. 27 $1 1878 Double Courtesy Autographed by U.S. Grant Very Fine-Extra Fine.** Signed vertically at the left and again somewhat larger and darker right across the portrait. Very likely pulled out of someone's wallet when the opportunity to obtain the autograph of this

most famous Civil War General, who had just become ex-president, presented itself. We've never seen a Grant signature on a piece of U.S. currency before and in fact have never seen any presidential signature on a large size note. We've shown this note to acquaintances in the autograph business and have been assured of its authenticity. The note itself has some light wallet staining on the back and edges, likely the result of its having been carried as a proud keepsake after the autograph was applied. It's a difficult item to estimate, but we'll presume we're close at... (3000-up)

1097 **Fr. 29 $1 1880 Choice New.** Fully original, bright and good-looking, but the bottom margin is too tight for the Gem grade. (400-up)

1098 **Fr. 30 $1 1880 Choice About New.** The note is strictly original but there is a corner fold and the margins are lightly aged. (300-up)

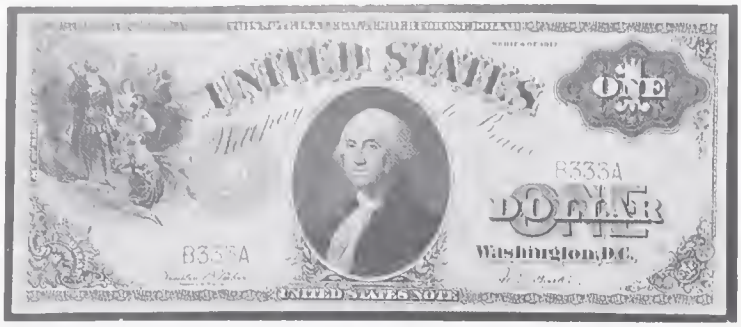
1099 **Fr. 30 $1 1880 About New.** Broadly margined and problem-free. (250-up)

1100 **Fr. 31 $1 1880 Choice Extra Fine.** This strictly original beauty has excellent margins, brilliant colors and outstanding eye appeal. It's a few light folds away from being a perfect Gem. We sold a very similar example in January of 1997 for $1100, and we expect this great-looking note to easily exceed that. (1250-up)

1101 **Fr. 31 $1 1880 Very Fine-Extra Fine.** This scarce number, with its large orange seal and blue serial numbers, has lots of eye appeal. It's a strictly original, unmolested note that's sure to please any collector who has been searching for this elusive number. (1000-up)

1102 **Fr. 35 $1 1880 Superb Gem New.** The perfect type note, broadly margined, bright and strictly original, without a hint of a defect. (850-up)

1103 **Fr. 35 $1 1880 Courtesy Autograph Gem New.** D. N Morgan has signed in dark ink directly above his engraved signature as Treasurer. The note itself is a beautifully bright, well centered, strictly original **Gem.** (850-up)



1104 **Fr. 36 $1 1917 Superb Gem New.** Unbelievably huge margins for the issue draw initial attention to this note. But beyond that, it's strictly original and perfectly bright and it bears the low solid serial number B333A. All in all it's a spectacular note, well worthy of bidder attention. (600-up)

1105 **Fr. 36 $1 1917 Superb Gem New.** Beautifully original, perfectly bright and surrounded by margins that are extraordinary for the type. (300-up)

1106 **Fr. 36 $1 1917 Very Choice New.** This serial number B200A note is a perfect Gem but for the slightly tight top margin, so typical for this issue. (450-up)

Fr. 37 Special Serial Number Set

1107 **Fr. 37 $1 1917 Two-Digit Solid Set.**

This incredible run of nine notes was assembled from the first pack of the M-A block. It contains each Two-Digit solid from M11A thru M99A. All nine notes grade **Very Choice New** or **Gem New** depending on the individual centering, with more Gem examples than Choice. Each note is strictly original, beautifully bright and flawless. This is an important and unusual set, sure to excite the legion of special serial number collectors. (9 pieces) (7500-up)

1108 **Fr. 37 $1 1917 Gem New.** Bright, strictly original and unusually well margined. (300-up)

1109 **Fr. 37 $1 1917 Star Note Very Choice New.** This is a near-Gem example of this popular Star type. (500-up)

1110 **Fr. 37 $1 1917 Star Note Consecutive Pair Very Choice New.** Consecutive Stars are seldom seen, and these two are a lovely pair — bright and well margined, with their full colors and excellent original embossing. Under 120 examples are known for this number. (2 pieces) (1000-up)

MAIL BIDDERS - PLEASE CHECK YOUR BID SHEET CAREFULLY TO ENSURE AGAINST ERRORS. WE CANNOT BE RESPONSIBLE FOR YOUR ERRORS IN BIDDING.

1111 **Fr. 37 $1 1917 Three Consecutive Notes.** All three notes grade **Very Choice New**. Bright and strictly original, they would all be perfect Gems if the margins were just a touch better. (3 pieces) (500-up)

1112 **Fr. 37 $1 1917 Star Note Choice New.** (450-up)

1113 **Fr. 38 $1 1917 Choice About New.** Strictly original but with a single light center fold. (100-up)

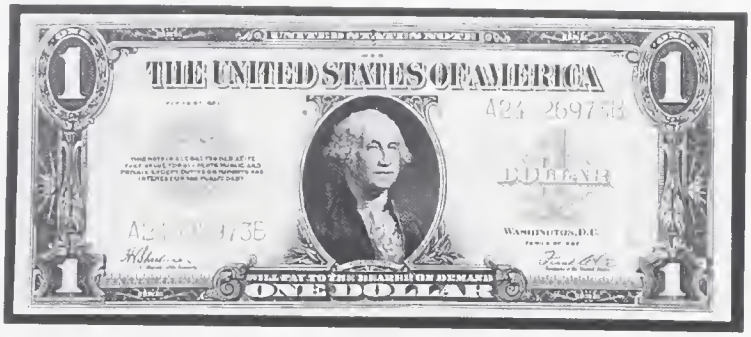
1114 **Fr. 39 $1 1917 Consecutive Run of 25.** This unusual group grade for the most part **Choice** or **Gem New**, with two or three of the notes grading **Choice AU** due to bumped corners. This is the back 25 notes from an original pack of 100. They are banded in a gray and black $25 band with some pencil notations on the band, "5/31 $25 - Lockhart." Individually, the notes should be worth a little under $6000, but we suspect some added interest will attach itself to this original group. (5500-up)

1115 **Fr. 39 $1 1917 Star Note Choice New.** A bit tight at the top. (300-up)

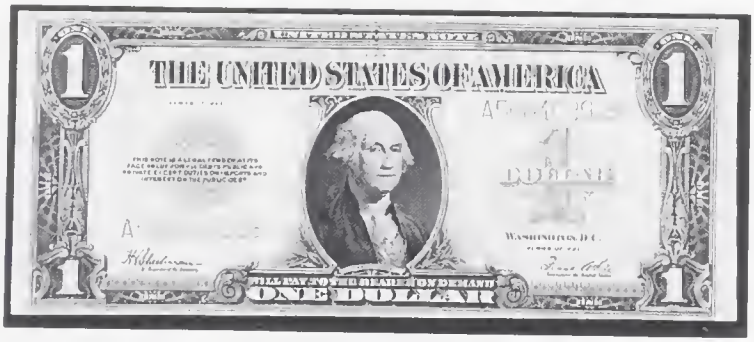
1116 **Fr. 39 $1 1917 Choice About New.** (100-up)

1117 **Fr. 39 $1 1917 Star Note Good-Fine.** (75-up)

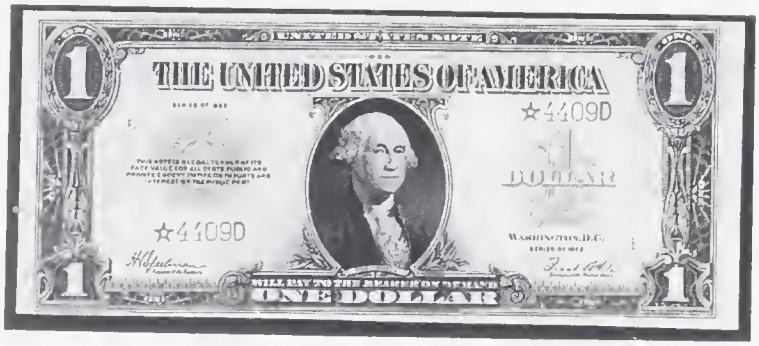
1118 **Fr. 40 $1 1923 Superb Gem New.** This is a letter-perfect example, with deep original embossing, 100% perfect colors, huge margins and a three-digit serial number. All in all a very nice note. (600-up)



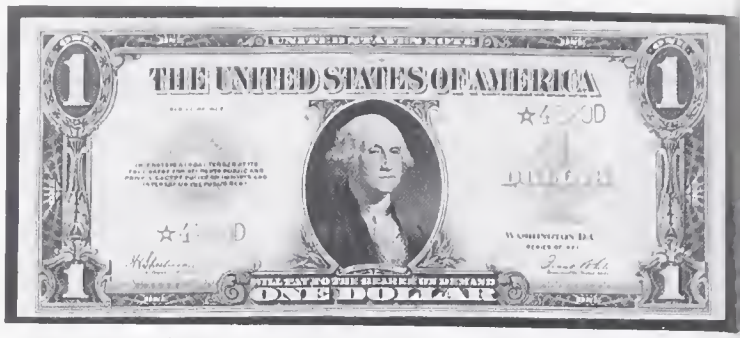
1119 **Fr. 40 $1 1923 Gem New.** A lovely example, with good paper originality, full fat margins and brilliant colors. (500-up)



1120 **Fr. 40 $1 1923 Very Choice New.** Superb in every sense but for the bottom margin which is a bit tight at the left and quite tight at the right. (300-up)



1121 **Fr. 40 $1 1923 Star Note Very Choice New.** This four-digit Star would be a perfect Gem if the bottom margin did not come a bit close at the left. It's strictly original and beautifully bright. (750-up)



1122 **Fr. 40 $1 1923 Star Note Very Choice New.** Bright, fresh and original, this Star Note would grade Gem were it not for the slightly tight bottom margin. (750-up)

1123 **Fr. 40 $1 1923 New.** Lightly toned and slightly handled but original and entirely free of folds. (200-up)

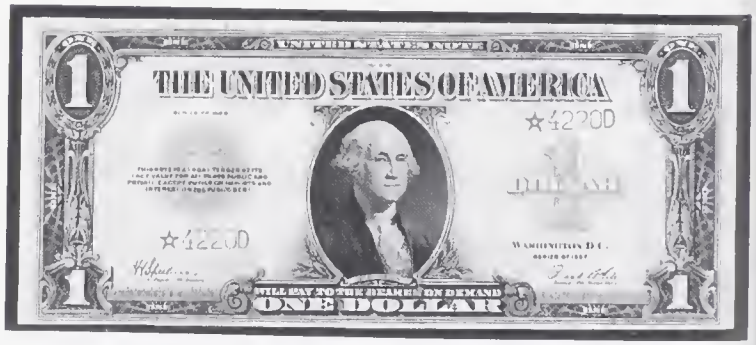
1124 **Fr. 40 $1 1923 Consecutive Pair.** Both members of this pair grade **Choice About New**. Each is well margined, and each exhibits its full, bold original embossing. On both notes, the red overprint is an extremely light pink. Our initial thought was sunfading, but the paper has not browned or turned brittle, as is usually the case. Our next thought was some form of chemical bleaching, madvertant or otherwise, but the paper originality tells us these notes have never been wet. Under high magnification, the light pink is flecked with tiny areas of full red, which is indicative of an inking problem. While we're not fully ready to call these error notes, they certainly deserve close scrutiny. (2 pieces) (400-up)

1125 **Fr. 40 $1 1923 About New.** Well margined and bright. (175-up)

1126 **Fr. 40 $1 1923 Choice Extra Fine.** A perfectly original Gem note with three very light folds. (125-up)

1127 **Fr. 40 $1 1923.** Two pieces, one **Very Fine** and the other **Extra Fine**. (150-up)

1128 **Fr. 40 $1 1923 Star Note Fine.** The surfaces are soft and there is some soil. (150-up)



1129 **Fr. 41 $2 1862 Choice New.** Particularly bright and attractive, this early Two is margined all the way around, and although they're a bit close in places, the overall impression is that of a very well margined note. (2000-up)

1130 **Fr. 41 $2 1862 New.** Unfortunately, what would otherwise be a very nice example of our first Deuce has some glue remnants and minor paper thins at the upper corners. Hard to estimate but surely worth... (750-up)

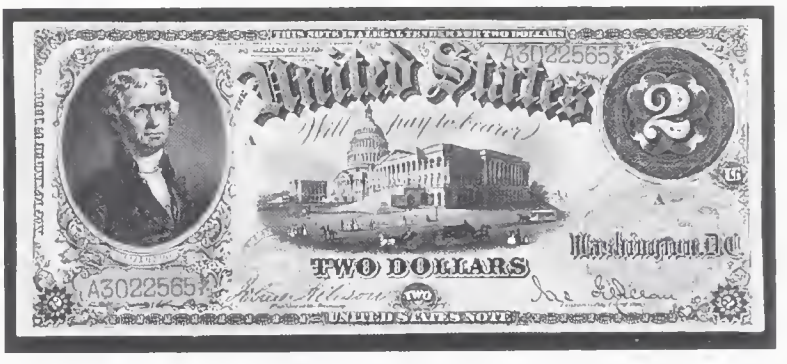
1131 **Fr. 41 $2 1862 About Extra Fine.** (800-up)

Serial #1 1862 Deuce

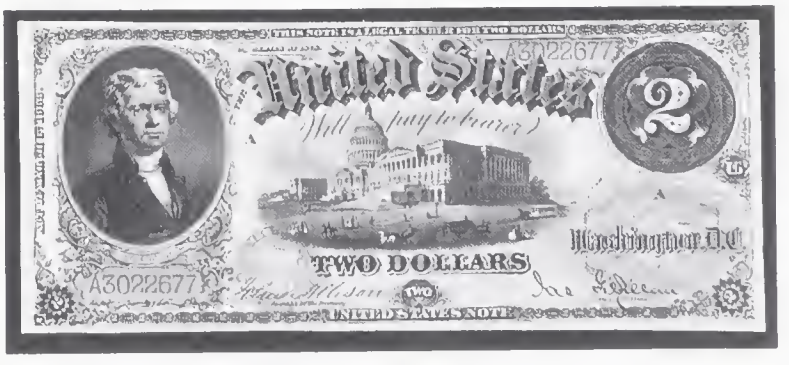
1132 **Fr. 41 $2 1862 Serial Number 1 Fine-Very Fine.** This controversial note first entered the Numismatic marketplace in a 1980's (we believe 1982) coin sale in London. It was purchased there by our consignor, who was approached after the sale by a major paper money dealer who asked for "first shot" if the note were ever sold. It was held by our consignor until 1995, when he offered it to the other dealer who turned the note down because of the price asked. The note was consigned to Lyn Knight for his 1996 Memphis sale, where Lyn referred to it as, " Possibly the first $2 Bill issued." The buyer at that sale (at $6500) was the same dealer who was present at the London auction and who passed the note on "first shot." After Lyn's sale, the 1997 edition of *Paper Money Records* condemned the note as altered, and the purchaser at Lyn's auction no longer wished to own the note, in his words, "...not because of what the note is, but because the condemnation will make it unsaleable." Lyn, the consignor and the other dealer unwound the transaction and the note has been consigned to us. Fr. 41 was preceeded in production by Fr. 41a, and there is no question that this is not the first $2 Bill ever produced. The series number, whether by accident or otherwise, has been removed at the right, but that removal predates the London auction. In any event, this is a perfectly legitimate Serial Number 1 1862 Deuce, and as such has considerable value. The strongly worded condemnation in the 1997 *Paper Money Records* has been toned down in the 1998 edition, and all parties concerned agree that this is a genuine and valuable Number One example. (5000-up)

1133 **Fr. 41 $2 1862 Very Fine.** Problem free and with excellent margins for the issue. A handsome circulated example of our earliest Deuce. (650-up)

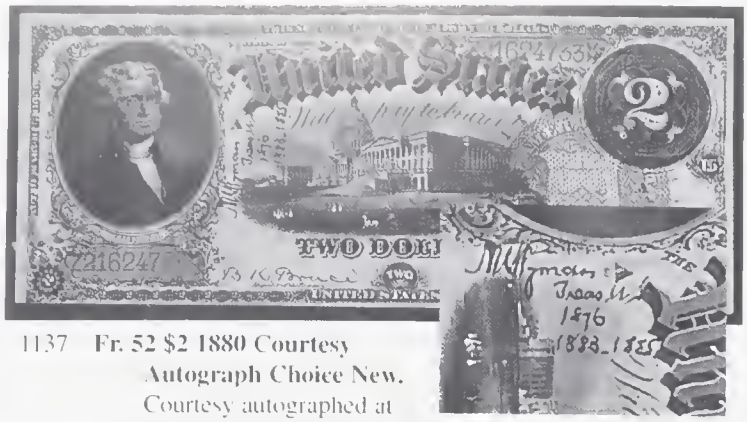
1134 **Fr. 42 $2 1869 Superb Gem New.** One of the very finest examples we've ever seen of this difficult type. While quite common in the lower grades, Fr. 42 is tough to find in uncirculated condition and truly rare as a perfect Gem. This note is strictly original, broadly margined and resplendent in its display of the Rainbow coloration that is its namesake. (5000-up)



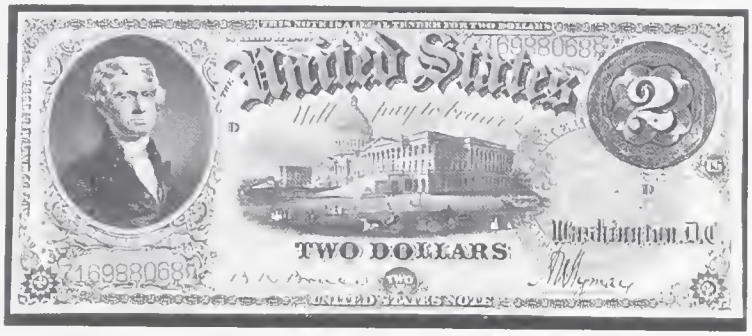
1135 **Fr. 48 $2 1878 Gem New.** This early Deuce has a bold red overprint and razor sharp inking of all its elements. It's strictly original and broadly margined, and the paper is fully bright. We haven't seen very many examples of this number that match the quality of this beauty. (1750-up)



1136 **Fr. 48 $2 1878 Choice New.** A lovely Gem note in every respect but the top margin is very tight, particularly at the right. (1000-up)



1137 **Fr. 52 $2 1880 Courtesy Autograph Choice New.** Courtesy autographed at the left on four separate lines A. U. Wyman–Tres, US–1876–1883-1885. The autograph is written in a dark, neat hand. Wyman is a far less common courtesy autograph and this one is on a very nice note that would grade Gem if it had a broader bottom margin. (800-up)

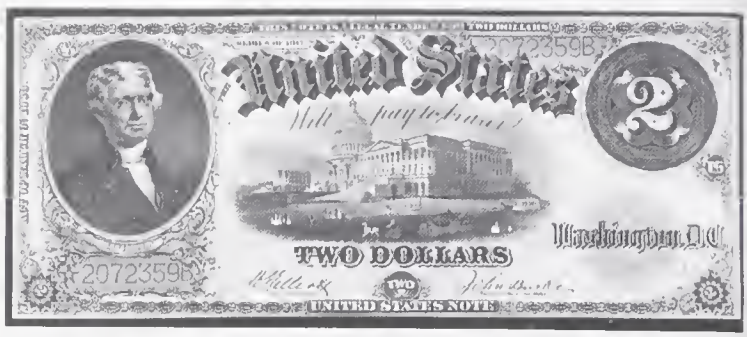


1138 **Fr. 52 $2 1880 Gem New.** This strictly original, well margined and good-looking Large Brown Seal Deuce proved a bargain for our consignor. He purchased it in a shop where it was graded CU Ink Mark and priced accordingly. The "ink mark" is a large, blue, perfectly natural fiber running from the left edge into the background behind the Jefferson vignette. Bargains are still to be found if one knows where and when to look. (800-up)

1139 **Fr. 53 $2 1880 Very Fine.** The ink colors and paper are bright and the note has seen very little circulation, but it has three heavy vertical folds. (750-up)

1140 **Fr. 54 $2 1880 Very Fine.** Only a few dozen examples of this number are known to exist, and right behind the three uncirculated examples, this nice Very Fine occupies the fourth finest known slot. In our October sale, we sold one of the three known Uncirculated pieces for $22,000. While we don't expect this very nice example to come anywhere near that price, we do feel confident that it will surpass the $5000 level that was reached by a Fine in our May 1998 sale. (5000-up)

1141 **Fr. 56 $2 1880 Gem New.** Bright, beautiful and strictly original. The perfect example for type. (1000-up)



1142 **Fr. 58 $2 1917 Star Note Extra Fine.** One of only 26 examples enumerated in the Murray reference. (350-up)

1143 **Fr. 60 $2 1917 Star Note Gem New.** Our consignor informs us that this lovely, strictly original example was from the Grinnell Collection. An early lot slip is enclosed. (500-up)

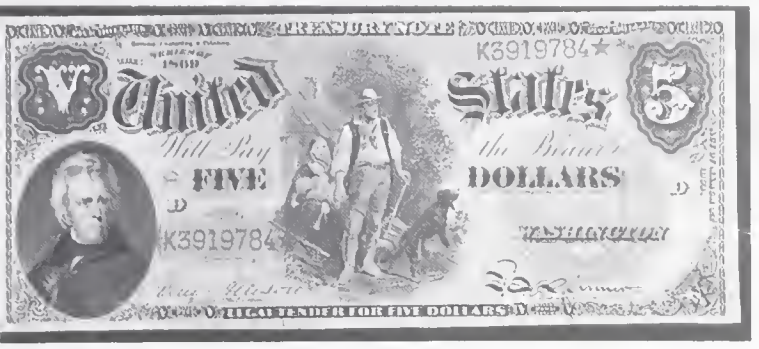
1144 **Fr. 60 $2 1917 Choice New.** An attractive example. (225-up)

1145 **Fr. 63a $5 1863.** A difficult note to grade, as there are some stains, badly rounded corners and a little edge fraying, but the internal areas of the note are fully uncirculated and it has no folds. No accurate grade can be placed on it, but its value we believe is that of a Very Fine. (300-up)

1146 **Fr. 63b $5 1863 Extra Fine.** Very well margined, bright and good looking. (600-up)

1147 **Fr. 63b $5 1863 Very Fine-Extra Fine.** Bright and beautiful, but there is a quarter-inch repaired tear entering the note from the left face margin. (375-up)

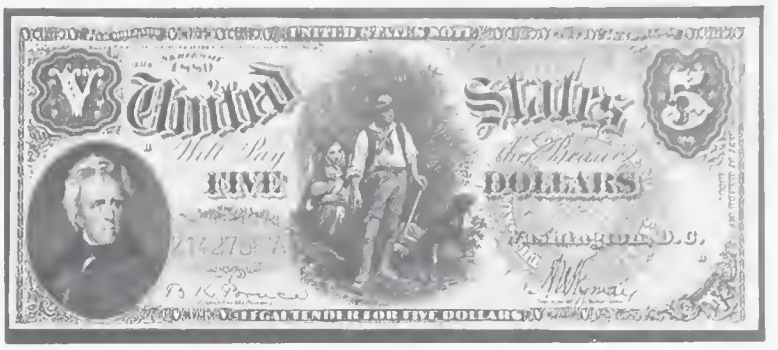
1148 **Fr. 63b $5 1863 Choice Fine.** A rock solid, brightly colored, problem-free example. As nice as a note can be in this grade. (250-up)



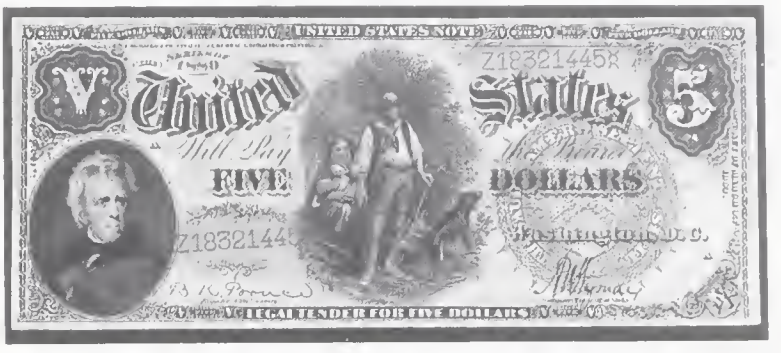
1149 **Fr. 64 $5 1869 Superb Gem New.** The colors that give this Rainbow Five its nickname are all at their full brilliance on this example. The centering is excellent on both sides and the paper originality, something which is not commonly seen on this type, is boldly evident. (1600-up)

1150 **Fr. 68 $5 1875 Choice New.** The colors and printing are Superb, and this note's only problem is a tight top margin. But for that, it's absolutely as nice as these ever come. (700-up)

1151 **Fr. 70 $5 1880 Laminated.** A new number to the census, this piece brings the count up to twenty pieces known. It appears to have been **Extra Fine** or so when laminated but there are a considerable number of edge nicks particularly at the upper right where there are some small pieces missing and the paper under the lamination appears very weak. The lamination is done with the skill one might expect from a thirteen year old attempting to produce a fake I.D. Nonetheless, this is a very rare number and it has considerable value. In our October Sale a Fine-Very Fine realized $4180. This note will probably reach... (750-up)



1152 **Fr. 72 $5 1880 Very Choice New.** Perfect colors, great paper originality, deep embossing and sharp printing all come together on this gorgeous Pioneer Five. The note would be a full bore Gem with just a bit more left face margin. (750-up)



1153 **Fr. 72 $5 1880 About New.** Strictly original and very attractive, there is a single diagonal fold and a bit of handling, but the eye appeal is terrific. (500-up)

1154 **Fr. 73 $5 1880 Choice Extra Fine.** Well margined, bright and attractive, this is a wonderful type representation of the Large Plain Red Seal Pioneer Five. (450-up)

1155 **Fr. 74 $5 1880 Choice New.** This attractive early Pioneer Five is strictly original with good embossing fully evident. It would grade Gem if the bottom margin were a bit more generous. (800-up)

1156 **Fr. 75 $5 1880 Gem New.** A lovely example of this scarcer number. This Pioneer type with the Large Red Seal has three different signature combinations: Fr. 73, 74 and 75. As a type, they are rather scarce, and as signature varieties, Fr. 75 is by far the rarest of the three, with less than 20 examples known to us. In our October sale, we had three lightly circulated Fr. 75's, all of which brought multiples of estimate, with the two Extra Fines realizing over $2000 and an About New surprising everyone with a realization of just under $5000. This note has incredibly deep original embossing, beautifully bright colors and excellent margins. We don't know if the same rigorous floor battle will push this to unexpected heights, but based on October's results, we would certainly expect this gorgeous note to reach or exceed... (4000-up)

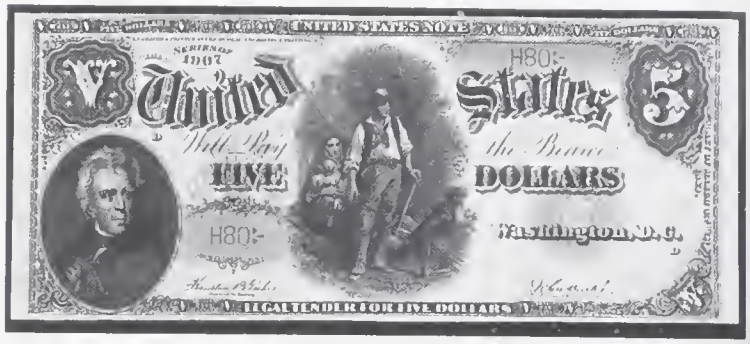
1157 **Fr. 77 $5 1880 Choice About New.** Although there are two folds, both are so incredibly light that it would be a disservice to this scarce and lovely note to grade it lower than About New. The colors, margins, and overall appearance are those of a perfect Gem. (750-up)

1158 **Fr. 77 $5 1880 Very Good.** A problem-free example of this scarce number. (150-up)

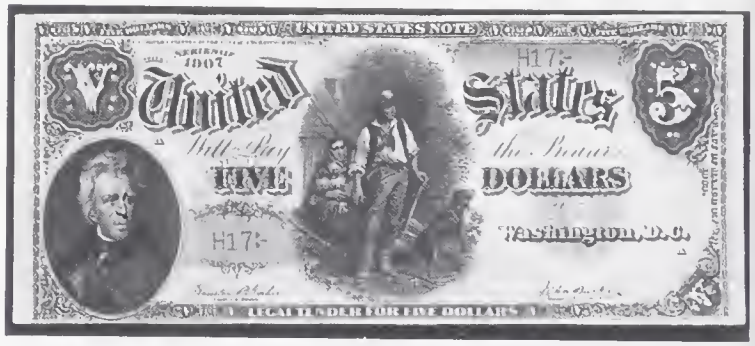
1159 **Fr. 79 $5 1880 Superb Gem New.** A flawless example, with a clear presence of deep original embossing, broad margins and beautifully bright colors. (900-up)

1160 **Fr. 87 $5 1907 Gem New.** This lovely Pioneer Five is beautifully bright, extremely well margined and strictly original. It's an outstanding example of its type. (500-up)

1161 **Fr. 87 $5 1907 About New.** Well margined and strictly original. (150-up)



1162 **Fr. 88 $5 1907 Superb Gem New.** An utterly flawless example, with perfect margins, super color and readily apparent deep original embossing. It's serial number H80, from the same consignor who gave us the great run of Serial Number 80 Black Eagles. (750-up)



1163 **Fr. 88 $5 1907 Gem New.** This beautifully fresh, strictly original, well embossed Pioneer Five is considerably enhanced by the low serial number H17. Low number Pioneer Fives are seldom seen and this gorgeous example should create a stir. (750-up)

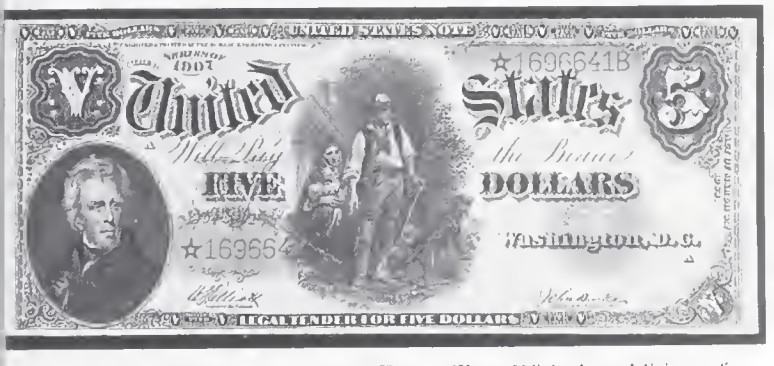
1164 **Fr. 88 $5 1907 Star Note Gem New.** This beautifully bright, perfectly original Star Note brings the total known for this Fr. number up to 26. It's one of only three circulated examples known and it's as perfect a Star Note as anyone could hope for. The colors are spectacular, the margins extraordinary and the original embossing deep and readily visible. (1000-up)

1165 **Fr. 88 $5 1907 Very Choice New.** Bright and strictly original with decent margins. (300-up)

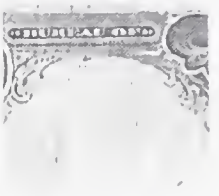
1166 **Fr. 88 $5 1907 Star Note Extra Fine.** (450-up)

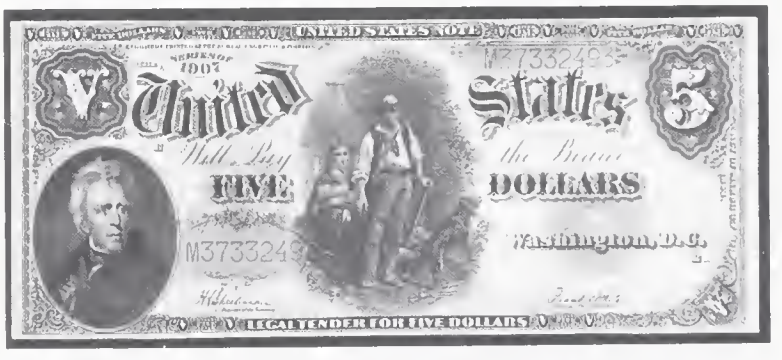


1167 **Fr. 89 $5 1907 Star Note Extra Fine.** With the addition of this note, there are now five examples known for the Elliot-Burke non-mule Fr. 89. One example is known for the mule variety for a total of six. (1500-up)

Fr. 90 Star Mule One of Two Known

1168 **Fr. 90 $5 1907 Star Note Mule Fine.** Only five Fr. 90 Stars listed in the Murray reference, and only one of the five is a mule. The discovery of this note brings that count up to two. The mule variety is created when the face plate, with the Elliot-White signatures, is combined with a back plate produced during the Elliot-Burke tenure. The difference is in the placement of the back plate number. On the older Burke plates it appeared at the top under the words "Bureau of." On the newer White plates it appears at eight o'clock at the lower left of the open space. The note is strictly unmolested and rather attractive for the grade. (2000-up)





1169 **Fr. 91 $5 1907 Very Choice New.** A bright and attractive example that is quite near fully Gem. (400-up)

1170 **Fr. 91 $5 1907 Choice About New.** Well margined, bright and attractive, this Pioneer Five has the appearance of a Gem but alas there is a light center fold. (175-up)

1171 **Fr. 91 $5 1907 Star Note Choice Extra Fine.** One of 73 known examples. (250-up)

1172 **Fr. 93 $10 1862 Choice Very Fine.** This is a lightly circulated example of this handsome design. The colors and printing are excellent, and the margins although small are complete all the way around. The note is totally free of problems. (1000-up)

1173 **Fr. 93 $10 1862 About Very Fine.** There are some minor repairs of splits in the top margin, but they are barely noticeable and do little to detract from this very nice note. (750-up)

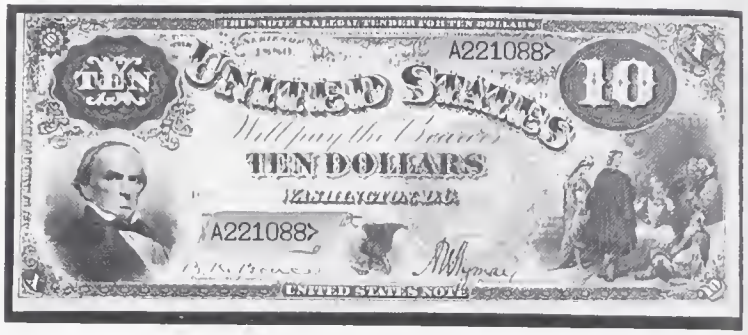
1174 **Fr. 95b $10 1863 Extra Fine.** There are three short repaired margin splits, but this wholly natural, otherwise unmolested note has retained excellent paper body and strong colors. (1000-up)

1175 **Fr. 96 $10 1869 New.** Two of the margins are very close and the paper is lightly toned, but the ink colors are excellent. (1100-up)

1176 **Fr. 99 $10 1878 Very Fine.** A well margined example of this difficult-to-locate number. (600-up)

1177 **Fr. 100 $10 1880 New.** There are no traces of folds or circulation, but the paper is soft and lacking its originality and the colors are a bit muted. (700-up)

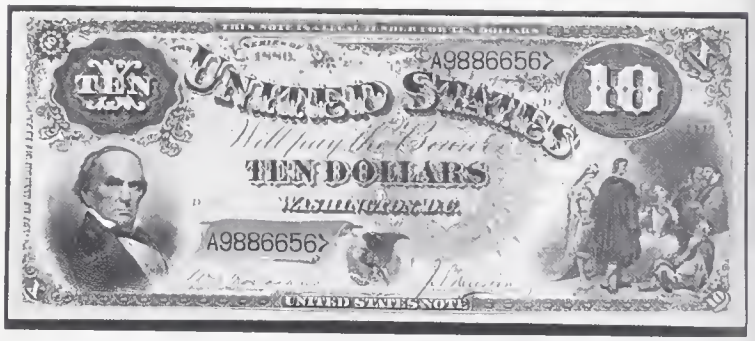
1178 **Fr. 101 $10 1880 Fine-Very Fine.** A much scarcer number, with less than 20 examples known to exist. This note is closely margined in places and the surfaces are a bit soft, but the ink colors have stood up rather well. (500-up)



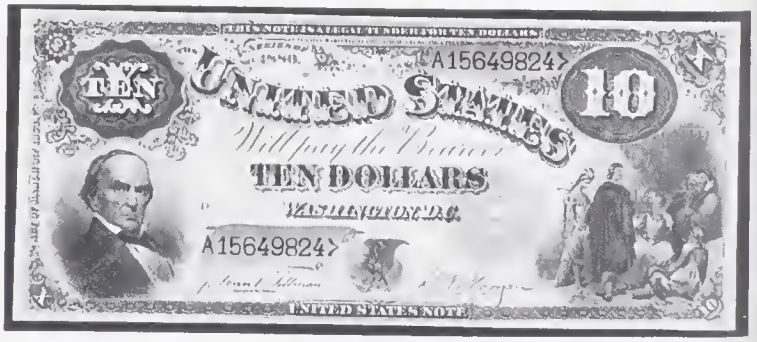
1179 **Fr. 103 $10 1880 Choice New.** Great paper originality and terrific color are the highlights of this scarce Large Plain Red Seal Jackass type. Unfortunately, the centering is less than ideal. The top and left margins are too small, and the bottom and right overly large. The back centering, however, is perfect. (1250-up)

1180 **Fr. 104 $10 1880 Fine.** Totally original and without a flaw. There is some surface soil but the ink colors are incredibly bright for the grade. (400-up)

1181 **Fr. 106 $10 1880 Extra Fine.** (700-up)



1182 **Fr. 108 $10 1880 About New.** A single light fold to the right of center is all that separates this strictly original Brown Seal Jackass from the Gem grade. It's a truly lovely example of a number that is not often seen. (900-up)



1183 **Fr. 111 $10 1880 Very Choice New.** A near-Gem example with excellent margins and perfect colors. (1250-up)

1184 **Fr. 113 $10 1880 Choice Extra Fine.** Lovely and strictly original with all its embossing present, this handsome Ten is a perfect note with three light folds. (550-up)

1185 **Fr. 114 $10 1901 Gem New.** A lovely Bison with good paper originality, extraordinary margins and absolutely perfect color. The ideal type note to represent what is most everyone's favorite U.S. currency design. (3000-up)

1186 **Fr. 114 $10 1901 Gem New.** This gorgeous Bison has huge, even margins all around and back centering that is fully the equal of the face. Its original embossing is plainly evident, and the colors are lovely. There are lots of technically uncirculated Bisons that come across the market, but few have the combination of margins, embossing and eye appeal that come together on this note. (3000-up)

1187 **Fr. 114 $10 1901 About New.** This nice original Bison has terrific margins and excellent colors. It has no traces of actual circulation and would be a perfect Gem were it not for its single center fold. (1250-up)

1188 **Fr. 114 $10 1901 Very Fine-Extra Fine.** This Bison is strictly original, well margined and beautifully bright. It's a really nice piece that approaches the full Extra Fine grade. (750-up)

Superb Gem Single-Digit Bison

1188A **Fr. 115 $10 1901 Superb Gem New.** This broadly margined, beautifully bright Bison has great original embossing and perfect color of the inks and paper. Bearing the single-digit serial number A7, this is one of the very few single-digit Bisons we know to exist. The census lists only two for all the Bison numbers combined, a Serial Number 1 for Fr. 116 and Serial Number 4 for Fr. 115. This combination of impeccable quality and a single-digit number will likely combine to bring about a realization of...(6000-up)

Unique Fr. 118 Bison Star

1189 **Fr. 118 $10 1901 Star Note Gem New.** This is the only known example of a Fr. 118 Star. The colors and margins are exceptional as is the centering on both sides. This would be an extraordinary example for any Bison Star, and indeed a note this pretty would be an extraordinary example of any Bison — but, this is in fact the one and only Fr. 118 Star to have ever been recorded, and as such we would anticipate the combination of rarity and perfect grade to create a realization of... (10,000-up)

1190 **Fr. 119 $10 1901 Gem New.** This exceptionally well margined Bison is bright and wonderfully attractive, with extremely large face margins as well as perfect back centering. Good-looking Bisons such as this one always seem to have lots of people ready to take them home, but it can only go home with one. (3000-up)

1191 **Fr. 119 $10 1901 About New.** Unfortunately, this otherwise gorgeous, fully-margined Bison has a quarter-inch repaired tear entering the note from the right face margin. (750-up)

1192 **Fr. 120 $10 1901 Fine-Very Fine.** Unmolested and very bright for the grade. (450-up)

1193 **Fr. 120 $10 1901 Fine.** A wholly original, unmolested Bison that is strictly problem-free. The red overprint retains much stronger color than is normally seen on a note in this grade. (450-up)

1194 **Fr. 121 $10 1901 Star Note Very Good.** Only 20 examples are known for this Star number, and only 64 for all Bison Stars combined. (1000-up)

1195 **Fr. 122 $10 1901 Very Fine.** There is some bleed-through to the back from the red elements of the face. (500-up)

1196 **Fr. 122 $10 1901 About Very Fine.** An extremely good-looking example of a circulated Bison. (450-up)

1197 **Fr. 122 $10 1901 Fine-Very Fine.** (450-up)

1198 **Fr. 122 $10 1901 Star Note Very Good-Fine.** This is the most common Bison Star, with over 30 examples known, but any Bison Star is an important piece as there are only 64 known in total. (1000-up)

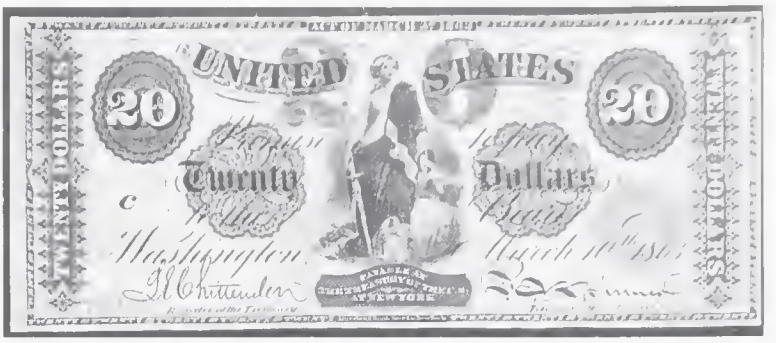
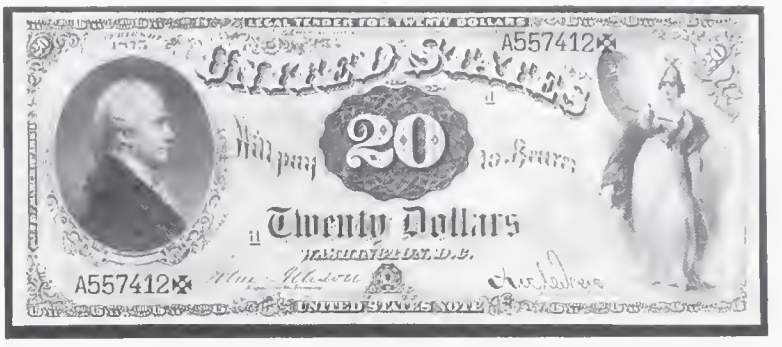
Consecutive Fr. 123 Gem Pair

1199 **Fr. 123 $10 1923 Consecutive Pair Gem New.** We sold this pair as lot 542 of our May 1991 sale where they were described, "Excellent margins, perfect color, deep heavy originality - all the qualifications of perfect Gem notes. We can never recall seeing two consecutive notes of this rare type. It's quite unusual for this difficult type to appear in this grade, and a consecutive pair would be a magnificent addition to the most advanced of collections." In the intervening eight years, we've not seen any other consecutive Fr. 123's and we're just as impressed today with this perfectly original pair as we were in 1991. (9000-up)

1200 **Fr. 123 $10 1923 Very Fine.** A well margined example of this scarce Twentieth Century note. (800-up)

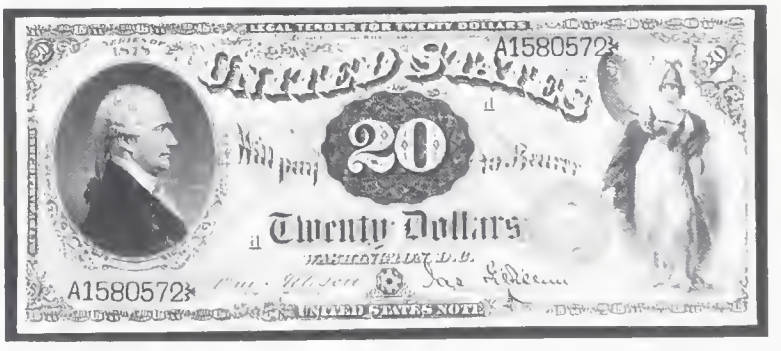


1201 **Fr. 126b $20 1863 About New.** This strictly original early Twenty gives the appearance of a perfect Gem when viewed from the face. A few extremely light folds are visible on the back only when it is carefully inspected. The margins are extraordinary for this issue and the red, green and black inks, as well as the white paper, are at their full brilliance. (2750-up)



1202 **Fr. 128 $20 1875 Extra Fine.** The top margin is close but the eye appeal of this handsome early note endures. (1500-up)

1203 **Fr. 128 $20 1875 Very Good.** Limp and somewhat soiled and with some pinholes and edge problems commensurate with the grade. (300-up)



1204 **Fr. 129 $20 1878 Choice Very Fine.** This is a good-looking example, with decent margins and strong color. (800-up)

1205 **Fr. 132 $20 1880 Choice Extra Fine.** Under 40 examples of this number are known to exist, and only about a dozen of those grade EF or better. We've handled only one other this nice, and that was in 1990. This particular example has extraordinarily broad margins all around and perfect colors of the inks and paper. It's a lovely and important note. (1750-up)

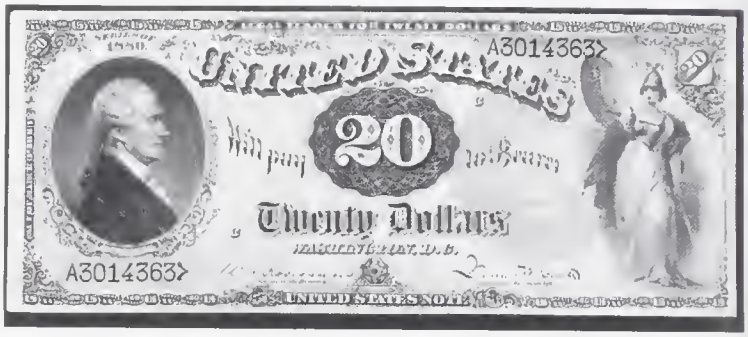
1206 **Fr. 132 $20 1880 Very Fine.** Well margined and with excellent color, this sharply printed brown seal $20 Legal is one of about three dozen examples known to exist. (950-up)

1207 **Fr. 132 $20 1880 Very Good-Fine.** Solid and solid-looking, its only problems are a single edge split and a small purple number written on the back. We're lucky to have a nice run of these circulated but respectable 1880 Twenties. Fr. 130-145 are a classic group of notes that were the workhorses of our circulating currency from 1880 to 1910, one of the most fascinating periods of U.S. history. (250-up)

1208 **Fr. 134 $20 1880 Very Good-Fine.** Perfect for the grade with the exception of the top margin, which skis down at the upper left and just clips the design. (250-up)

1209 **Fr. 135 $20 1880 Fine-Very Fine.** From our January '98 sale where it was described, "This scarce number, laying some claim to the Very Fine grade, is strictly original and unmolested." At that time, it realized $770 on a $600 estimate. We expect a similar result this time around. (650-up)

1210 **Fr. 136 $20 1880 Gem New.** From our October, 1995 sale where it was described, "An incredibly beautiful note that is truly without flaw. Superb originality of the paper and 100% brilliance of the inks highlight this magnificent piece of paper, which was the plate note for the Limpert catalog. This type, with its large orange seal and blue serial numbers, has always been extremely popular with collectors and we expect this gorgeous Twenty to be the object of serious bidding competition." Four years later on reexamination, we like this strictly original beauty every bit as much. (3500-up)



1211 **Fr. 136 $20 1880 Extra Fine.** This beautiful note has tons of eye appeal. It's retained its full ink color as well as bright paper. It's also extremely well margined. All in all the ideal collector-note for someone who's been seeking this number in high circulated grade. (1250-up)

1212 **Fr. 136 $20 1880 Choice Fine.** Nearly Very Fine, with excellent color and margins. (550-up)

1213 **Fr. 137 $20 1880 Fine.** A solid, strictly unmolested example of this popular type. There are a few inconsequential pinholes in the center of the note that are visible only under close examination. (450-up)

1214 **Fr. 138 $20 1880 Very Good-Fine.** This scarce number has the normal soil that one would expect for the grade, but it is wholly problem free, well margined and rock solid, without a hint of an edge problem. (350-up)

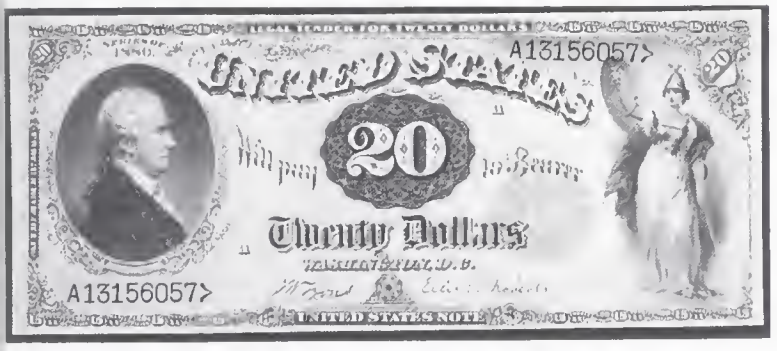
1215 **Fr. 139 $20 1880 Extra Fine.** We've sold only four Fr. 139's in all our sales combined, and this note, which we last sold in September of '96 is the finest we've handled. This is a truly lovely note, with broad margins, excellent centering on both sides and strong flashy colors. Fr. 139 is a real sleeper number, with only a few more than a dozen pieces known, and no uncirculated piece has ever been reported to sell. When we sold this note in 1996, it realized over $2100. Since that time, considerably more focus has fallen upon these sleeper numbers, and we would expect a considerably higher realization today. (4000-up)

1216 **Fr. 140 $20 1880 Extra Fine-About New.** This pretty example of a classic design has unusually broad margins. (750-up)

1217 **Fr. 140 $20 1880 Very Good-Fine.** Problem-free for the grade with good color remaining. (200-up)

1218 **Fr. 141 $20 1880 Fine.** Very well margined and with a nice overall appearance. (225-up)

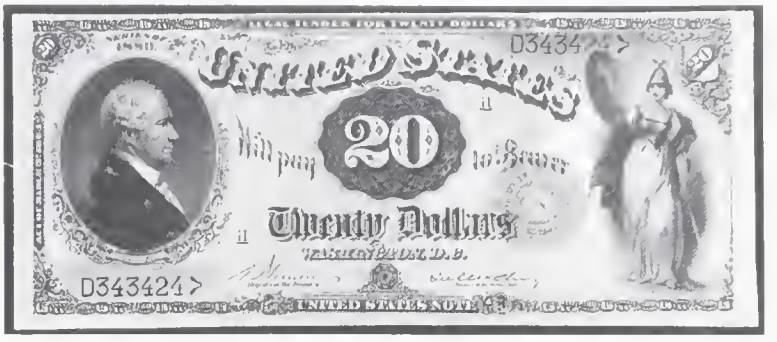
1219 **Fr. 142 $20 1880 Very Good-Fine.** There is a scattering of small brown stains and one short edge split, but this scarce number is essentially solid. (175-up)



1220 **Fr. 143 $20 1880 Choice New.** Although new to the market, this lovely and scarce Twenty is consecutive to another known uncirculated example. Fr. 143's are not often seen in this grade, and this pretty note should please the fussiest buyer. Of the several dozen known pieces, less than five are reported to be uncirculated. The surfaces are strictly original, the colors are splendid and three of the margins are huge, with the bottom margin more than adequate. (1250-up)

1221 **Fr. 143 $20 1880 Fine.** Solid and absolutely problem free, the perfect example of its grade. (250-up)

1222 **Fr. 144 $20 1880 Fine.** A textbook example of the grade, free of problems save for one or two tiny pinholes. (200-up)

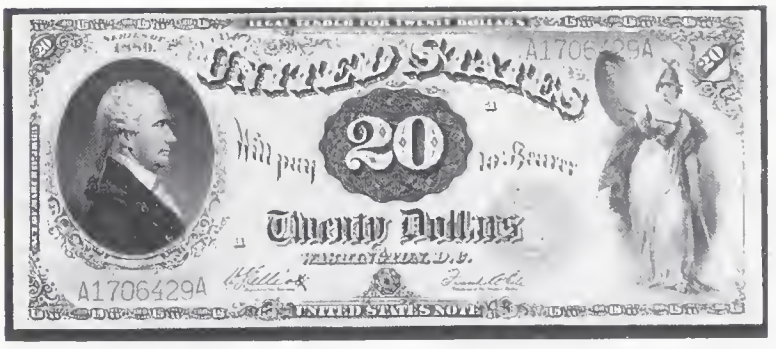


1223 **Fr. 145 $20 1880 About New.** Crackling fresh, strictly original and with great eye appeal. It's exactly this sort of AU that always surprises the bidders with a far higher realization than they expected to see. (800-up)

1224 **Fr. 145 $20 1880 Very Fine.** Original, well margined and attractive. (450-up)

1225 **Fr. 146 $20 1880 Fine.** There are a few light stains on both sides of this nice, otherwise problem-free example. (225-up)

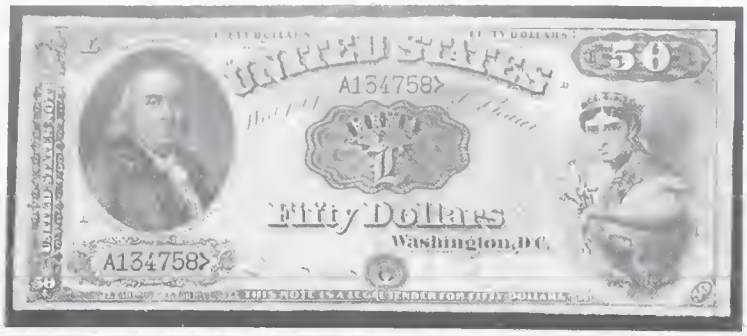
1226 **Fr. 147 $20 1880 Choice Extra Fine.** Well margined, bright, beautiful and totally original, this lovely note has no real folds, just a bit too much handling for a higher grade. (600-up)



1227 **Fr. 147 $20 1880 Choice Extra Fine.** A lovely note, with strictly original paper surfaces, terrific color and good margins. (600-up)

1228 **Fr. 147 $20 1880 Fine.** (225-up)

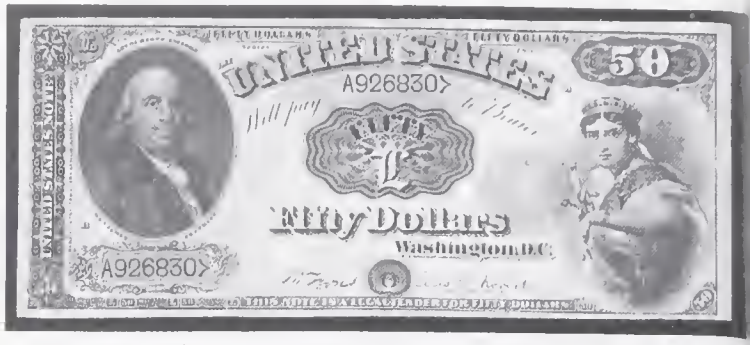
1229 **Fr. 147 $20 1880 Very Good.** The corners are rounded and there is some light staining. (125-up)



1230 **Fr. 159 $50 1880 Fine.** This well-margined, very rare note has tremendous eye appeal for the grade. It's a new note to the census, which numbers right around a dozen, two of which are in government hands. Only one high-grade survivor has been reported, an AU, with no description or history. Other than that one note, none other grades better than Fine. There have been some consummately expert restoration out in the margin areas of this note, but none that reach the design. The only Fr. 159 to reach auction since 1977 was a Very Good in our January 1997 sale which realized $3300. We expect this superior example to easily exceed that. (5000-up)

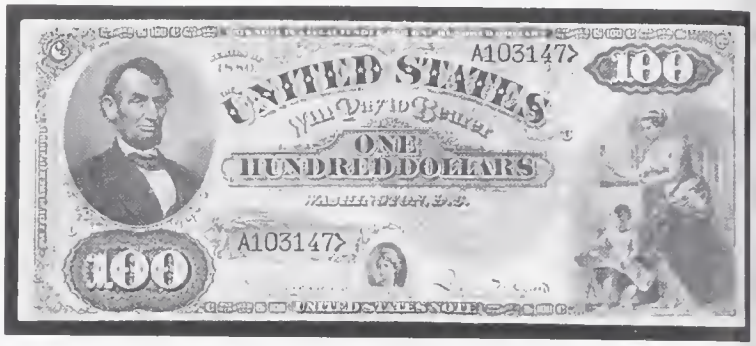
1231 **Fr. 160 $50 1880 Fine-Very Fine.** This truly rare number grades a full Very Fine from the face, but the back is a little weaker and shows some soil. The note is fully margined, with all its original ink color and tons of eye appeal. It's a new note to the census, which now numbers a dozen pieces, four of which are permanently in government hands. None of the known notes are uncirculated and only one grades About New. We sold an almost identical piece in May of 1997 for $6050, and we would expect this lovely note to do just about the same. (5000-up)

1232 **Fr. 164 $50 1880 Very Fine-Extra Fine.** Although there are certainly some signs of circulation, the visual impact of this 1880 Fifty is exceptional, in no small part due to its outstandingly large face margins which impart a picture-frame appearance. (3750-up)



1233 **Fr. 164 $50 1880 Choice Fine.** The most common $50 Legal by a wide margin and a very nice representative example, this is the ideal note for the grade — problem free, strictly original and with a minimal amount of circulation soil. (2000-up)

Fr. 176 1880 $100 - One of Eight Known



1234 **Fr. 176 $100 1880 Very Good-Fine.** From our January, 1997 sale where it was described "One of only seven pieces known to exist, this lovely, evenly circulated piece is the lowest known serial number of the population. Of the seven pieces, three are permanently impounded. It's problem free and has no restorations save one or two short splits in the bottom margin which have been professionally repaired." Since that date only one new piece has been added to the census. (7500-up)

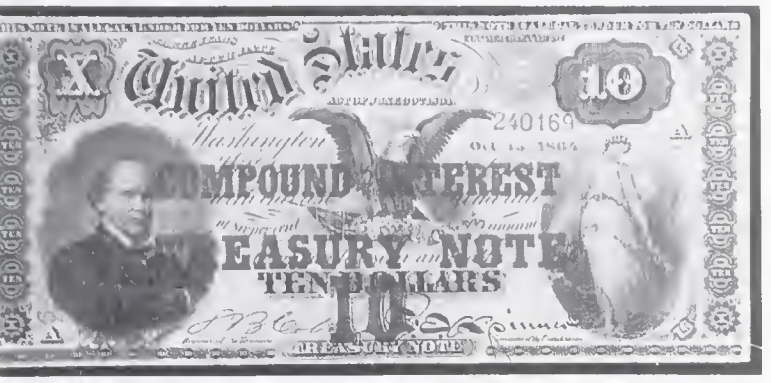
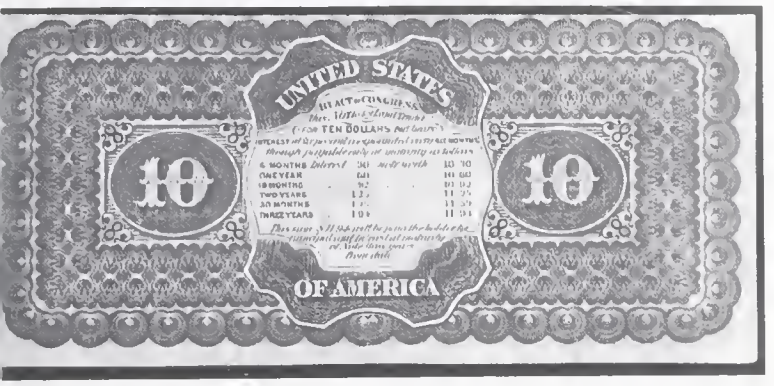
COMPOUND INTEREST TREASURY NOTE



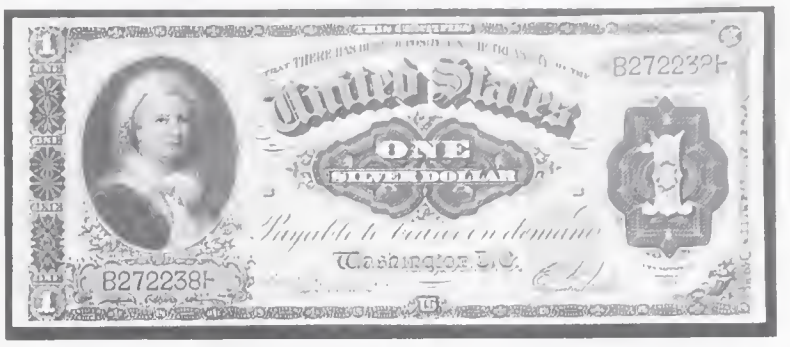


1235 **Fr. 190b $10 1864 Compound Interest Treasury Note Very Fine.** This is a really nice example of this scarce type. The overprint has not turned the normal unattractive green but is rather an evenly-aged bronze color. The note is well margined all the way around and has no signs whatever of repair or restoration. Two of the corners are slightly rounded as is often seen on these oversize notes, but the colors of the inks and paper remain quite bright. (3500-up)

REFUNDING CERTIFICATE

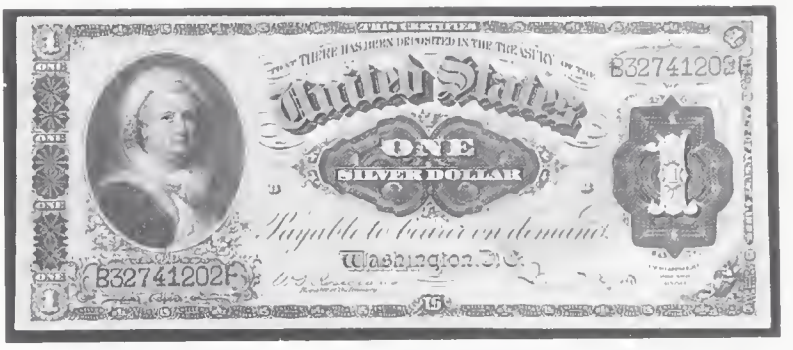
1236 **Fr. 214 $10 1979 Refunding Certificate Extra Fine.** The few very light folds are visible when this pretty certificate is viewed from the back. From the face, it appears to be a fully Uncirculated note — it's well margined with sharp printing quality and excellent ink colors. (2250-up)

SILVER CERTIFICATES



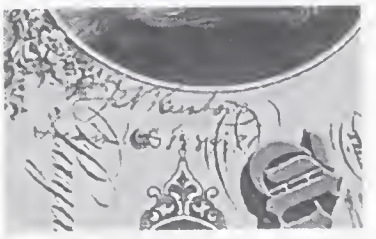
1237 **Fr. 215 $1 1886 Gem New.** A lovely Martha, with good margins, perfect colors, obvious original embossing and tons of eye appeal. A very nice Type Note. (1300-up)

1238 **Fr. 216 $1 1886 New, Silked.** Heavily aged and brittle as are most all notes that have been silked in this style. It likely traces its history to the Farouk Collection, the source of most notes of this ilk. (100-up)



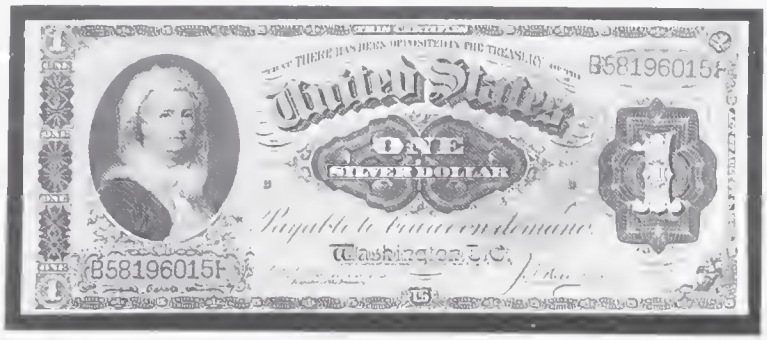
1239 **Fr. 217 $1 1886 Gem New.** A beautiful example with terrific original embossing, perfect paper surfaces and 100% bright colors. This Large Seal Martha is loaded with eye appeal. (1300-up)

1240 **Fr. 218 $1 1886 Courtesy Autograph Gem New.** This great looking Martha is signed vertically at the left J. N. Huston-TreasUS 1889-91. Huston is not at all a common courtesy autograph and this example is on a very good looking and relatively scarce number. (1500-up)



1241 **Fr. 218 $1 1886 Extra Fine.** Nice-looking Large Brown Seal Martha. (550-up)

1242 **Fr. 218 $1 1886 Extra Fine.** The back is off center and there is a small area of light brown staining. (300-up)

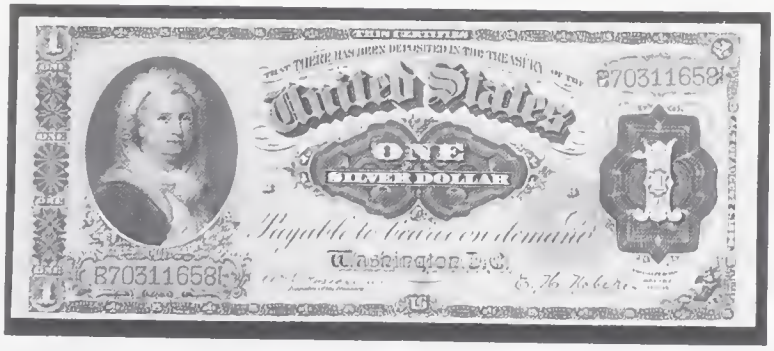


1243 **Fr. 219 $1 1886 Choice New.** The margins on the Martha are shy of the Gem size, but the note is beautiful in every other respect. (1000-up)

1244 **Fr. 219 $1 1886 New.** The top margin is too close for a higher grade, although the note is original, with good color and three excellent margins. (700-up)

1245 **Fr. 219 $1 1891 Choice About New.** This great-looking Martha is perfectly printed, hugely margined and beautifully bright. It would be a real Gem were it not for a single, light center fold. (650-up)

1246 **Fr. 219 $1 1886 Choice Extra Fine.** This Large Brown Seal Martha could pass for Choice New at a glance. Closer examination reveals a few light folds. (550-up)



1247 **Fr. 221 $1 1891 Choice New.** Fr. 221 is one of the more difficult 1886 $1 Silver numbers. This one is a beautiful example from the face, with perfect colors and nice margins. The back, however, is centered high. (1000-up)

1248 **Fr. 221 $1 1886 Very Fine.** A few tears have been fixed with tape on the back. (100-up)

1258 **Fr. 224 $1 1896 About New.** Extremely well margined, bright and good looking except for a small area in the right margin where some work has been done, apparently to obscure a stain of some sort. The area is a little rough on both sides, and there is some translucence. (400-up)

1259 **Fr. 224 $1 1896 Choice Extra Fine.** Well margined, strictly original and most attractive. (450-up)

It has with it a lot slip of the style we're used to seeing from the Grinnell sale, although our consignor has informed us that this note was not from the Grinnell sale. Perhaps the slip is from another Barney Bluestone auction of the same era. In any event, this is a significant note that should not be overlooked in the midst of this large flock. (750-up)

1305 **Fr. 233 $1 1899 Star Note Gem New.** Beautifully margined, bright and fully embossed, this is a rather common Star, with over 80 examples in the census, but few could be as nice as this strictly original beauty. (800-up)

1318 **Fr. 237 $1 1923 Star Note Very Choice New.** This is a totally original, very pleasing example of the single most common Star. There are over 600 pieces known, but not many are as nice as this one. (250-up)

1319 **Fr. 237 $1 1923 Choice About New.** This serial number K100B note has a minor corner tip fold. (75-up)

1320 **Fr. 237 $1 1923 Star Note Extra Fine.** This is our most common Large Type Star, making it an ideal number to represent the Star Note Type. (100-up)

1321 **Fr. 237 $1 1923 Star Note Extra Fine.** The single most common Star Note. (100-up)

1322 **Fr. 237 $1 1923.** The two notes from this bright, crisp and strictly original consecutive pair grade **Choice New** and **Gem New** due to centering only. They are identical in every other way. (2 pieces) (150-up)

1323 **Fr. 237 $1 1923 Group.** Six pieces, all **About New**. (200-up)

1324 **Fr. 237/238 Changeover Pair.** Both notes grade **Choice New**. (2 pieces) (250-up)

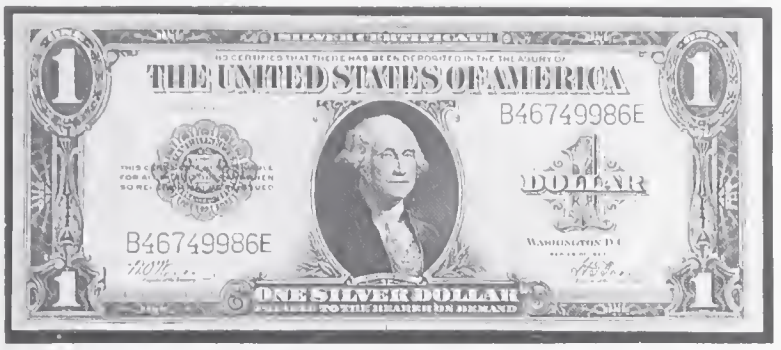
1325 **Fr. 238 $1 1923 Gem New.** A lovely note. (75-up)

1326 **Fr. 238 $1 1923 Gem New.** (75-up)

1327 **Fr. 238 $1 1923 Cut Sheet of Four Very Choice New.** Bright, fresh and original, only the vagaries of centering downgrade this from a perfect Gem cut sheet. (4 pieces) (350-up)

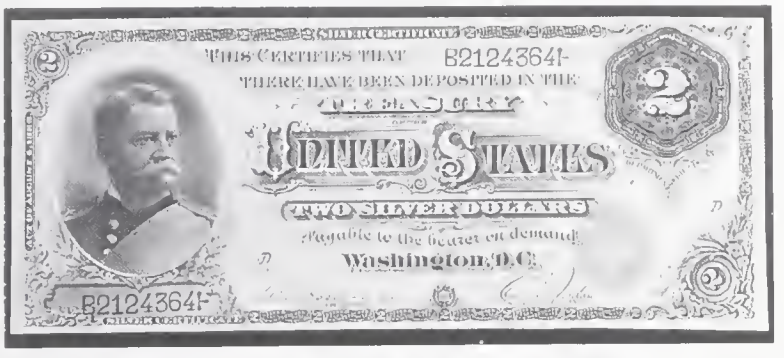
1328 **Fr. 238 $1 1923 Group of Four.** All four notes grade **Choice New**. (4 pieces) (200-up)

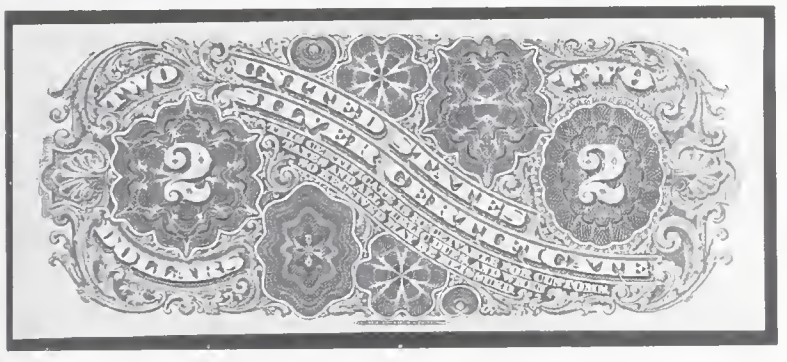
1329 **Fr. 238 $1 1923 Star Note About Extra Fine.** (100-up)



1330 **Fr. 239 $1 1923 Superb Gem New.** An outstanding example of this much more challenging signature combination. (250-up)

1331 **Fr. 239 $1 1923 Gem New.** A strictly original, lovely example of this, the most challenging to locate of the 1923 Ones. (200-up)





1332 **Fr. 240 $2 1886 Superb Gem New.** This rare Hancock Number is as fine an example as is likely to exist. It's broadly margined, incredibly bright, and has unusually bold original embossing throughout the design. (2250-up)

1333 **Fr. 242 $2 1886 Very Good-Fine.** This is a well circulated but problem-free Hancock Deuce. (225-up)

1334 **Fr. 243 $2 1886 Superb Gem New.** As a variety, Fr. 243 is scarcer than its type-mate Fr. 242 by a factor of 4 to 1. However, as there is a large run of uncirculated 242's known, we suspect that in pure Gem condition, the actual ratio is more like 20 to 1. This 243 is utterly Superb, with incredible original embossing, 100% perfect brilliance of its inks and paper and ideal centering among four large, even margins on both sides. (2250-up)

1335 **Fr. 245 $2 1891 Extra Fine.** This lovely William Windom Deuce has the look of a far higher grade. With a bit of searching, a few folds become evident, but the overall appearance of the note is quite excellent. (1000-up)

1336 **Fr. 245 $2 1891 Very Fine.** Original paper quality, and actually, very little circulation, but this Windom shows some aging all around the edges of the face and across the left half of the back. There is also a quarter-inch edge split. (350-up)

1337 **Fr. 246 $2 1891 About New.** There is a single light fold and some softness at the top center margin. Other than that, this is a very nice looking Windom. (1200-up)

1338 **Fr. 246 $2 1891 About New.** This Windom is fully new but for a light center fold. Unfortunately, the margins are tight all the way around, which on a Windom looks particularly odd as it's a type where large margins are quite typically encountered. A difficult note to estimate, but we'll try... (750-up)

Gem $2 Educational - Serial # 114

1339 **Fr. 247 $2 1896 Gem New.** Well centered, beautifully bright and with readily apparent deep original embossing, this is a lovely example of what many people consider U.S. currency's most handsome design. The appearance of this particular example is further enhanced by a low three-digit serial number. (3250-up)

1340 **Fr. 247 $2 1896 Choice About New.** There is, unfortunately, a light fold on this otherwise lovely $2 Educational; it can only be seen, however, when the note is inspected quite closely. (1400-up)

1341 **Fr. 247 $2 1896 Choice Extra Fine.** This lovely $2 Ed is a perfect, bright, uncirculated note that has been folded three times. There is not a trace of other handling aside from the three vertical folds, two of which are very light. The perfect collector Extra Fine. (1250-up)

1342 **Fr. 247 $2 1896 Fine.** Original and problem free. (375-up)

1343 **Fr. 248 $2 1896 Gem New.** This gorgeous $2 Ed has perfect colors, good paper surfaces, broad margins and terrific eye appeal. (3000-up)

1344 **Fr. 248 $2 1896 Gem New.** Broadly margined, bright and beautiful, this is an extremely good-looking Educational Deuce. There simply never seen to be enough of these to satisfy the demands of collectors. (3000-up)

1345 **Fr. 248 $2 1896 Very Good-Fine.** A decent example. (250-up)

Fr. 249 $2 1899 Uncut Sheet

1346 **Fr. 249 $2 1899 Uncut Sheet of Four Very Fine.** This is one of only two Fr. 249 uncut sheets known. It is also one of only seven known uncut sheets for all numbers of 1899 $2 Silver Certificates combined. It traces it's history to the B. Max Mehl 1943 Sale of The Grinnell Collection. The sheet has a number of folds and it's surfaces are rather soft, but it retains fairly good color. As with all large size uncut sheets it is certainly extremely rare. (4000-up)

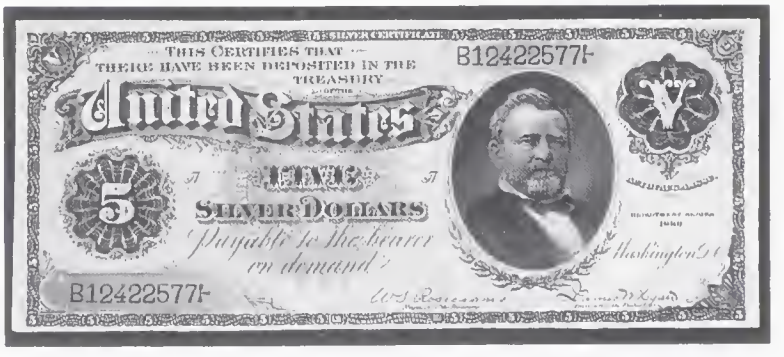
1347 **Fr. 255 $2 1899 Gem New.** Strict paper originality along with obvious embossing are the first things one notices about this beautiful note. Add excellent margins, bright colors and sharp printing and you have an exceptionally nice 1899 Deuce. (750-up)

1348 **Fr. 257 $2 1899 Star Note Choice New.** Only nine examples are listed of this number. This piece brings the listing up to 10. The highest grade previously reported for this Friedberg number was VF-EF, making this nice, original uncirculated example the finest known by a large margin. An important Star note. (2000-up)

1349 **Fr. 258 $2 1899 Star Note Choice New.** This is the most common Star number of the 1899 Twos, but only 24 examples are known. There are only a total of 75 Stars known all together for this type. (1000-up)

1350 **Fr. 258 $2 1899 Extra Fine.** Strictly original and problem-free. (225-up)

1351 **Fr. 260 $5 1886 Fine.** Unmolested and perfect for the grade. (450-up)



1352 **Fr. 261 $5 1886 Very Fine-Extra Fine.** Bright and strictly original, this pretty Silver Dollar Back has all the features of an uncirculated note but there are four fairly hard vertical folds. (1500-up)

If You Wish To Fax Your Bids Call Our Fax Number At 830-693-1283

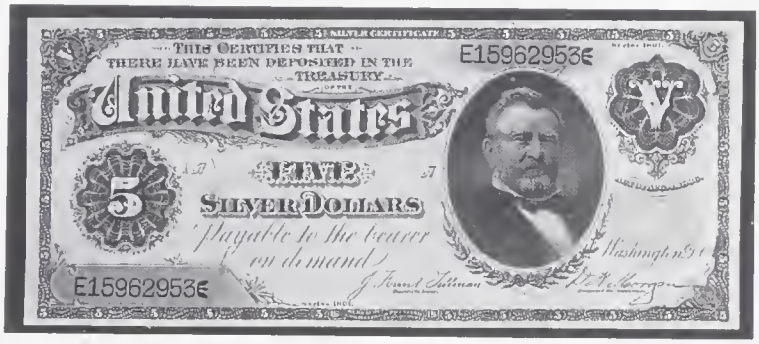
1353 **Fr. 261 $5 1886 Choice Very Fine.** This pretty Silver Dollar Back is extremely attractive for the grade. (1250-up)

1354 **Fr. 261 $5 1886 Fine+.** Considerable body remains on this good looking, evenly-circulated, problem-free example. (600-up)

1355 **Fr. 261 $5 1886 Fine.** As with most all the notes from this interesting New England group, it's strictly original, and in spite of its heavy use it has no edge problems whatsoever. (500-up)

1356 **Fr. 261 $5 1886 About Fine.** As with the rest of this interesting small group of Fr. 261's that recently turned up in New England, this note, though well circulated, is strictly original and problem free. (400-up)

1357 **Fr. 261 $5 1886 Very Good.** There is one small closed edge tear and the circulation soil that one would expect for the grade. (300-up)



1358 **Fr. 267 $5 1891 About New.** The margins are exceptionally broad and this note is a beauty, but the seal color has faded somewhat. (1000-up)

1359 **Fr. 267 $5 1891 Fine.** Solid for the grade with no problems whatsoever. This is a tough type to locate in all grades. (350-up)

1360 **Fr. 267 $5 1891 Very Good.** There is a small stain below the portrait, but this is otherwise a well circulated, problem-free, strictly original example. (150-up)

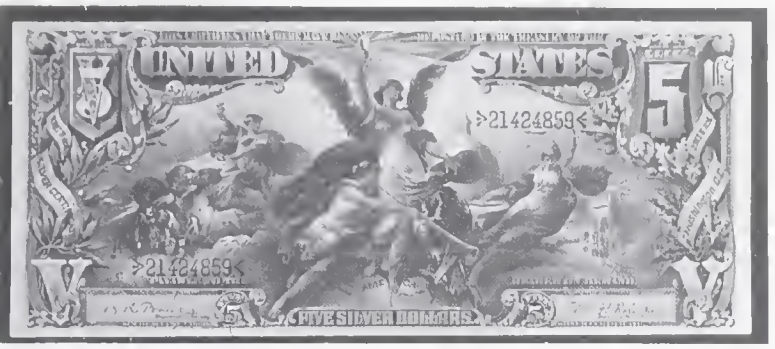
Two Gem Educational Fives

1361 **Fr. 268 $5 1896 Gem New.** This is a very lovely example of a $5 Educational that would grade absolutely Superb if its centering were just a touch better. As it is, it has just about as much eye appeal as any example we have ever seen. The top and side margins of this "A" position note are huge, and the bottom margin, while adequate for the Gem grade, is almost enough for Superb. The original embossing is bold and easily seen, and the paper colors are exceptional. (7000-up)

1362 **Fr. 268 $5 1896 Gem New.** A very attractive $5 Ed with excellent margins, perfect Face to Back centering and terrific color. (7000-up)

1363 **Fr. 268 $5 1896 New.** The top margin is a bit tight both face and back and there are some minor traces of handling, but this $5 Ed with its classic design is a nice enough note so that many would grade it Choice. (3500-up)

1364 **Fr. 268 $5 1896 Fine.** Beautifully margined and with strong ink color — the overall appearance of this well circulated Five Dollar Ed is quite nice. (750-up)



1365 **Fr. 269 $5 1896 Gem New.** This $5 Ed has broad, even margins, good original embossing, strong printing and lots of eye appeal. The back centering as well as the face is very nearly perfect, the corners are sharp and the ink colors fully bright. (7000-up)

1366 **Fr. 270 $5 1896 Choice Very Fine.** This broadly margined $5 Ed lays considerable claim to the Extra Fine grade. It's also the toughest of the three different Friedberg numbers for this type. (1500-up)

1367 **Fr. 270 $5 1896 Very-Good Fine.** A problem-free, absolutely original $5 Educational. It's certainly well circulated, but it has avoided all the harmful pitfalls that spoil the appearance or value of circulated notes. (600-up)

1368 **Fr. 270 $5 1896 Very Good.** This is a well worn but essentially problem-free $5 Educational. (400-up)

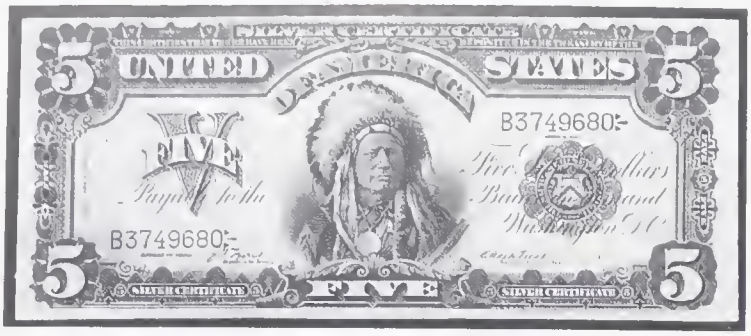
1369 **Fr. 271 $5 1899 Superb Gem New.** One of the very nicest Chiefs we've handled, and we've handled a lot of Chiefs. The margins are huge, the colors and centering of both sides absolutely perfect and the original embossing is so bold that it is easily recognizable through a holder at any angle. In addition, this first number of the type has a relatively short five-digit serial further enhancing the appearance. All in all, a spectacular type note that should be seen to be appreciated. (2500-up)

1370 **Fr. 271 $5 1899 About New.** A bright, well margined and good-looking Chief with just a touch of circulation and a light center fold. (900-up)

1371 **Fr. 271 $5 1899 Very Fine.** This extremely well margined note has the appearance of a full Extra Fine from the face. (550-up)

1372 **Fr. 271 $5 1899 Fine.** Original and problem free. (350-up)

REMINDER — A 10% Buyer's Fee Will Be Added To All Successful Bids.



1373 **Fr. 272 $5 1899 Choice New.** Well margined and beautifully embossed, but not quite bright enough for the full Gem grade. (1250-up)

1374 **Fr. 272 $5 1899 Very Fine-Extra Fine.** A well margined, very good looking and strictly original Chief. (600-up)

1375 **Fr. 272 $5 1899 Very Fine.** There are a few minor stains, but this nice original note has lots going for it. (450-up)

1376 **Fr. 273 $5 1899 Gem New.** Loaded with deep, original embossing, well margined and beautifully bright. We've always found Fr. 273 to be a bit of a challenge in top grade, and this one from this lovely run of Chiefs is one of the nicest we can recall seeing. It's as fresh as a note can be. (2000-up)

1377 **Fr. 274 $5 1899 Star Note Very Choice New.** With the addition of this gorgeous example to the census five Fr. 274 Stars are now known. This is only the second uncirculated example. It's well margined, bright and with excellent paper surfaces. Under sixty examples are known for Chief Stars when all numbers and grades are combined. This new to the census example will cause considerable excitement in the star note community. (5000-up)

1378 **Fr. 274 $5 1899 Extra Fine.** A well margined, strictly original, extremely good-looking Chief whose only flaw is an unfortunate half-inch-long closed tear at the right. (400-up)

1379 **Fr. 275 $5 1899 Superb Gem New.** A spectacular example, with broad, even margins, incredible color and outstanding original embossing, it's a snappy, fresh example sure to please even the fussiest collector. (2250-up)

1380 **Fr. 275 $5 1899 Star Note Choice Extra Fine.** Only four examples of this Star are listed in the new Murray reference, this being by far the finest known. The note has the appearances, surfaces, and eye appeal of a perfect Gem. Only when examined very closely do three light folds appear. This is the plate note from the Murray book and one of the nicest looking Chief Stars we've seen for any number. Some serious competition can be expected when this lovely note reaches the auction block. (3500-up)

1381 **Fr. 276 $5 1899 Choice New.** Well margined and very good looking, this Napier-Thompson signature combination is the only truly scarce number of the 11 different 1899 Fives. The centering is excellent on both sides and the ink colors are quite strong. (3000-up)

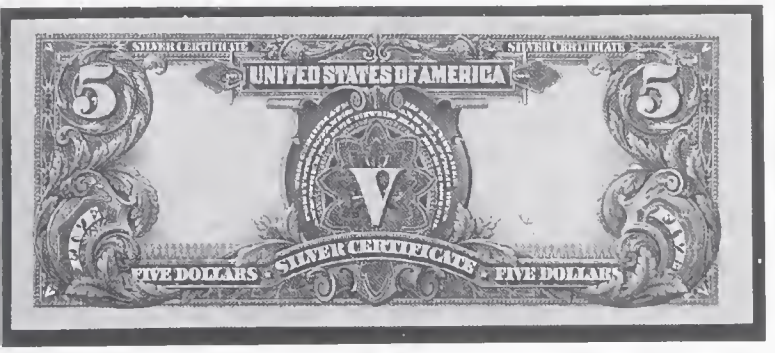
Seven-Digit Up Ladder Chief



1381A **Fr. 277 $5 1899 Superb Gem New.** This beautifully original Chief has a full seven-digit ladder serial number, M1234567. Special serial numbers on Chiefs are extremely rare, and this is the longest ladder by far that we can ever recall seeing on any personality type note. The note itself is beautifully well margined, perfectly bright and with incredible deep, original embossing. This is an important note for the special serial number collector, and a Chief that would add charisma to any collection. (4000-up)

1382 **Fr. 277 $5 1899 Choice About New.** There is a single light fold to the right of center that is totally invisible from the face and very nearly so from the back. The margins are large and even the colors are ideal. This pretty Chief is worth considerably more than the typically encountered About New. (1000-up)

1383 **Fr. 278 $5 1899 Superb Gem New.** Spectacular! The original embossing is so deep that it could be seen easily by even the untrained eye. The margins are spectacular and the colors of the paper and inks are equal to the day the note was printed. This is the Chief that looks the way everyone wants them to, and it has the technical merit to back up its appearance. As close to perfect as a note could ever be. (2500-up)

1384 **Fr. 278 $5 1899 Gem New.** This lovely Chief has beautifully bright colors of the paper and inks, excellent margins and tons of eye appeal. (2000-up)

1385 **Fr. 278 $5 1899 Extra Fine.** This Chief is bright, clean, very well margined and strictly original. It's a sure bet to please the collector of high-grade circulated notes. (700-up)

1386 **Fr. 278 $5 1899 Very** [illegible] original and absolutely problem free, an ideal collector note. (550-up)

1387 **Fr. 279 $5 1899 Gem New.** Another very nice Chief with good margins and paper surfaces and excellent color. The embossing is present and strictly original although not as pronounced as on many of the other notes in this gorgeous run. (2000-up)

1388 **Fr. 279 $5 1899 Star Note Good-Very Good.** This new number to the listing will bring the known pieces of this variety up to 11. It's not a thing of beauty, but it's certainly scarce enough to attract some collector interest. (400-up)

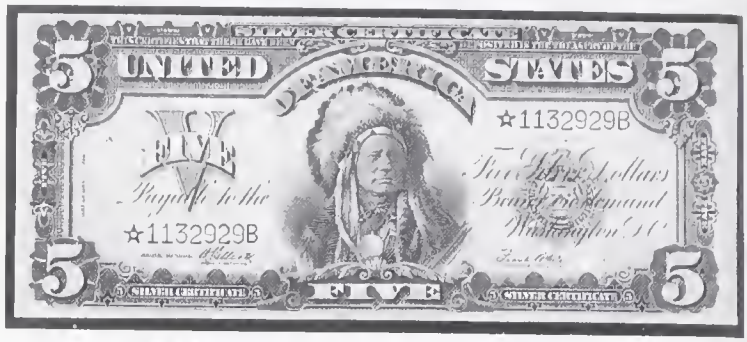
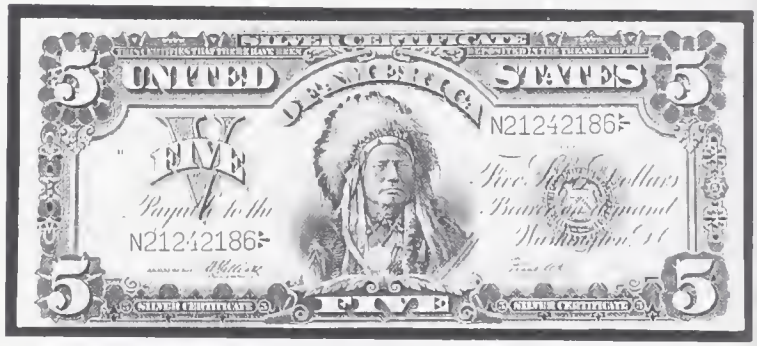
Gem New 1899 $5 Star Note



1389 **Fr. 280 $5 1899 Star Note Gem New.** This scarce Star is broadly margined and has terrific color. Its original embossing is fully evident and easily seen. It's one of only 15 pieces enumerated in the Murray reference, and one of only two listed as uncirculated. Only 54 numbers are reported for all Chief Stars in total. This is one of the nicest examples we've had the pleasure of handling, or for that matter, one of the nicest we've ever seen. (5000-up)

1390 **Fr. 280 $5 1899 New.** This well margined and strictly original Chief would grade Gem except for some light aging at the central portion and some brown glue at the right edge. We suspect fair value is about... (600-up)



1391 **Fr. 280 $5 1899 Choice About New.** This brightly colored Chief gives the appearance of a far higher grade, and in fact has its original embossing intact. There is, however, a very light center fold. (1000-up)

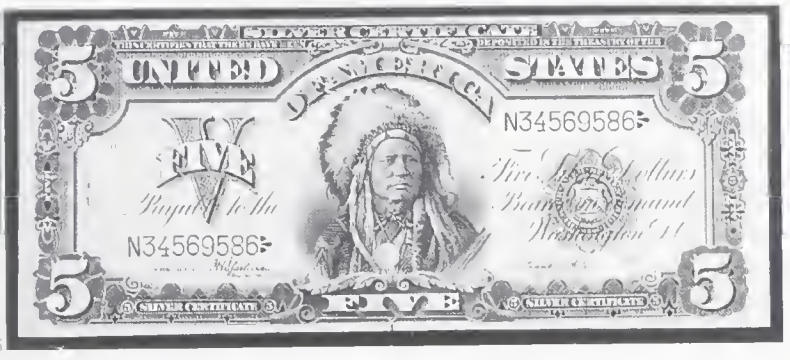
1392 **Fr. 280 $5 1899 Star Note Fine.** This is the mule variety, as are all 15 known for this Friedberg number. The surfaces are a little soft and the colors a bit muted. (500-up)



1393 **Fr. 281 $5 1899 Gem New.** The final Chief from this lovely run, and it's a nice one. The colors are excellent, as are the margins and paper surfaces. The note would grade Superb if the adequate top margin had the breadth of the overly large bottom. It's an extremely nice note, worthy of the attention of the fussiest collector. (2000-up)

1394 **Fr. 281 $5 1899 Fine+.** A good-looking Chief that comes close to the VF grade. (400-up)

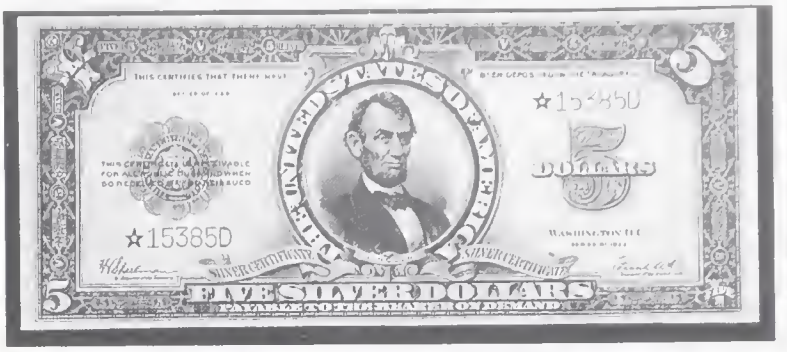
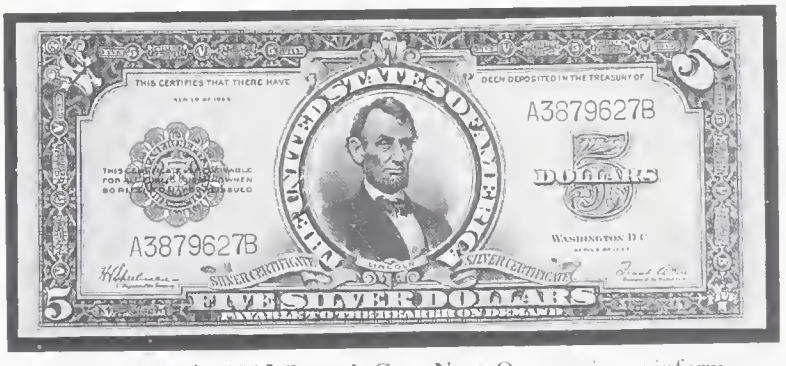
Superb Gem Porthole Star



1396 **Fr. 282 $5 1923 Star Note Superb Gem New.** An absolutely flawless Porthole Star, with great surface originality, huge, even margins, deep original embossing, absolutely perfect color of the inks and paper and perfect centering both face and back. Only 36 Porthole Stars are known, which includes a run of Unc's that was apparently 25 notes long. We've handled a number of pieces from that run and can recall no other with the technical perfection of this great piece. High-end Stars of important Type Notes have been bringing ever-increasing prices, and we would not be surprised to see this magnificent piece exceed... (4000-up)



1397 **Fr. 282 $5 1923 Superb Gem New.** Our consignor informs us that he purchased this magnificent Porthole from pioneering currency dealer Aaron Feldman in 1958. It has resided in his collection since that time. The paper quality, printing quality, embossing and face margins are utterly superb. Nit pickers would focus on the back centering as the design is a bit high, but in our opinion this is a Superb note. (2250-up)

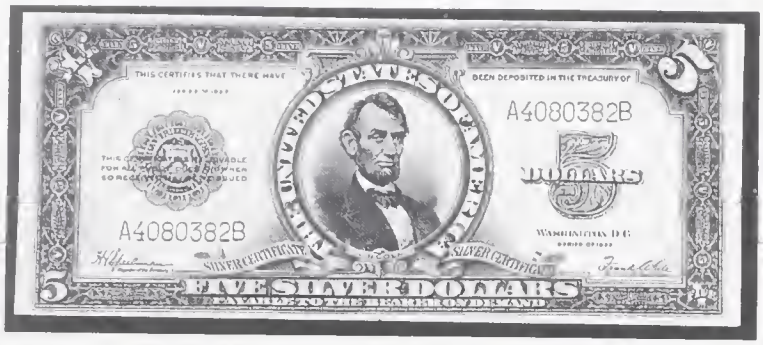
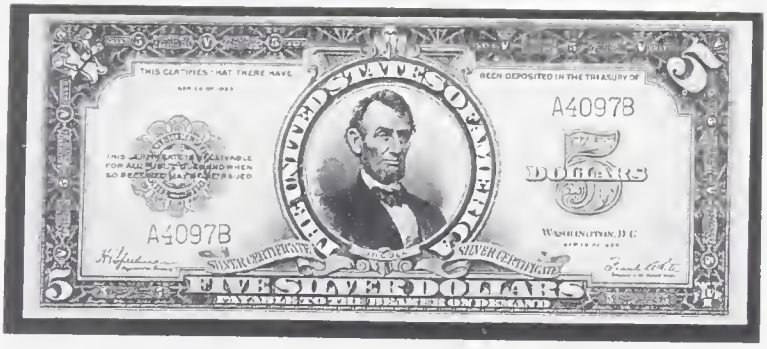
1398 **Fr. 282 $5 1923 Gem New.** This is a lovely Porthole Five, with broad margins, terrific color and tons of eye appeal. (1750-up)



1399 **Fr. 282 $5 1923 Choice New.** Were it not for a tiny bit of counting soil and the top margin's coming a little close at the right, this Porthole would grade fully Gem. (1500-up)



1400 **Fr. 282 $5 1923 Extra Fine.** A lovely, perfectly natural Porthole that has been lightly quarter-folded but is otherwise problem free. (750-up)

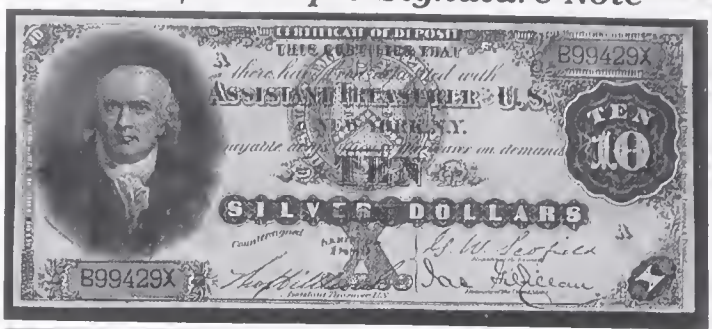
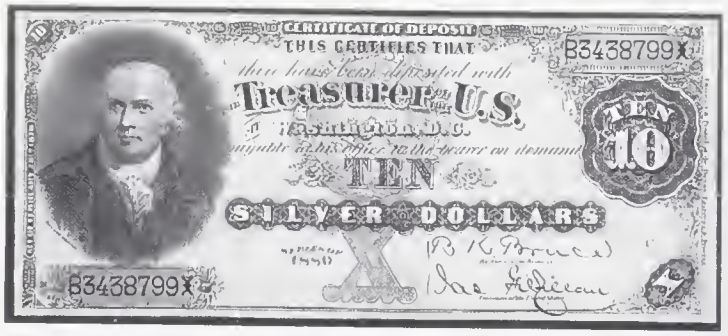
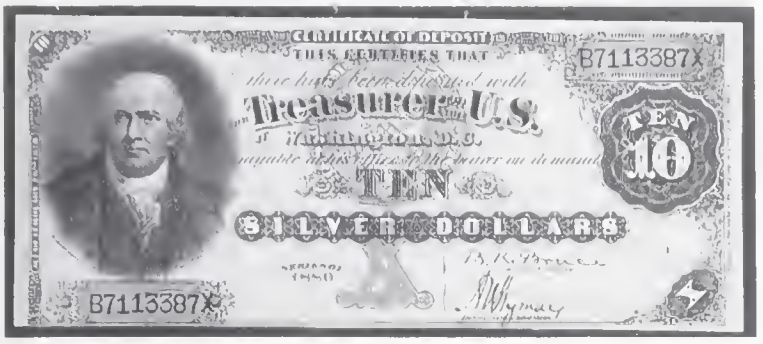
1880 $10 Triple Signature Note



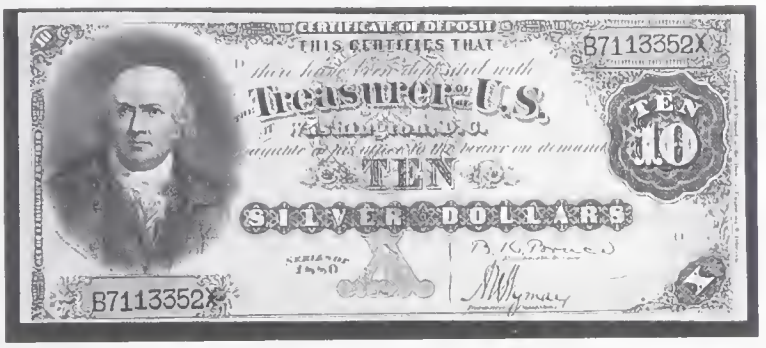
1402 **Fr. 286 $10 1880 Triple Signature Choice Very Fine.** This newly discovered example raises the tally of known pieces to just over a dozen, three of which are permanently impounded. Only three notes are reported to grade higher than this example and one of them, the only known uncirculated note, is forever off the market in the ANA museum. This note is well margined, perfectly original and totally problem-free. The colors of the inks are excellent, and the note has considerably less soil than one would expect for the garde. The most recently auctioned example of this number was a Fine in our September 1997 sale which realized $7700. Triple Signature notes have been very popular of late, and this newly discovered beauty should cause some excitement. (10,000-up)



1403 **Fr. 288 $10 1880 Gem New.** Our consignor purchased this note directly from William Philpott in 1959 and has had it in his collection since that time. It's an absolutely magnificent example, with perfect color, excellent margins all around and deep, clear, original embossing. We've handled two other Gem Fr. 288's, both from this same run, one in 1994 and, more recently, one in January of 1997 which realized $6600. We expect this beauty to easily surpass that. (6000-up)



1404 **Fr. 289 $10 1880 Choice New.** With excellent original embossing, perfect colors and totally without a flaw, this note, which is from the run that has supplied virtually all the uncirculated examples of this number, was part of a cut sheet handled in 1951 by Abe Kosoff. It would be an absolute Gem if the tight bottom margin were the size of the other three large margins. (3750-up)

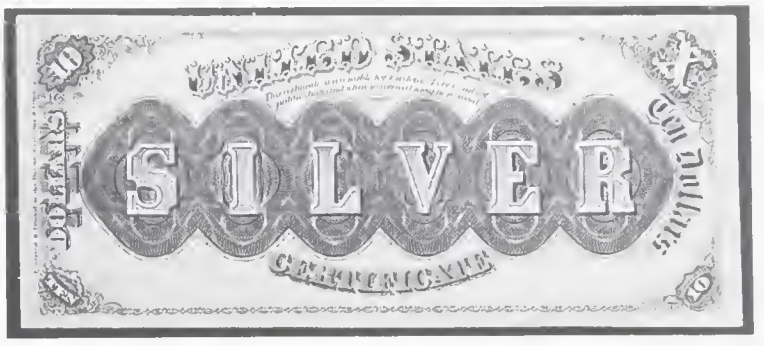


1405 **Fr. 289 $10 1880 New.** This example fills in one more number in the run of Uncirculated examples that are known. It becomes the new lowest number of that run which appears to have been a half pack B7113350-400. The note is strictly original and would grade higher but for some minor surface soil on the back. The note has the look of a Gem from the Face.(3250-up)

1406 **Fr. 289 $10 1880 Choice Extra Fine.** A well margined, unmolested, totally original example of this popular type. The centering is excellent and the colors are perfect. (2500-up)

1407 **Fr. 289 $10 1880 Fine.** A nice problem-free, strictly original example. Interestingly, the serial number starts with B711. A long run of uncirculated notes of this number exists in this range, but this note sure isn't part of it. (750-up)

Fr. 290 Choice Extra Fine



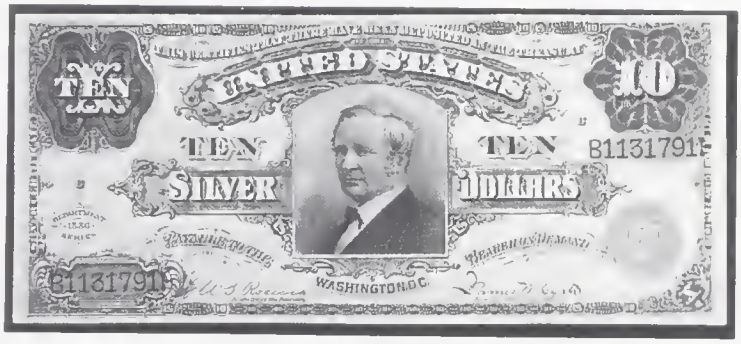
1408 **Fr. 290 $10 1880 Choice Extra Fine.** This glorious note tempts us to invent the grade of Superb Extra Fine. It's been quarter folded, but the folds are only visible at certain angles. The note is 100% beautifully bright. All the inks are sharply printed and have their perfect original colors. The note is broadly margined all the way around with the back perfectly centered and the face very nearly so. It's a newly discovered piece, bringing the total known for this note up to about 40; however, virtually none are decent grade. The ANA museum piece, formerly in the collection of Aubrey Bebee, is reported to be uncirculated, as was the Shiva note sold in 1995. Other than those two, only a single piece is graded as high as Extra Fine. This piece is clearly the third finest in private hands, and the other two couldn't beat this great note for its eye appeal. (7500-up)

1409 **Fr. 290 $10 1880 Very Fine.** This is a newly discovered piece, bringing the total known to just around 40. These Fr. 290's are the most elusive number of 1880 $10 Silvers not counting the very rare Triple Signature notes, and in spite of over three dozen pieces known to exist, opportunities to purchase a nice example are few and far between. This note is strictly original, and but for a few tiny pinholes, it's a perfect piece. (3500-up)

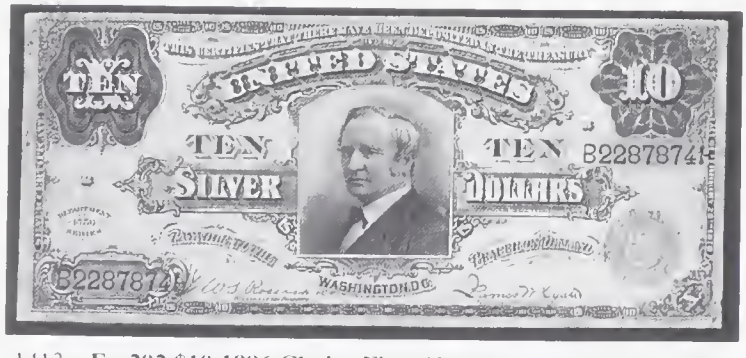
PLEASE REMEMBER TO SIGN YOUR BID SHEET, AND MAIL EARLY!

1410 **Fr. 291 $10 1886 Very Fine.** From our November 13, 1992 sale where it realized nearly $1100. Fr. 291 is one of the more elusive Tombstones with only about a dozen pieces known to us. This is a good-looking, wholly original note with no problems and excellent colors. (1500-up)

1411 **Fr. 291 $10 1886 Very Good.** Fr. 291 is one of the scarcer Tombstone numbers, with only 15 pieces known to us, several of which are permanently off the market. The currently offered note, which is new to the market, is rock solid and problem free in spite of its heavy circulation. We would not be surprised to see a realization of over... (500-up)



1412 **Fr. 292 $10 1886 Choice Very Fine.** About 50 examples are known for this number. This example has good ink colors and excellent margins and centering. The paper surface is a little soft and the paper color somewhat muted, but the overall effect is not unpleasant. (1200-up)



1413 **Fr. 292 $10 1886 Choice Fine.** Utterly original and problem-free. (600-up)

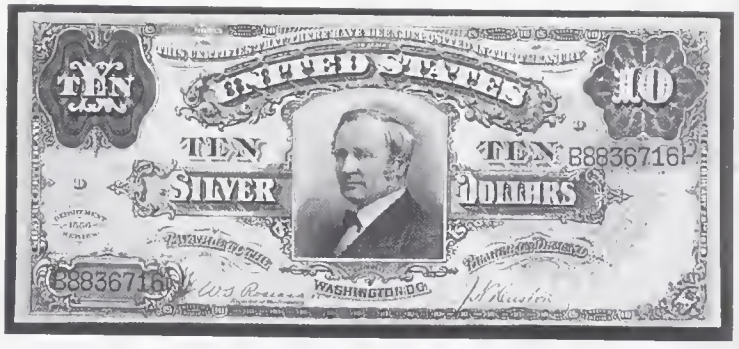
1414 **Fr. 292 $10 1886 Very Good.** Strictly original and amazingly for the grade, without a hint of a defect. (350-up)

1415 **Fr. 293 $10 1886 Choice Very Fine.** This is a very good looking example of the first Tombstone type. The colors are excellent and the note's only flaw is one small pinhole surrounded by a bit of rust. (1000-up)

1416 **Fr. 293 $10 1886 Choice Fine.** This pretty Tombstone from the New England group is utterly original and strictly unmolested. It has some claim to the Very Fine grade. (750-up)

1417 **Fr. 293 $10 1886 Fine.** Problem-free and utterly original, this note and the other similar Tombstones in this run turned up recently with the circulated Silver Dollar Backs in a small New England group. These notes, along with a single rare California National and the low-grade Triple Signature Gold Twenty made up the entire find. (550-up)

1418 **Fr. 293 $10 1886 Very Good-Fine.** Problem-free for the grade, strictly original and actually quite attractive, considering its degree of wear. This is a challenging type for the collector to locate in undamaged, yet affordable, condition. Someone will be very pleased to acquire this scarce and handsome number. (450-up)



1419 **Fr. 294 $10 1886 Very Fine-Extra Fine.** This example of this scarce type is brightly colored and most attractive. (1750-up)

1420 **Fr. 295 $10 1886 Extra Fine.** Fr. 295 is one of the more difficult Tombstone numbers, with only 30 or so pieces known to exist. This example, which we've handled twice before, most recently in 1992, has lots of eye appeal, excellent color and nice margins. In fact, three of the margins are extra large, the top margin somewhat smaller. (1850-up)

1421 **Fr. 299 $10 1891 About New.** Some diligent searching is required to find the fold that removes this gorgeous-looking Red Seal Tombstone from the Gem category and places it as an AU. (900-up)

1422 **Fr. 299 $10 1891 Extra Fine.** Totally natural, well margined and attractive. An overall very nice example of this popular Tombstone type. (800-up)

1423 **Fr. 299 $10 1891 Fine-Very Fine.** The paper surfaces are somewhat soft, but the colors remain decent and the margins are unusually broad all the way around. (450-up)

Currency Auctions of America, Inc.

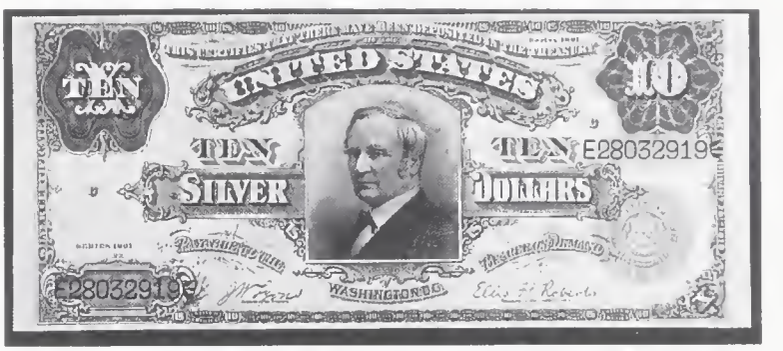
is pleased to announce

that our next public auction

will take place

in May of 1999!

1424 **Fr. 300 $10 1891 Gem New.** With broad margins and excellent color, this Tombstone is just about as nice an example as we can ever remember seeing for this number. The 1891 Tombstone comes in four different signature combinations. The 299 is by far the most common, with almost as many pieces known as the other three numbers combined. Second most common is the Fr. 301, with the 298 and 300 just about tied for the scarcest. We can't recall seeing more than a half-dozen truly nice Fr. 300's, and in fact only a half-dozen are listed as being Uncirculated in the census, including one piece consecutive to this beauty. This lovely note could provoke a serious bidding competition this evening. (4000-up)



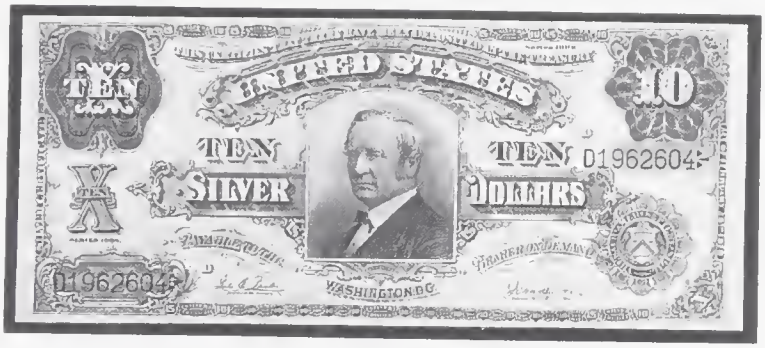
1425 **Fr. 301 $10 1891 Superb Gem New.** This is one of the finest Tombstones we have ever handled and our third opportunity to handle this particular piece. We originally sold it as part of a run of four consecutive notes in our 1995 Memphis sale, and at that time it realized $2200. When we next sold the piece in January of 1997, it garnered $3850. Now it's back for its third trip to the auction block on a market that yearns for Superb examples of more difficult types. We would anticipate strong bidder participation. The note is 100% strictly original, broadly margined, perfectly bright and as nice an example of the type as one is ever likely to encounter. (4500-up)

1426 **Fr. 301 $10 1891 Very Fine.** Well margined, problem free, strictly original and quite attractive. (600-up)

1427 **Fr. 302 $10 1908 Fine-Very Fine.** This Blue Seal Tombstone grades a full Very Fine and perhaps even a hair nicer from the face. The back, however, is weaker and a bit soiled. It's a strictly original note with an overall most attractive appearance, and it's sure to please some collector. (450-up)

1428 **Fr. 302 $10 1908 Fine-Very Fine.** (450-up)

1429 **Fr. 303 $10 1908 About New.** A gorgeous Blue Seal Tombstone, beautifully bright, well margined and free of any problems. (1000-up)



1430 **Fr. 304 $10 1908 Gem New.** This is a great, strictly original example of a Blue Seal Tombstone Ten. The margins are broad, the colors of the inks and paper are perfect and the eye appeal is magnetic. Truly nice 1908 Tombstones are rarely encountered, and when examples such as this are found, the opportunity to compete for them should not be passed up. (3500-up)

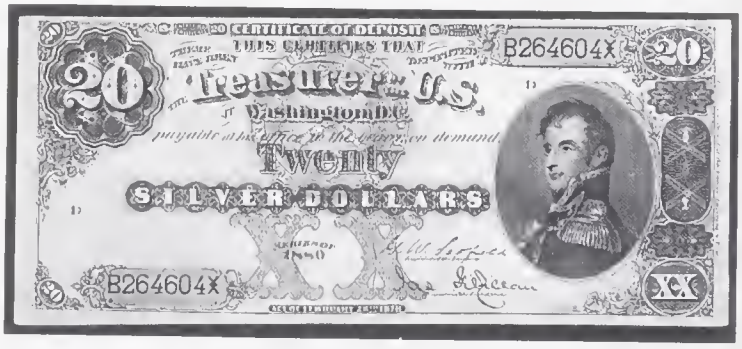
1431 **Fr. 304 $10 1908 Fine.** A decent example of a heavily circulated Blue Seal Tombstone. (250-up)

Fr. 308 $20 1880 Triple Signature

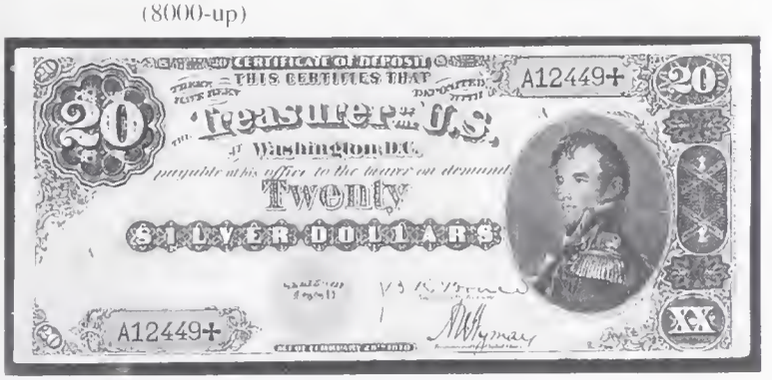
1432 **Fr. 308 $20 1880 Triple Signature Fine.** This is a newly discovered piece, and with it, the known examples still number under 10. Three pieces have been sold in this decade: a Fine-Very Fine in the Shiva sale in 1995 for $11,000, a damaged Poor in a Spink America 1995 sale at $4500 and an Extra Fine in our January '98 sale for $30,800. This one, which is well margined and problem-free for the grade, has the look of a higher grade due to the brightness and strength of the inks. With the popularity of Triple Signature notes and the recent emphasis on real rarity, we would expect this solid, handsome and very rare note to bring... (10,000-up)



1433 **Fr. 309 $20 1880 Extra Fine.** New to the census and solidly into the top third for condition. Not a single uncirculated note is reported to exist. There are two AU's and a half-dozen other notes reported as Extra Fine. This one is well margined, very handsome and totally problem-free. (5500-up)

1434 **Fr. 310 $20 1880 Very Fine.** The left and bottom margins are a bit close but the note has no other problems and is quite attractive for the grade. (2500-up)

1435 **Fr. 311 $20 1880 Choice About New.** One of the most eye-pleasing examples we've ever seen of this scarce early $20 Silver. It's been alternately graded Choice New and About New throughout its history and we can see why, as the fold removing this note from uncirculated is extremely difficult to locate. This gorgeous Stephen Decatur Twenty would slip nicely into the finest of sets. Interestingly, in spite of a census that lists over 100 notes, only three pieces are listed as uncirculated, which makes this one of the finest to ever be available. (8000-up)



1436 **Fr. 312 $20 1880 Fine.** With the addition of this note to the census, the count is just about 30. This Small Seal 1880 Silver Certificate has always been a sought-after type. This example is very well margined and retains decent color in spite of its somewhat soft paper surfaces. (3000-up)

1437 **Fr. 314 $20 1886 Extra Fine.** From our September 1997 auction where it was described, "This lovely Diamond Back has the bright colors that one would expect from an uncirculated note. That, combined with the ample margins, help to give it the eye appeal that would allow it to slip into a set of higher-grade notes unnoticed as an Extra Fine. At that time, this strictly original beauty realized $6325. We would expect a bit more on today's market. (6500-up)

1438 **Fr. 315 $20 1886 Fine.** Strictly original and rock solid, this is one of about 20 examples listed for this number, only two of which grade higher than Extra Fine. This note, although it shows considerable wear, is absolutely free of problems. A perfect example of how a well circulated note should look. (2500-up)

1439 **Fr. 316 $20 1886 Extra Fine.** Less than two dozen pieces are enumerated in the census. This lovely note is broadly margined with lovely colors and terrific eye appeal. It's only flaw is a short well-repaired tear in the right margin which is quite difficult to see. It's a very nice example of a rare and extremely popular type. (5000-up)

1440 **Fr. 317 $20 1891 Fine.** There are a few tiny internal splits caused by pulled fibers, but this note is otherwise problem-free and attractive. (650-up)

1441 **Fr. 318 $20 1891 Extra Fine.** A lovely-looking example of this perennially popular Red Seal Blue Serial Number Twenty Dollar Silver. The margins are broad all the way around and the colors far nicer than one expects for this grade. (1750-up)

1442 **Fr. 319 $20 1891 Fine+.** This note is from our January 1997 sale of the Jerry Sternberg Collection. It was described there as, "This evenly circulated, unmolested note looks far nicer than the mental picture it grade creates." That describes this note perfectly. It's problem-free, unmolested and quite scarce, with under 40 examples known to us. (750-up)

1443 **Fr. 321 $20 1891 Fine.** A solid example of this popular type. The left face margin is quite tight. (500-up)

1444 **Fr. 322 $20 1891 Extra Fine.** Very well printed and good looking. This handsome type is always extremely popular with collectors, and this is a very nice example. (1750-up)

1880 $50 Silver

1445 **Fr. 329 $50 1880.** With the addition of this **Fine** note to the census, the number of known pieces remains well under 30. We know of no uncirculated examples and only a single AU which we sold in 1994 for $15,500. This piece is well margined and problem-free. The circulation soil is evenly distributed across the surfaces of the note, with no heavy or disrupted areas. The ink colors remain bright and the overall appearance is quite attractive. (6500-up)

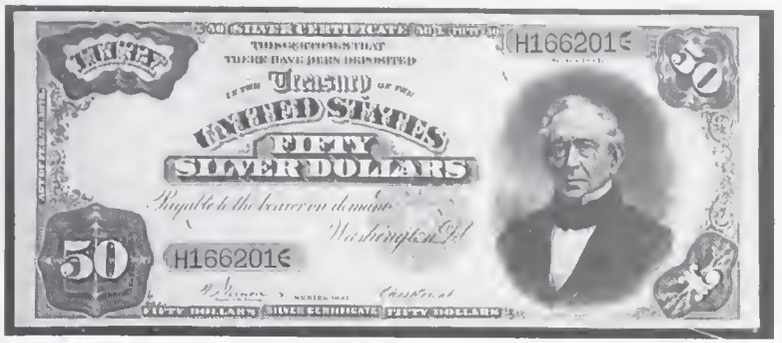
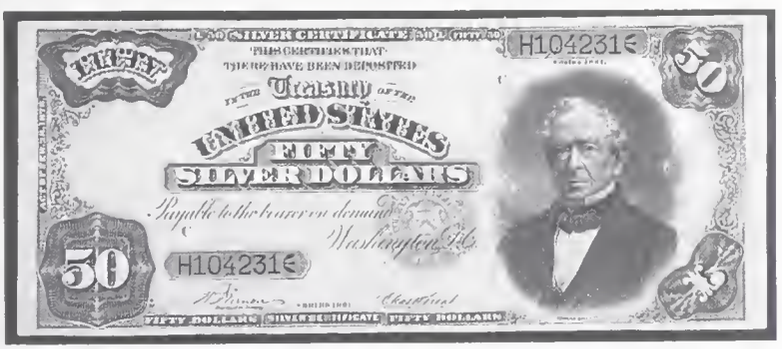
Superb Gem $50 1891



1446 **Fr. 334 $50 1891 Superb Gem New.** A letter perfect, absolutely flawless example of this rare type. The margins are extraordinary, the colors 100% perfect for both the ink and paper and the note exhibits good paper originality. This note is from a short run (presumed to be 25 notes although there are still some gaps) of these which turned up years ago. It's the only one from that run that is graded under Uncirculated in the census (where it is called Choice AU). We've searched this note long and hard, and suspect that that grade was given in error. The eye appeal and technical quality of this note are beyond reproach. We sold another Superb Gem three digits away from this one in our October sale for $13,750 and we would expect this lovely piece to do just about the same. (12,500-up)



1447 **Fr. 334 $50 1891 Extra Fine.** The margins and colors are excellent and this high-end example of a truly scarce number has lots of eye appeal. About 40 examples are known of this number. (3500-up)

1448 **Fr. 335 $50 1891 Fine.** This is a type that is almost never seen in nice, evenly circulated condition. It's a very nice note that is problem-free save for one tiny well-repaired edge split that is difficult to find. (1250-up)

TREASURY NOTES

1449 **Fr. 347 $1 1890 Very Fine-Extra Fine.** Well margined and with terrific color. (800-up)

1450 **Fr. 350 $1 1891 Choice About New.** There is a single, difficult-to-locate fold on this bright and beautiful Treasury Ace. But for that, it's a pure Gem. (400-up)

1451 **Fr. 350 $1 1891 Extra Fine.** The paper is aged, but the inks remain bright. (200-up)

1452 **Fr. 351 $1 1891 Very Fine.** Good looking for the grade. (150-up)

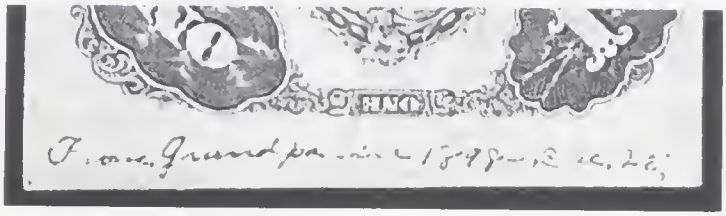
1453 **Fr. 351 $1 1891 Fine.** (125-up)

1454 **Fr. 352 $1 1891 Very Choice New.** This is a strictly original, problem-free example of a popular Treasury Note design. (600-up)

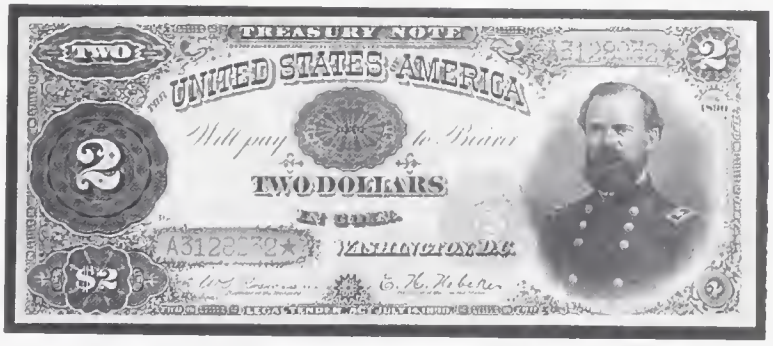
1455 **Fr. 352 $1 1891 Choice New.** Absolutely original with good embossing and strong ink colors, this well margined Treasury Ace would be a Superb Gem were it not for the light mellowing of the paper in a few areas. (550-up)

1456 **Fr. 352 $1 1891 Very Fine.** Unmolested and problem-free. (150-up)

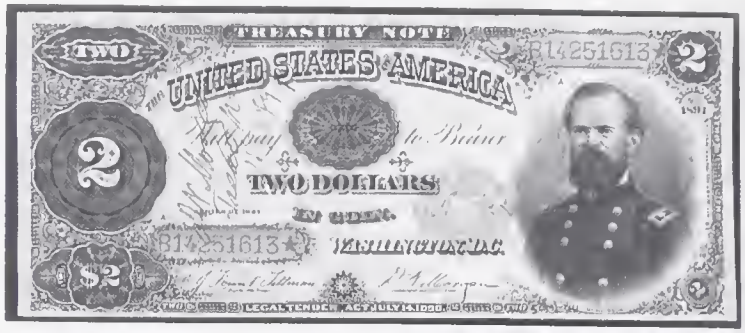
1457 **Fr. 352 $1 1891 Fine-Very Fine.** Strictly original and problem free. (125-up)



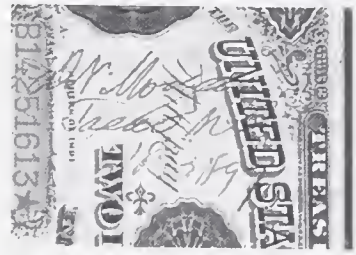
1458 **Fr. 352 $1 1891 Fine.** Enhanced (at least to us) by the neat handwritten notation on the back, "From Grand pa in 1898 - Dec. 20." (175-up)



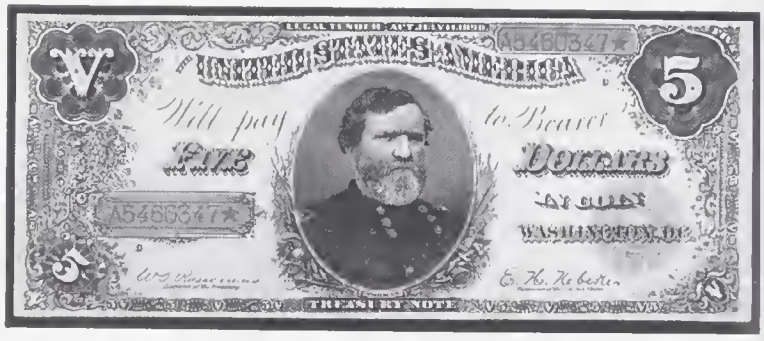
1459 **Fr. 355 $2 1890 Choice Extra Fine.** An absolutely lovely Extra Fine, with bright inks and paper as well as large, even margins. This is a very pretty example of a scarce and extremely popular type. (2200-up)



1460 **Fr. 357 $2 1891 Courtesy Autograph Very Choice New.** Strictly original and very good looking, this McPherson Deuce is courtesy autographed at the left D.N. Morgan — TresUS 1893-1897. The autograph is dark and bold and the note itself is impeccable and would grade Superb Gem if the bottom margin was just a touch larger. (1750-up)



1461 **Fr. 358 $2 1891 Choice Fine.** Strictly original, solid and problem free. (225-up)



1462 **Fr. 361 $5 1890 Choice New.** Bright, well printed and with lots of eye appeal. 1890 Treasury Fives have always been a popular type with collectors, due in no small part to the intricacy of the back design, which could serve as a monument to the excessive ornamentation that was so popular from 1890 to 1910. (2500-up)

1463 **Fr. 361 $5 1890 About Very Fine.** A problem-free example of this popular 1890 Treasury Note. (500-up)

1464 **Fr. 362 $5 1891 New.** This General Thomas Five is free of any traces of circulation, but the bottom margin is quite tight and the seal color a bit muted. The note also has a small stain in the margin. (500-up)

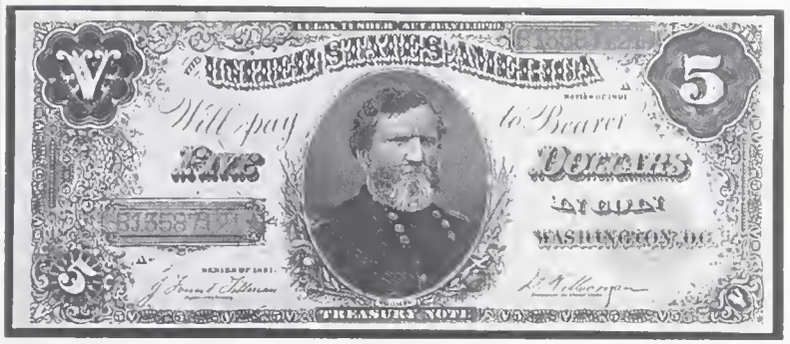
1465 **Fr. 363 $5 1891 Gem New.** Bright, attractive and very well margined, this is the second back of this basic Treasury Note design. (1500-up)

1466 **Fr. 363 $5 1891 Very Fine.** An ideal example with some claims to a higher grade. (350-up)



1467 **Fr. 364 $5 1891 Very Choice New.** This General Thomas Five is strictly original and would grade fully Gem if the bottom margin were a bit broader. (1000-up)

1468 **Fr. 364 $5 1891 Very Fine.** Strictly original. There are a few light brown stains of no real consequence. (300-up)

1469 **Fr. 365 $5 1891 Extra Fine.** It is only in recent years that the true scarcity of this number has been realized. Less than 20 pieces have been tracked. This note has some areas of very light aging of the paper, but the inks are bright and the centering excellent. In our January 1998 sale, we sold a comparable Extra Fine for $1100, and just this past October we sold a Fine-Very Fine for $1430. (1500-up)

1470 **Fr. 366 $10 1890 Very Fine.** The margins are somewhat close all around. (700-up)

$10 1890 Reconstructed Sheet

1471 **Fr. 368 $10 1890 Reconstructed Sheet of Four.** Consecutive examples of 1890 Treasury Notes are all but unknown, and in fact we cannot think of a single other instance of their ever having appeared. This reconstructed sheet is comprised of four consecutive well centered, beautifully margined examples that would each be a Gem in its own right. Three pieces of white paper tape on the back connect the four notes. Reconstructed sheets such as this one were made decades ago, apparently by or for one early collector as they all share this identical and easily removable tape. This "sheet" was Lot 499 from the Grinnell Collection sale. (12,500-up)

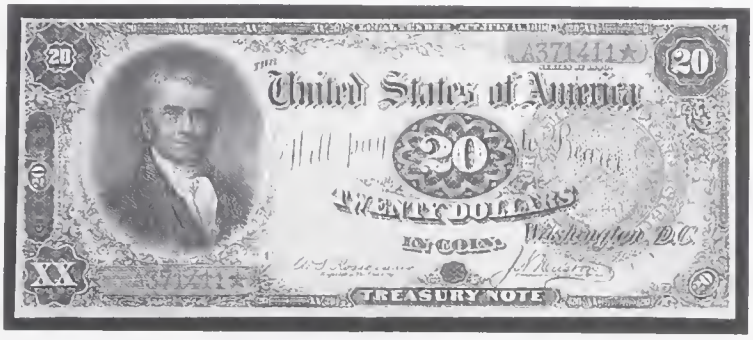
1472 **Fr. 368 $10 1890 Very Fine.** A Scotch tape repaired tear in one edge and the left hand serial number is quite weak. The overall appearance remains acceptable, and this note should afford some collector the opportunity to purchase a technically higher grade at a somewhat lower price. (650-up)

1473 **Fr. 371 $10 1891 About New.** This strictly original General Sheridan Ten has a few corner folds, an extremely light center fold and a counting mark. All its original embossing is clearly evident. (1000-up)

1474 **Fr. 371 $10 1891 Fine.** Fairly heavily soiled, particularly on the back, and very close at the right face margin. (250-up)



1475 **Fr. 372 $20 1890 Fine.** The margins are rather close and the note certainly shows some wear, but it's free of problems and it retains some eye appeal. (2000-up)

Gem 1890 $20 Treasury Note

1476 **Fr. 374 $20 1890 Gem New.** From our May 1997 Sale where it was described "This new note to the census is a spanking fresh beauty with deep original embossing, fresh flashy colors and spectacular centering on both sides. This "A" position note has an extra large top margin which adds even more visual appeal to this gorgeous note." On reexamination we are again extremely impressed by this piece. It is absolutely pristine with perfect color and orignal embossing all over its surfaces, not just on the seal and serial numbers. (15,000-up)

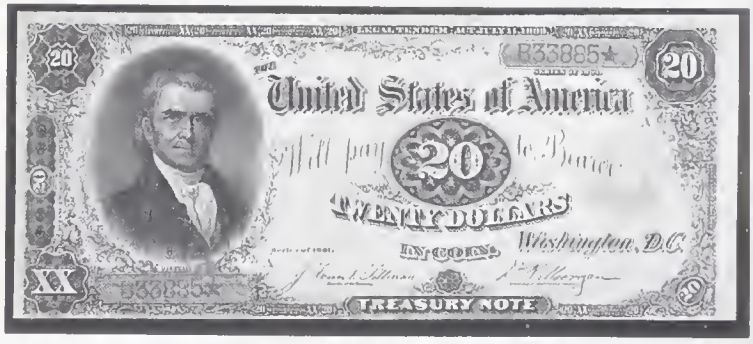
1477 **Fr. 374 $20 1890 Fine.** About 90 examples of this number are known, and this new-to-the-census piece is also the highest recorded serial number. It's absolutely original, problem free, well margined and with less soil than one would expect for Fine. This has always been an extremely popular type, and this note is certain to please the collector who's been searching for a good-looking yet affordable example. (2250-up)

1478 **Fr. 375 $20 1891 Choice Fine.** This is a strictly original, unmolested, and essentially perfect example of the type. It's well circulated but it has acquired far less soil than one would expect for grade. Although the census approaches 100 pieces, there never seem to be enough available to satisfy the collecting public. (2250-up)



1479 **Fr. 375 $20 1891 Fine.** The paper is soft, the seal is rather faded and there is a line of soil across the back. (1000-up)

1489 **Fr. 738 $1 1918 Star Note Fine.** This rare Star is problem free for the grade. Only three pieces are listed for this number; the other two both grade Choice New, making this the only known affordable example for most Star Note collectors. (500-up)

1490 **Fr. 739 $1 1918 Choice New.** Tight at the top. (150-up)

1491 **Fr. 742 $1 1918 Fine.** (50-up)

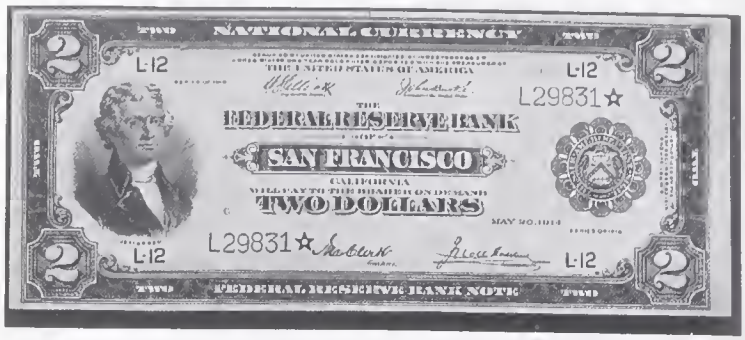
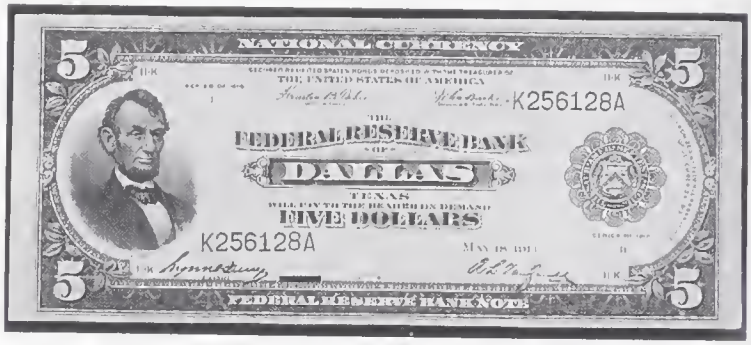
Currency Auctions of America, Inc. is pleased to announce that our next public auction will be in Rosemont, MAY 14-15, 1999



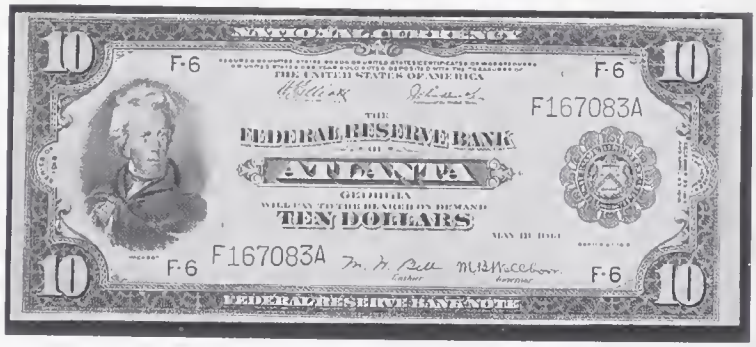
1497 **Fr. 779 $2 1918 Star Note Choice New.** Only seven examples are known for this Star variety, most of which, surprisingly, are high grade. This particular example is very well margined and would grade fully Gem if the paper were a hair brighter. (1750-up)

1498 **Fr. 779 $2 1918 Very Good-Fine.** There are a few blue stains on the back. (150-up)

1499 **Fr. 796 $5 1918 Three Consecutive Notes.** All three notes grade Choice New with good margins and bright colors. Federal Reserve Bank Notes are seldom seen in consecutive runs. (3 pieces) (1500-up)



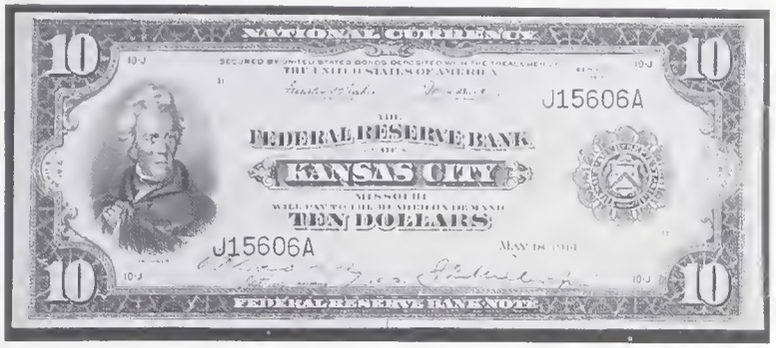
1500 **Fr. 806 $5 1915 About New.** A single fold is visible when viewed from the back, but the face appearance of this Federal Reserve Bank Note Five is that of a perfect Gem. The margins are broad and huge and the colors ideal. (250-up)



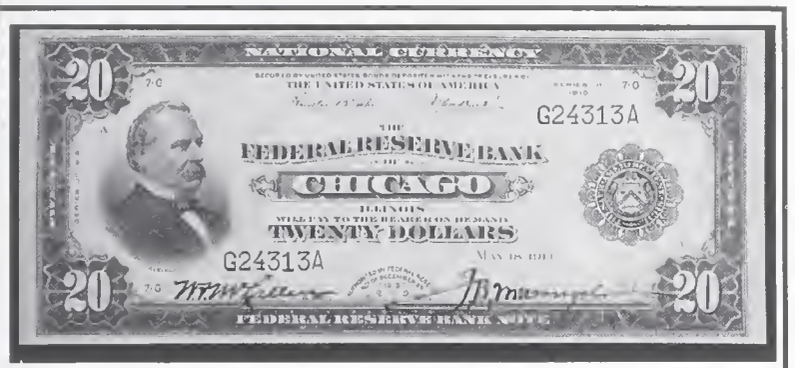
1501 **Fr. 812 $10 1918 Very Fine +.** The only uncirculated example of this number known to us is the Serial Number 1 note from the Grinnell Collection. The approximately two dozen other pieces are all circulated, with this example being one of the nicest we've seen. (750-up)

1502 **Fr. 813 $10 1915 Very Fine.** The back shows a little soil but the face is beautifully clean and gives the full appearance of an Extra Fine. (450-up)

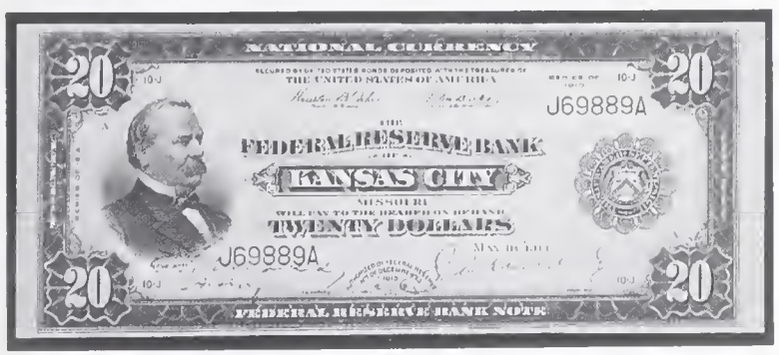
1503 **Fr. 815 $10 1918 Fine.** This St. Louis Federal Reserve Bank Note is one of about two dozen known pieces, none of which are uncirculated. (250-up)



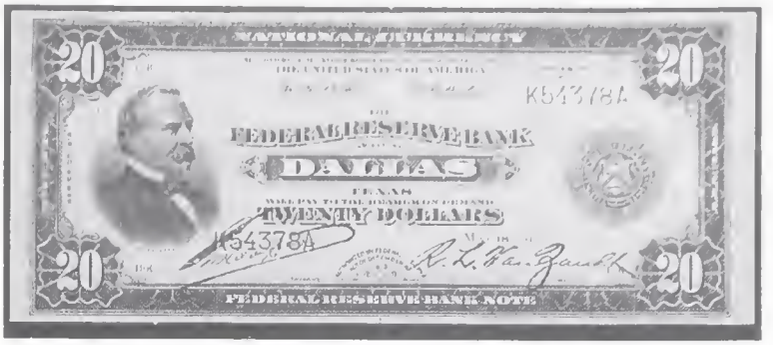
1504 **Fr. 817a $10 1915 Choice New.** A very well margined example with clean, sharp printing and lots of eye appeal. (1750-up)



1505 **Fr. 824 $20 1915 Gem New.** One of the finest Federal Reserve Bank Note Twenties we've ever had the privilege of handling. The only other new Fr. 824 that we have handled was in January 1994, when we sold a Gem for nearly $3600. This note is Superb in every sense but for the back centering, which is a bit low although well clear of the edge. The note is completely clean, beautifully bright and with incredible face margins. It's also loaded with deep, original embossing, something which is virtually never seen on this type. All in all, this is a spectacular piece of currency. (4500-up)



1506 **Fr. 827a $20 1915 Extra Fine.** Terrific colors and excellent centering make this a highly desirable Twenty Dollar Federal Reserve Bank Note. Just about 20 examples are known, none of which are uncirculated. (1250-up)



1507 **Fr. 828 $20 1915 Very Fine.** All Twenty Dollar Federal Reserve Bank Notes can be considered scarce. This is one of about 20 of this number known to us. (600-up)

FEDERAL RESERVE NOTES

1508 **Fr. 833 $5 1914 Red Seal About New.** This beautifully margined and bright Red Seal has the visual appeal of a Gem New note. (250-up)

1509 **Fr. 833 $5 1914 Red Seal Choice Extra Fine.** Hugely margined and good looking. (175-up)

1510 **Fr. 844 $5 1914 Very Choice New.** The first new number from the long list of Blue Seal Five Dollar Feds. It's very well margined, bright and most attractive. (125-up)

1511 **Fr. 855c $5 1914 Choice New.** This tough "c" type note is Gem but for its top margin being too tight. (150-up)

1512 **Fr. 871e $5 1914 Very Choice New.** High-grade examples of the "e" variety are very tough to come by. (150-up)

1513 **Fr. 874 $5 1914 Star Note Fine.** Only this note and five others are listed in the new Murray reference. (225-up)

1514 **Fr. 878 $5 1914 Choice New.** A nice original $5 Fed that would grade fully Gem if the top margin were not quite so tight. (90-up)

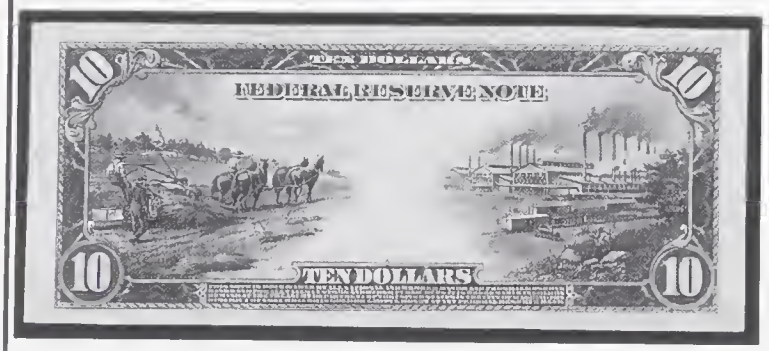
1515 **Fr. 882 $5 1914 Star Note Very Good.** Only seven examples are known. (150-up)

1516 **Fr. 883a $5 1914 Star Note Very Good.** Only 10 examples are listed. (125 up)

1517 **Fr. 893 $10 1914 Red Seal About New.** Although lacking its original embossing, the eye appeal of this Red Seal Fed is outstanding. The margins are broad all the way around, and the colors of the inks and paper are at their full brightness. (350-up)

1518 **Fr. 895 $10 1914 Red Seal Extra Fine-About New.** Bright, beautiful and very well margined. (225-up)

Superb Gem Single Digit Atlanta Red Seal $10



1518A **Fr. 897 $10 1914 Red Seal Superb Gem New.** This Serial Number F4A note is the finest example of a $10 Red Seal we have had for any number, and it's one of only four single-digit Red Seals that we have known of for all districts combined. Red Seal Atlanta Tens in high grade are rare notes to begin with, and this single-digit example in Superb original condition could easily realize... (3000-up)

1519 **Fr. 901 $10 1914 Red Seal Choice Very Fine.** Strictly original, well margined and bright. (150-up)

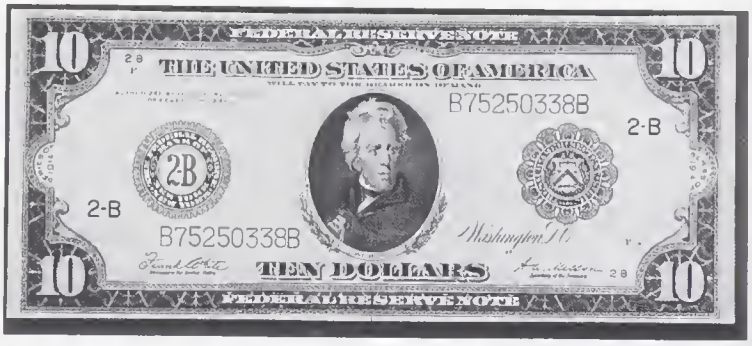
1520 **Fr. 907a $10 1914 Very Choice New.** (150-up)

1521 **Fr. 910 $10 1914 Superb Gem New.** An absolutely perfect, clean, well margined, original example of a $10 Federal Reserve Note. These are common in most all grades but decidedly scarce as perfect Gems. (225-up)

1522 **Fr. 910 $10 1914 Star NoteFine.** Only 10 examples are listed. (150-up)

1523 **Fr. 911b $10 1914 Gem New.** A lovely Blue Seal Fed with unusually large margins all around. (175-up)



1524 **Fr. 911c $10 1914 Very Choice New.** A nice example of this scarcer variety. (225-up)

1525 **Fr. 911c $10 1914 Choice New.** (200-up)

1526 **Fr. 923b $10 1914 Gem New.** A lovely, strictly original note. (175-up)

1527 **Fr. 927a $10 1914 Very Choice New.** Nearly Gem. (150-up)

1528 **Fr. 930 $10 1914 Gem New.** Well margined, fresh and strictly original. (150-up)

1529 **Fr. 930 $10 1914 Choice New.** (85-up)

1530 **Fr. 953 $20 1914 Red Seal Choice About New.** A strictly original example with huge margins and superb colors, this is the kind of unmolested, essentially perfect AU that everyone wants. (600-up)

1531 **Fr. 954 $20 1914 Red Seal Choice Very Fine.** The colors of the paper and ink are far better than one would expect for the grade. This Red Seal Twenty also has outstanding centering on both sides. (300-up)

1532 **Fr. 970 $20 1914 Star Note Very Good.** Only nine examples are listed. (150-up)

1533 **Fr. 975 $20 1914 New.** The original paper quality is apparent, but the paper is toned in places. (100-up)

1534 **Fr. 990 $20 1914 Star Note Very Good.** (125-up)

1535 **Fr. 995 $20 1914 Gem New.** This $20 Fed has perfect paper originality, excellent colors and exceptional margins. (300-up)

1536 **Fr. 1035 $50 1914 Extra Fine.** Bright and with exceptional margins. (250-up)

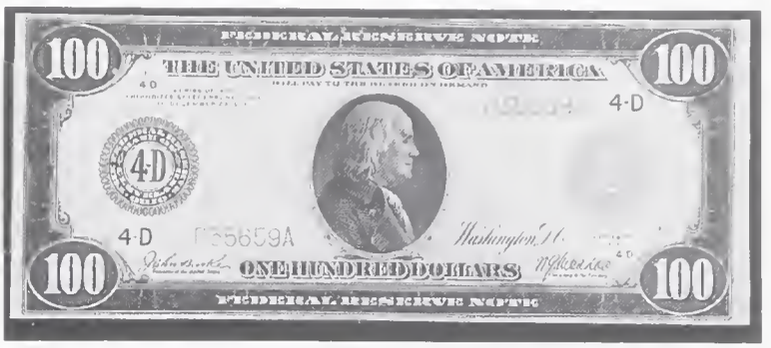
1537 **Fr. 1043 $50 1914 Fine-Very Fine.** A nice, original, no-problems $50 Fed. (125-up)

1538 **Fr. 1048 $50 1914 Gem New.** Exceptionally broad margins and bright perfect colors highlight this $50 Fed. The back centering is also perfect, rounding out this very nice note. (1500 up)

1539 **Fr. 1064 $50 1914 Very Fine.** An old wallet fold over part of the note. (150 up)

1540 **Fr. 1073 $100 1914 Red Seal Very Good.** (300-up)

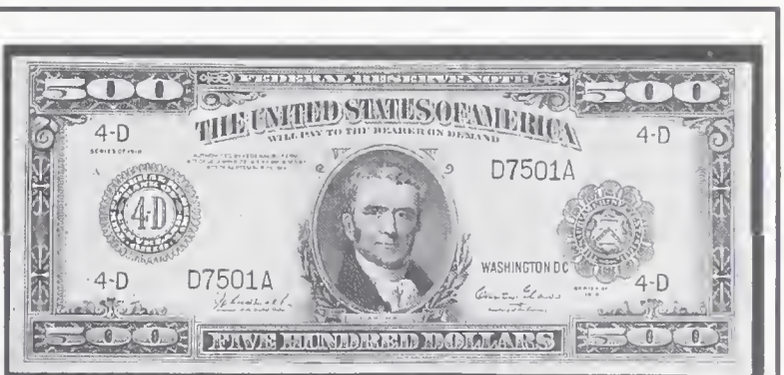
1541 **Fr. 1073 $100 1914 Red Seal Very Good.** Another, virtually identical. (300-up)

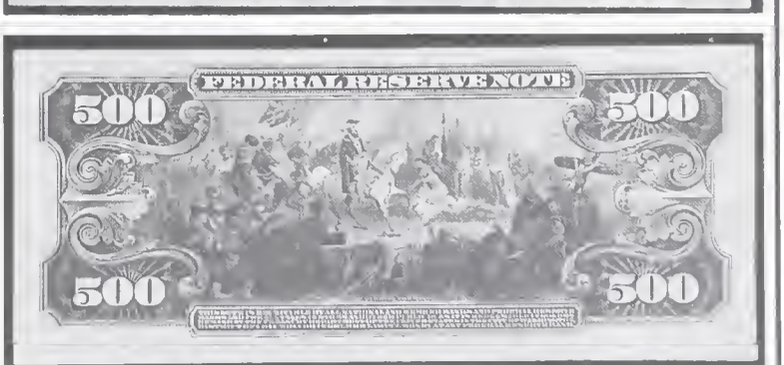


1542 **Fr. 1075 $100 1914 Red Seal About New.** The colors are excellent on this very scarce Red Seal Hundred, but the paper originality is gone. There is a hidden horizontal fold and a small skin in the margin on the back. Far more attractive than its description makes it sound. (1250-up)

1543 **Fr. 1099 $100 1914 Fine.** Problem free but for a small, nearly unnoticeable internal tear. (225-up)

1544 **Fr. 1112 $100 1914 Extra Fine.** An attractive example of this high-denomination Fed. (350-up)

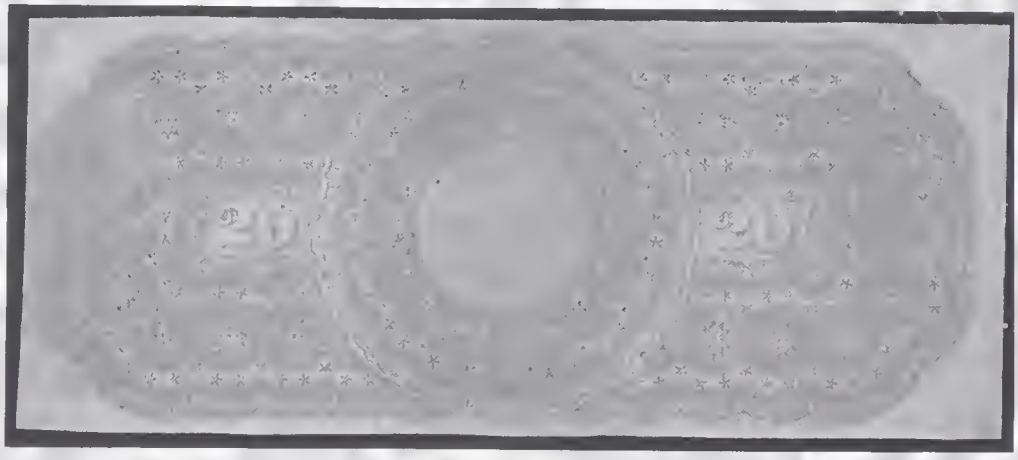




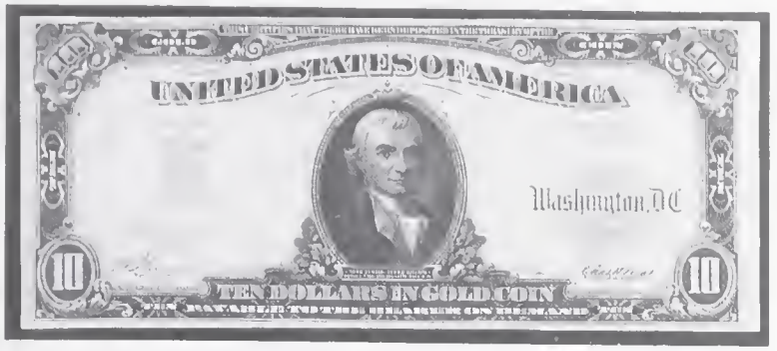
1545 **Fr. 1132 $500 1918 Very Fine.** A nice, problem-free example of this extremely popular type. Only about a dozen pieces are known for this district, with only one grading as high as About New. (4000-up)

THE DR. LAWRENCE COOKSON GOLD CERTIFICATE COLLECTION

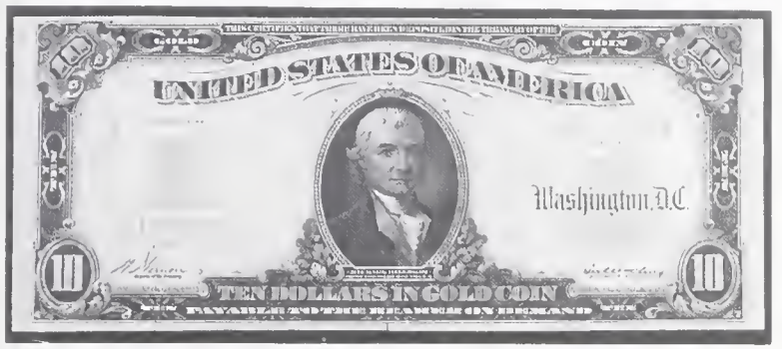
Dr. Cookson's interest in Gold Certificates was sparked when he saw a 1907 Thousand offered for sale and realized that its price was not at all commensurate with its extreme rarity. He was greatly helped in his pursuit of the finest collection of Gold Certificates ever formed by Englewood, Ohio currency dealer Stan Morycz. Dr. Cookson, a graduate of Harvard College and NYU Medical School practiced radiology in Indianapolis before his retirement and move to southern Indiana. We offer you here the culmination of his years of collecting; what we believe to be the finest collection of Gold Certificates ever assembled.



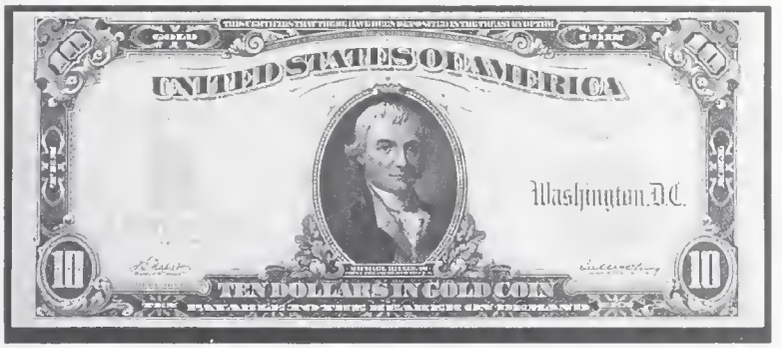
1546 **Fr. 1166b $20 1863 Extra Fine-About New.** This is the only known existing 1863 $20 Gold Certificate with a handwritten countersignature, and the finer of only two known examples for the entire 1863 $20 Gold Certificate issuance. There are four examples listed for Fr. 1166b; this note, which has never before been available to the collecting public, a canceled example of the engraved countersignature variety in the Bureau of the Public Dept, a second canceled example of the engraved countersignature variety which is in the Smithsonian and a third, Very Fine example of the engraved countersignature variety which was purchased by Dean Oakes in 1976 and sold by him in 1979. Dean's note was resold at auction by Stack's as part of the Jim Thompson sale in October of 1990, and at that time it realized $88,000. This hand signed countersignature variety and the engraved countersignature variety, which share the Fr. 1166b designation, should each have their own Friedberg number, but due to lack of foresight in the numbering system, twenty different notes of varying denominations and series all have the Fr. 1166 number (1166a through q and 1166l through IV.) No collection of $20 Gold Certificates can be complete without a representation of the 1863 series. This handsome example of a design type which few collectors and dealers have ever seen is sharply printed with bold ink colors and good paper quality. There are some extremely well done restorations at the outer edges of the margins, and the upper corner tips have been replaced. This work has been executed with such skill that it is virtually undetectable. These restorations do not reach the design and affect the margin areas only. It is exceedingly unlikely that any other example of an 1863 $20 Gold will ever surface, leaving only this unique handwritten countersignature note and the unique engraved countersignature note for type. Only two notes have surpassed the $200,000 mark at auction as of this writing, but by the date of this sale that mark will likely have been surpassed by the Thousand Dollar Watermelon in the December 1998 sale of the Levitan Collection (neither the Grinnell Collection nor the Frank Levitan Collection contained an 1863 $20 Gold.) It will be interesting to see if we reclaim our record-holding position with the sale of this note. (300,000-up)



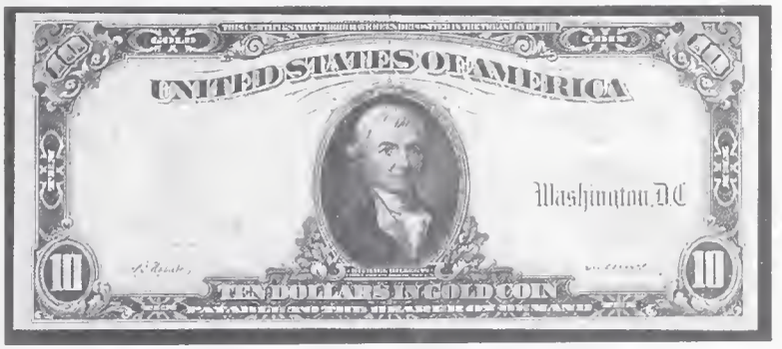
1547 **Fr. 1167 $10 1907 Superb Gem New.** Broadly margined and with spectacular full, original colors of the inks and paper. Although this is a rather common number, no Gold Certificate is truly common in this unbeatable grade. (1200-up)



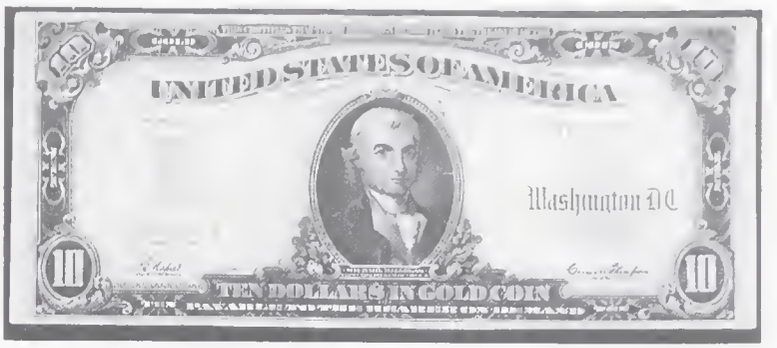
1548 **Fr. 1168 $10 1907 Gem New.** Broadly margined, bright and with strictly original surfaces, this is one of the nicer examples we've seen of this slightly scarcer number. (900-up)



1549 **Fr. 1169 $10 1907 Superb Gem New.** Absolutely flawless. Huge margins, brilliant colors, perfect printing quality and deep original embossing all come together on this spectacular note. (1200-up)

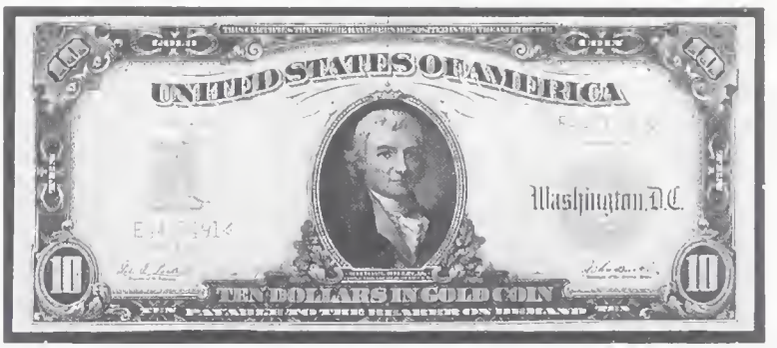


1550 **Fr. 1169a $10 1907 Gem New.** Held from the Superb grade only by a top margin that's a bit too narrow at the far right, this strictly original note is perfect in every other possible way. Fr. 1169a is identical to 1169 except for the Act date, which appears above the orange "X" on the face. The more common Fr. 1169 bears the Act date of July 12, 1882, and this scarcer (by about 2 to 1) Fr. 1169a bears the Act date of March 4, 1907 (1000-up)



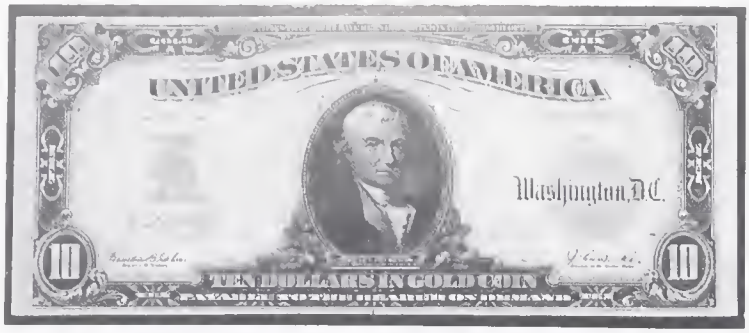
1551 **Fr. 1170 $10 1907 Fine.** 1170 is a deceptively difficult number to obtain in high grade. Dr. Cookson passed a few opportunities to upgrade while waiting for a Superb example which never appeared. (150-up)

1552 **Fr. 1170a $10 1907 About New.** As with the 1169's, the difference between 1170 and 1170a is the Act date: July 12, 1882 for the 1170 and March 4, 1907 for the 1170a (250-up)



1553 **Fr. 1171 $10 1907 Superb Gem New.** Utterly spectacular condition. This totally original note is surrounded by huge, even margins and printed in razor sharp, fully bright colors. Although this is a more common number, this grade makes it an incredibly desirable item. (1200-up)

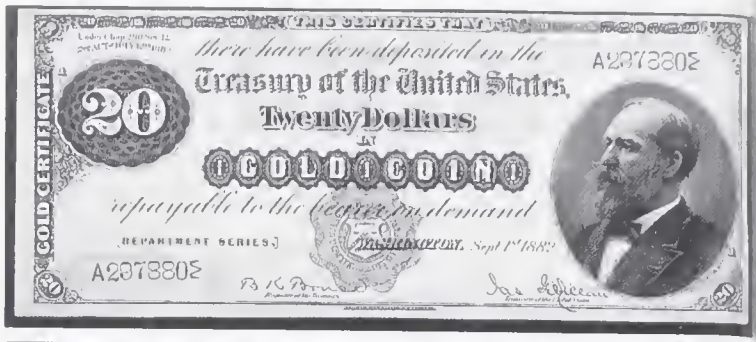
1554 **Fr. 1172 $10 1907 Superb Gem New.** Simply unbelievable quality. Hugely margined, magnificently bright, totally original. Utterly flawless! (1200-up)



1555 **Fr. 1172 $10 1907 Star Note Choice Extra Fine.** Only nine Star examples are known for this number. (1500-up)

1556 **Fr. 1173 $10 1922 Very Choice New.** Gem in every respect but for the top margin, which comes a bit too close at the right. (500-up)

1557 **Fr. 1173a $10 1922 Gem New.** A lovely example with broad margins and spectacular color. 1173a is identical to 1173 but for the size of the serial numbers, which are considerably smaller on this "a" variety. (750-up)



1558 **Fr. 1174 $20 1882 Very Fine.** From our November 13, 1992 auction where it was described, "These early Gold Certificates are rare and beautiful, and this note fits very nicely in both categories. It is extremely well margined, with the brown, gold and black inks bold and well defined." We have sold five of the six Fr. 1174's that have reached the market in the 1990's, including the only uncirculated note which realized $24,200 in our January 1998 sale. None of the other 10 known notes reach Extra Fine. Dr. Cookson's lovely example realized $5940 in November of 1992 and we would expect that it would now just about double that realization. (10,000-up)

1559 **Fr. 1174 $20 1882 Good-Very Good.** This previously unknown note raised the number of pieces in collectors' hands to about an even dozen. The face appears fully fine, but the back is considerably weaker, and the edges both top and bottom are rather frayed. This note is not a thing of beauty, but no example of this number has been available to collectors for quite some time under the $5000 mark, recent auction records ranging from $24,200 in our January 1998 sale for the only known uncirculated piece to $5500 for a Fine in last year's Memphis sale. Difficult to estimate, but we would not be terribly surprised at a realization exceeding... (2000-up)

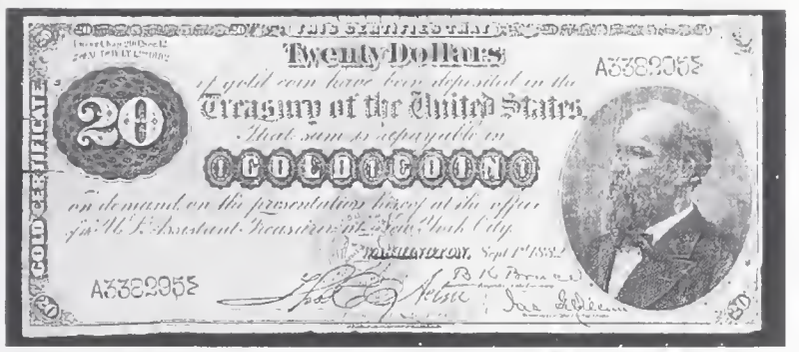
1560 **Fr. 1175a $20 1882 Triple Signature About Extra Fine.** Grading in the top half dozen of the two dozen known pieces, this beautiful note from Dr. Cookson's spectacular collection is reaching the auction block for the first time. It's 100% original, with perfect surfaces, bright colors and excellent margins. We've handled five other 1175's, one slightly lower in grade which brought nearly $6000 in 1997, and a Choice Extra Fine which realized $18,700 in January of 1998. We're confident that this beautiful note will land somewhere right around... (15,000-up)

1562 **Fr. 1176 $20 1882 About New.** Off the market since 1981, this lovely note appears Choice New at a glance but in fact has two extremely light folds, neither of which can be seen at all from the face, and which can barely be seen when the back is carefully inspected. The note is well margined and it has retained extraordinarily bold colors, the gold, brown and black inks all being as bright as the day the note was printed. We have sold only two Fr. 1176's, both of which graded Very Good. Only three known examples grade substantially higher than this note, and two of those three are permanently impounded, one in the ANA museum and the other in the Harry Bass research foundation. The Bass note is listed as a CU, but it's the consecutive serial number to this note, and we suspect that on close inspection it would be shown to share the two light folds that this note has. There has been no auction record in this decade of a Fr. 1176 better than Very Good, and we suspect that pent-up demand will cause a realization in excess of... (15,000-up)



1561 **Fr. 1175a $20 1882 Triple Signature Very Good-Fine.** This is a newly discovered note. There are still less than 25 examples known, only a handful of which grade Very Fine. The most recent sale of a comparably graded piece we know of was the Sternberg example, which graded **Very Good** and sold for $3000 in our January 1997 sale. This note is quite attractive for its rather low grade, strictly original, unmolested and problem free save for some minor fraying at the top edge and a short split at the left end. (3500-up)

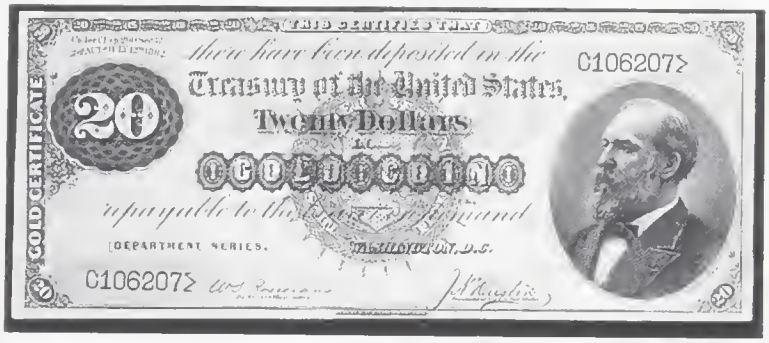
1563 **Fr. 1177 $20 1882 Choice About New.** This is a spectacular-looking Gold Certificate that is tied with one other note for second finest in private hands. There is one reported uncirculated note in the ANA museum, and we sold an uncirculated note in May of 1998 for $35,200. Other than those two, there is one other high-grade example known, another spectacular-looking About New which we sold in September of 1997 for $18,700. This note is the equal to that for its paper and ink colors, and its margins are superior. For eye appeal and flash, this is one of Dr. Cookson's very nicest notes, and we would expect to see it exceed... (20,000-up)



1564 **Fr. 1177 $20 1882 Choice Extra Fine.** This is one of about two dozen pieces we know of. The single uncirculated example in private hands was sold by us last May at $35,200. The note is strictly original, beautifully margined and retains its 100% brilliant color on both face and back. It's among the finest known examples of this number and a handsome note that would bring pride to any collector of important Gold Certificates. Only six examples of this number have reached the auction block in this decade and only when a spectacular collection like this is sold could one ever expect to see two. (15,000-up)

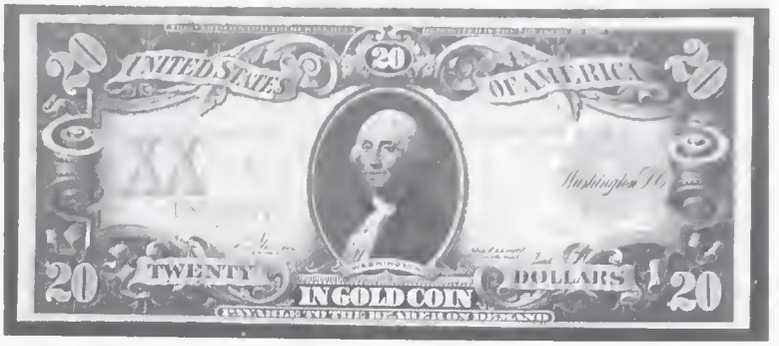
1565 **Fr. 1178 $20 1882 Superb Gem New.** Dr. Cookson acquired this note from our September 1997 sale where it was described, "Hugely margined, with perfect original colors and excellent paper surfaces. Nice examples of this note are seen on occasion, but this one rates right up there with the very best in existence." In that sale, it realized $8250 on an estimate of $4500-up. With the emphasis on combined rarity and quality, we would not be surprised to see that result equaled or bested tonight. (7500-up)

1566 **Fr. 1179 $20 1905 Superb Gem New.** This Technicolor Twenty is as spectacular an example of its type as any note we have ever seen. The colors, margins and paper surfaces are all Superb. Our records show we've not sold this note before, but this cataloger recalls having seen it sometime in the past. It's recognizable by a naturally occurring thick spot in the lower half of the left margin, which appears when not examined closely to be a defect, but in reality is a perfect natural occurrence of no consequence. (12,500-up)

1567 **Fr. 1180 $20 1905 Superb Gem New.** Utterly Superb in every respect, this is one of the nicest notes we've seen from the short serial number run that has supplied collectors with Superb examples of Technicolor Twenties. In our May 1998 sale, we sold the only known cut sheet of Fr. 1180's. Included with that lot was a typed note from William Philpott which our consignor obtained when he bought the cut sheet. A Treasury Department friend of Philpott's was the original source of this short run. To quote the letter in part, "I bought 25 notes from a friend who worked at the Treasury Department and they had been put away for the last 20 years. He had just the 25 notes in all and this is the only cut sheet in the lot." That cut sheet, this note and five other examples are known to fall within that one run of 25 notes. All of their serial numbers begin A4043. (12,500-up)

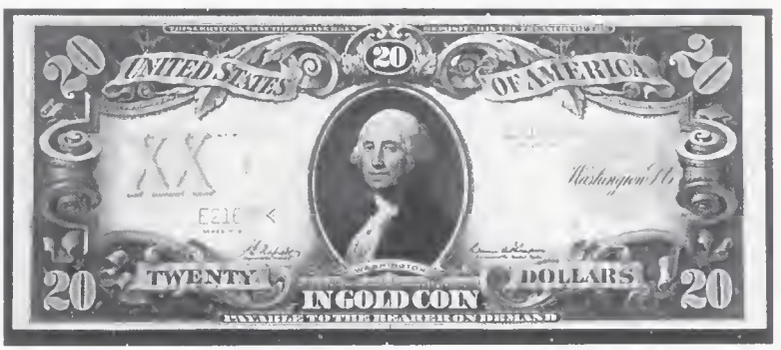
1568 **Fr. 1181 $20 1906 Superb Gem New.** Clean, bright and stunningly beautiful, the colors and paper surfaces of this note are equal to the moment of its production, and the margins, while not perfectly even, are spectacularly large all the way around. Unsurpassable quality. (1750-up)

DUPLICATES? CONSIGN THEM TO OUR MAY, 1999 SALE! DON'T WAIT!



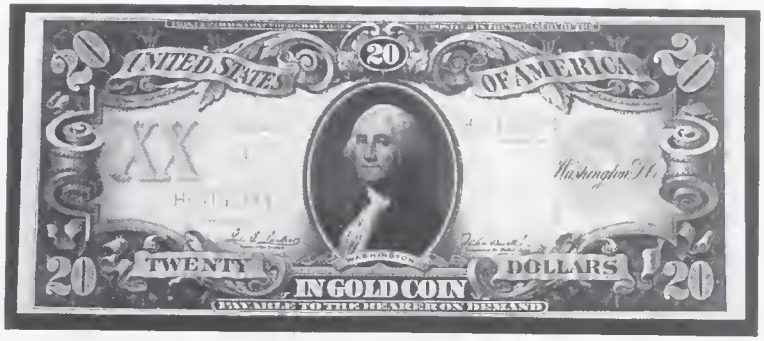
1569 **Fr. 1182 $20 1906 Gem New.** Original and perfect in every way but for the bottom face margin. That margin, although more than adequate for the issue, takes this note out of the Superb category by just a hair. (1500-up)

1570 **Fr. 1183 $20 1906 Superb Gem New.** Another flawless note from the Dr. Cookson Collection with colors, margins and surfaces that can only be equaled, but never bested. This note is an example of the persistence with which Dr. Cookson pursued perfection. (1750-up)

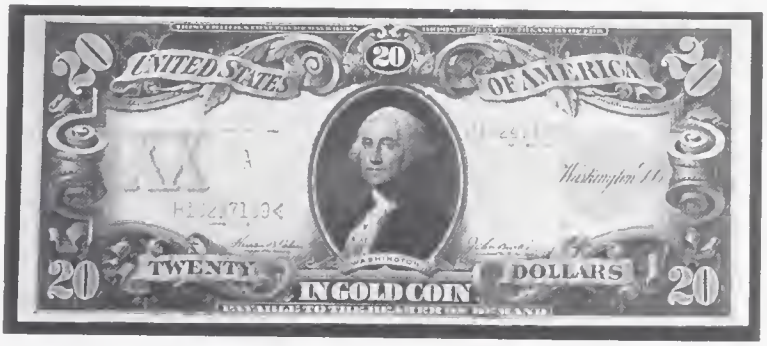


1571 **Fr. 1184 $20 1906 Superb Gem New.** An incredible example with perfect paper originality, supremely bright colors and excellent centering. It was Lot 581 from the fabled Grinnell Collection, and we can find no trace of its having been on the market between then and now. The Napier-Thompson signature combination is quite scarce on $20 Golds. We've handled only a few examples and can recall seeing only one other that approached this for quality. It's truly a Superb piece. (2500-up)

1572 **Fr. 1184 $20 1906 Choice About New.** Dr. Cookson acquired this Napier-Thompson signed Gold Certificate in our May 1996 sale. It has a corner fold and a light horizontal fold, but its colors and margins are exceptional and the note appears to be Gem New unless examined closely. (750-up)



1573 **Fr. 1185 $20 1906 Gem New.** Bright, beautiful and strictly original, this Twenty Dollar Gold from the Cookson Collection has the bottom margin stray just a bit too close for the Superb grade. It's flawless in every other respect. (1300-up)



1574 **Fr. 1186 $20 1906 Gem New.** Beautifully margined and with perfectly bright inks and paper, this is a very pretty example of its type and number. (1300-up)

1575 **Fr. 1187 $20 1922 Choice About New.** This final $20 number from the Cookson Collection is a visual masterpiece, but falls by the wayside technically as it has a very light center fold. (500-up)

1576 **Fr. 1188 $50 1882 Extra Fine.** Attractive and strictly original, this very rare number has retained full brilliance of its brown, gold and black inks. Its pedigree is well known and significant, having gone directly from the March 15, 1947 Barney Bluestone sale of the Grinnell Collection (where it realized $93) to James A. Stack, whose collection was sold by Stack's (no relation) in March of 1990. At that time it realized $7150 and passed into the hands of Dr. Cookson. It will be interesting to see what this note brings tonight at the end of Dr. Cookson's reign as the preeminent collector of Gold Certificates. At the time he purchased this note, he was without competition, a situation which nine years later simply no longer exists. This is the first opportunity that CAA has had to handle any of the seven known Fr. 1188's, one of only two to change hands in this decade. (20,000-up)

1577 **Fr. 1190 $50 1882 Choice Extra Fine.** Only six examples of Fr. 1190 are known to exist, one of which is permanently impounded in a Federal Reserve Bank. None of the other five are reported to grade better than Fine, making this piece the finest known by a wide margin. The colors are spectacular, particularly the brilliant orange back, and the margins are huge and even all the way around. We have handled only one other Fr. 1190, a Fine+ in May of 1996 which realized $10,175. This note is the illustration note from the Limpert catalog and resided for decades in the collection of Jim Thompson. It was acquired by Dr. Cookson at private treaty from Stan Morycz in 1992. (30,000-up)

Fr. 1191 $50 1882 Large Red Seal
The Only Collectible Example

1578 **Fr. 1191 $50 1882 Choice Extra Fine.** One of the most spectacular rarities in this or any collection, and the only example of its type in private hands. Four notes are known to exist, three of which are permanently impounded in government hands and this note, the fourth example, which is far and away the finest known. Its pedigree traces it from the Barney Bluestone sale of the Albert A. Grinnell Collection on March 10, 1945, where it realized $95, to the collection of James Stack. It reappeared as Lot 1799 of the Stack's March 15, 1990 sale where it realized $23,600. While at the viewing for that sale, this note and the matching Hundred (also in Dr. Cookson's collection, Lot number 1590) caused dealer/friend Lyn Knight to remark, "What are these? I didn't even know they made these." Neither Lyn, this cataloger nor anyone else in attendance at that sale had ever seen a Gold Certificate with the Large Spiked Seal. Few if any U.S. notes have the visual impact of this note and its companion Hundred. Four separate colors are used for the face printing, and all are at their full brightness on this magnificent note: the basic black background, blue for the serial numbers, orange for the overprint on the face and bright red for the seal in the center. Both the face and the back are perfectly centered among large, even margins. When last on the market, there were a few small pinholes and a tiny edge split which have now been so expertly repaired that this cataloger is unable to locate either minor problem. This is the first and very likely only time that this generation of collectors will have an opportunity to add this singularly rare and beautiful number to their holdings. (100,000-up)

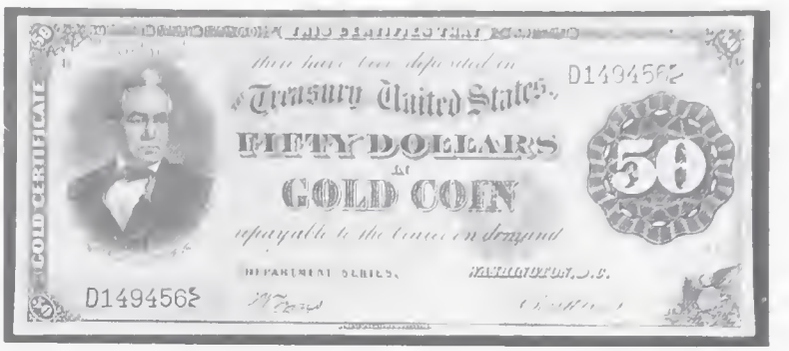
Fr. 1192 The Finest Known

1579 **Fr. 1192 $50 1882 Choice Extra Fine.** Dr. Cookson acquired this magnificent rarity from our September 1997 auction, where it was described, "This piece, the finest known example by a wide margin, has the full visual impact of a perfect Gem from the face. When the back is examined very closely, three light folds can be discerned. It's a new note to the census and the finest known example by more than a full grade. Prior to the discovery of this piece, 13 notes were listed, four of which are permanently impounded in government hands. Words cannot do justice to the superb eye appeal of this rare piece. Even if it's beyond your budget, take the time to examine it at lot viewing — it's stunningly beautiful." In that sale, the note was estimated at $20,000 and realized $33,000. Neither the census nor our opinion of this important rarity has changed since that time. (40,000-up)

Unique Fr. 1192a

1580 **Fr. 1192a $50 1882 About Very Fine.** This note originally surfaced at a Midwest coin show in late 1989. It was first presented to the public in Stack's January 16, 1990 auction. It was introduced by Stack's as follows, "Very rarely in American numismatics is a completely new and important variety discovered. That such an event should occur is newsworthy; that it should happen in such a well researched field as our Large Size Currency is truly extraordinary. The Friedbergs have informed us that the following newly discovered variety will be listed as Fr. 1192a in future editions of their work." In fact, that has happened, and 1192a remains a unique and important piece. Prior to the discovery of this note, all Rosecrans and Huston-signed $50 Gold Certificates had the Large Brown Seal. According to Treasury records, as researched by Doug Murray, the printing of Rosecrans-Huston signed notes was completed during January of 1891, and the use of the Small Red Scalloped Seal did not begin until June of 1891. If the Treasury records are accepted as accurate, this note cannot exist. It's also an interesting point that the Small Red Seal is located at the bottom center of the note, a position that was not used on any other Small Red Seal variety. The note itself is problem free, strictly original and unmolested, well margined, bright and attractive. Since its discovery, Dr. Cookson has been the only collector to own it. As of this evening, one more collector will add his name to the pedigree of this unique treasure. (75,000-up)

1581 **Fr. 1193 $50 1882 Superb Gem New.** This incredible note is from our June, 1994 sale of the Randy Haynie Collection. Over 60 examples of Fr. 1193 are known, but most grade below Very Fine. Six uncirculated notes are reported but only this note and one other are in private hands. That other uncirculated note realized $5775 in a 1989 auction sale; this note realized $6710 in our 1994 sale. No opportunity to buy either piece has presented itself in the last five years. This note could serve as the example of what the Superb Gem grade is all about. Its centering on both sides is perfect, its paper quality strictly original and flawless, and the inks fully brilliant and razor sharp. In 1994 we said, "We offer this piece with great pride and are sure that it will be cherished by its new owner." Dr. Cookson was justly proud of this beauty and it's now time to pass it along. (10,000-up)



1582 **Fr. 1194 $50 1882 Choice About New.** Again, Dr. Cookson has obtained the finest known example of the Friedberg number, and in the case of this incredible 1194, no other is even close. This strictly original beauty has perfect colors, large, even margins and incredible deep, original embossing. It's a Superb Gem but for a single extremely light fold far to the left. Absent this almost undetectable flaw, the note is Superb in every possible respect. We have handled only three 1194's prior to this: two low-grade pieces and a Very Fine. Under 20 examples are known in total, and the second highest grade was an EF that has been off the market since 1983. The combination of quality and rarity of this 1194 makes it an irreplaceable treasure that must be obtained in order to own the definitive Gold Certificate Collection. (15,000-up)

1583 **Fr. 1195 $50 1882 Very Fine.** Bright paper, good ink colors and very nice margins make this quite a desirable example of a difficult number. Although there are nearly 40 Friedberg 1195s known, only one example known to us grades About New or better. (1750-up)

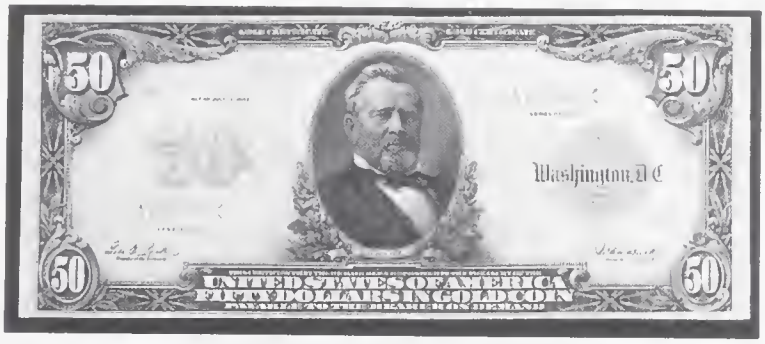
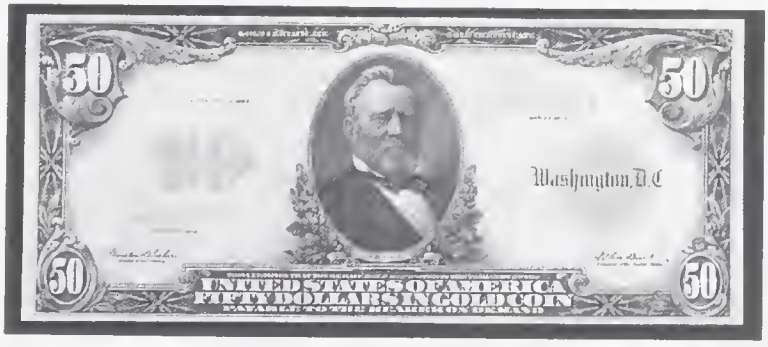
1584 **Fr. 1196 $50 1882 Very Fine.** This rare number is strictly original, and in spite of its use in circulation, it has retained its embossing as well as its full ink colors. The paper itself remains white and has far less surface soil than would typically be expected for this grade. The margins, both face and back, are large and even. Fr. 1196 is quite a rare number, with under 20 pieces traced to date, several of which are permanently impounded in government collections. No uncirculated example of this number is known to exist. (4000-up)

1585 **Fr. 1197 $50 1882 Choice About New.** From our November 1992 sale where the description read, "A Superb example with extraordinary margins and centering on both sides, perfect colors and great original paper quality. There is the most minute hint of a vertical fold which could easily be overlooked if the note were not subjected to extremely careful scrutiny." Our original description was evidently correct, because with that description in hand — and knowing what to look for — it took this cataloger quite some time to locate the single meaningless fold. The eye appeal of this note is unsurpassed by any other example we've ever seen. (3500-up)



1586 **Fr. 1198 $50 1913 Gem New.** An exquisite example of the type, with perfect colors, great paper originality and excellent margins. At the risk of repetitiveness, Dr. Cookson has outdone himself in his search for quality. (3500-up)



1587 **Fr. 1199 $50 1913 Gem New.** Bright, beautiful, original and essentially flawless. (3500-up)

1588 **Fr. 1200 $50 1922 Superb Gem New.** A broadly margined, beautifully bright, strictly original, drop dead gorgeous Gold Certificate. Dr. Cookson's impeccable eye for quality has located a truly Superb example to represent this popular type. (3500-up)

1588A **Fr. 1220a $50 1922 Superb Gem New.** Another incredible quality note from Dr. Cookson's irreplaceable holdings. This one is identical to the preceding Fr. 1200 in terms of quality, but it is a different catalog number due to the smaller serial numbers. (3500-up)

1589 **Fr. 1201 $100 1882 Very Fine.** Previously graded Extra Fine when sold as part of the James Stack Collection and listed that way in the census, but we can't get to that grade in good conscience. Nonetheless, this beautiful and extremely rare note is still the finest of the three examples in private hands, the other two both having been graded Fine. Prior to its appearance in the James Stack sale, it was Lot 550 from the Barny Bluestone sale of the Albert A. Grinnell Collection, where it realized the then very strong price of $175. Only seven pieces are known to us to exist, four of which are permanently impounded in government hands. This major rarity appears Extra Fine when viewed from the face, but the back, while its gold color remains bold and vivid, is worn sufficiently to lower the overall grade. There are also two tiny corner tips missing, neither one of which come anywhere near the design. Dr. Cookson acquired this note at auction in 1990 for $10,450, and we would be surprised if the current market did not take this extreme rarity to near triple that level. (25,000-up)

Fr. 1204 $100 1882 Large Red Seal
One Of Two Collectible Examples
The Finest Known

1590 **Fr. 1204 $100 1882 Choice Extra Fine.** One of the most important and exciting notes in Dr. Cookson's holdings, this Large Red Seal Hundred is the matching note to the Fifty appearing as Lot 1578. It was previously in the collection of Albert A. Grinnell where it was purchased by James Stack and remained in his collection for over 40 years until it was acquired at auction by Dr. Cookson in March of 1990 for $33,000. Four Fr. 1204's have been traced: two low-grade examples, both permanently impounded in government hands, and a Very Fine that has been off the market for over half a century and is not likely to appear any time soon. When this note was auctioned in 1990, no current collector or dealer had ever personally seen an example of the type. Since that evening, the note has resided in Dr. Cookson's collection and was justifiably one of his most prized possessions. This evening a new collector gets to add his name to the short pedigree of this irreplaceable treasure. The note itself is well margined, bright and stunningly attractive, with its medley of ink colors and pure white paper. The original embossing is still clearly evident and the note is separated from the Gem grade by four light vertical folds. It is our hope that this note and its companion Fifty remain together as they have been since they were acquired by Grinnell. (100,000-up)

1591 **Fr. 1205 $100 1882 Fine.** One of only seven pieces known to us, four of which are permanently impounded. Six of the seven notes are right around the same grade, with only one of the impounded notes grading higher (Extra Fine). This note is rather heavily circulated, with the soil that one would expect for the grade, but the paper still has some body and the inks have retained much of their original color. All three of the potentially available Fr. 1205's have changed hands in the last decade, but in the future the opportunity to purchase a Large Brown Seal Hundred could easily arise only once in a generation. (12,500-up)

1592 **Fr. 1206 $100 1882 Choice Extra Fine.** This number is one of the more available 1882 Hundreds, with about three dozen examples traced, however, the great majority are in low grade and only a single uncirculated example is known. This gorgeous Extra Fine is well up in the condition census, and in side-by-side comparison could easily be in the top five. It's strictly original, extremely well margined, bright and attractive. (1,500-up)

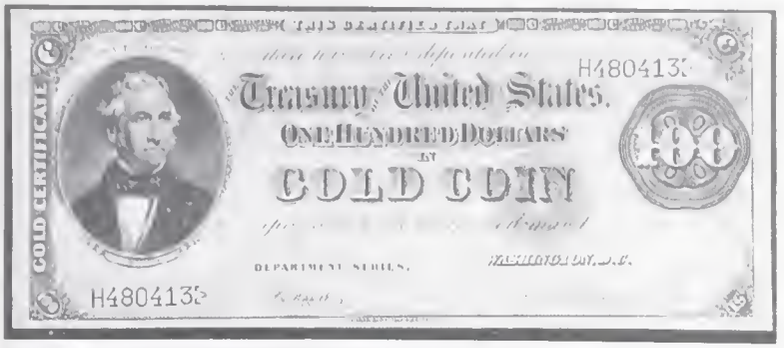
1593 **Fr. 1207 $100 1882 Choice About New.** Fully half of the 12 known examples are ensconced in government collections. Of the other half-dozen, none grade better than Very Fine. This note has previously been graded as Extra Fine, but we certainly don't agree. It's a Choice About New to our eye and would clearly be graded Gem New by the majority of viewers. Technical grade aside, this is one of the most lovely $100 Gold Certificates we have ever laid eyes on. Its printing is razor-sharp, the colors of the paper and inks are impeccable and the margins are extraordinary. Only when magnificent collections like Dr. Cookson's are sold can so many finest knowns be found. This finest known does not even have a close second in collectors' hands, and it is the finest even when museum pieces are considered. (12,500-up)

1594 **Fr. 1208 $100 1882 Choice About New.** This beauty is tied with one other example as the finest known of the under two-dozen pieces recorded to date. Its original paper surfaces are fully intact and the note grades less than Choice due solely to two minor corner tip folds. The inks are nearly 100% bright and the paper just slightly off its full brilliance. The eye appeal of this lovely note is not at all diminished by the minute hint of toning. An exceptional note. (4500-up)

1595 **Fr. 1209 $100 1882 Extra Fine.** This strictly original, crisp, fully bright note is near the top of the condition census of the three dozen known examples. Not a single uncirculated piece is known to us and only two grade as high as AU, one of which is in government hands. (2000-up)



1596 **Fr. 1210 $100 1882 Choice Extra Fine.** Brilliant colors, large margins and perfect original paper surfaces make this an extremely desirable note. As an added bonus, it's in the top six notes for condition of the under two-dozen pieces known to exist. This number includes the only known uncirculated note which resides in government hands. This beauty is another note acquired by Dr. Cookson from the James A. Stack Collection, Stack having acquired it directly from the Grinnell sale. (5000-up)

1597 **Fr. 1211 $100 1882 Choice About New.** In spite of this note's being the Napier-Thompson signature combination Hundred, it is actually one of the more common 1882 Hundred numbers, with slightly over 40 examples known. Nonetheless, this example is quite important as it is tied with only two others as the finest in collectors' hands. The single reported uncirculated example was in the James Wade Collection, then to Aubrey Bebee and now in the ANA museum. This note is strictly and obviously original, with excellent centering, perfect colors and tons of eye appeal. It would grade Gem New were it not for a single light center fold. (3000-up)

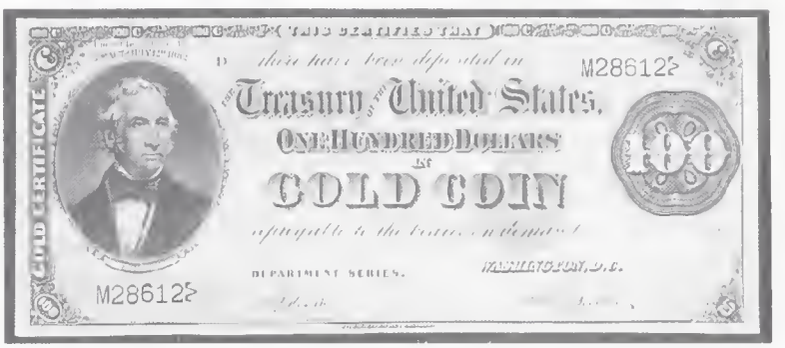
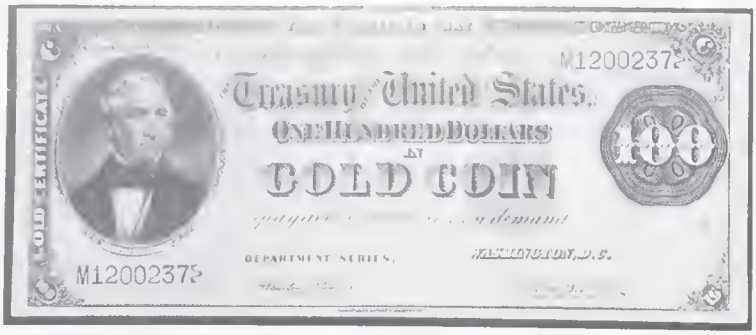
1598 **Fr. 1211 $100 1882 Choice About New.** This second example is every bit as nice. It's also one of the three in a tie for second finest known and for the finest known in collector hands. While not part of the Cookson Collection, we've placed it in this section to allow ease of side-by-side comparison for our lot viewers. This is an absolutely marvelous example, with strict paper originality, perfect colors and excellent margins. This note has been off the market since its appearance as Lot 140 in Bill Donlon's September 6, 1972 sale. (3000-up)

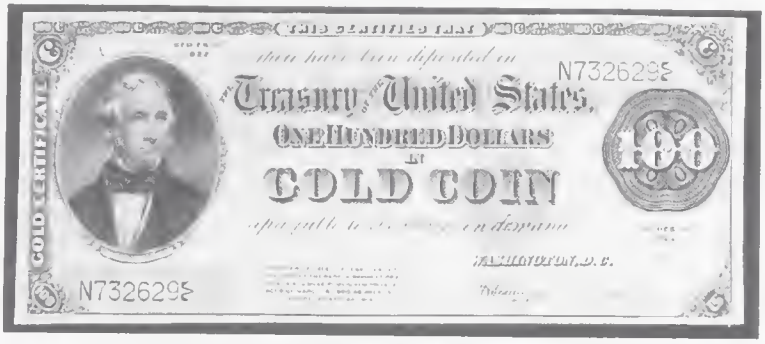


1599 **Fr. 1212 $100 1882 Extra Fine.** One of about 30 examples known and in the top four for reported grade. The only uncirculated note of the four is reported to be in government hands. This piece boasts excellent colors and strictly original paper surfaces as well as good centering. (2500-up)

1600 **Fr. 1213 $100 1882 Gem New.** Approximately 30 notes are known, about a quarter of which are in government hands. Only two notes are reported higher than EF, this note and a second uncirculated note whose current whereabouts are unknown, but which has had no market appearances. This is the first ever auction opportunity for the collecting public to purchase an uncirculated Fr. 1213. The note is an absolute beauty, with 100% full flashy colors of paper and inks, great original embossing and not a hint of a flaw. It's another credit to Dr. Cookson's tenacity in pursuing the very best (12,500-up)



1601 **Fr. 1214 $100 1882 Superb Gem New.** Huge margins, perfect colors and Superb original embossing. Fr. 1214 is the most common 1882 Hundred by a very wide margin, with over 200 examples known, making this an ideal candidate as a type note to represent the artistic beauty of these majestic C-notes. (7500-up)



1602 **Fr. 1215 $100 1922 Gem New.** A lovely example with broad even margins, perfect colors, excellent paper originality and powerful eye appeal. A perfect representation of this relatively common type. (5500-up)

Fr. 1215 "Gold Seal" Error

1603 **Fr. 1215 $100 1922 Extra Fine.** This spectacular Gold Certificate Error made its only market appearance in our May 1993 auction sale where it was acquired by dealer friend Stan Morycz. It was described there as, "A newly discovered variety with the normally seen Red Seal printed in the identical gold color used for the large word 'GOLD,' which appears on the front of the note, along with the designs behind the serial numbers. This yellow gold ink was placed on the seal plate after that same plate had been used to print the normal colored red seal on other notes, as under high magnification, tiny flecks of the normal red color can be seen at the edges of the yellow ink that composes the seal. One of our colleagues feels that these tiny red flakes indicate an alteration. However, after careful study, it is our strong opinion that this variety is perfectly genuine and the presence of the red flecks argues in favor of that genuineness. Unique to our best knowledge, this great note belongs in a collection of important errors." On reexamination six years later, our opinion of the genuineness of this error remains unchanged. The yellow ink used on a plate previously used for red has pulled out tiny red remainders from the recesses of the plate. Any chemical or physical attempt at alteration would yield totally different results. Dr. Cookson acquired this note shortly after our May 1993 auction through private treaty and it is the only Error Gold Certificate in his collection. (5000-up)

1604 **Fr. 1216 $500 1882 Extra Fine.** This important note is tied for finest known with three or four other examples. No finer piece is known, including those in government hands. Dr. Cookson acquired this note as lot 1993 of our November 1992 sale for $6050. It was described in that sale, "Very well margined with no defects of any kind and no disturbing circulation soil. When viewed from the face, it appears uncirculated at first glance." On reexamination, we like this note as much today as we did seven years ago. (12,500-up)

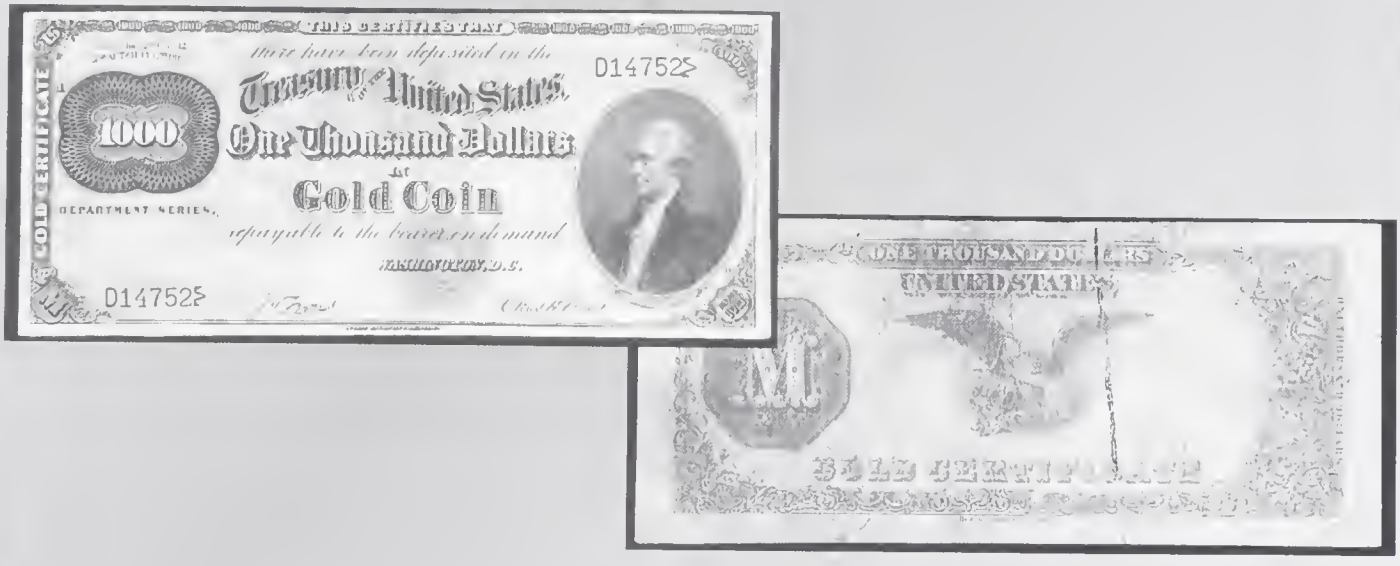
1605 **Fr. 1216a $500 1882 Very Fine-Extra Fine.** Acquired by Dr. Cookson from our May 21, 1993 sale at $5720. It was described there, "Very well margined and featuring extremely bright red, gold and black ink colors. The note has the full appearance of an Extra Fine from the face, with the few light folds that are present being visible mainly on the back. Best of all, this great note is 100% original." Our opinion certainly hasn't changed during the intervening years. The brightness, perfect originality and great margins combine with real rarity to make this a very important item. (12,500-up)

1606 **Fr. 1216b $500 1882 Choice Extra Fine.** No uncirculated example of this number has ever been reported, and only two pieces, neither of which we've seen, are graded About New. Less than 40 examples are known, and over 20 of those are reported to grade Fine or lower. This note is 100% original, with its paper embossing still evident and all the colors of inks and paper fully bright. It is another significant offering from this collection of Gold Certificates. (15,000-up)

1607 **Fr. 1217 $500 1922 Choice About New.** This absolutely magnificent $500 Gold is the finest example of this type that we have ever seen. It lays considerable claim to the grade of Gem New. There are two parallel folds near the left end of the face clearly caused during production of the note. The outermost of the two folds is a printed gutter fold (no white area in the ink) that caused a tiny butterfly corner in the left margin of the note when it unfolded after the note was cut. The second fold, about 3/4" into the note, is precisely parallel to the first and clearly production-caused. Minus this minor error, the note is flawless. It's incredibly bright in both its inks and paper, and the surfaces are impeccably original with the full embossing effect clearly evident. About 40 pieces are known in total, with no uncirculated notes reported. There are five AU's: this note, the Grinnell note which has not been seen since 1945, the Jim Thompson note, one in government hands and an example which we sold in January of 1997 which realized $18,700. We fully expect this incredible example to do far better. (25,000-up)

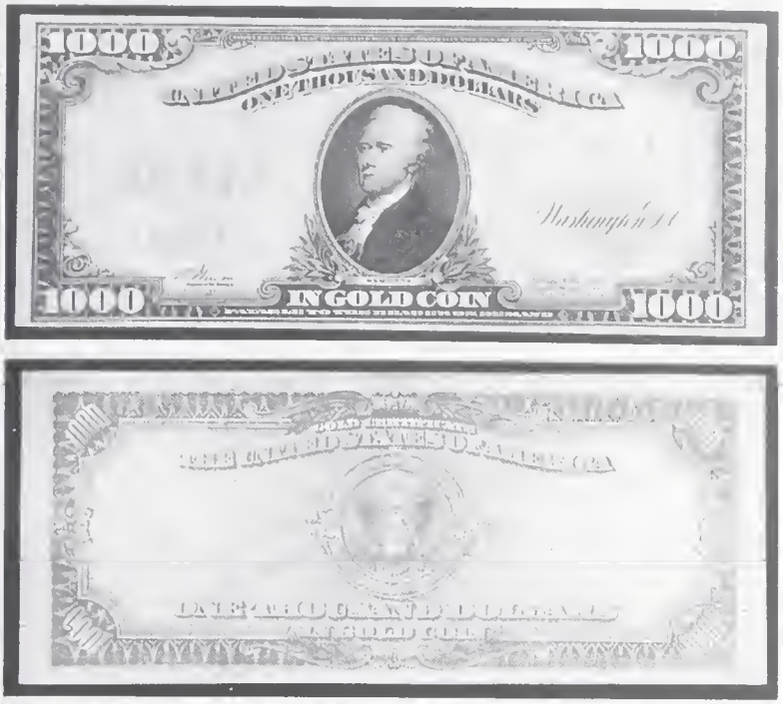
Two 1882 $1000 Golds

1608 **Fr. 1218f $1000 1882 Fine.** Acquired by Dr. Cookson as Lot 2022 of our September 1997 sale. It was described there, "This is the first opportunity we have had to offer any note of this design type to the collecting public. It's a new note to the census bringing the total known up to eight. Only three have ever been offered publicly, one of which has not resurfaced since a 1973 Superior sale. The other two pieces have changed hands in this decade: a Very Good in 1991 at $9500 and a Very Fine sold by Stack's in October of 1990 at $17,600 in a much weaker market. This piece, the first available in seven years, is a respectable Fine, with excellent colors and no defects. The note is quite well margined and it has retained almost all its original bright ink colors. This spectacular rarity would make an incredible addition to any advanced collection, as most collectors will never have the opportunity to obtain this type." In that sale, the note, which was estimated at $20,000, realized $33,000 after a protracted floor bidding contest. We would expect its value to have risen considerably in the past 18 months with the entrance of several new competitors for elite notes. (40,000-up)



1609 **Fr. 1218g $1000 1882 Choice Very Fine.** Four examples of this number are known, two of which are in government collections. This is the finer known of the two collectable notes. The only other known privately held Fr. 1218g was graded Very Good in a 1969 RARCOA sale and has not been seen since. In fact, only one finer example of an 1882 Thousand for any of the seven different signature combinations is known to be in private hands. That note, a 1218d, has not been seen since the Grinnell sale in 1945. The presently offered note first appeared in Florida in 1987. It changed hands twice privately and made its only public appearance in a 1993 auction sale where it realized $33,000. It's solidly Very Fine, with some claims to a higher grade. The ink colors are excellent, including the back, where the bold orange color remains as-printed. The note's only defects are a few tiny pinholes and a brown streak on the back that appears to have come from a degenerating rubber band and is likely easily removable. This note, in our opinion, is the premier high-denomination Gold Certificate in Dr. Cookson's Collection, and an important target for any collector setting his sights on a definitive holding of Gold Certificates. (60,000-up)

Fr. 1219 1907 $1000 Tied For Finest Known



1610 **Fr. 1219 $1000 1907 Fine.** Only six examples are known to exist, two of which are in government collections. Of the remaining four, two grade Very Good and this and one other are reported as Fine. This note is very well centered and the colors, although not 100% bright, remain excellent. This is the first Fr. 1219 that we have had the opportunity to handle, and the first auction appearance of a 1219 in nine years. Only when specialized collections such as Dr. Cookson's magnificent holdings of Gold Notes are sold do so many opportunities to acquire great rarities present themselves. The opportunity afforded by this number's appearance should not be overlooked. (20,000-up)

Fr. 1219d Second Finest of Seven Known

1611 **Fr. 1219d $1000 1907 Choice Very Fine.** Bright, attractive and strictly original with perfect paper surfaces as well as color and ink colors that are astounding for the grade. The back printing is particularly impressive, with a vividness and clarity that one would associate with an AU note. Only seven examples are known of this number, and only one, an Extra Fine, grades better than this note. This particular example was formerly part of the Jim Thompson Collection. (10,000-up)

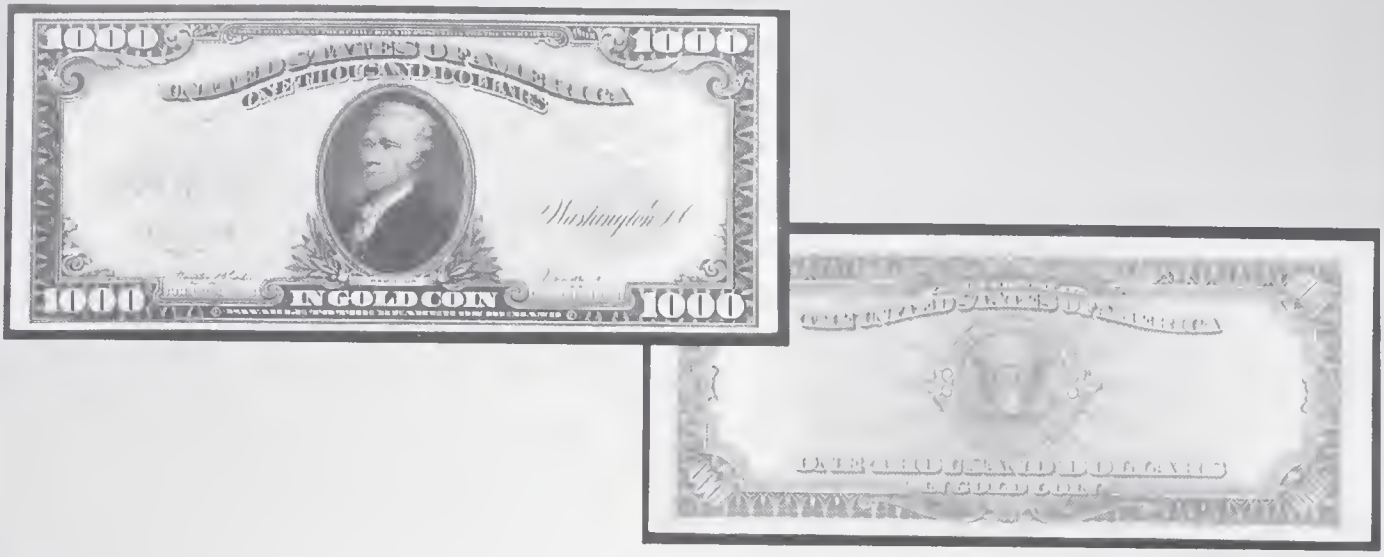
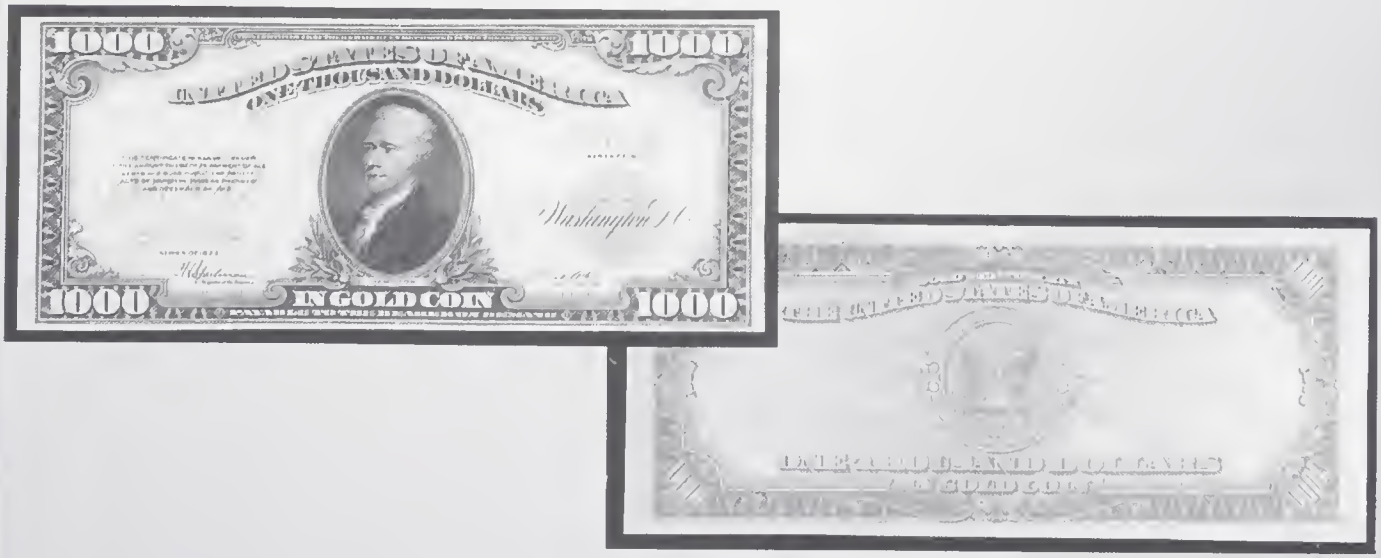
Choice New 1907 $1000



1612 **Fr. 1219e $1000 1907 Choice New.** Only three uncirculated 1907 Thousand Dollar Golds are in collectors' hands. Those three are consecutive notes of this Friedberg number. This is the third of those three consecutive notes. It was part of the Gil Steinberg Collection sold at auction in 1988 and later sold in 1993 as part of the Herman Halpern Collection. It's a gorgeous note, with excellent margins, perfect colors and good paper surfaces. We've sold only one other Fr. 1219e, an Extra Fine, in January of 1998 which realized $15,400. This gorgeous note is head and shoulders above that in quality, and we would not be at all surprised to see a realization in excess of... (40,000-up)

Choice About New 1922 $1000



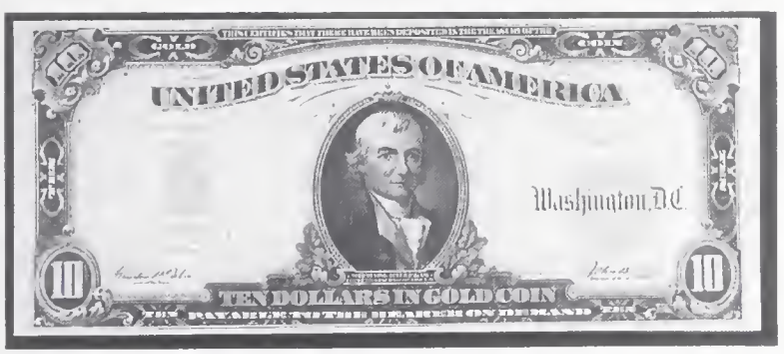
1613 **Fr. 1220 $1000 1922 Choice About New.** Acquired by Dr. Cookson from the Stack's sale of the Herman Halpern Collection in March of 1993, this is a gorgeous note with excellent margins, perfect colors and only the slightest hint of a fold that removes it from the Choice New grade. Only about 30 examples of this number are known, and only two are reported to be uncirculated: one in a government collection and one that has not been seen since 1984. We've handled one of the three that has been described as About New. That note (Lot 1989 4/16/1998) was a virtual twin of this for color, print quality and paper quality. This note, in our opinion, gets the edge for centering. In any event, that piece, which had been estimated at $15,000 realized $39,600 after a prolonged floor battle. This note should certainly equal if not exceed that number. (40,000-up)

1614 No Lot

1615 **Fr. 1225 $10,000 1900 Gem New.** This is a flawless example of this canceled and unredeemable Gold Note. It has strictly original surfaces, including embossing that is easily seen on this uniface note. Unlike the huge majority of its number, this note shows no water staining and quite obviously has never been wet, as its surfaces are pristine. Most all known examples reached the public's hand as a result of a 1935 Post Office fire, when a quantity of these wound up blowing down the street. Needless to say, most of the survivors are somewhat worse for the experience. This is one of the very best we have ever seen. (2000-up)

ADDITIONAL GOLD CERTIFICATES

1616 **Fr. 1171 $10 1907 Choice Extra Fine.** Strictly original. (125-up)



1617 **Fr. 1172 $10 1907 Choice About New.** Strictly original and problem free, this is a well margined and gorgeous note. Original AU's with this degree of eye appeal and paper quality invariably bring higher prices than their grade would suggest. We expect this beauty will do just that. (300-up)

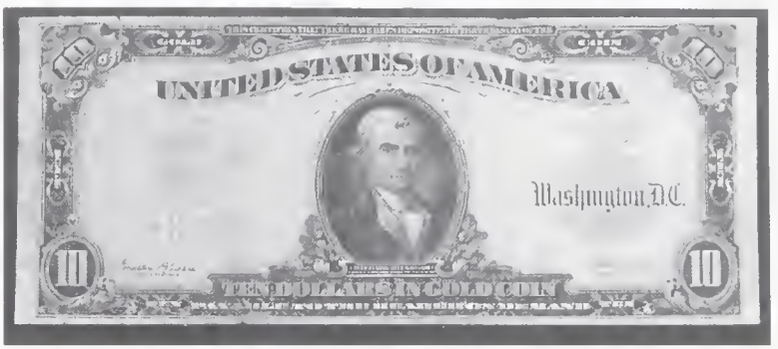
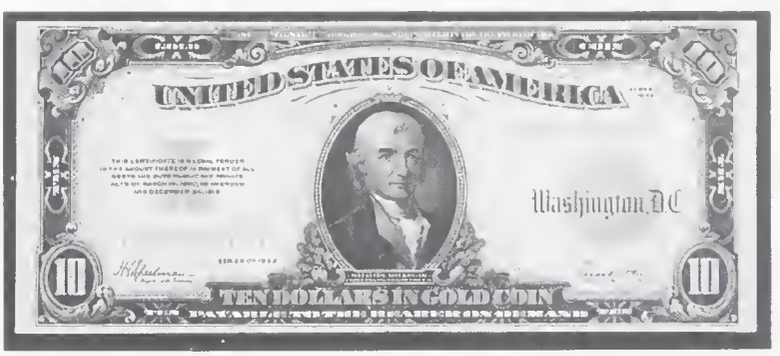
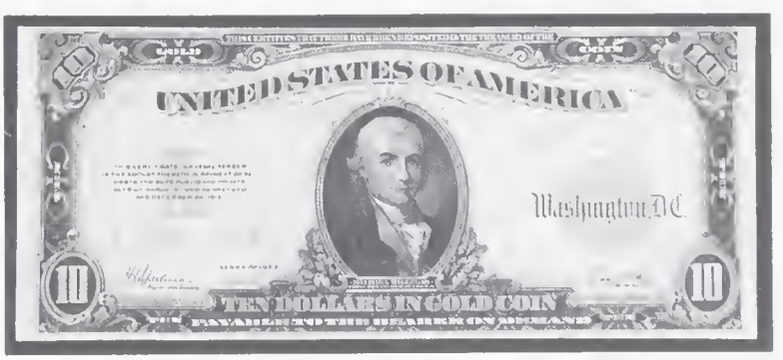
1618 **Fr. 1172 $10 1907 Star Note Choice About New.** Only an extremely light horizontal fold prevents the Gem grade for this Star Note. This is the face plate I variety with six examples known — three additional examples are known for face plate II. Of the nine pieces, only two are listed as CU, a short list that will become even shorter, as this lovely AU is one of the two. (2500-up)



1619 **Fr. 1172 $10 1907 Star Note Very Good.** This newly discovered note raises the census for the number to 10. It's the face plate I variety, raising that census to seven. (400-up)



1620 **Fr. 1173 $10 1922 Gem New.** This gorgeous $10 Gold has all its original embossing along with terrific margins and perfect color. (750-up)

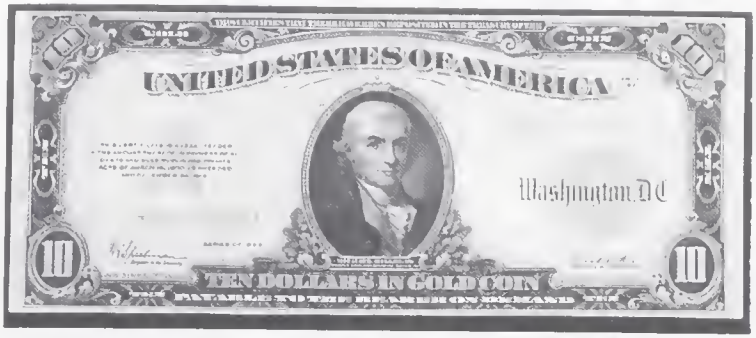


1621 **Fr. 1173 $10 1922 Very Choice New.** This beauty would be a Gem if the top margin were not a bit too tight (450-up)

1622 **Fr. 1173 $10 1922 Choice New.** Wholly original and a Gem in all respects but for the top margin, which is tight. (450-up)

1623 **Fr. 1173 $10 1922 Choice Extra Fine.** Bright and strictly original. (200-up)

1624 **Fr. 1173 $10 1922 Extra Fine.** Bright and original. (175-up)



1625 **Fr. 1173 $10 1922 Star Note Extra Fine.** A bright, good-looking example of this always popular Star Type. (450-up)

1626 **Fr. 1173 $10 1922 Very Fine-Extra Fine.** (150-up)

1627 **Fr. 1173 $10 1922 Very Fine.** Bright and original. (125-up)

1628 **Fr. 1178 $20 1882 Extra Fine.** This Gold Twenty has its handsome design enhanced by bright ink colors and pure white paper. It's a very pretty example of the type. (1500-up)

1629 **Fr. 1178 $20 1882 Very Fine.** Extremely good looking from the face, which appears XF or better, but the colors of the back are slightly muted. (750-up)

1630 **Fr. 1178 $20 1882 Very Good.** (175-up)

1631 **Fr. 1179 $20 1905 Choice About New.** This gorgeous Technicolor Twenty would grade Superb Gem were it not for the barest hint of a center bend that would be overlooked by all but the most skilled and diligent eye. The visual appeal is magnetic, and this beauty would slip nicely into the finest of Type Sets. (5000-up)

1632 **Fr. 1179 $20 1905 Choice Very Fine.** A circulated but nonetheless strikingly good-looking example of this scarce and extremely popular Technicolor Twenty. The margins are excellent as are the colors that give this note its nickname. (1500-up)

Gem 1905 Technicolor $20

1633 **Fr. 1180 $20 1905 Gem New.** Beautiful colors, terrific paper surfaces and excellent margins all come together on this lovely Technicolor Gold Twenty. Although high-grade examples of Technicolor Twenties cannot truly be considered rare, they certainly are very scarce, and their beauty as well as their extreme popularity always make them the recipients of considerable bidding pressures from both dealers and collectors alike. (11,000-up)

1634 **Fr. 1180 $20 1905 Choice Very Fine.** A circulated but nonetheless strikingly good-looking example of this scarce and extremely popular Technicolor Twenty. The margins are excellent as are the colors that give this note its nickname. (1500-up)

1635 **Fr. 1183 $20 1906 Superb Gem New.** Absolutely fresh, strictly original, very well margined and without a hint of a flaw. This truly remarkable $20 Gold is every bit the equal of the Cookson example. (1750-up)

1636 **Fr. 1183 $20 1906 Choice Extra Fine.** Hugely margined, perfectly bright and strictly original. There are no signs whatever of circulation. This is simply a Gem note with a few light folds. (450-up)

1637 **Fr. 1183 $20 1906 Choice Extra Fine.** Consecutive to the above lot and absolutely identical. (450-up)

1638 **Fr. 1187 $20 1922 Choice New.** Bright and attractive. (800-up)

1639 **Fr. 1187 $20 1922 Choice New.** A crackling fresh example, with perfect paper originality, excellent colors and decent margins. (800-up)

1640 **Fr. 1187 $20 1922 Choice About New.** This perfectly natural, magnificently bright note is one light fold away from perfection. It was the plate note from the Bill Donlon Large Size currency catalog and was also Lot 745 from his May 22, 1971 auction sale. This is the kind of AU that always realizes more than expected for the grade. (400-up)

1641 **Fr. 1187 $20 1922 About New.** Strictly original and beautifully bright, the grade goes down to AU due to a pinch fold about an inch long visible mostly on the back. (325 up)

1642 **Fr. 1187 $20 1922 About New.** A nice, original note with its full embossing evident and very strong ink colors both face and back. There is a tiny repaired split in the left face margin. (225-up)

1643 **Fr. 1187 $20 1922 About New.** There is a translucent stain in each corner and a short split at the top center. (175-up)

1644 **Fr. 1187 $20 1922 Choice Extra Fine.** Three light folds away from absolute perfection. (250-up)

1645 **Fr. 1187 $20 1922 Star Note Very Fine.** A new note to the census, which increases the already fairly large population toward the 80 mark. (500-up)

1646 **Fr. 1187 $20 1922 Very Fine.** Bright and strictly original. (175-up)

1647 **Fr. 1187 $20 1922 Very Fine.** Problem-free. (175-up)

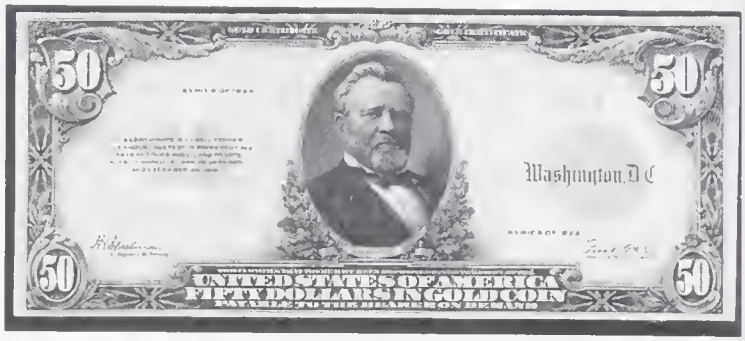
1648 **Fr. 1187 $20 1922.** Two nice original notes, one a bit better than **Very Fine** and one just a hair less. (2 pieces) (350-up)

1649 **Fr. 1193 $50 1882 Fine.** Well margined, bright and free of problems, this strictly original Gold Fifty makes a striking appearance in spite of its honest circulation. (700-up)

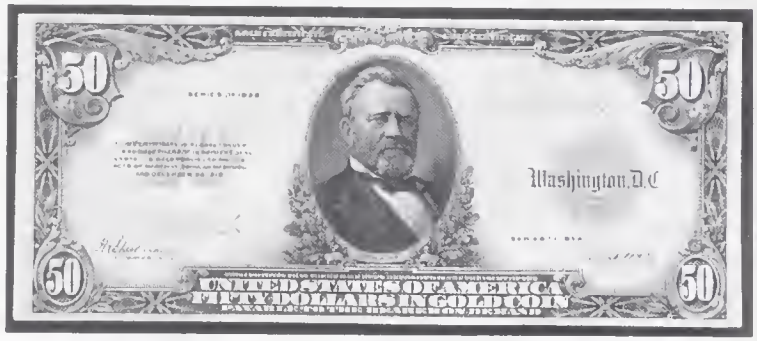
1650 **Fr. 1197 $50 1882 Choice About New.** A gorgeous example of this good-looking type, with bright, flashy color both face and back as well as large, even margins and great printing clarity. (3000-up)

1651 **Fr. 1199 $50 1913 Very Fine.** This note is the plate note from the Bill Donlon Large Size currency catalog and was also Lot 746 from his May 22, 1971 auction sale. The back is a bit soiled and the face shows some running of the red fibers. (600-up)

1652 **Fr. 1200 $50 1922 Very Choice New.** Well margined, bright and very attractive. (2250-up)



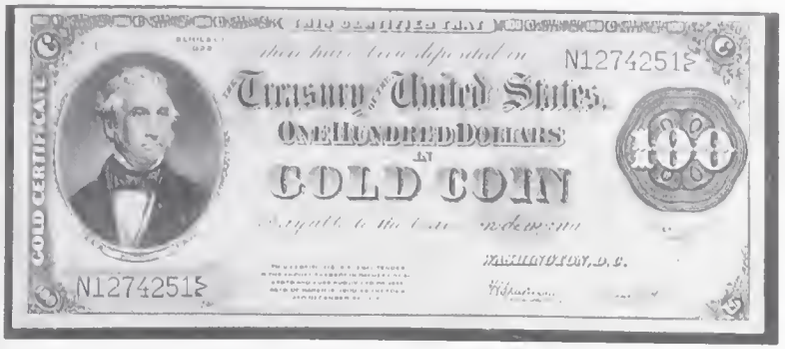
1653 **Fr. 1200 $50 1922 Choice About New.** An extremely light fold that can barely be located is all that separates this lovely Fifty from the Gem grade. (1200-up)



1654 **Fr. 1200 $50 1922 Very Fine-Extra Fine.** A nice, original note with no traces of actual circulation but a few too many folds for the full Extra Fine grade. (600-up)

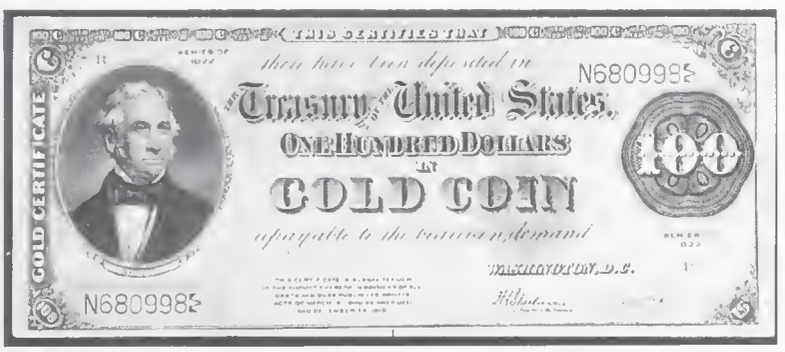
1655 **Fr. 1200 $50 1922 Very Fine.** The surfaces are a little flat, but the margins are excellent and the note is attractive. (500-up)

1656 **Fr. 1200 $50 1922 Choice Fine.** This strictly original Fifty lays some claim to the Very Fine grade. (450-up)



1657 **Fr. 1215 $100 1922 Very Choice New.** Very well margined and beautifully bright, with sharp printing and terrific colors. (3750-up)

1658 **Fr. 1215 $100 1922 Choice Extra Fine.** This Gold C-note is bright and strictly original. The colors, both face and back, are particularly bold. (1000-up)



1659 **Fr. 1215 $100 1922 Choice Extra Fine.** Strict originality, large margins and beautiful colors will make this classic Gold Hundred into a highly sought-after lot. (1000-up)

1660 **Fr. 1215 $100 1922 Choice Extra Fine.** Exceptionally well margined and with the paper and inks fully bright. (100-up)

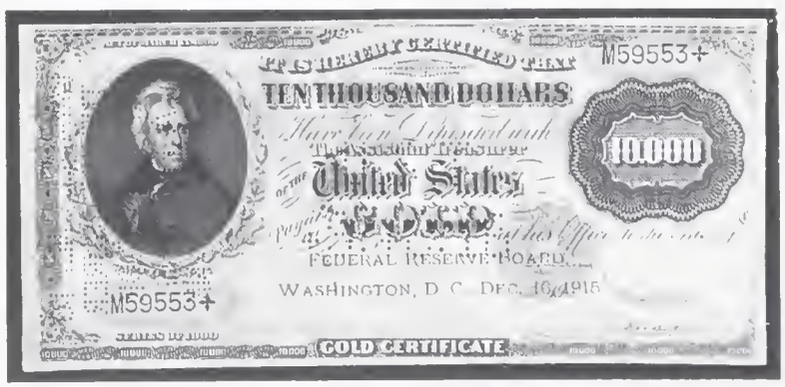
1662 **Fr. 1215 $100 1922 Choice Very Fine.** A strictly original example with bright colors and good body to the paper, this note is the plate note from the Bill Donlon Large Size currency catalog and was also Lot 747 from his May 22, 1971 auction sale. (650-up)

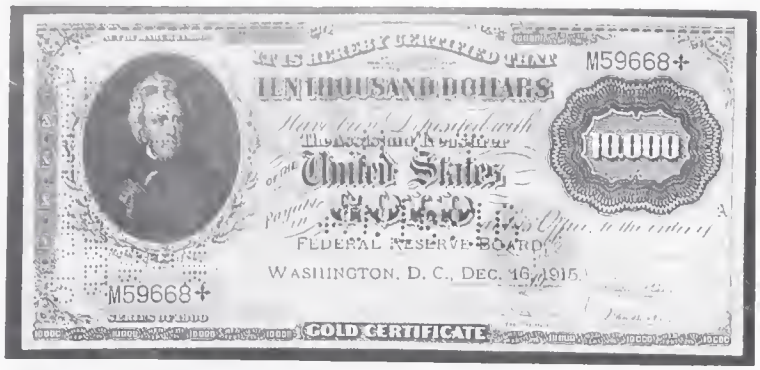
1663 **Fr. 1215 $100 1922 Choice Very Fine.** A strictly original, well margined and clean example. (650-up)

1664 **Fr. 1215 $100 1922 Choice Fine.** The colors, particularly of the face, would indicate a higher grade. (450-up)

1665 **Fr. 1225 $10,000 1900 Choice New.** The first of a consecutive pair. Both these notes have beautifully bright ink colors and excellent sharpness to the printing. On both examples, the hand signature of the assistant treasurer has faded but the notes are clean, bright and most attractive. (1500-up)



1666 **Fr. 1225 $10,000 1900 Choice New.** The second example consecutive to the above and identical. (1500-up)



1667 **Fr. 1225 $10,000 1900 Choice New.** There are indications that this note was once wet, as is the case with the great majority of these, but it lacks the stains that most possess. It is fully uncirculated, and the colors are extremely bright and the margins exceptional. (1500-up)

1668 **Fr. 1225 $10,000 1900 New.** Well margined and with strong ink colors, but the paper is aged and waterstained across its bottom third. The stains are likely the result of the note's having been in the 1935 Post Office fire. The original embossing is still present. (1000-up)

1669 **Fr. 1225 $10,000 1900 Extra Fine.** Unlike the normally seen examples which are machine cancelled at one end (with multiple small clean perforations spelling out words) this note is cancelled in the Colonial style with a hammered cross-cut X. None of the paper is missing, and the note at a glance seems uncirculated. There is a faded bank stamp imprint at the lower right. (800-up)

NATIONAL BANK NOTES

ALABAMA

1726 **Andalusia -** $5.00 1902 Fr. 607 **The Andalusia NB** Ch. # 11955

A nice evenly circulated example with clear signatures. **Fine+**. (150-250)

ARIZONA

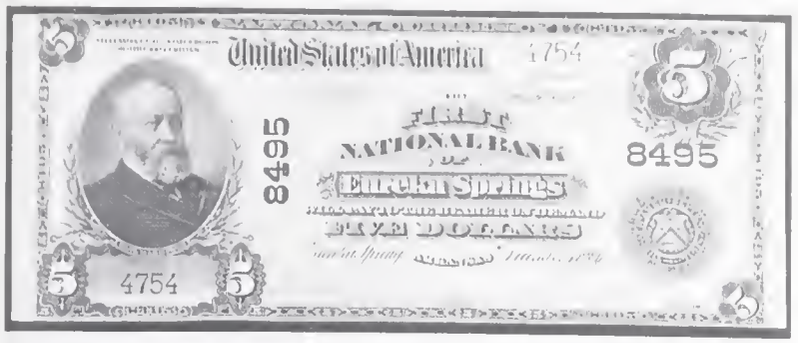
1727 **Phoenix -** $20.00 Ty. 1 **The Phoenix NB** Ch. # 4729

A decent small size example from a state where the supply is never great enough to meet the demand. **Fine**. (250-350)

ARKANSAS

1728 **Dardanelle -** $5.00 1902 Fr. 607 **The First NB** Ch. # 12276

An excessively rare note from the only National Bank to issue in Yell County. Our records indicate that this is the first public offering of any note from this bank ever, and, with over 222,000 listings in our data base, it's likely there won't be many others, particularly when, in this case, the bank issued large notes only and had but $575 outstanding when it closed in 1934. Well circulated **Very Good**, with a small interior tear, certainly rare enough to see bidding reach or exceed... (1250-2250)



1729 **Eureka Springs** - $5.00 1902 Fr. 600 **The First NB** Ch. # 8495

An excessively rare note from the only National Bank to issue in this NW Arkansas hamlet. This was the site of a dramatic bank robbery in September of 1922, when the Price Brothers, a notorious Oklahoma duo, along with three accomplices, held this bank up. Charley and George Price, along with another gang member, were all killed by the local citizens of Eureka Springs. The Kelly census lists three large notes known from here, with this example, from the Bish collection, easily the nicest we've seen. Bright **Very Fine-Extremely Fine**, with nice purple signatures, a great note worthy of the finest of collections. (1500-2500)

1730 **Rogers** - $5.00 1902 Fr. 607 **The American NB** Ch. #10750

Evenly circulated **About Fine** example with a short tear at the top. (400-600)

CALIFORNIA

1731 **Chico** - $20.00 Ty. 1 **First NT & SB** Ch. # 8798

About Fine northern California example. (150-200)

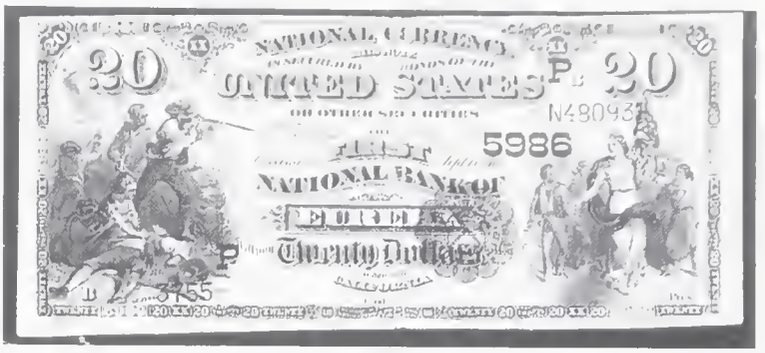
A Wonderful Run of Eureka Notes from the Bish Collection



1732 **Eureka** - $20.00 1882 Date Back Fr. 555 **The First NB** Ch. # (P)5986

A very scarce type and denomination from Eureka, with this the only $20.00 Date Back recorded in the California census. **Fine-Very Fine**, with considerable claim to the full Very Fine grade. (750-1250)

1733 **Eureka** - $50.00 1882 Date Back Fr. 563 **The First NB** Ch # (P)5986

A great note which is not only an excessively rare type and denomination for California but represents the only example of its type known from Eureka as well. **Fine**, certain to see considerable competition before the hammer falls. (2500-4500)

1734 **Eureka** - $5.00 1882 Value Back Fr. 574 **The First NB** Ch. # (P)5986

A scarce type which is one of only two $5.00 Value Backs from here in the census. Both are low grade, with this piece grading a well circulated but intact **Very Good**. (400-800)

1735 **Eureka** - $10.00 1882 Value Back Fr. 577 **The First NB** Ch # (P)5986

A considerably nicer Value Back than the lot above. Pleasing **About Fine**, with good margins for this issue (800-1200)

1736 **Eureka** - $10.00 1902 Fr. 654 **The First NB** Ch. # 5986

A more than acceptable **Very Fine** example, with clear black signatures. (200-400)

1737 **Eureka** - $20.00 1902 Fr. 660 **The First NB** Ch. # 5986

This is the nicest third charter example we've seen to date for sale from here. **Very Fine-Extremely Fine**. (250-500)

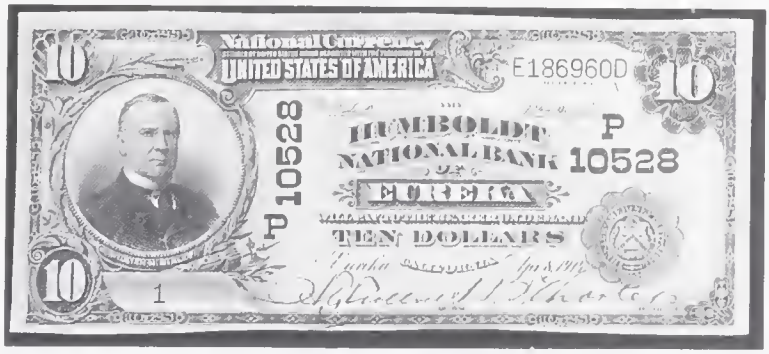
1738 **Eureka** - $10.00 Ty. 1 **The First NB** Ch. # 5986

Small notes are considerably scarcer from here than are large, and we are fortunate to have two nice ones to choose from. **Very Fine+**. (200-300)

1739 **Eureka** - $20.00 Ty. 1 **The First NB** Ch. # 5986

A very scarce denomination, and very nice as well. **Extremely Fine**. (250-450)

Excessively Rare Large Size Serial Number 1 Cut Sheet

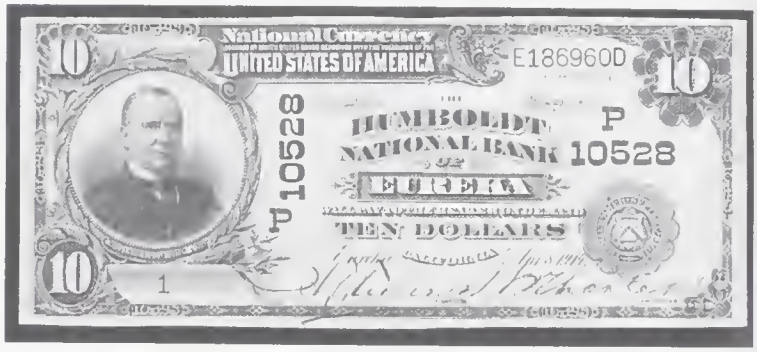


1740 **Eureka** - $10.00 1902 Fr. 631 **The Humbolt NB** Ch. # (P)10528

The "A" position note from this serial number 1 cut sheet. Six notes are listed in the census for this bank, and four of them are offered here. This cut sheet has been in the possession of our consignor for many years, and, of the other two pieces, only one has ever reached the market, that coming when the Krakover Collection was sold in 1990. Interestingly, this note, as well as the other three pieces, was originally signed by the Cashier and Vice President, and was then oversigned by the bank's President, H.F. Charters. Mr. Charters, from whose family our consignor obtained this sheet, served as the only President of the Humboldt NB. After only seven years in business, the bank failed and Mr. Charters became Vice President of the First NB of Eureka, holding that job until 1931. **Choice Crisp Uncirculated**. (2500-4500)

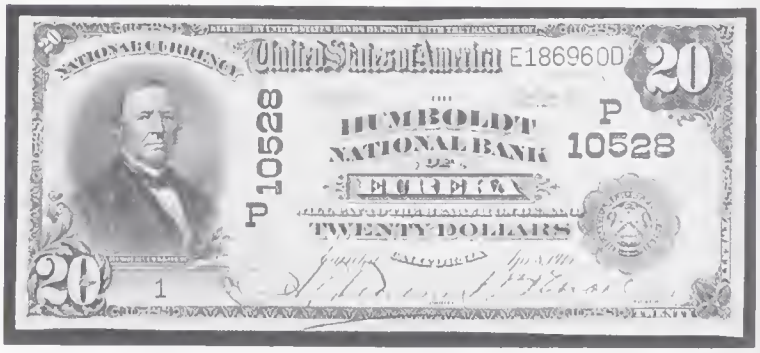
1741 **Eureka** - $10.00 1902 Fr. 631 **The Humboldt NB** Ch. # (P)10528

The "B" position serial number 1 note. This is the only note of the four to have any noticeable evidence of handling, as there are two light creases which in truth are quite unimportant. **About Uncirculated**. (2000-4000)



1742 **Eureka** - $10.00 1902 Fr. 631 **The Humboldt NB** Ch. # (P)10528

The "C" position serial number 1 note. This piece is a lovely example. It does have an old sheet fold in the top margin, but the note itself is bright and totally untouched. **Choice Crisp Uncirculated**. (2500-4500)



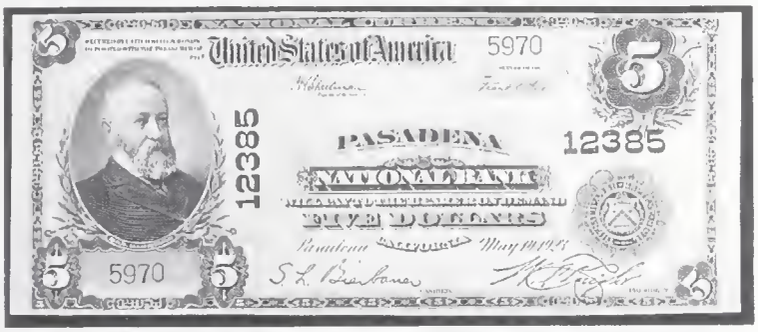
1743 **Eureka** - $20.00 1902 Fr. 657 **The Humboldt NB** Ch # (P)10528

The bottom note on this serial number 1 sheet, and, of course, the only $20.00. The corner tips are folded, but the note is otherwise untouched and fully original. **Choice Crisp Uncirculated**. (2500-4500)

Unique Merced Brown Back

1744 **Merced** - $10.00 1882 Fr. 483 **The First NB** Ch. # 3733

An incredible note which turned up in a Connecticut estate within the past few months and was consigned directly to us. This bank issued Brown Backs only for just four years, and, after its demise in 1891, had but $470 outstanding in 1910. While we hesitate to label anything as unique forever, it's as good a bet as anything in numismatics that another note is not likely to be offered from here until perhaps the millennium after this one. Nice **Fine**, a true miracle of survival likely to see bidding reach or exceed... (4000-8000)



1745 **Pasadena** - $5.00 1902 Fr. 609 **Pasadena NB** Ch. # 12385

A lovely example from this avidly collected Los Angeles County community. This is easily the finest large note we've handled or even seen from this bank. Bright **Extremely Fine** with engraved signatures, a premium example deserving a substantial bid. (500-900)

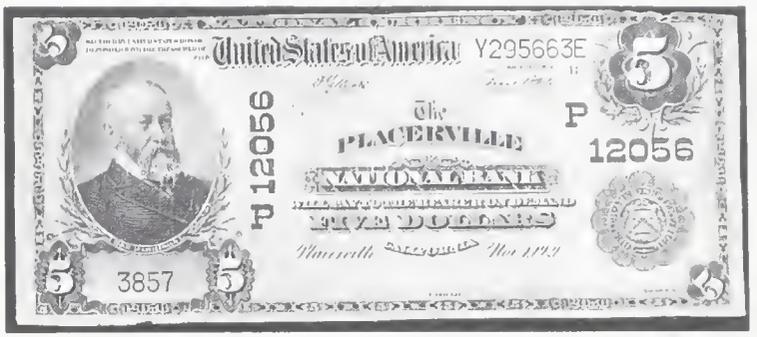
1746 **Petaluma** - $20.00 1902 Fr. 653 **The Sonoma County NB** Ch. # 9918

Large notes only from this bank. Although the census lists a fair number of pieces, our records indicate a total of only eight offerings from here over the past 50 years, with the last coming some five years ago. **Very Good-Fine**. (300-500)



1747 **Placerville** - $5.00 1902 Fr. 608 **The Placerville NB** Ch. # (P)12056

A scarce large note from the only bank in El Dorado County to issue. This example is similar to all of the others we've seen from here over the years, with a close top margin accompanied by a bit of fraying. **Very Good**, the signatures gone, but rare enough to see bids reach or exceed... (600-1000)

1748 **Redding**- $20.00 Ty. 1 **The Northern California NB** Ch. # 10100

This note, from Bill Bish's collection, marks the first time any example from this bank has been publicly offered to the collecting fraternity. In business for only three years, the bank issued large fives only before liquidating in 1924. Well circulated but fully intact **Very Good**, difficult to estimate but if rarity is any guide, expect the hammer to fall somewhere in the range of... (1750-3250)

1752 **San Francisco** - $5.00 Original National Gold Bank Note Fr. 1136 **The First National Gold Bank** Ch. # 1741

A new piece to the census, and one of the nicest examples we've seen recently. The margins are good, the overprint is bold, and the all important gold coin vignette is as sharp as one could hope for. Bright **Fine-Very Fine**, a most pleasing example. The note is accompanied by a check on the First National Gold Bank of San Francisco from the Seal Rock Tobacco Co., with a neat vignette of seals cavorting on the rock. (1500-2000)

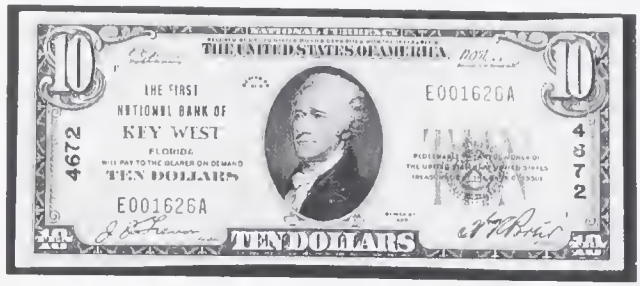
A nice **Very Fine** blue seal along with bronze ingot, struck in high relief, commemorating the bank's 175th anniversary in 1984. The ingot bears a lovely portrait of a large size $10.00 from the NB of Washington. (150-250)

FLORIDA



1785 **Key West** - $10.00 Ty. 1 **The First NB** Ch. # 4672

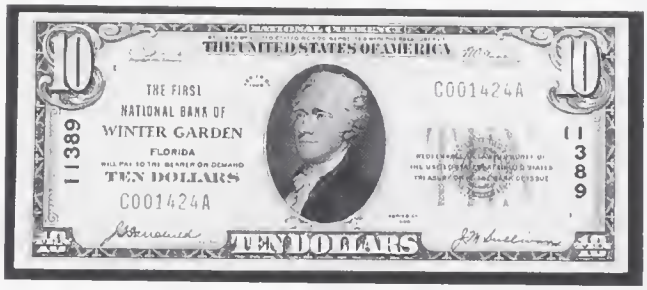
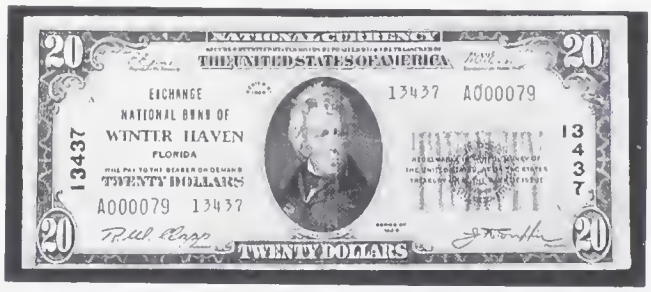
1786 **St. Petersburg** - $5.00 1902 Fr. 609 **The Alexander NB** Ch. # 12623

A scarce bank which issued large notes only during its barely two years in existence. The Kelly census lists five notes known, which tracks nicely with our data, which records five appearances over the past five decades. **About Fine**, with some light staining covering much of the note. (600-900)



1787 **Winter Garden** - $10.00 Ty. 1 **The First NB** Ch. # 11389

A bank which is just plain rare in small size. This is the first example of any kind to be offered from here in seven years, and the first Series 1929 note from here to appear for over a decade. **Extremely Fine**. (800-1400)



1788 **Winter Haven** - $20.00 Ty. 2 **Exchange NB** Ch. # 13437

A nice **Fine** example from this always in demand community. (350-550)

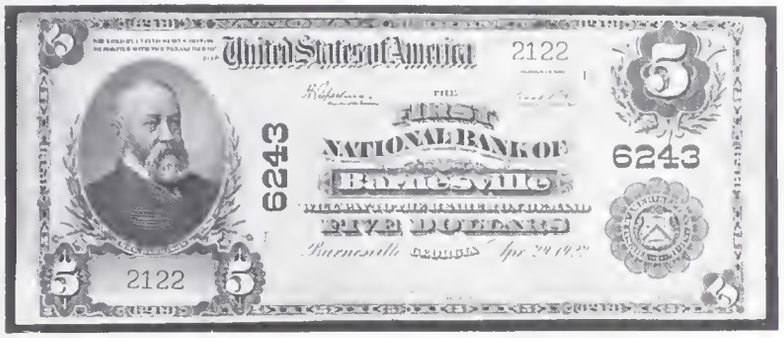
1789 **Winter Haven** - $20.00 Ty. 1 **Exchange NB** Ch. # 13437

Not quite as nice as the example above, with Jackson's portrait looking like the bad guy portrait at the police shooting range. **Very Good**, with numerous pinholes. (150-250)

GEORGIA

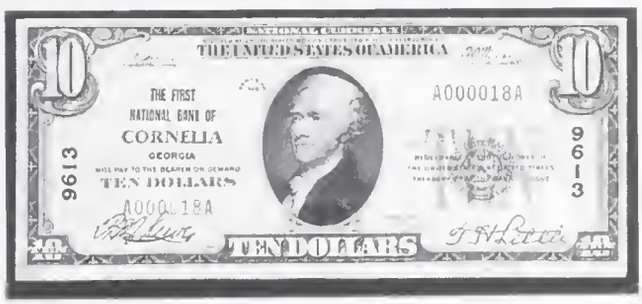
1790 **Atlanta** - $20.00 1882 Date Back Fr. 555 **The Lowry NB** Ch. # (S)5318

A decent circulated example of this tougher type. **About Fine**. (150-250)



1791 **Barnesville** - $5.00 1902 Fr. 609 **The First NB** Ch. # 6243

A very typical small town Georgia bank with a fair number of examples listed in the Kelly census, but a dearth of appearance in recent years, as most of the Georgia holdings are in stable hands which have not disposed of any notes in the past two decades. The most recent appearance of any note from here, for example, took place back in 1985. **Fine**, the signatures faded but still visible.(450-750)



1792 **Cornelia** - $10.00 Ty. 1 The **First NB** Ch. # 9613

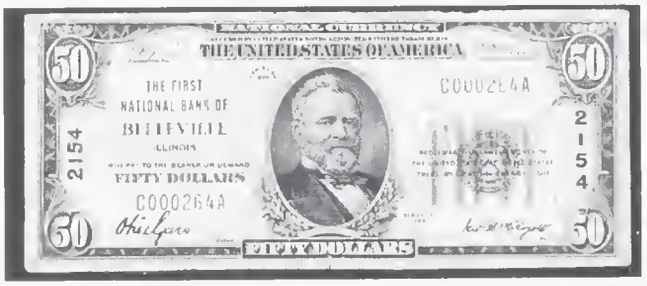
IDAHO

1794 **Salmon** - $5.00 Ty. 1 **The Citizens NB** Ch. # 9432

An always popular town name in a well collected state. **Very Good+**, with no problems whatever. (250-350)

ILLINOIS



1795 **Belleville** - $50.00 Ty. 1 **The First NB** Ch. # 2154

1797 **Chicago** - $10.00 1902 Red Seal Fr. 613 **The Commercial NB** Ch. # (M)713

1801 **Geneseo** - $5.00 1882 Date Back Fr. 534 **The Farmers NB** Ch. # (M)2332

This very scarce Geneseo bank is by far the tougher of this community's two issuing banks, with this note the only early example we've ever seen on the bank. It's ornate layout, used only on notes of this denomination, is as nice as virtually any we've encountered. Pen signed **Fine-Very Fine**, with some very light discoloration which really detracts very little from the appeal of this desirable note. (450-850)

1802 **Harrisburg** - $10.00 1902 Fr. 626 **First NB** Ch. # (M)4003 **About Fine**

1808 **Malta** - $20.00 1882 Fr. 504 **The First NB** Ch. # (M)5815

A great Illinois rarity, as this bank issued only a literal handful of large notes, having only $320 outstanding in 1935. Needless to say, this is the only Brown Back we've every handled from here, and it is a winner, with only a minimal amount of wear and two color pen signatures of Joseph C. Pierce and B.B. Smiley, V. President. **Very Fine-Extremely Fine**. (1000-2000)

1809 **McLeansboro** - $10.00 1902 Fr. 624 **The First NB** Ch. # (M)6649

This is an extremely rare bank where the Kelly census lists just two large notes extant. We sold an absolutely wretched example back in May of 1998, which, even in deplorable grade, realized $242.00. This example, grading a nice **About Fine** with strong signatures, is light years better. Expect to see bidding end in the range of... (600-900)

1810 **Mendota** - $10.00 1902 Fr. 632 **The Mendota NB** Ch. # 5083

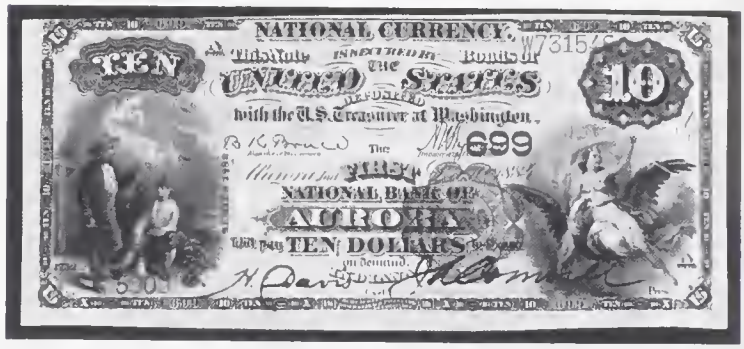
A very rare note from the only bank to issue in Schuyler County. This bank issued First Charters only before being liquidated in 1884, and has only four such examples recorded in the Kelly census. Pen signed **Fine**, a note worthy of a strong bid. (500-900)

1818 **Ziegler -** $5.00 Ty. 2 **The First NB** Ch. # 12097

An always popular note needed to complete an A-Z city set. **Very Good**. (125-225)

INDIANA



1819 **Aurora -** $10.00 1882 Fr. 480 **The First NB** Ch. # 699

1820 **Bedford -** $10.00 1902 Fr. 632 **The Bedford NB** Ch. # 5187

A nicely margined and attractively pen signed example from this scarcer bank. The Kelly census of nine large notes likely includes few this pretty. **Choice Crisp Uncirculated**. (400-600)

1826 **Fortville** - $10.00 1902 Fr. 626 **The First NB** Ch. # 9299

A very scarce note from the only bank to issue in this rural Hancock County community. The Kelly census lists only five large notes from here, which is in line with the meager $1330 outstanding in large notes from this bank. Bright **Fine-Very Fine**. (400-600)

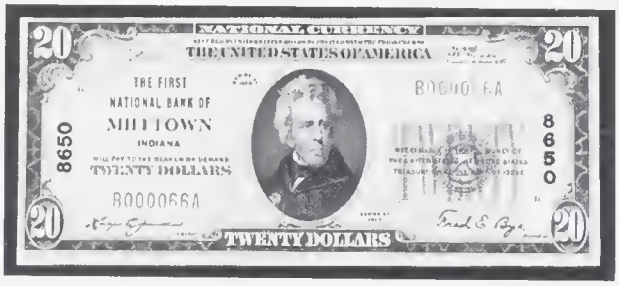
Uncirculated Medaryville

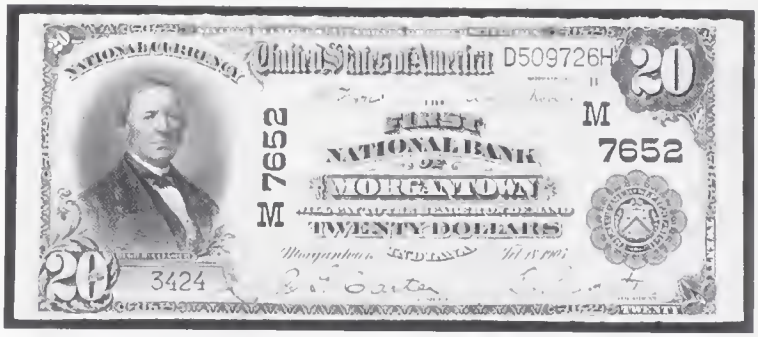
1833 **Medaryville** - $20.00 1902 Date Back Fr. 644 **The First NB** Ch. # (M)8537

An excessively rare note which combines great rarity and exceptional condition. Only one note is reported in the Kelly census from this tiny Pulaski County bank, which issued only a minuscule quantity of large notes before entering receivership in 1927. This is the first such example we've had or even seen for sale, and it is a beauty, featuring pen signatures and being just as bright as the day it was printed. **Choice Crisp Uncirculated**, difficult to estimate but certain to be a most popular item. (1250-1750)



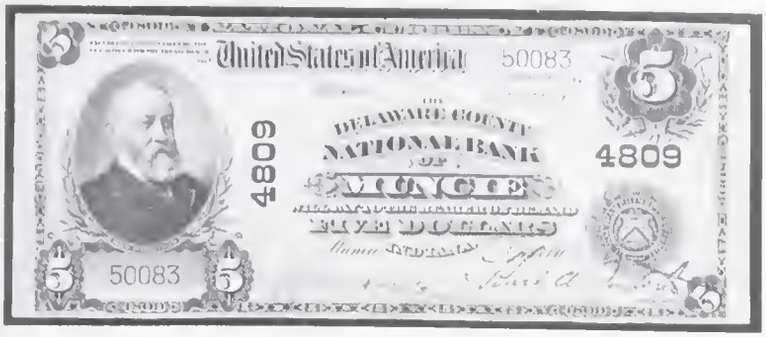
1834 **Milltown** - $20.00 Ty. 1 **The First NB** Ch. # 8650

A scarce note from this small one bank community. **Choice Crisp Uncirculated**. (250-450)



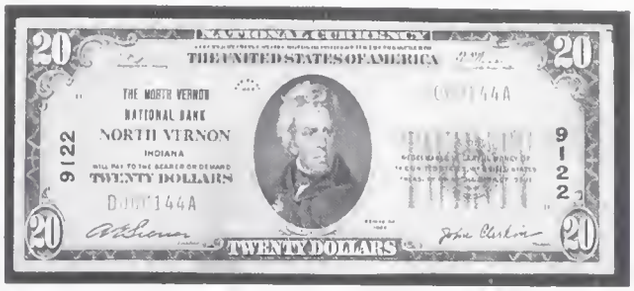
1835 **Morgantown** - $20.00 1902 Fr. 650 **The First NB** Ch. # (M)7652

A lovely example from this family owned bank, with delicate blue pen signatures of J.G. Carter and J.E. Carter. The top margin was likely torn with a straight-edge, being just a touch uneven, but the note is otherwise exceptional. **Choice Crisp Uncirculated**. (350-650)



1836 **Muncie** - $5.00 1902 Fr. 602 **The Delaware County NB** Ch. # 4809

A nice **Choice Crisp Uncirculated** example with just the slightest evidence of light foxing. (350-550)

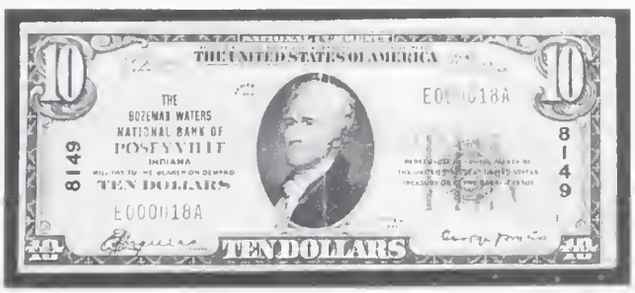


1837 **North Vernon** - $20.00 Ty. 1 **The North Vernon NB** Ch. # 9122

This is the scarcer of North Vernon's two issuing banks, with a total of only five small examples listed in the Kelly census. **Fine**, with a couple of areas of light staining. (225-425)

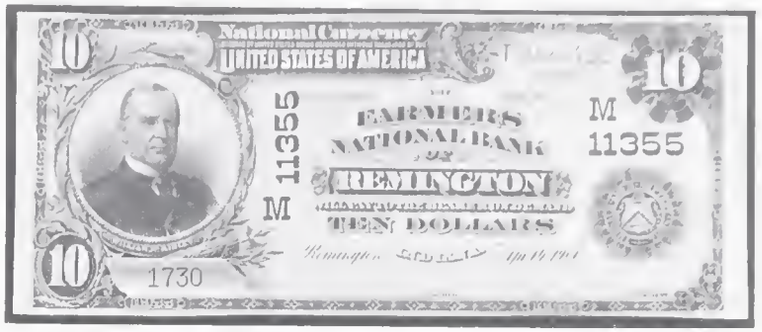
1838 **Petersburg** - $10.00 Ty. 1 **The First NB** Ch. # 5300

A very scarce note from this one bank location. (200-400)



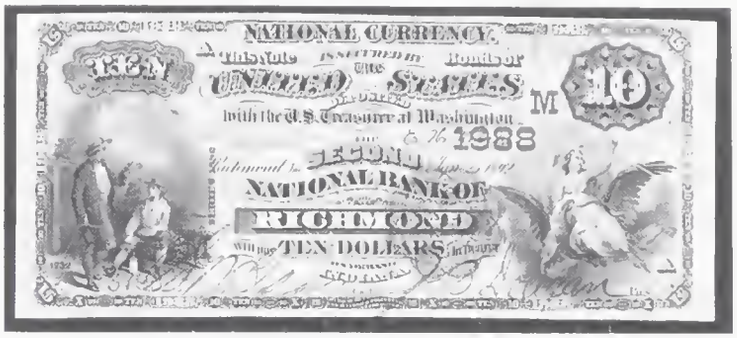
1839 **Poseyville** - $10.00 Ty. 1 **The Bozeman-Waters NB** Ch. # 8149

An extremely scarce private name bank with only four small examples reported in the Kelly census. Our records indicate no offerings of any kind, large or small, from here since 1993. **About Fine**. (300-600)



1840 **Remington** - $10.00 1902 Fr. 632 **The Farmers NB** Ch. # (M)11355

This example is the nicest note we've seen from this bank, especially since, unlike the large majority of examples we've handled, the signatures here are not faded away but are instead bright purple and fully readable. **Choice Crisp Uncirculated**, a note which has been off the market since our consignor purchased it in a 1983 Hickman-Oakes auction. (400-800)



1841 **Richmond**- $10.00 1882 Fr. 485 **The Second NB** Ch. # (M)1988

1842 **South Bend** - $100.00 Ty. 1 **The Citizens NB** Ch. # 4764

The sheet mate to the example we sold in October which realized a surprising $907.50. We now have two examples from this same sheet to offer. **Crisp Uncirculated**. (400-800)

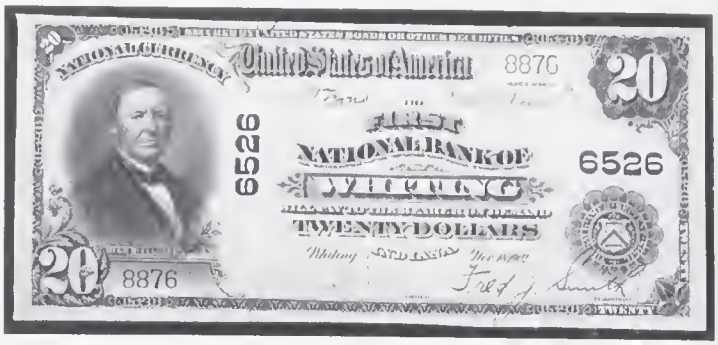
1846 **Warren** - $10.00 1902 Fr. 624 **The First NB** Ch. # (M)7930

A lovely example from this very scarce location. This was the sole bank to issue from this Huntington County hamlet, with the Kelly census recording only two notes. **Extremely Fine**. (600-1000)



1847 **Whiting** - $20.00 1902 Fr. 650 **The First NB** Ch. # 6526

A great northern Indiana note with a Kelly census population of two large uncut sheets and two large single examples. This outstanding note is one of the two singles. **Choice Crisp Uncirculated**, with two color pen signatures, just the lightest of handling marks shy of superb gem new, and a note guaranteed to please even the most selective of collectors. (600-1000)

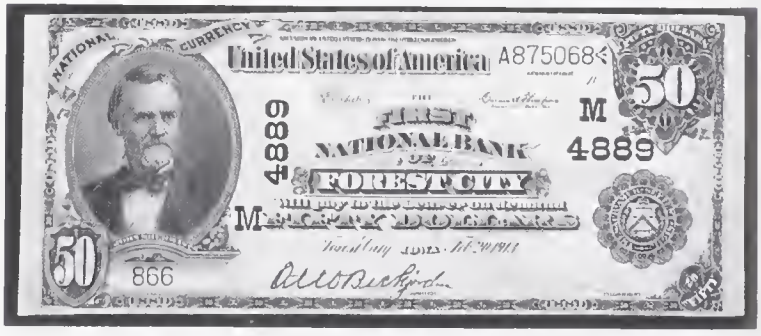
IOWA



1850 **Forest City** - $50.00 1902 Date Back Fr. 672 **The First NB** Ch. # (M)4889

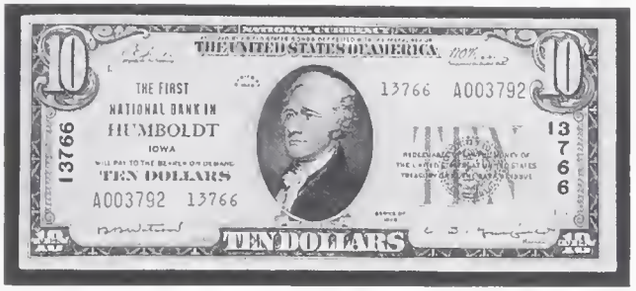
A high denomination example with so much going for it it's hard to know where to begin. This bank issued large notes only, with the last public offering of any kind from here coming back in 1979. It bears the Napier-Thompson signature combination, which is truly scarce on high denomination notes, and it's a most attractive piece as well, with bright two color signatures and light, even circulation. In short, this is one of the most appealing Iowa notes we've seen offered in the past decade or so. **Very Fine**. (800-1400)

1851 **Humboldt** - $10.00 1902 Fr. 625 **The First NB** Ch. # (M)8277

A scarce large size note, with the total population in large recorded as five notes in the Kelly census. This piece is a pleasing, no problems **Fine-Very Fine** example, with sharp pen signatures. (300-400)

1852 **Humboldt** - $20.00 Ty. 1 **The First NB** Ch. # 8277

A nice match to the large note from here offered above. **Fine**. (125-225)

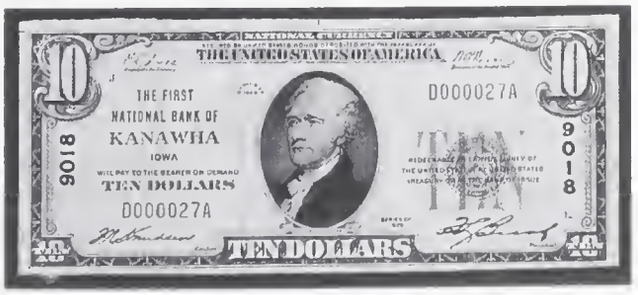


1853 **Humboldt** - $10.00 Ty. 2 **The First NB** Ch. # 13766

The successor bank to the former First NB, which entered receivership in 1933. This is a scarce bank from which to find any note, with our records showing only four offerings of any kind from here over the past five decades. This piece also happens to be the very last note issued from here, bearing serial number 3792 in an issue of 3792 pieces. **Very Fine**. (200-400)

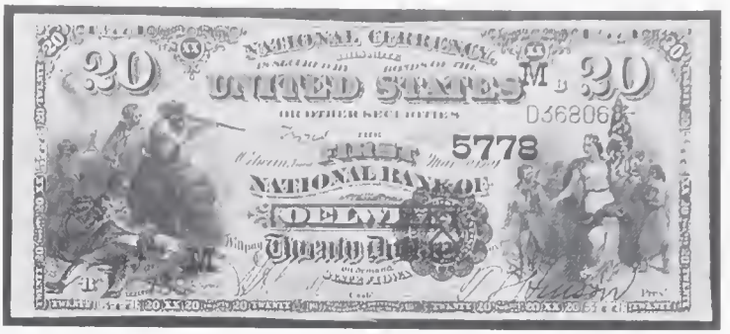
1854 **Iowa City** - $20.00 1902 Fr. 650 **The First NB** Ch. # 18

A note which is always in demand for its low charter number. **Very Good**, with no problems other than honest circulation. (125-225)



1855 **Kanawha** - $10.00 Ty. 1 **The First NB** Ch. # 9018

Type 1 examples only in small size before this bank entered receivership in 1933. **Fine-Very Fine**. (150-250)



1856 **Oelwein** - $20.00 1882 Date Back Fr. 555 **The First NB** Ch. # (M)5778

1858 **Strawberry Point** - $10.00 1902 Fr. 626 **The First NB** Ch. # (M)9069

One of the great town names in Nationals, and from a rare bank as well. We have recorded a grand total of only one offering of any kind from this bank in our data base of over 222,000 listings which cover a five decade period, a 1986 fixed price offering. **Very Good+**, with a totally unimportant repaired split at the bottom. A great note worth whatever it costs to obtain. (1000-1500)

1859 **Clinton** - $5.00 Ty. 1 **City NB** Ch. # 2469 **VF-EF**

Dubuque - $10.00 Ty. 1 **First NB** Ch .# 317 **VF**

Waterloo - $5.00 Ty. 1 **Pioneer NB** Ch. # 5120 **F-VF**

Waverly - $20.00 Ty. 1 **First NB** Ch. # 3105 **VF**

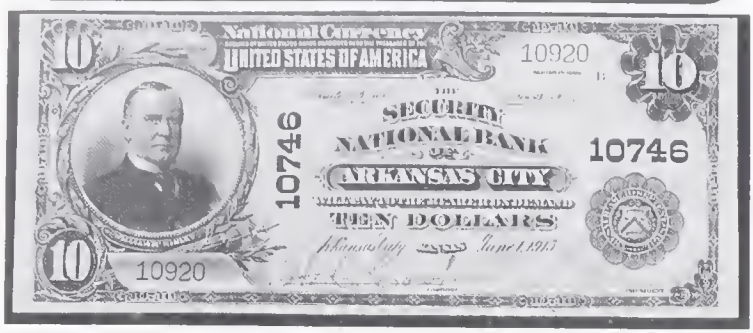
KANSAS



1860 **Arkansas City** - $10.00 1902 Fr. 632 **The Security NB** Ch. # 10746

A much above average large example from this elusive bank. Bright **Very Fine-Extremely Fine**, with bold violet signatures. (200-300)

1861 **Eureka** - $5.00 1902 Fr. 607 **The Citizens NB** Ch. # 5655

Very Fine, trimmed a bit close at the bottom. (250-450)

Crisp Uncirculated, just a bit too close at the bottom right for the Choice designation. (125-225)

1864 **Horton** - $20.00 1902 Fr. 652 **The First NB** Ch. # 3810

A pleasing, evenly circulated large example. **Fine-Very Fine**, with bright purple signatures. (150-250)

1865 **Hoxie** - $10.00 1882 Value Back Fr. 577 **The First NB** Ch. # (W)5687

1866 **Humboldt** - $20.00 Ty. 1 **Humboldt NB** Ch. # 6963

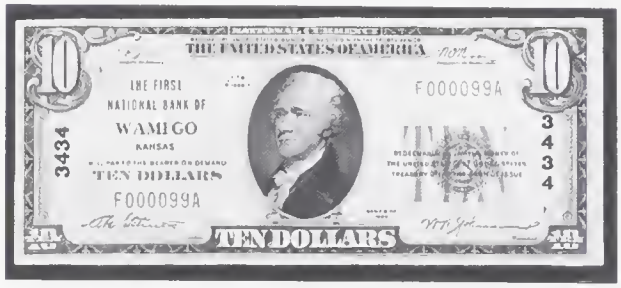
A tougher note from the only Humboldt bank to issue Series 1929 examples. **Very Fine**. (150-250)

1867 **Lyons** - $10.00 Ty. 2 **The Chandler NB** Ch. # 14048

A nice example from this private name 14000 charter bank, known primarily for the engraved "Vice" Presidential signature. **Crisp Uncirculated**, with just too much handling for a higher grade. (150-250)

1868 **Wamego** - $10.00 1902 Fr. 625 **The First NB** Ch. # (W)3434

Attractive **Extremely Fine+** example which looks new at first glance. (125-175)



1869 **Wamego** - $10.00 Ty. 1 **The First NB** Ch. # 3434

Considerably scarcer in small size than large. **Gem Crisp Uncirculated**. (150-250)

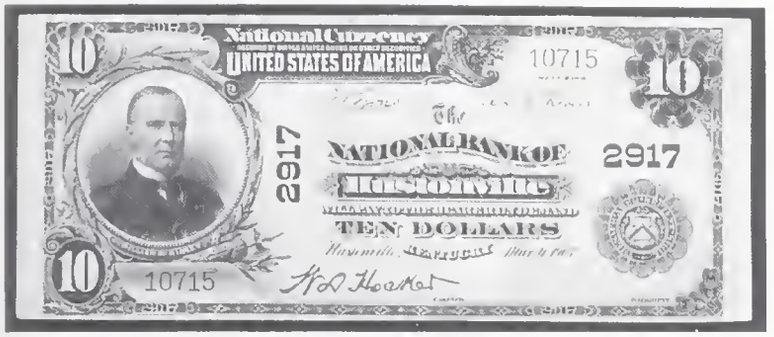
A great town name and a rare bank as well, as only five large notes are reported from here in the Kelly census. Evenly circulated **Very Good-Fine**, with no problems whatever, a note which brought $825 when last offered in our September, 1997 sale. (500-800)



1873 **Hustonville** - $10.00 1902 Fr. 624 **The NB of Hustonville** Ch. # 2917

The first of two lovely examples from this very scarce bank, with a population of five large notes reported in the Kelly census. Bright **Crisp Uncirculated**, with just enough handling to demote it from the choice designation. (600-1000)

1874 **Hustonville** - $10.00 1902 Fr. 624 **The NB of Hustonville** Ch. # 2917

A second example, only two serials removed from that above. Again, this note is fully new, with two color pen signatures and bright white paper. **Crisp Uncirculated**, and also likely to bring... (600-1000)

1875 **Jackson** - $5.00 1902 Fr. 600 **The First NB** Ch. # 9320

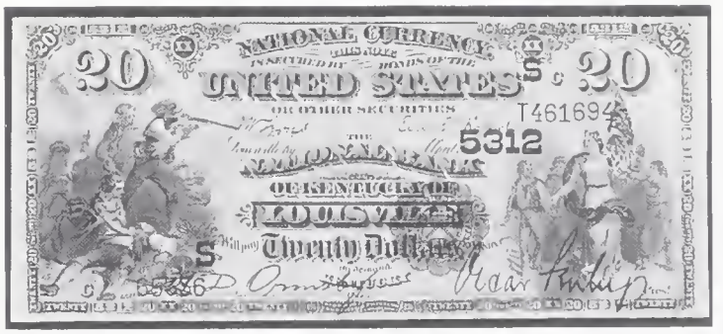
An excessively rare note from a bank which issued First Charter examples only before liquidating at the expiration of its charter in 1889. The Kelly census reports two notes known from here. Pleasing **Fine**, with clear pen signatures. (900-1400)



1879 **Louisville** - $20.00 1882 Date Back Fr. 555 **The NB of Kentucky** Ch. # (S)5312

Evenly margined **Extremely Fine**, a perfect example for type. (350-450)

1880 **Owensboro** - $5.00 1902 Fr. 600 **The United States NB** Ch # (S)9456

1881 **Paducah** - $10.00 Ty. 1 **The Peoples NB** Ch. # 12961

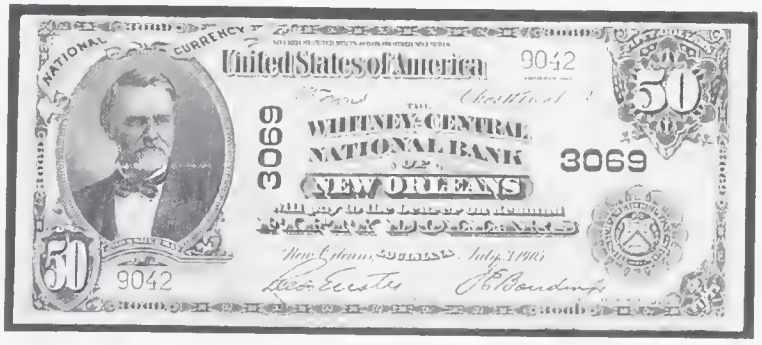
1883 **Winchester** - $10.00 1902 Red Seal Fr. 613 **The Clark County NB** Ch. # (S)995

A tougher Kentucky Red Seal but unfortunately the note has been washed and has a few small repaired edge splits. **Very Good-Very Fine.** (400-600)

LOUISIANA



1884 **New Orleans** - $50.00 1902 Fr. 676 **The Whitney-Central NB** Ch # 3069

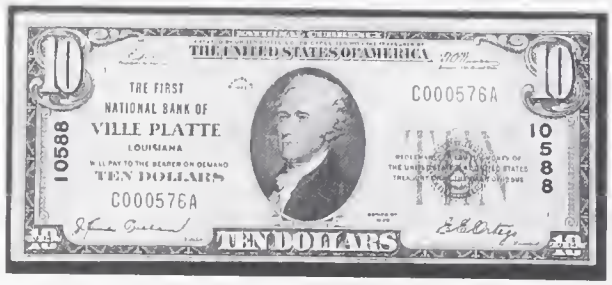
1885 **Shreveport** - $10.00 1902 Fr. 626 **The American NB** Ch. # (S)8440

This is a most unusual Louisiana note, as it is one of only a literal handful of pieces from outside of New Orleans to even approach the uncirculated grade. We've not had any nicer large Shreveport note to offer save for a single charter 3600 example several years ago. **About Uncirculated**, a significant scarcity from this state in this grade. (500-800)



1886 **Ville Platte** - $10.00 Ty. 1 **The First NB** Ch. # 10588

An excessively rare note with a great name from Evangeline Parish deep in the Cajun country. 1891 **Boston -** $20.00 1882 Fr. 494 **The Old Boston NB** Ch. # 1015

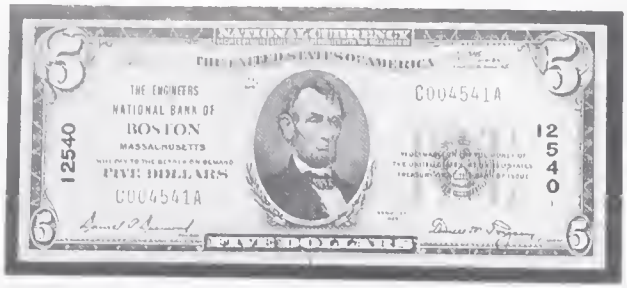
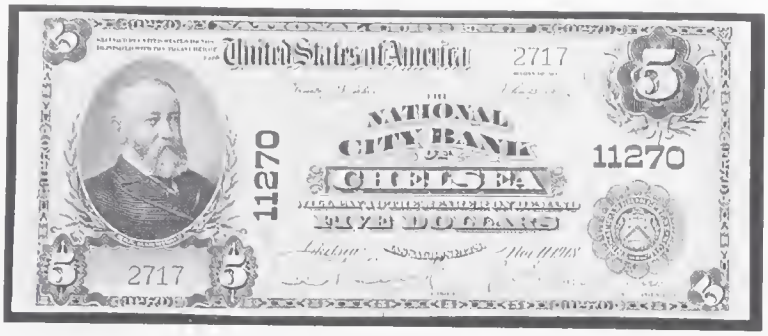
1894 **Boston -** $5.00 Ty. 1 **The Engineers NB** Ch. # 12540

An exceptional note for grade, and from a bank with a much in demand title as well. **Crisp Uncirculated**, with just a bit too much handling to call Choice. (200-400)



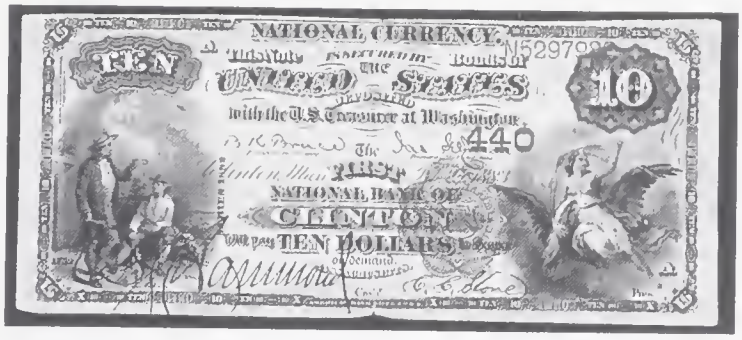
1895 **Boston** - $5.00 Ty. 1 **The Engineers NB** Ch. # 12540

An interesting note which shows how the typeface changed when the Bureau prepared new plates after the bank appointed a new president. **Fine+**. (125-225)



1896 **Chelsea** - $5.00 1902 Fr. 606 **The National City Bank** Ch. # 11270

A wonderful combination of rarity and condition. Only four large notes are reported on this Chelsea bank, and, with a meager $340 outstanding in large size in 1935, it's unlikely that many more will turn up. This example is also the sole piece in the census for this bank which grades higher than Fine. **Choice Crisp Uncirculated**, with great signatures, a wonderful note certain to see considerable bidding. (700-1100)



1897 **Clinton** - $10.00 1882 Fr. 479 **The First NB** Ch. # 440

1899 **East Hampton** - $5.00 1882 Fr. 466 **The First NB** Ch. # 428

Closely cut in the typical early New England manner, but fully original, incredibly embossed, and bearing a really different title layout. **Crisp Uncirculated**, ex-T. James Clarke Collection, lot 2785 (1978). (550-750)

1900 **Edgartown** - $20.00 1902 Fr. 651 **The Edgartown NB** Ch. # (N)7957

An extremely rare note both in large size and small, with only $980 outstanding on the bank in large notes in 1935. This piece is easily the finest known from this popular bank, located on Martha's Vineyard. It is, in fact, the only note from either Vineyard bank to be graded as CU in the new Massachusetts census. **Crisp Uncirculated**, with bright violet signatures, trimmed a bit into the design at the top right margin. 1902 **Lowell** - $5.00 1882 Fr. 466 **The First NB** Ch. # 331

One of Lowell's scarcer banks, with only four examples reported in the Kelly census, no surprise as this bank issued First and Second charters only before liquidating in early 1902. MONTANA

1951 **Anaconda** - $5.00 1902 Fr. 609 **The NB of Anaconda** Ch. # 12542

An easily obtainable note in small size, but definitely not in large, where the census counts only four such examples. **Fine-Very Fine**, with purple signatures. (600-1000)

1952 **Billings** - $10.00 1902 Fr. 635 **The Midland NB** Ch. # 12407

1953 **Billings** - $20.00 1902 Fr. 661 **The Midland NB** Ch. # 12407

1954 **Butte** - $50.00 Ty. 1 **The First NB** Ch. # 2566

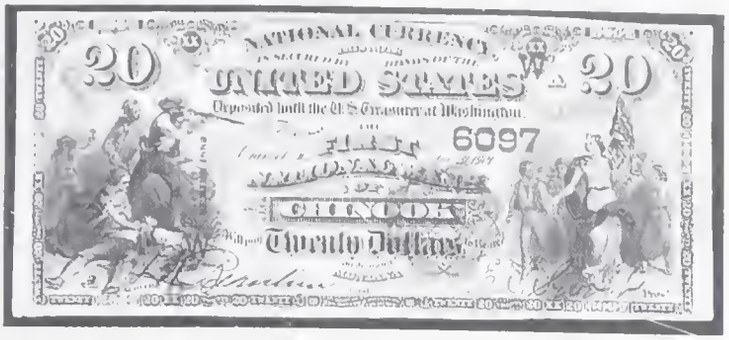
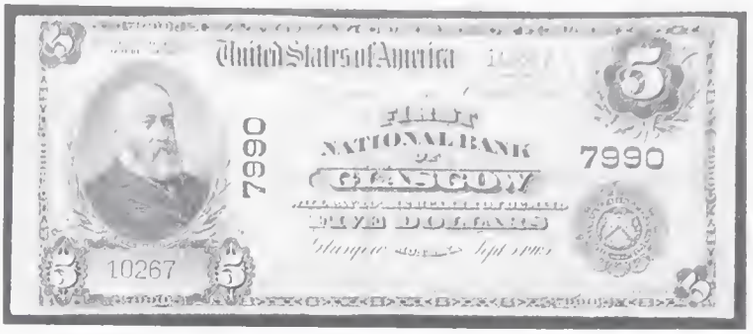
Chinook Montana $20 Brown Back



1955 **Chinook -** $20.00 1882 Fr. 504 **The First NB** Ch. # (W)6097

A great Brown Back combining both grade and rarity. Only four large notes of any type are listed in the Kelly census, with this the only Brown Back from here we've seen or heard of. It is a beauty, with vibrant colors and strong pen signatures. **Very Fine-Extremely Fine**, one of the highlights of this exciting offering. (3000-5000)

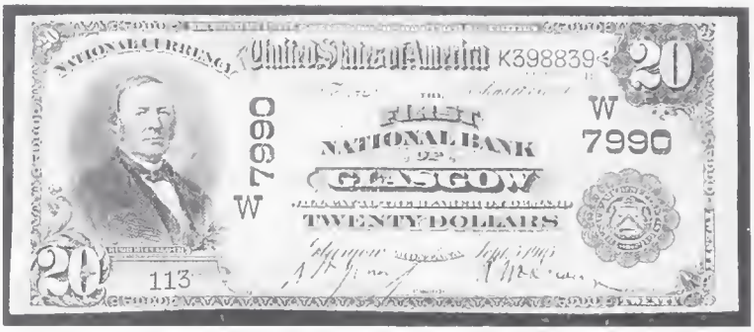


1958 **Glasgow -** $5.00 1902 Fr. 599 **The First NB** Ch. # 7990

The first of a denomination set from this bank. **Fine**, with purple signatures. (400-600)

1956 **Columbus -** $10.00 1902 Fr. 626 **The First NB** Ch. # (W)9396

A very scarce note from the only bank to issue in Stillwater County. Our records indicate a total of only five offerings of any kind from here over the past half century. **Fine**, with a few minor splits at the top margin. (600-900)



1960 **Glasgow -** $20.00 1902 Date Back Fr. 643 **The First NB** Ch. # (W)7990

Pen signed **Very Good-Fine** Date Back. There is one small and quite insignificant interior split. (350-550)

1957 **Fort Benton -** $10.00 1902 Fr. 627 **The Stockmen's NB** Ch. # (W)4194

A very nice occupational title redolent of the old west. This bank issued large notes only, with a total of six listed in the census. **Fine**. (450-850)

1961 **Glasgow -** $10.00 1902 Fr. 626 **The Glasgow NB** Ch. # (W)8655

Large notes only from Glasgow's other issuing bank, which has a total of only six pieces recorded in the Kelly census. **Fine**. (450-650)

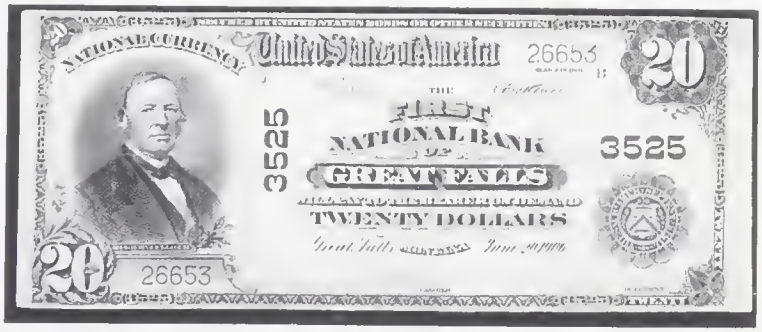
1962 **Grass Range** - $5.00 1902 Fr. 606 **The First NB** Ch. # 10939

A great name and scarce as well, however, this piece will not set any records for grade. Well circulated **Good-Very Good**, wallet stained and with a penned name near the right margin. (600-900)

1963 **Great Falls** - $10.00 1902 Fr. 626 **The First NB** Ch. # 3525

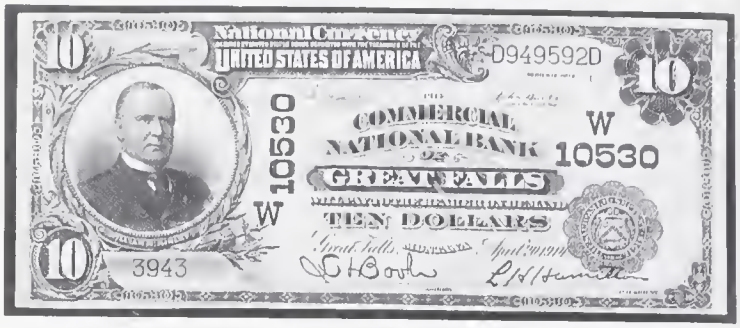
A nice **Fine-Very Fine** large example, the purple signatures light but visible. (300-500)



1964 **Great Falls** - $20.00 1902 Fr. 652 **The First NB** Ch. # 3525

Just about the same grade as the note above, but the signatures are gone. **Fine**. (250-350)

Rare Great Falls $10.00

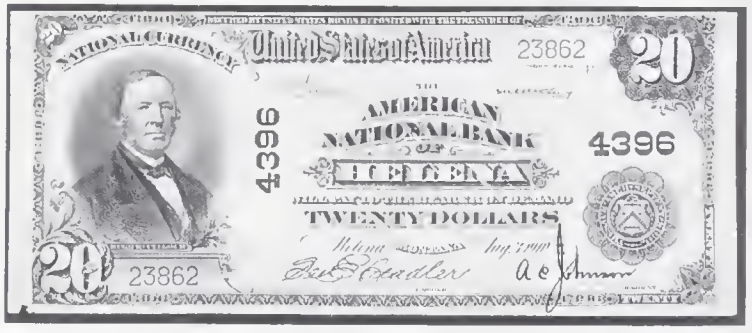


1965 **Great Falls** - $10.00 1902 Fr. 631 **The Commercial NB** Ch. # (W)10530

An excessively rare Great Falls bank which issued large notes only for eight years before bowing out in 1922. Only one example is listed in the Kelly census, and our records indicate only two offerings (which may well have been the same note) from here over the past 50 years. Bright **Very Fine-Extremely Fine**. (1000-1500)

1966 **Harlowton** - $10.00 1902 Fr. 632 **The Farmers NB** Ch. # 11085

A great note from the sole bank to issue in Wheatland County, located at the geographic center of Montana. It has been over 15 years since any note has been available from here, but this example makes that wait worthwhile. **Very Fine+**, with two color pen signatures, a great note worthy of a great collection. (1000-2000)



1967 **Helena** - $20.00 1902 Fr. 653 **The American NB** Ch. # 4396

A handsome state capital note which is far nicer than most seen from here. **Very Fine**, with a small chip out of the lower left corner. (300-600)

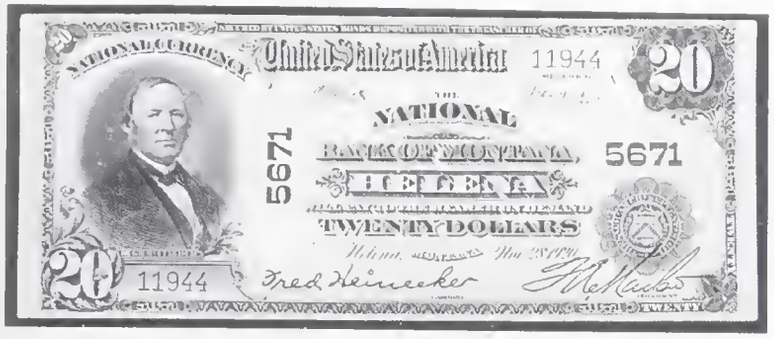
1968 **Helena** - $10.00 1882 Date Back Fr. 545 **The NB of Montana** Ch. # (W)5671

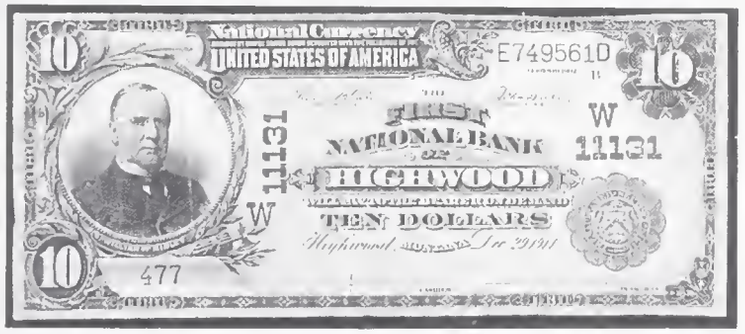
An early state capital example. The note is cut closely at the bottom and has some staining at the right, but is otherwise high grade. The best overall grade would be **Fine-Very Fine**. (500-800)



1969 **Helena** - $20.00 1902 Fr. 659 **The NB of Montana** Ch. # 5671

A nice example with an unusual title layout. **Very Fine**, with a small split at the right margin. (300-500)

First Ever Public Offering



1970 **Highwood** - $10.00 1902 Fr. 632 **The First NB** Ch. # (W)11131

This small bank, the only one in town to issue, was in existence for only five years before entering receivership in 1922. Only a handful of notes were issued, with this piece the first from here ever to be offered to the collecting fraternity. One note is reported in the census, which is likely this piece. If you are a serious collector of Montana notes, or you simply want to own the rarest of the rare, this is a note you should bring home. **Fine**. (2500-4500)

1971 **Ismay** - $20.00 1902 Fr. 652 **The First NB** Ch. # 9103

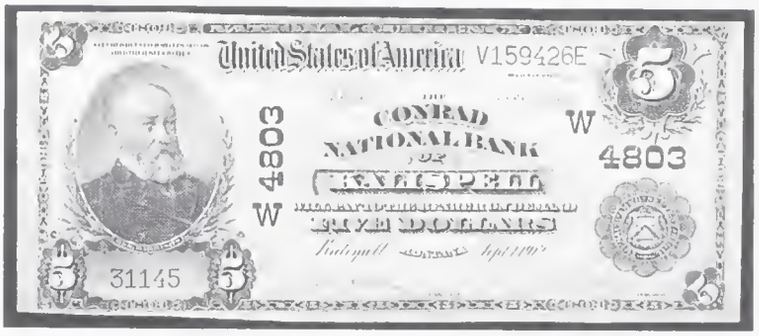
This is the first large note we have ever seen offered from here, and, with only one note reported in the census, may well be the only opportunity for collectors to ever obtain a large note from here. This bank issued only pocket change in large size, and had but $560 outstanding in 1935. **Fine**. (1500-2500)

1972 **Kalispell** - $10.00 1902 Fr. 627 **The First NB** Ch. # (W)4586

Evenly circulated **Very Good**, with black signatures. (200-300)

1973 **Kalispell** - $10.00 Fr. 627 **The First NB** Ch. # 4586

The variety without the regional letter. **Fine**, the signatures faded. (250-350)



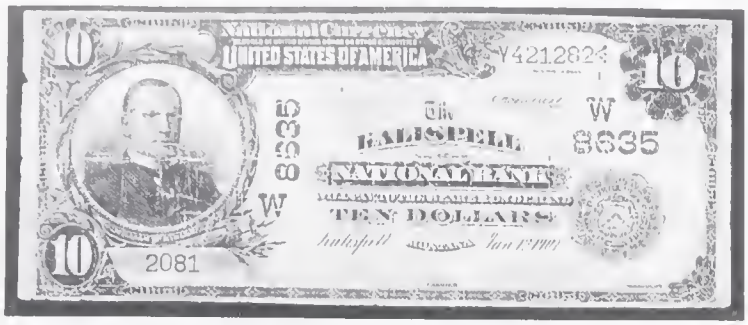
1974 **Kalispell** - $5.00 1902 Fr. 602 **The Conrad NB** Ch. # (W)4803

A decent note from this private name bank, with the Conrad signature as president. **About Fine**. (200-400)

1975 **Kalispell** - $10.00 1902 Fr. 628 **The Conrad NB** Ch. # (W)4803

Very Good, the signatures faded. (175-275)

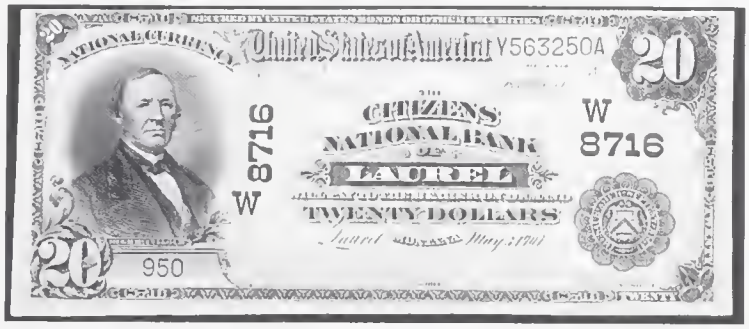
Currency Auctions of America, Inc. is pleased to announce that our next public auction will be in Rosemont, MAY 14-15, 1999



1976 **Kalispell** - $10.00 1902 Date Back Fr. 618 **The Kalispell NB** Ch. # (W)8635

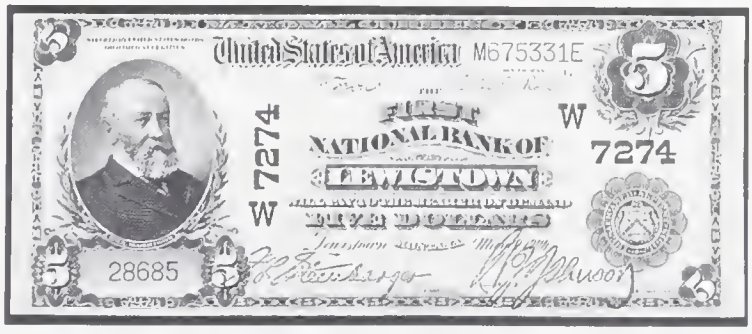
A very scarce Kalispell bank which was in business for only eight years. Only two notes are recorded in the Kelly census, with our records indicating that only two appearances at public sale, the last coming back (way back!) in 1973. **Very Good**, washed, but rare enough to bring... (800-1400)

Likely Unique Laurel Note



1977 **Laurel** - $20.00 1902 Date Back Fr. 644 **The Citizens NB** Ch. # (W)8716

Another highlight from this incredible grouping, with this example the only known survivor from either of the two banks chartered here. This also marks the first opportunity ever to obtain a note from this location at public sale, as no example from either bank has ever previously appeared. **Very Fine-Extremely Fine**, difficult to estimate as the ultra-rare always is, but likely to see bidding reach or exceed... (3000-5000)

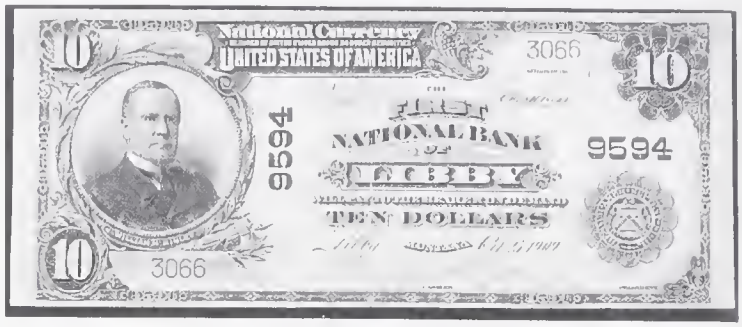


1978 **Lewistown** - $5.00 1902 Fr. 598 **The First NB** Ch. # (W)7274

Considerably above average, and actually about the nicest example we've seen from here. **Extremely Fine**, with bold signatures. (300-500)

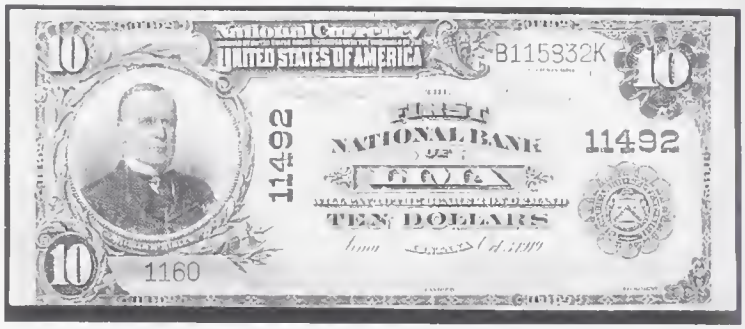
1979 **Lewistown** - $10.00 1902 Date Back Fr. 616 **The First NB** Ch. # (W)7274

Much closer to the average note available from here. **Very Good**. (175-275)



1980 **Libby** - $10.00 1902 Fr. 626 **The First NB** Ch. # 9594

An extremely rare note from the sole bank to issue from here. The census reports four notes extant from here, but all must be very closely held, as our records show that an entire generation of collectors has been waiting for the opportunity to obtain a note from here, as the last (and only) offering we've recorded was an auction appearance 29 years ago. **Fine-Very Fine**, with bright purple signatures. (1000-1500)



1981 **Lima** - $10.00 1902 Fr. 632 **The First NB** Ch. # 11492

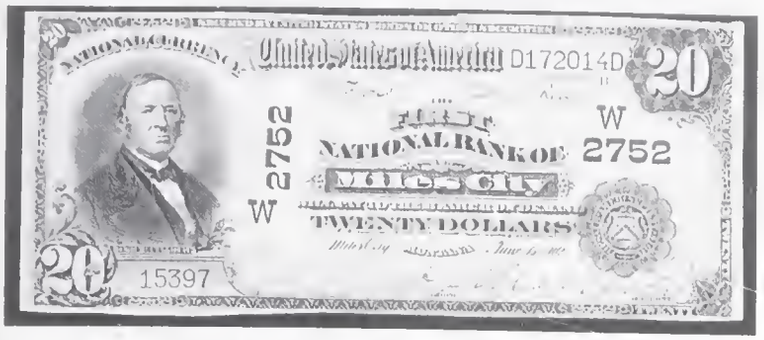
Fine, with purple signatures a bit faded but still visible. (200-400)

1982 **Livingston** - $5.00 1902 Fr. 600 **The National Park Bank** Ch. # 3605

A tougher bank which is seldom offered. **Fine-Very Fine**, with a small piece out of the right bottom corner (350-550)

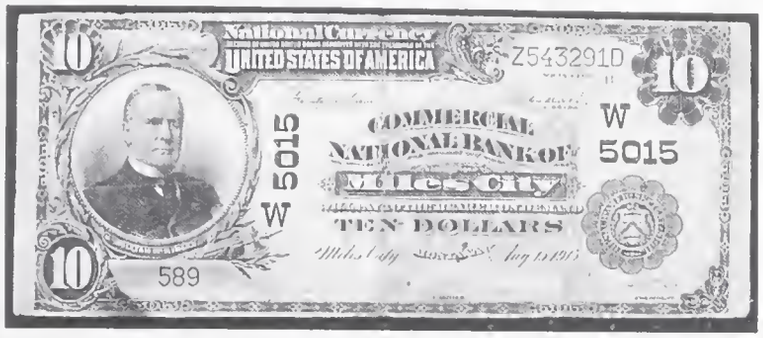
1983 **Miles City** - $10.00 Date Back Fr. 616 **The First NB** Ch. # (W)2752

Well circulated but intact **Very Good** (250-450)



1984 **Miles City** - $20.00 1902 Fr. 650 **The First NB** Ch. # (W)2752

A lovely example which is the highest grade note we've seen from this bank. **Very Fine+.** (400-800)

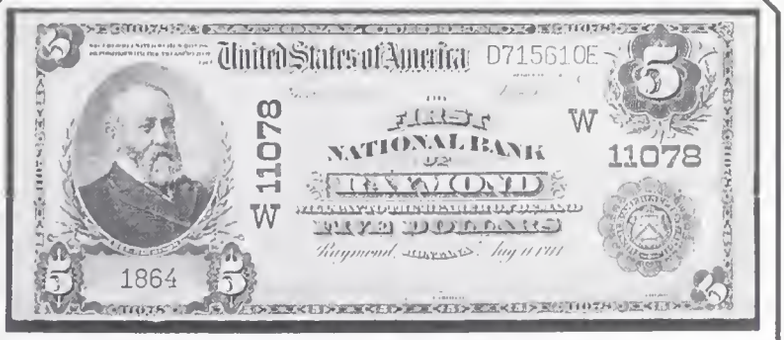


1985 **Miles City** - $10.00 1902 Fr. 632 **Commercial NB** Ch. # (W)5015

The second and scarcer title used by this bank. The Kelly census lists three examples with this title, with this the first we've handled. **Very Good,** with some wallet staining and a small rust spot at the bottom. (400-700)

1986 **Missoula** - $10.00 1902 Fr. 629 **The First NB** Ch. # 2106

Evenly circulated example with a light stain on the reverse. **About Fine.** (200-300)

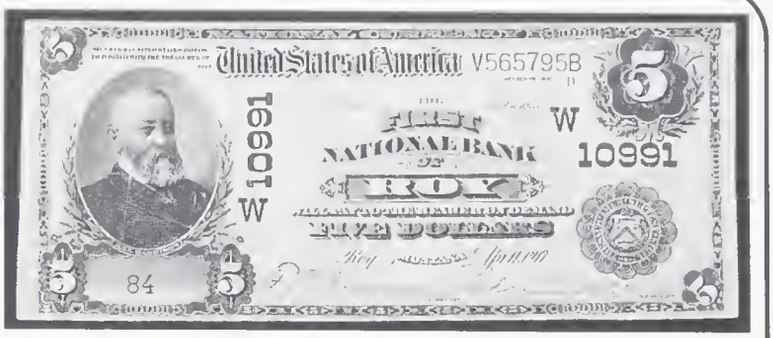


1987 **Raymond** - $5.00 1902 Fr. 606 **The First NB** Ch. # (W)11078

The census says that four notes are known from this bank, but collectors have been waiting for more than a quarter of a century to actually have the opportunity to purchase a note from here, as the last (and only) appearance of any note for sale from here came on a 1972 fixed price list. Good news, collectors: your wait is over. Pleasing **Fine-Very Fine** (1250-2250)

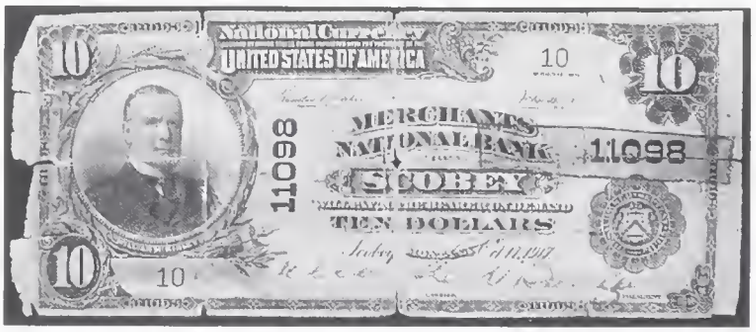
1988 **Red Lodge** - $10.00 1902 Fr. 627 **The United States NB** Ch. # (W)9841

An easily obtained bank in small size, but very scarce in large, with only four such examples reported to date in the census. This is the first large note we've ever had to offer from this "Forbidden Title" bank. Nice **Fine,** with purple signatures. (800-1400)



1989 **Roy** - $5.00 1902 Fr. 606 **The First NB** Ch. # (W)10991

A great note from a bank which, again, has had but one public offering in the past 50 years, this coming over 15 years ago. Pen signed **Very Fine,** certain to delight its new owner. (1250-2250)



1990 **Scobey** - $10.00 1902 Fr. 632 **Merchants NB** Ch. # 11098

Extremely rare but extremely low grade as well. **Fair,** with some tape repairs, holes, etc. but from a bank which is listed in the census as having only one note known. (400-700)

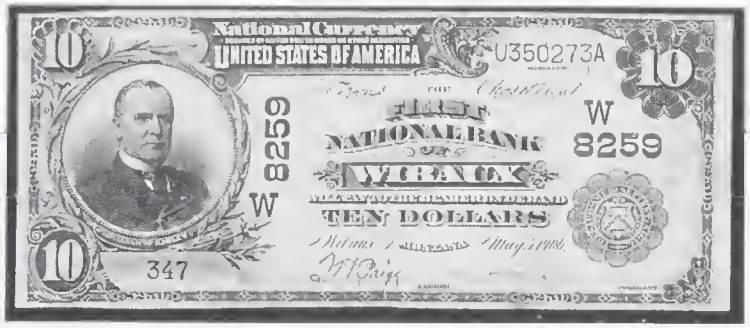
1991 **Whitefish** - $5.00 1902 Fr. 600 **The First NB** Ch. # (W)8589

Well circulated but quite scarce, with a total of only three large notes listed in the Kelly census. **Very Good**. (500-100)

Rare Wibaux Large Size $10.00



1992 **Wibaux** - $10.00 1902 Date Back Fr. 617 **The First NB** Ch. # (W)8259

We've seen a goodly number of small notes from this one bank town, but large examples from here are prohibitively scarce, with the bank issuing a minuscule number of notes and having only $330 in large notes outstanding in 1935. Pen signed **Fine**. (1250-1750)

NEBRASKA

1993 **Albion** - $10.00 Ty. 1 **The Albion NB** Ch. # 4173

Lovely **Gem Crisp Uncirculated** (125-175)

Nebraska First Charter $10.00

1994 **Brownville** - $10.00 1875 Fr. 416 **The First NB** Ch. # 1846

A rare bank which issued First Charters only before liquidating in 1886. This newly discovered piece turned up in a Connecticut estate and is being offered here for the first time. Well circulated but intact **Very Good**, with surprisingly good color for the grade. There are a few internal splits, all of which are quite insignificant. (1250-2250)

1995 **Elwood** - $10.00 1902 Fr. 624 **The First NB** Ch. # 7204

A very scarce large note from the only bank in town to issue. The Kelly census stands at six, and we note no offerings of any kind from here since a 1992 fixed price list appearance. Pen signed **Very Fine**. (300-600)

1996 **Friend** - $20.00 Ty. 1 **The First NB** Ch. # 2960

2011 **Reno** - $100.00 Ty. 1 **The Reno NB** Ch. # 8424

A nice way to end this offering of Reno notes, all from the Bish Collection. This hundred is not only scarce but pretty as well. **Fine-Very Fine**. (700-1200)

NEW HAMPSHIRE

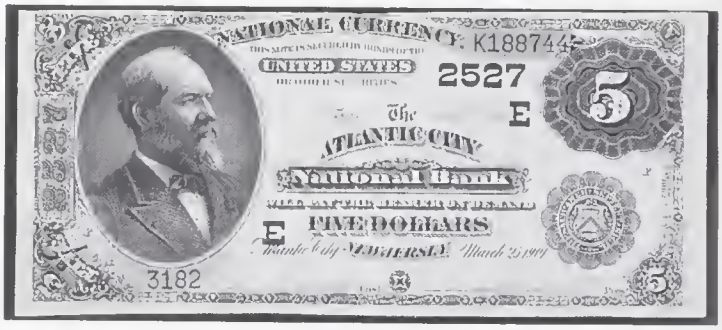
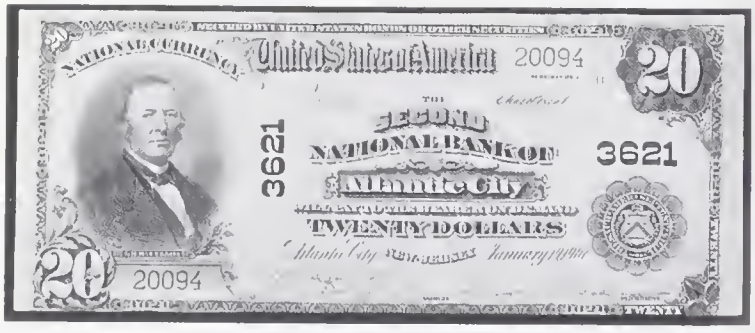
NEW JERSEY



2014 **Atlantic City** - $5.00 1882 Date Back Fr. 537 **The Atlantic City NB** Ch. # (E)2527

A brightly colored and altogether most attractive Second Charter example from this avidly collected community. **Extremely Fine**, a note certain to please. (550-850)

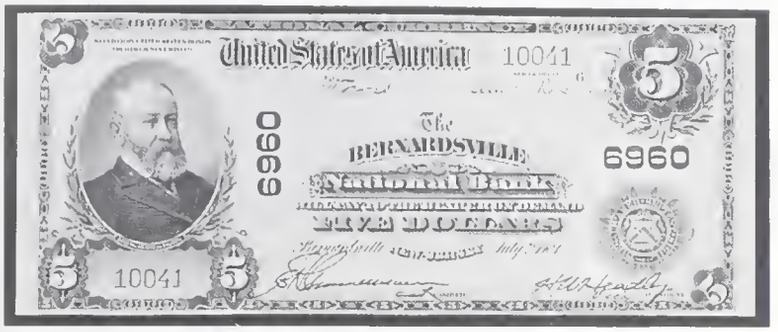


2015 **Atlantic City** - $20.00 1902 Fr. 652 **The Second NB** Ch. # 3621

The second of a trio of high grade Atlantic City notes we are pleased to offer. This attractive example is far and away the nicest note we've seen for sale from this bank in many years. Bright **Extremely Fine-About Uncirculated**, with sharp purple signatures, a touch close cut on the bottom but overall very, very nice. (300-600)

2016 **Atlantic City** - $10.00 1882 Fr. 545 **The Chelsea NB** Ch. # (E)5884

Easily the finest note we've ever handled from this scarce Atlantic City bank, and quite possibly the finest note ever available from here as well. Were it not for two light folds, this note would be just about perfect, as the paper quality, freshness, and incredible brilliance could not be surpassed. **Choice Extremely Fine-About Uncirculated**, a lovely note certain to satisfy even the most selective of collectors. (750-1250)



2017 **Bernardsville** - $5.00 1902 Fr. 598 **The Bernardsville NB** Ch. # 6960

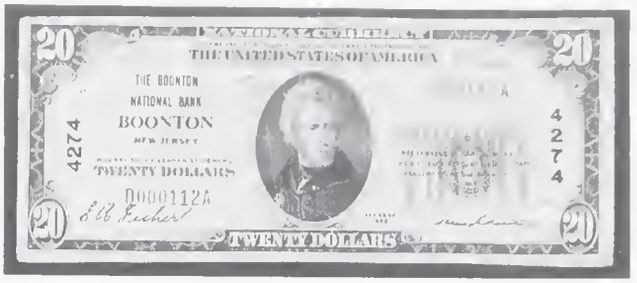
First Ever Public Offering



2019 **Boonton** - $20.00 Ty. 1 **The Boonton NB** Ch. # 4274

An excessively rare Morris County bank which has never before been offered at public sale. While other notes from this one bank community do exist, it seems clear that all are closely held and have been for many years, leaving this piece as the sole example available to the collecting fraternity at public sale in over half a century. Nice **Fine-Very Fine**, with no problems whatever (500-800)

2020 **Burlington** - $10.00 1902 Fr. 624 **Mechanics NB** Ch. # (E)1222

$20.00 1902 Fr. 650 **Mechanics NB** Ch. # 1222

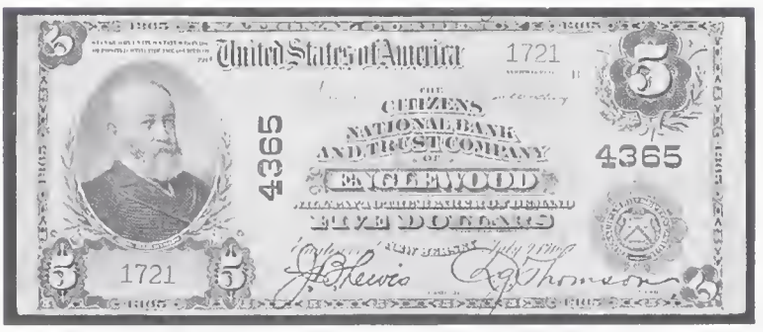
Decent **Fine+** example from this scarcer Essex County bank. (150-250)



2022 **Englewood** - $5.00 1902 Fr. 601 **The Citizens NB & TC** Ch. # 4365

The second title used by this always popular Bergen County bank. 2023 **Fort Lee** - $20.00 1902 Fr. 652 **The First NB** Ch. # (E)8874

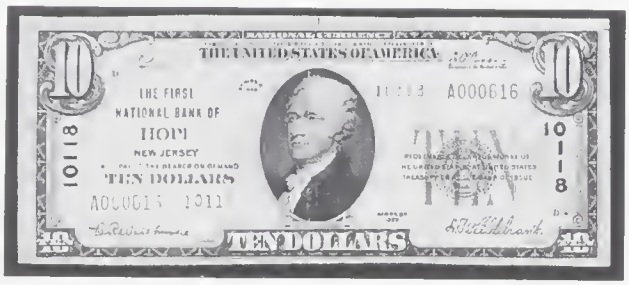
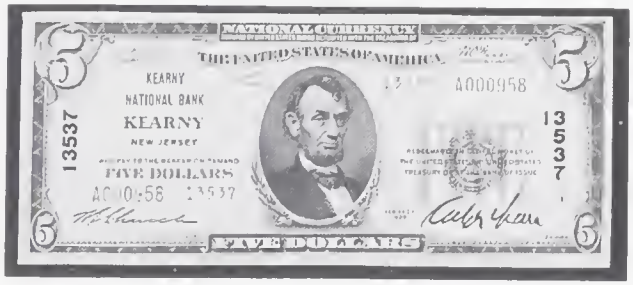
A very scarce Bergen County community known mostly for its proximity to the George Washington Bridge, as the town is precariously balanced on the cliffs of the Palisades under the bridge. Both banks chartered here are very seldom encountered, with the number of offerings of any kind from this bank over the past 50 years numbering a mere five. This pleasing **Fine-Very Fine** example should receive some serious attention from the many collectors of this area's notes. (450-850)



2024 **Hope** - $10.00 Ty. 2 **The First NB** Ch. # 10118

A very scarce Warren County note with only eight small examples listed in the Kelly census. Our records indicate a total of under 10 appearances of any notes from this bank over a 50 year period as well. **Fine+**. (200-300)



2025 **Kearney** - $5.00 Ty. 2 **Kearney NB** Ch. # 13537

This is not a rare bank, but it is certainly uncommon in this superlative grade. Crackling fresh **Choice Crisp Uncirculated**, just the slightest of handling from gem. (200-300)

2026 **Lambertville** - $5.00 Ty. 2 **The Lambertville NB** Ch. # 1272

Bright **Choice Crisp Uncirculated**. (125-175)

Very fresh **Choice Crisp Uncirculated** (125-225)

2028 **Lambertville** - $10.00 Ty. 2 **The Lambertville NB** Ch. # 1272

Bright **Crisp Uncirculated**, with just a touch too much handling to call choice. (100-150)

2029 **Lambertville** - $10.00 1902 Fr. 632 **The Amwell NB** Ch. # 2339

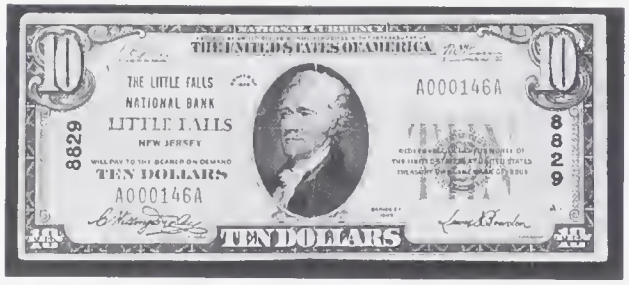
We've had a few small notes to offer from this Hunterdon County bank over the years, but this is the first large example from here we've had in any of our sales. The Kelly census shows six large notes from this bank extant. **Very Fine**. (350-600)

2030 **Lambertville Pair**

Lambertville - $5.00 1902 Fr. 598 **The Lambertville NB** Ch. # (E)1272 **VF**

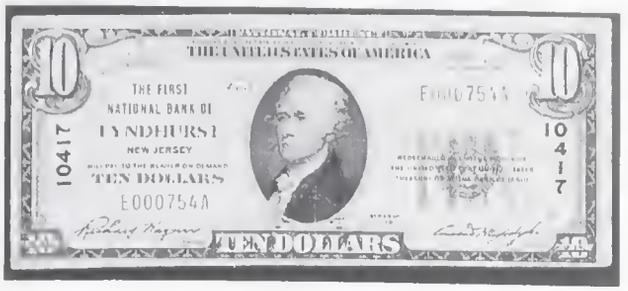
$20.00 Ty. 1 **The Amwell NB** Ch. # 2339 **VG-F**

Two pieces. (225-325)



2031 **Little Falls** - $10.00 Ty. 1 **The Little Falls NB** Ch. # 8629

An excessively rare note from the only bank to issue in this Passaic County hamlet. Our records indicate only one appearance of any note from here at public sale, with that coming back in the 1982 auction of the Richard Saffin Collection. With the minuscule issue from here, we wouldn't wait for the next piece to come out either. **Fine**. (500-800)

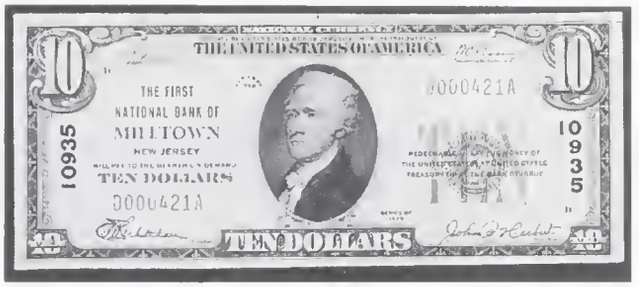


2032 **Lyndhurst** - $10.00 Ty. 1 **The First NB** Ch. # 10417

A scarcer Bergen County note from the only bank here to issue. **Fine**. (175-275)

2033 **Madison** - $5.00 Ty. 2 **The First NB** Ch. # 2551

There are a couple of old sheet folds in the margins, but to label this totally fresh and fully new example any less than **Choice Crisp Uncirculated** would be a total travesty. (200-300)



2034 **Milltown** - $10.00 Ty. 1 **The First NB** Ch. # 10935

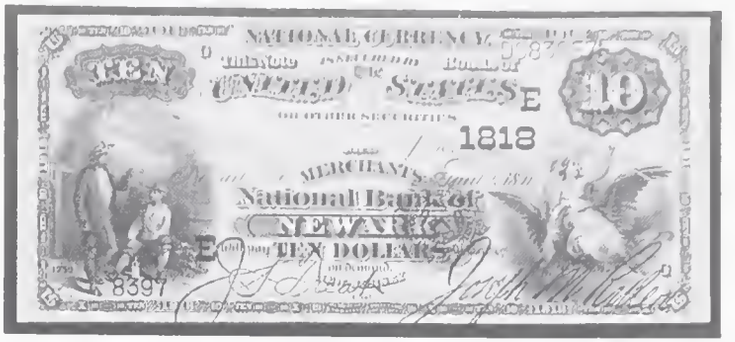
Small notes only from this tougher Middlesex County community, which has not had any offering at public sale since a 1986 auction appearance. **Extremely Fine**. (150-300)

2035 **Millville** - $5.00 1902 Fr. 606 **The Mechanics NB** Ch. # (E)5208

A decent Cumberland County example. **Fine**, with purple signatures, a tiny residue of bank stamp on the face. (100-125)

2036 **Morristown** - $5.00 1902 Date Back Fr. 590 **The National Iron Bank** Ch. # (E)1113

A tougher bank which issued large notes only. **Fine+**, with sharp green signatures. (150-250)



2037 **Newark** - $10.00 1882 Date Back Fr. 539 **The Merchants NB** Ch. # (E)1818

You could not ask for a more perfect high grade example of this type, as this piece is fully margined, sports bold dark signatures, has retained much of its embossing, and has sharper colors of ink and paper than do most new notes. **Extremely Fine**, with incredible eye appeal. (350-450)

2038 **Newark** - $10.00 1902 Fr. 635 **The Lincoln NB** Ch. # 12570

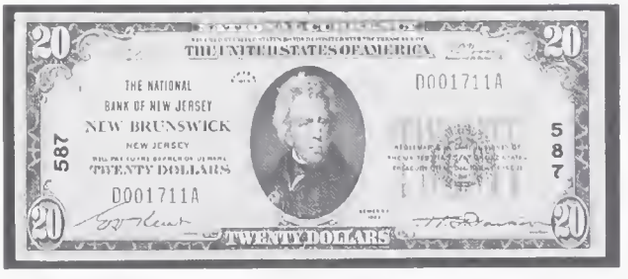
Pleasing serial number 7 example from this nicely titled bank. **Crisp Uncirculated**, with some very minor light handling and a close top margin. (200-400)

2039 **High Grade Newark Pair**

Newark - $10.00 1902 Date Back Fr. 618 **American NB** Ch. # (E)9605 **EF**

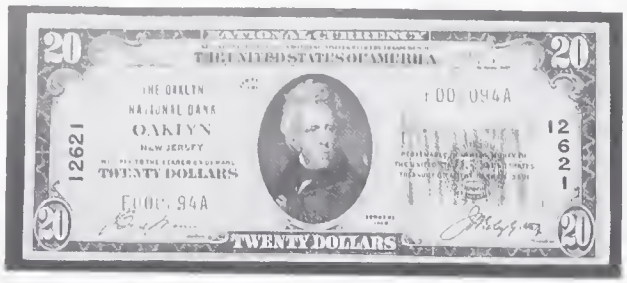
$5.00 1902 Fr. 601 **New Jersey NB & TC** Ch. # 9912 **EF-AU**

The most attractive notes, the latter bearing the scarcer third title and engraved signatures. (175-275)



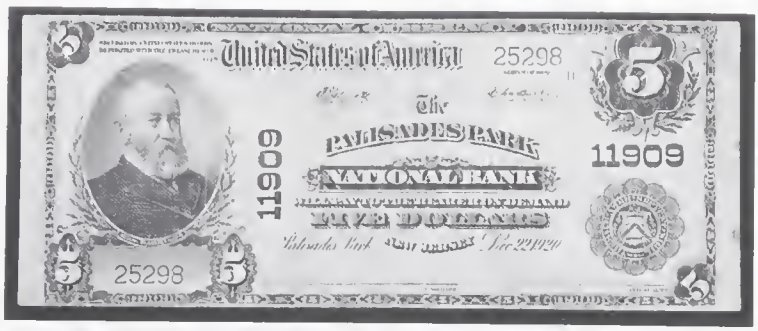
2040 **New Brunswick** - $20.00 Ty. 1 **The NB of New Jersey** Ch. # 587

Not a rare note, but quite considerably more than virtually any example we've seen from here. **Crisp Uncirculated**, with just a touch too much handling for the choice designation. (125-225)



2041 **Oaklyn** - $20.00 Ty. 1 **The Oaklyn NB** Ch. # 12621

A very scarce Camden County bank which issued Series 1929 examples only. This is the first offering from here since an auction appearance seven years ago. **Very Fine,** with a tiny stained area which does not detract in the slightest. (200-300)

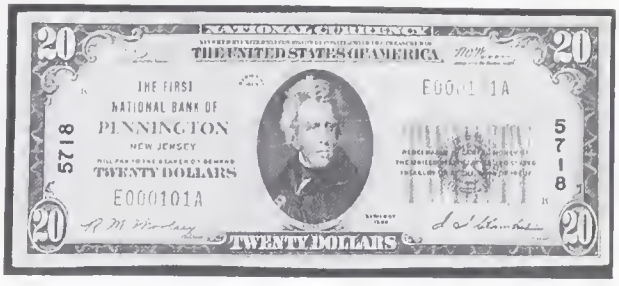


2042 **Palisades Park** - $5.00 1902 Fr. 607 **The Palisades Park NB** Ch. # 11909

This note grades only **Fine**, but it is still one of the nicest notes we've seen from this popular Bergen County location, where virtually every note extant is ugly or damaged in some way. (250-450)

2043 **Paterson** - $50.00 1902 Fr. 677 **The Paterson NB** Ch. # 4072

A nice evenly circulated large size fifty with no problems whatever. **Fine-Very Fine,** with good signatures. A perfect note for any type set. (300-500)



2044 **Pennington** - $20.00 Ty. 1 **The First NB** Ch # 5718

A scarcer Mercer County bank with only nine small notes enumerated in the census. This is certainly one of the nicer ones. **Very Fine.** (175-325)

2045 **Princeton** - $20.00 Ty. 1 **The First NB** Ch. # 4872

Just one corner fold from choice new. **About Uncirculated** (100-150)

2046 **Prospect Park** - $10.00 Ty. 1 **The Prospect Park NB** Ch. # 12861

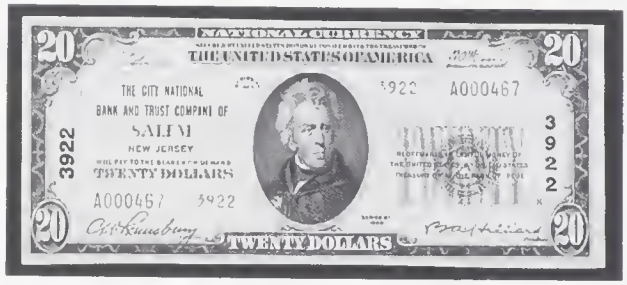
A scarcer note from this old Dutch Passaic County community. **Fine+.** (150-250)

2047 **Ramsey** - $10.00 Ty. 1, $20.00 Ty. 2 **First NB & TC** Ch. # 9367

Two pieces from this sought after Bergen County location, the Type 1 grading **Fine+**, the Type 2 bearing serial number A000006, and grading **Extremely Fine** with a tear at the right margin. (200-300)

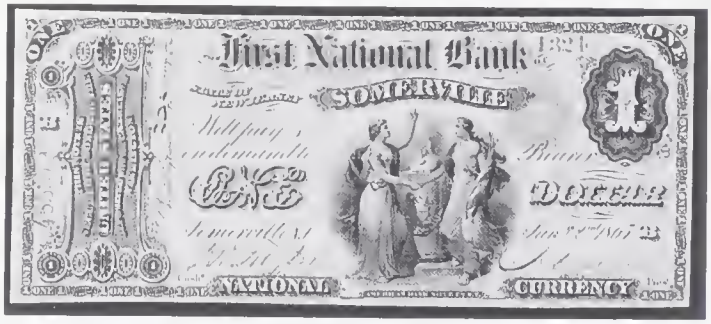
2048 **Rutherford** - $5.00 Ty. 2 **The Rutherford NB** Ch. # 5005

One of a group of high grade notes from here which was dispersed over 20 years ago and are now seldom offered. **Choice About Uncirculated,** with just the slightest trace of a center fold. (100-200)



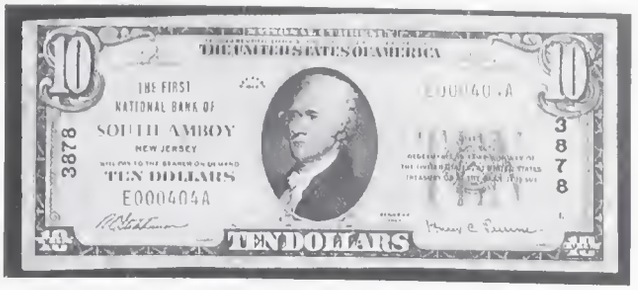
2049 **Salem** - $20.00 Ty. 2 **The City NB & TC** Ch. # 3922

Choice Crisp Uncirculated, a few handling marks and a close top margin from gem. (125-175)



2050 **Somerville** - $1.00 Original Fr. 380 **The First NB** Ch. # 395

This is a rare note, as this is not a bank from which First Charters are normally available. It is, in fact, the first such example we have seen for sale in many years. **Very Fine.** (400-800)

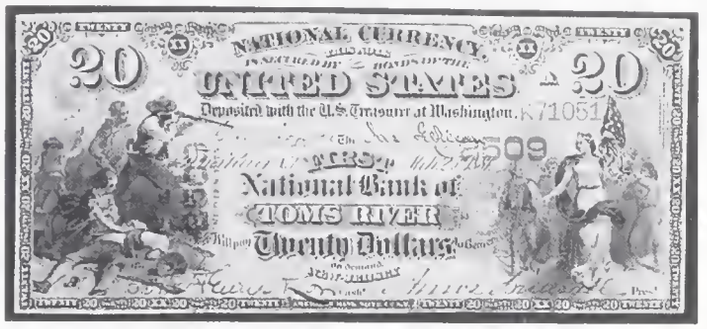


2051 **South Amboy** - $10.00 Ty. 1 **The First NB** Ch. # 3878

A considerably scarcer bank in small size than large, with the Kelly census showing seven small and 14 large examples recorded. **Fine**, with some staining. (150-250)

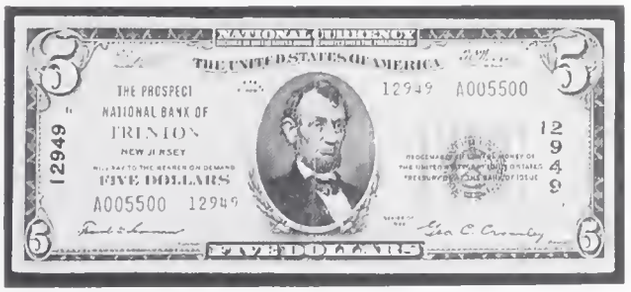
2052 **Sussex** - $10.00 Ty. 2 **The Farmers NB** Ch. # 1221

Just a touch close at the top to merit the gem designation. **Choice Crisp Uncirculated**. (100-150)



2053 **Toms River** - $20.00 1875 Fr. 434 **The First NB** Ch. # 2509

A lovely First Charter twenty which ranks as not only the finest note we've seen from this bank but is certainly one of the finest examples of this rare type extant from the entire state. While the margins are close all around, the colors, signatures, and overall appearance are that of a new note. **Choice Extremely Fine**, a truly great note worthy of the finest of collections. (1750-2750)

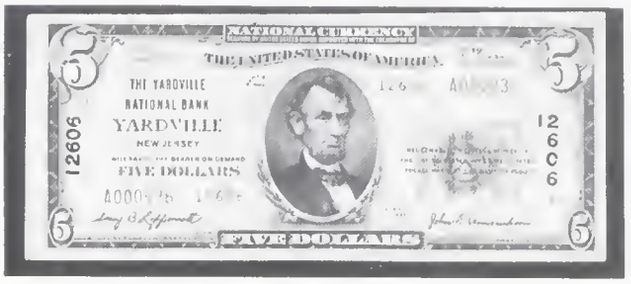


2054 **Trenton** - $5.00 Ty. 2 **The Prospect NB** Ch. # 12949

This is really the only very scarce bank in New Jersey's capital city. Although chartered in 1926, this bank elected to issue Type 2 notes only. Our records indicate that we have not seen any example from here offered at public sale since a 1981 auction appearance. **Fine-Very Fine**. (150-300)

2055 **Tuckahoe** - $20.00 Ty. 2 **The First NB** Ch. # 14189

An excessively scarce Cape May County 14000 charter bank. Two uncut sheets (one of which is now cut) are the sole reported examples from here, with most all of the known pieces ensconced in major long term holdings. Expect some stiff competition to determine which lucky collector will add a new charter to his holdings tonight. **Choice About Uncirculated**. (500-900)



2056 **Yardville** - $5.00 Ty. 2 **The Yardville NB** Ch. # 12606

While a handful of examples are recorded from this Mercer County bank, virtually all have been closely held for many years, as our records indicate that in a data base comprising over 220,000 offerings of Nationals at public sale spanning a 50 year period we have recorded only one appearance of any note from here, with that coming on a fixed price list issued nearly 10 years ago. **Very Fine**, certain to see some spirited competition amongst the many collectors of New Jersey Nationals. (400-800)

Excessively Rare New Mexico Number 1 Uncut Sheet

2061 **Silver City** - $10.00 Ty. 2 **The American NB** Ch. # 8132 Uncut Sheet

A rare uncut sheet which will be of great interest to both sheet and state collectors. Only three other Series 1929 uncut sheets of any kind are known from New Mexico, with this sheet being the only Type 2 sheet and the only sheet above the $5.00 denomination reported to date. Two of the other three sheets known are from Belen, with one locked up in the Dave Levitt estate for over 20 years and the other, listed in the Warns book, with its whereabouts unknown for at least a generation. The only sheet to sell within the last 30 years, from Santa Fe, realized $13,750 in a 1992 auction. The sheet we now offer has been folded between the notes, with the top and bottom notes each having several folds. There is some handling present, but the overall appearance, however, is surprisingly attractive. Considering its rarity and desirability, and the fact that this may well be the only opportunity to obtain a sheet from this state for many years, expect to see bidding end well into the area of . (5000-9000)

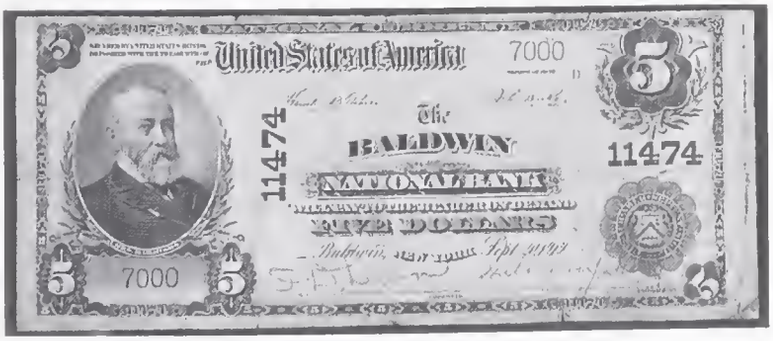
2066 **Aurora** - $20.00 Ty. 1 **The First NB** Ch. # 412

A very scarce Cayuga County bank, with this example the highest grade note from here we've ever handled. Bright **Extremely Fine+**. (175-325)



2067 **Baldwin** - $5.00 1902 Fr. 606 **The Baldwin NB** Ch. # 11474

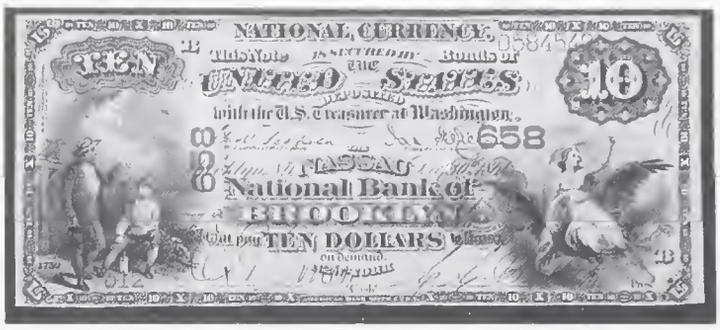
2068 **Bellerose** - $10.00 Ty. 1 **The First NB** Ch. # 13234

A type and denomination which was lacking in our landmark sale of Long Island material last October. Bright **Fine-Very Fine**. (300-600)



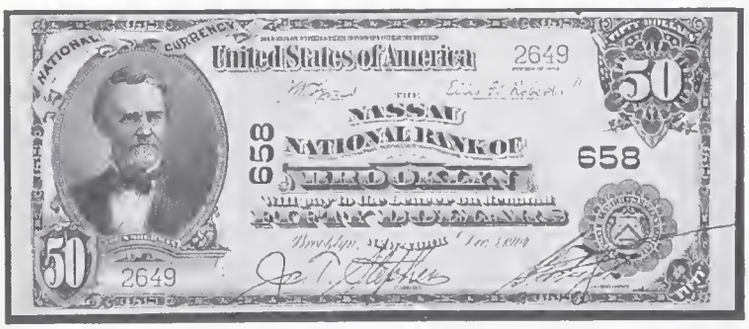
2069 **Brooklyn** - $10.00 1875 Fr. 419 **The Nassau NB** Ch. # 658

In every collection there are some notes that surprise, and here is one of them, a lovely $10.00 First Charter from Brooklyn of which we had no record. **Extremely Fine**, a rare and desirable note certain to please. (1000-1500)

2070 **Brooklyn** - $10.00 1902 Fr. 624 **The Nassau NB** Ch. # 658

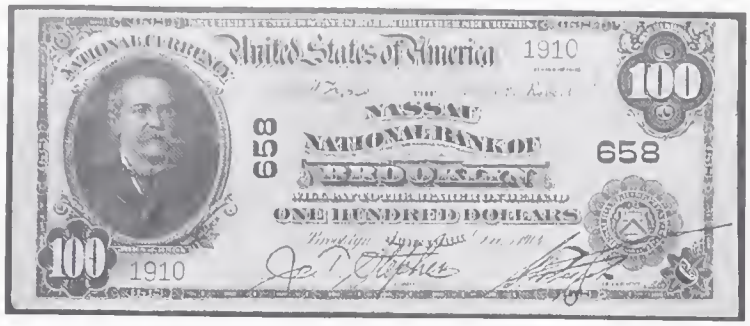
Evenly circulated **About Fine** example with clear signatures of H.P. Schoenberner and G.F. Smith. (100-150)

Excessively Rare
High Grade Brooklyn Fifty



2071 **Brooklyn** - $50.00 1902 Fr. 675 **The Nassau NB** Ch. # 658

This would be a lovely fifty from any location, but it may well be the finest such example from Long Island, where this denomination is just plain scarce in any grade, let alone this nice. Well margined **Extremely Fine-About Uncirculated**, head and shoulders above any high denomination we've ever had to offer from here. (1200-1800)



2072 **Brooklyn** - $100.00 1902 Fr. 698 **The Nassau NB** Ch. # 658

2073 **Brooklyn** - $1.00 1875 Fr. 385 **The First NB** Ch. # 923

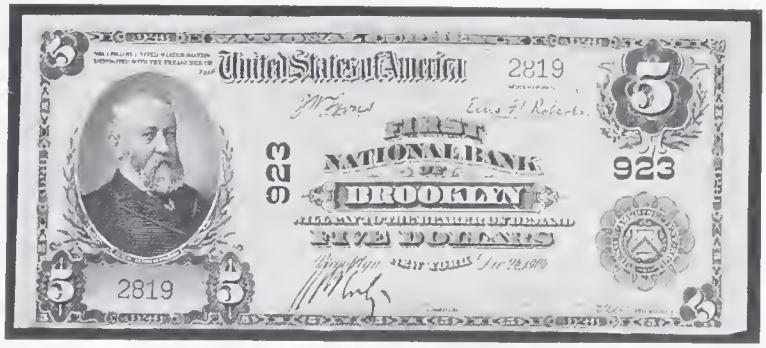
2074 **Brooklyn** - $10.00 1902 Fr. 624 **The First NB of the City of Brooklyn** Ch. # (E)923

Trimmed close at the bottom and with the adjoining note showing at the top. **Very Good-Fine**. (100-150)

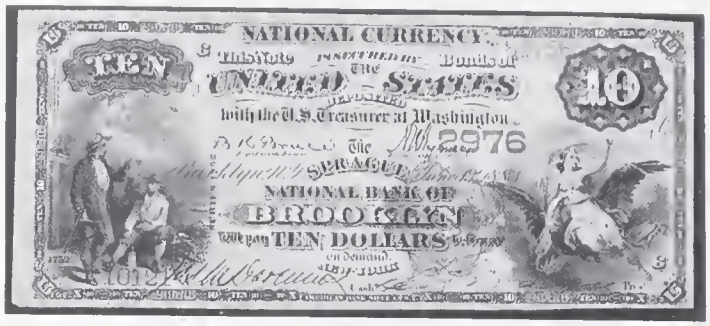
2075 **Brooklyn** - $5.00 1902 Fr. 598 **First NB** Ch. # 923

The second title used by this bank, replacing the archaic "City of Brooklyn" in the tombstone. This nomenclature was used for only two years, and notes bearing this title are decidedly scarce. **Very Fine-Extremely Fine**, cut close at the bottom. (350-650)



2076 **Brooklyn** - $5.00 1902 Fr. 598 **First NB** Ch. # 923

A second and even nicer example, with the pen signatures of the cashier and the vice president. **About Uncirculated**, with some foxing at the bottom margin visible primarily on the reverse. (400-800)



2077 **Brooklyn** - $10.00 1882 Fr. 480 **The Sprague NB** Ch. # 2976

2078 **Buffalo** - $10.00 1882 Date Back Fr. 540 **The Columbia NB** Ch. # (E)4741

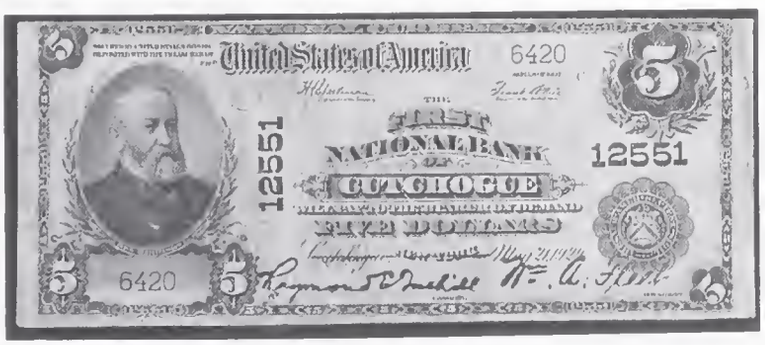
A very high grade small size example from this popular location. **Extremely Fine-About Uncirculated.** (150-250)



2086 **Cutchogue** - $5.00 1902 Fr. 609 **The First NB** Ch. # 12551

2087 **Dunkirk** - $10.00 1882 Value Back Fr. [illegible] **The Merchants NB** Ch. # [illegible]2619

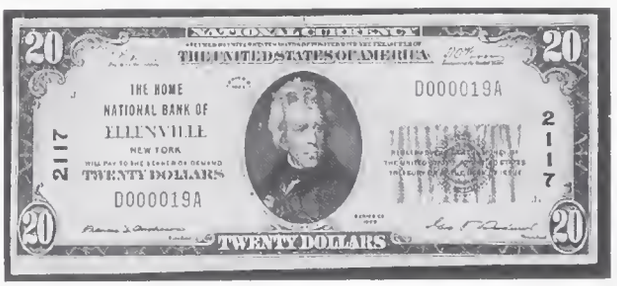
2089 **East Rockaway** - $10.00 1902 Fr. 635 **The East Rockaway NB** Ch. # 12818

This is a rare bank in both large and small notes, with a total of only three large examples recorded in the census to date. The example we offer here is only slightly lower in grade than the example which fetched $1045 in our October sale. Expect this **About Fine** example to bring... (600-900)



2090 **Ellenville** - $20.00 Ty. 1 **The Home NB** Ch. # 2117

This was the sole bank in this Ulster County community to issue Series 1929 examples, which number only five in the Kelly census. Nice **Fine-Very Fine**. (200-400)

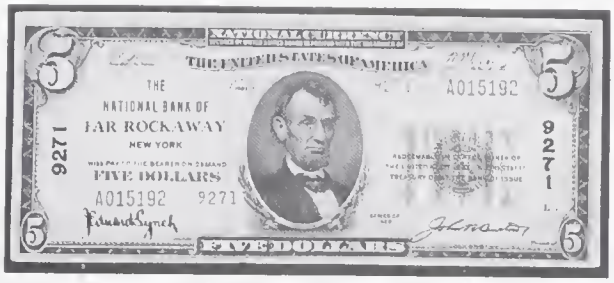
2091 **Elmsford** - $5.00 Ty. 2 **The First NB** Ch. # 12956

A gorgeous Westchester County note which is as nice a note as likely exists from this rare one bank community. **Choice Crisp Uncirculated**, a gem but for one old sheet fold in the bottom margin which never enters the design. Expect some stiff competition to determine who takes this beauty home. (700-1200)



2092 **Far Rockaway** - $5.00 Ty. 2 **The NB of Far Rockaway** Ch. # 9271

An **About Uncirculated** example from this always sought after Queens County bank. (200-400)

2093 **Floral Park** - $5.00 Ty. 1 **The First NB & TC** Ch. # 12449

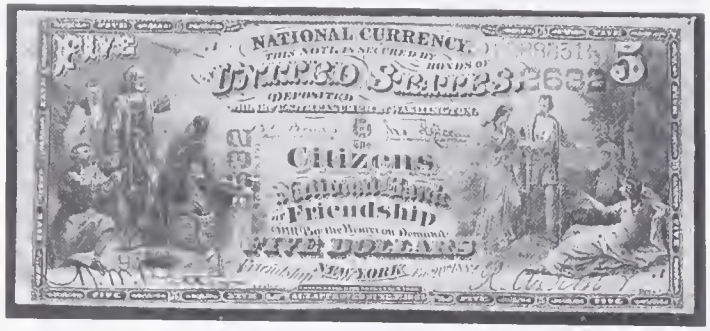
As nice a single note as we've ever seen from this Nassau County bank. **About Uncirculated**. (150-250)

2094 **Forestville** - $5.00 1902 Fr. 604 **The First NB** Ch. # 10444

A lovely note which is about as perfect as a National can get. From the vivid colors of the overprint to the pen signatures to the bright white paper, this is what a National ought to look like. **Gem Crisp Uncirculated**. (450-750)

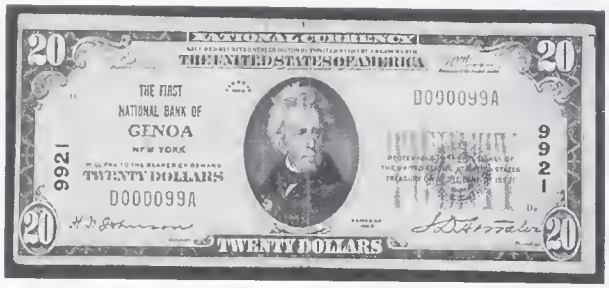
2095 **Freeport** - $10.00 Ty. 1 **The First NB & TC** Ch. # 7703

A decent **Very Fine** example from this Nassau County bank. (100-200)



2096 **Friendship** - $5.00 1875 Fr. 405 **The Citizens NB** Ch. # 2632

A tougher western New York bank which issued first and second charters only before liquidating in 1917. **Very Good+**. (400-800)

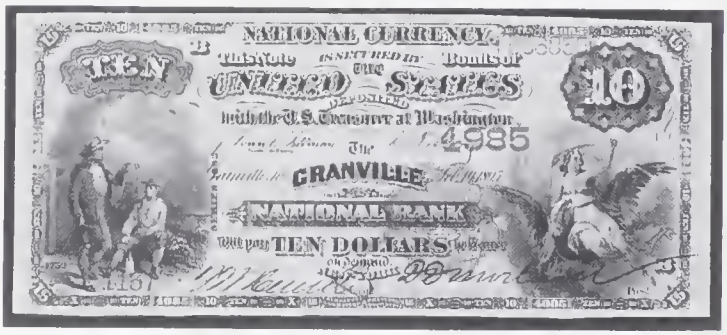


2097 **Genoa** - $20.00 Ty. 1 **The First NB** Ch. # 9921

An excessively rare Cayuga County bank with only three notes reported in the Kelly census, one large and two small. We've owned both of the small size notes, with the other even lower grade than this. Our records disclose only three appearances of any kind from this one bank community, the last coming over five years ago. **Very Good**, with no problems whatever save for honest circulation. (400-700)

2098 **Gouverneur** - $10.00 1902 Fr. 633 **The First NB** Ch. # 2510

A more than acceptable note from the only bank to issue large examples in this St. Lawrence County community. **Very Fine**. (175-325)



2099 **Granville** - $10.00 1882 Fr. 487 **The Granville NB** Ch. # 4985

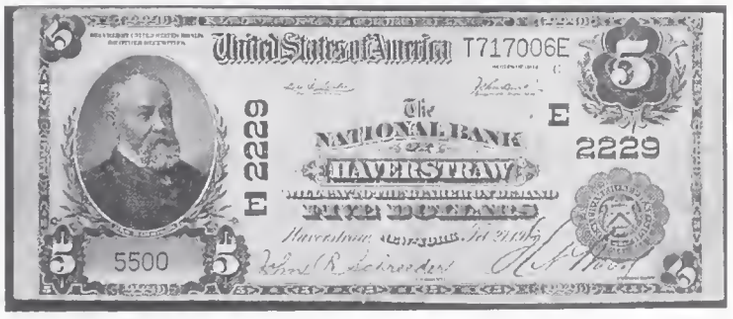
A most attractive Brown Back from this well collected Washington County location. **Extremely Fine**, with bold pen signatures. (400-800)

2100 **Greenport** - $10.00 Ty. 1 **The First NB** Ch. # 334

A bit soiled, but any Greenport note is important enough to command attention. This is a popular Suffolk County bank, and this **Very Good-Fine** example will still bring... (400-800)

2101 **Hampton Bays** - $10.00 Ty. 1 **The Hampton Bays NB** Ch. # 12987

Throw away the price guides when it comes to real values for Long Island notes, particularly for banks on Suffolk County's east end, where the demand far outstrips the limited supply. Expect this evenly circulated no problems **Fine+** example to bring... (600-1000)



2102 **Haverstraw** - $5.00 1902 Fr. 605 **The NB of Haverstraw** Ch. # (E)2229

A scarce and popular Rockland County note from the only bank to issue here. It's been many years since we've had even one note to offer from here, so expect this attractively pen signed **Fine** example to see considerable attention from this county's many avid collectors. (450-750)

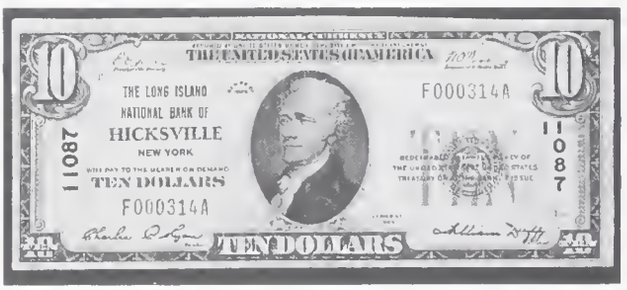
2103 **Hempstead** - $5.00 1902 Fr. 603 **The First NB** Ch. # 4880

A very high grade example from this Nassau County bank. **Very Fine-Extremely Fine**, cut just a bit close at the bottom. (300-600)

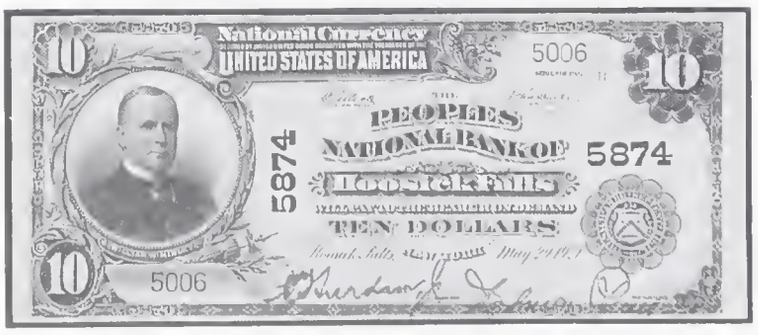
2104 **Hempstead** - $50.00 Ty. 1 **The First NB** Ch. # 4880

A lovely note which is many grades higher than the example from here which brought $605 in our October sale. If a finer Series 1929 fifty exists from this bank, we've yet to see it. Barely circulated **Extremely Fine-About Uncirculated**, a premium Long Island note. (500-900)



2105 **Hicksville** - $10.00 Ty. 1 **The Long Island NB** Ch. # 11087

A virtual duplicate of the example which brought $302.50 in our October sale. **Fine-Very Fine**. (250-450)



2106 **Hoosick Falls** - $10.00 1902 Fr. 633 **The Peoples NB** Ch. # 5874

Not a rare bank, but hardly a common note in this condition. **Choice Crisp Uncirculated**. (300-500)

2107 **Hoosick Falls** - $5.00 1882 Date Back Fr. 537 **Peoples NB** Ch. # (1-)5874 **VG**

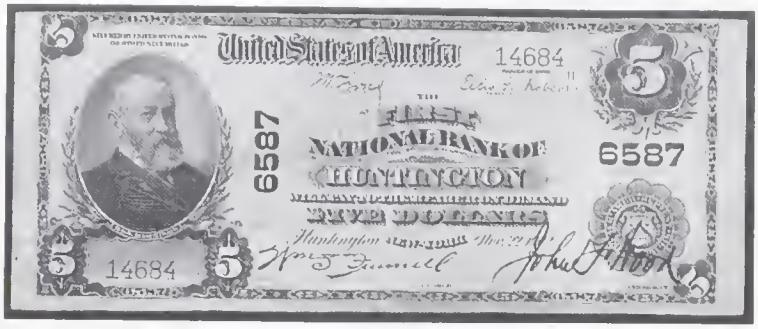
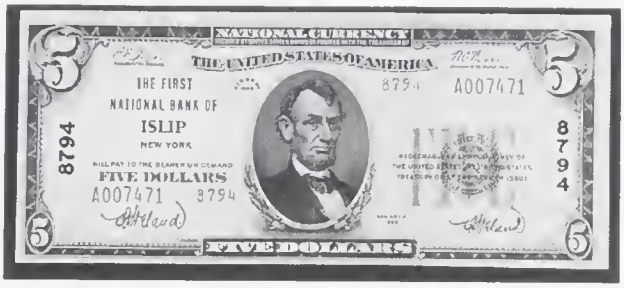
Two pieces.(125-175)



2108 **Huntington** - $5.00 1902 Fr. 598 **The First NB** Ch. # 6587

A better Suffolk County bank. A very slightly higher grade $5.00 Blue Seal from here brought $1265 in our October sale. Nice **Fine**, with a couple of unimportant pinholes mentioned only for the sake of total accuracy. (600-1000)



2109 **Islip** - $5.00 Ty. 2 **The First NB** Ch. # 8794

This is one of the very few Suffolk County banks to be readily available in high grade. **Extremely Fine**. (200-300)

2110 **Jamestown** - $10.00-10.00-10.00-20.00 1902 Fr. 632/658 **The Liberty NB** Ch. # 11360

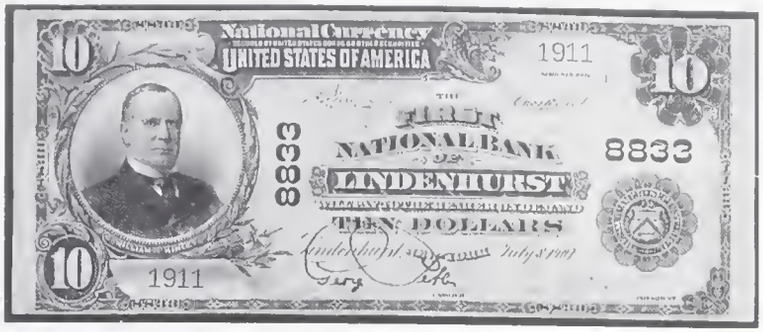
An absolutely superb uncut sheet, virtually as nice as the day it left the Bureau for delivery to this bank. The Kelly census lists no uncut sheets extant from this bank, which was one of only a handful to utilize the design which included both the city and state in its tombstone. Interestingly, the third note was clearly never signed, as the sheet is pristine and the signatures are totally absent. **Gem Crisp Uncirculated**, as close to perfection as one is likely to get in a large size uncut sheet. (2000-3000)

2111 **Kings Park**- $5.00 Ty. 2 **The NB of Kings Park** Ch. # 14019

A very rare Suffolk County 14000 charter bank, although the grade here could stand a bit of improvement. Well circulated but intact **Good-Very Good**. (300-500)

2112 **Lancaster** - $5.00 1902 Fr. 607 **The Citizens NB** Ch. # 11912

A tougher Erie County bank in large size, with only eight large examples (plus one uncut sheet) reported in the Kelly census. **Very Good**. (150-250)



2113 **Lindenhurst** - $10.00 1902 Fr. 626 **The First NB** Ch. # 8833

A great Suffolk County note which is the only large size note from here we know of which is not a serial number 1 example. With only $430 outstanding in large notes from here, it's unlikely that many more are waiting to be discovered. Nice **Fine-Very Fine**, likely to see bidding end in the range of... (1000-2000)

2114 **Lowville** - $50.00 Ty. 1 **The Black River NB** Ch. # 2426

A lovely example from this neatly titled bank which is the nicest high denomination note from here that we have ever recorded. Bright **Very Fine-Extremely Fine**, a premium piece likely to see bidding end in the range of... (500-900)

Serial #2 Lynbrook Red Seal

2115 **Lynbrook** - $10.00 1902 Red Seal Fr. 615 **The Lynbrook NB** Ch. # (E)8923

This newly discovered Red Seal offers collectors their first opportunity to obtain a large size note from this bank, as no large notes were reported from here, no surprise considering that a mere $300 in large notes was outstanding from here in 1935. This piece is a pen signed beauty, with an exceptionally vivid red overprint and, of course, bearing serial number 2. Difficult to estimate, as all great Long Island notes are, but if our sale in October serves as any guide, expect to see bids for this **Very Fine-Extremely Fine** example reach or exceed... 2117 **Lynbrook** - $5.00 Ty. 1 **The Peoples NB & TC** Ch. # 11603

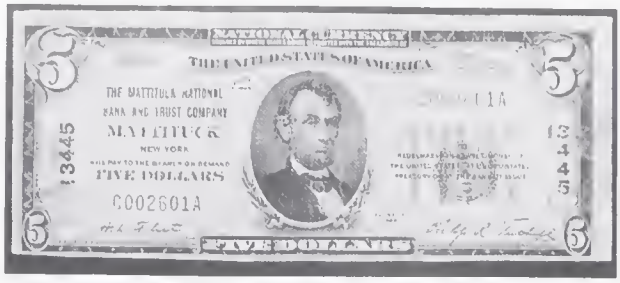
An unusually high grade small size note from this bank. **Extremely Fine**. (250-450)



2118 **Mattituck** - $5.00 Ty. 1 **The Mattituck NB & TC** Ch. # 13445

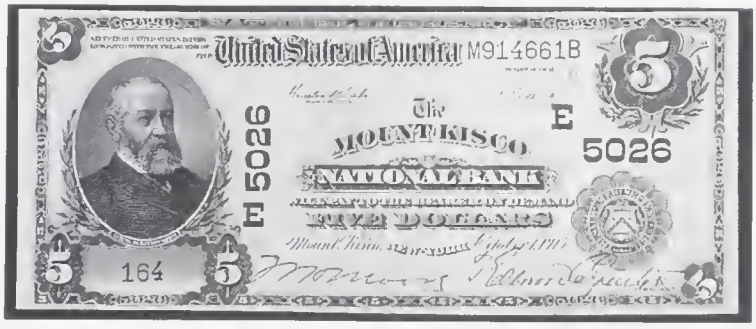
A much sought after bank in this small North Fork community. **Very Good-Fine**, the back a bit discolored. (450-750)

2119 **Middleville** - $10.00 Ty. 2 **The Middleville NB** Ch. # 11656

Only denomination issued by this Herkimer County institution. **About Fine**. (100-150)

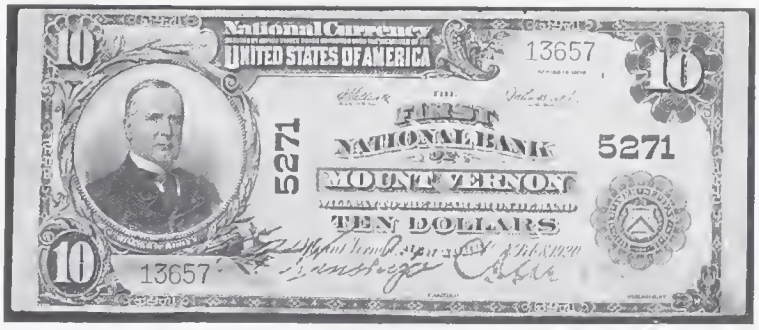
2120 **Mineola** - $10.00 Ty. 2 **The First NB** Ch. # 9187

A small size example from the Nassau County seat. **Very Good+**. (200-300)



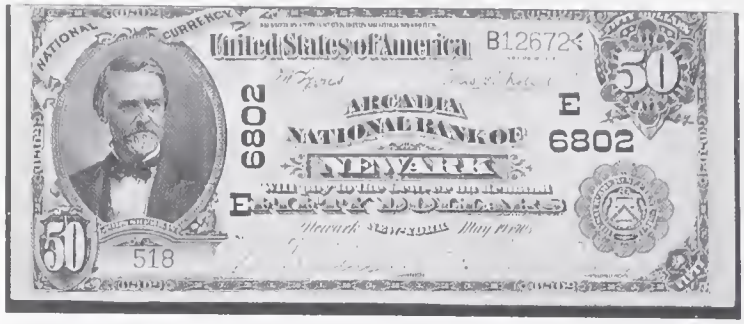
2121 **Mount Kisco** - $5.00 1902 Fr. 606 **The Mount Kisco NB** Ch. # (E)5026

It's been quite some time since we've seen any note from this scarce Westchester County location that could equal this in eye appeal and sheer desirability. Expect this pen signed and barely circulated **Extremely Fine+** example to easily reach or exceed... (750-1250)



2122 **Mount Vernon** - $10.00 1902 Fr. 633 **The First NB** Ch. # 5271

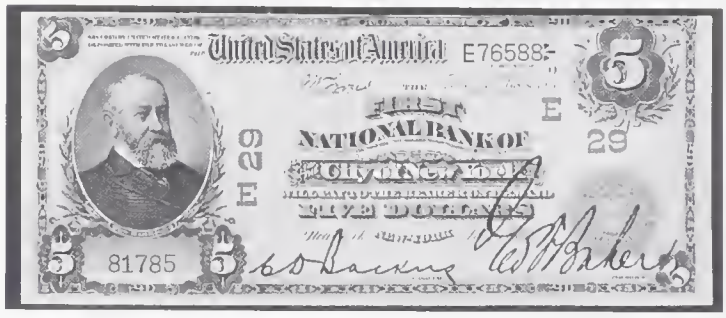
An above average large example from this popular Westchester County location. **Fine-Very Fine**, with a couple of minuscule chips out of the top margin. (200-400)



2123 **Newark** - $50.00 1902 Date Back Fr. 667 **Arcadia NB** Ch. # (E)6802

A very scarce type from this small upstate bank, which issued only sheets of large fifties and hundreds. This is the first such example we've had the pleasure of handling. Nice **Very Fine**, cut just a trifle close at the top. (500-800)

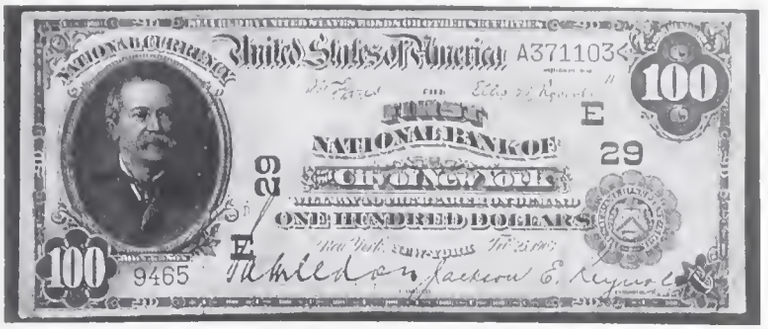
We are pleased to offer below a most important collection of New York City notes, along with a significant selection of material from communities surrounding the five boroughs. Assembled with great care and considerable expertise over a two decade period, it reflects the discerning eye of the individual who pieced it together. Replete with high grade First Charters, lovely Brown Backs, and boldly colored Red Seals, and brimming with high denomination notes, it represents a snapshot of a collecting world gone by, where such material was available for the taking by any collector who had the patience and resources to obtain the best. Enjoy this offering — its like will not be available anytime in the near future.



2124 **New York City** - $5.00 1902 Red Seal Fr. 587 **The First NB** Ch. # (E)29

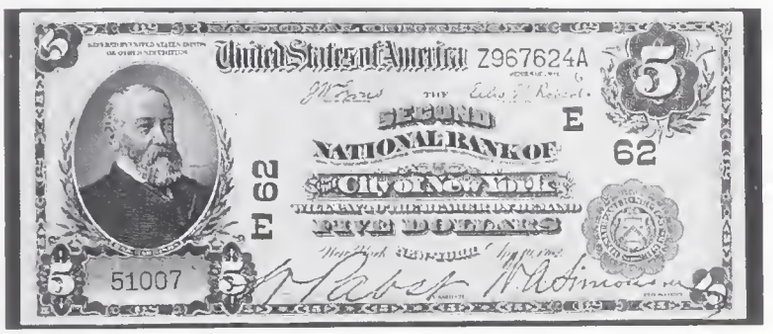
Crackling fresh and brilliantly colored, and bearing the vanity signature of George F. Baker as well. **Choice About Uncirculated**, ex-Donlon personal collection sale of May 22, 1971, lot 934, therein described as New, but the note does have a light center fold. (450-750)

Currency Auctions of America, Inc. is pleased to announce that our next public auction will be in Rosemont, MAY 14-15, 1999



2125 **New York City** - $100.00 1902 Date Back Fr. 689 **The First NB** Ch. # (E)29

Although one would not expect it, large size fifties and hundreds have always been difficult to find from New York City banks, with only a literal handful of Red Seals and not all that many more Blue Seals extant from what was the largest issuing location in the country. Our consignor was wise enough to acquire every New York City high denomination he could find over a 20-year period, with the notes that we offer here the results of his two decade search. Pleasing **Fine**, with good signatures. (450-750)

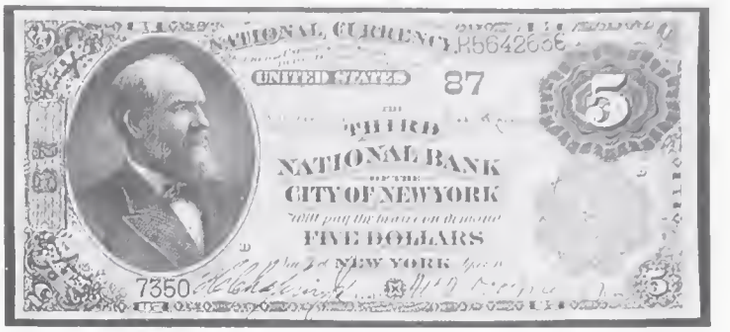


2126 **New York City** - $5.00 1902 Fr. 589 **The Second NB** Ch. # (E)62

A more elusive New York City bank. **Very Fine-Extremely Fine**, ex-Lester Merkin's sale of the M.O. Warns collection, October, 1973, lot 48. (125-225)

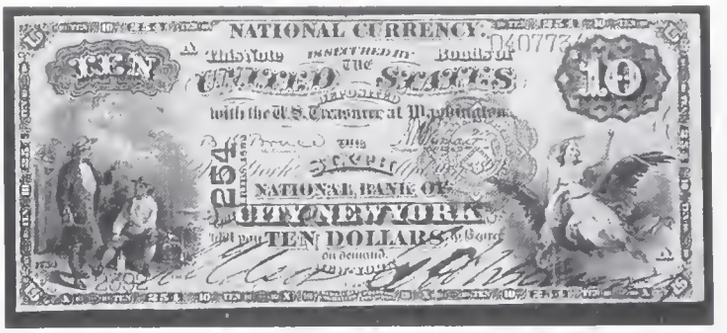
2127 **New York City** - $2.00 1875 Fr. 392 **The Third NB** Ch. # 87

A nice evenly circulated Lazy Deuce with good color and body for the grade. **Very Good**, with a tiny corner repair. (350-450)



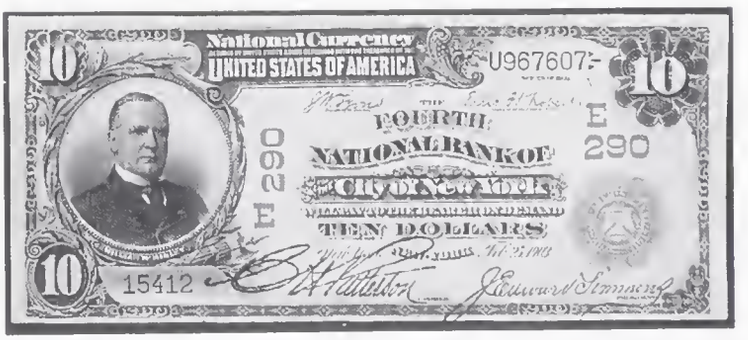
2128 **New York City** - $5.00 1882 Fr. 466 **The Third NB** Ch. # 87

A really attractive $5.00 Brown Back with two color pen signatures of H.C. Chapin, Jr. and W.A. Woodward, V. President. Bright **Extremely Fine**. (200-400)



2129 **New York City** - $10.00 1882 Fr. 480 **The Sixth NB** Ch. # 254

This is one of the most elusive of New York City's numerically titled banks to obtain, with our records disclosing no offerings of any kind from here since an appearance on our fixed price list in 1985. With only four examples listed from here in the Kelly census, it might be quite some time before another is available. Pen signed **Fine+**, a significant note worthy of a strong bid. (450-900)



2130 **New York City** - $10.00 1902 Red Seal Fr. 613 **The Fourth NB** Ch. # (E)290

A lightly circulated Red Seal with great color and flash for the grade. **Very Fine+**. (250-450)

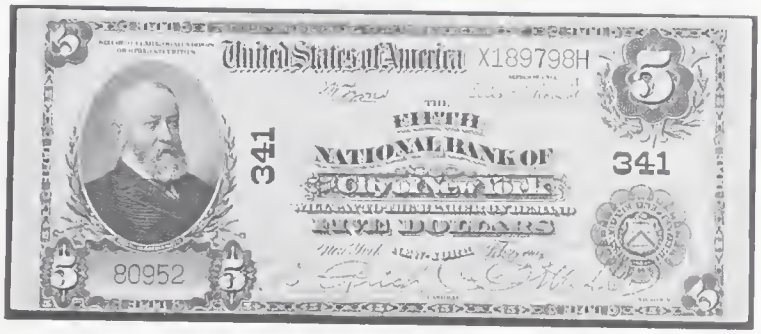
2131 **New York City** - $5.00 Original Fr. 394 **The Tenth NB** Ch. # 307

An evenly circulated no-problem **Very Good** example from the bank which was one of only two "Tenth NBs" chartered (the other was in Philadelphia). (200-300)

2132 **New York City** - $5.00 1882 Fr. 466 **The Fifth NB** Ch. # 341

A tougher bank from which to find any early notes. **Fine**, with clear signatures. (150-300)

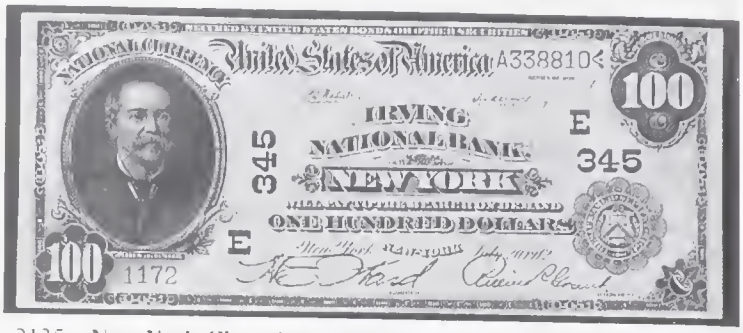


2133 **New York City** - $5.00 1902 Fr. 598 **The Fifth NB** Ch. # 341

Although a bit closely trimmed at the bottom, this is easily the nicest note we know of from this numerically titled New York City institution. **Crisp Uncirculated**. (250-450)

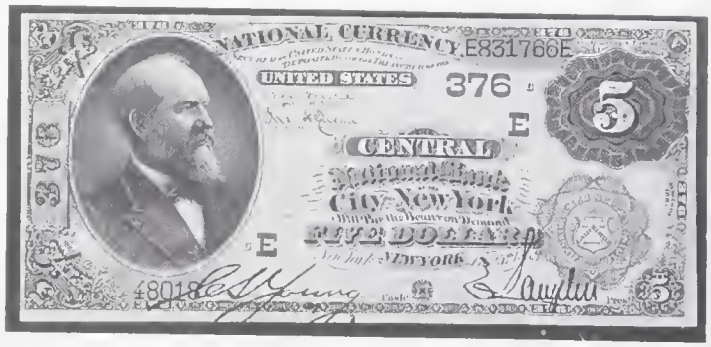
2134 **New York City** - $10.00 1902 Red Seal Fr. 615 **Irving National Exchange Bank** Ch. # (E)345

A lovely Red Seal bearing by far the scarcest of the three signature combinations used for this type. **Extremely Fine**, ex-Jess Peters (1976), Allen Mincho collection (1982). (400-800)



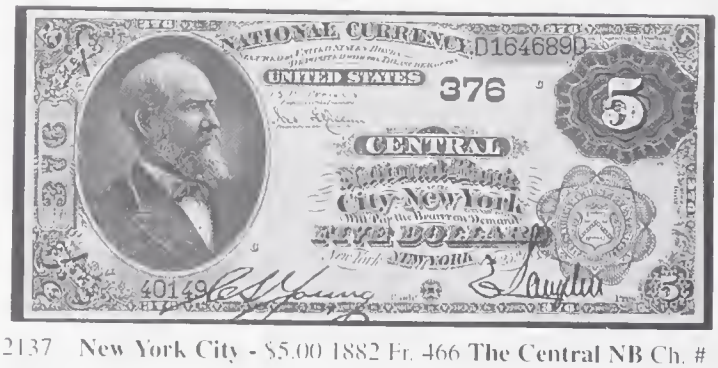
2135 **New York City** - $100.00 1902 Date Back Fr. 693 **Irving NB** Ch. # (E)345

Considerably the nicer of the two $100.00 Blue Seals we've recorded from this bank. Nice **Very Fine+**, a perfect type example. (500-900)



2136 **New York City** - $5.00 1882 Fr. 466 **The Central NB** Ch. # (E)376

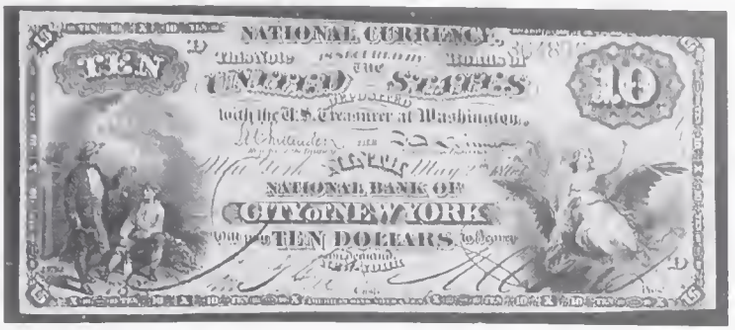
A very brightly colored Brown Back which is virtually new despite three light folds and some teller handling at the right margin. Its original embossing is clearly apparent. **Extremely Fine+**. (300-500)



2137 **New York City** - $5.00 1882 Fr. 466 **The Central NB** Ch. # 376

The perfect mate to the example from here offered above, the only difference being that this piece lacks the regional letter. Bright **Very Fine**, the margins, as on the piece above, trimmed just a touch close, although well clear of the design. (200-300)

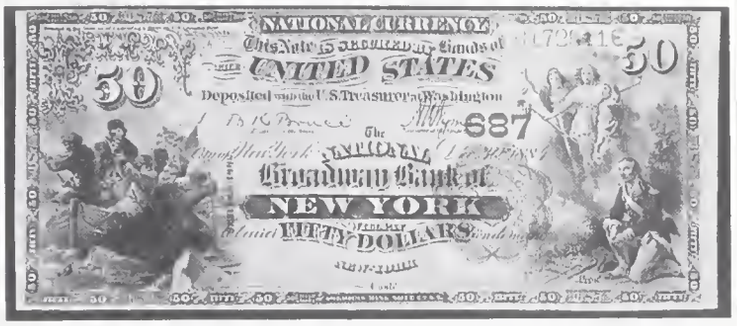
REMINDER —
A 10% Buyer's Fee Will Be Added To All Successful Bids.



2138 **New York City** - $10.00 Original Fr. 409 **The Ninth NB** Ch. # 387

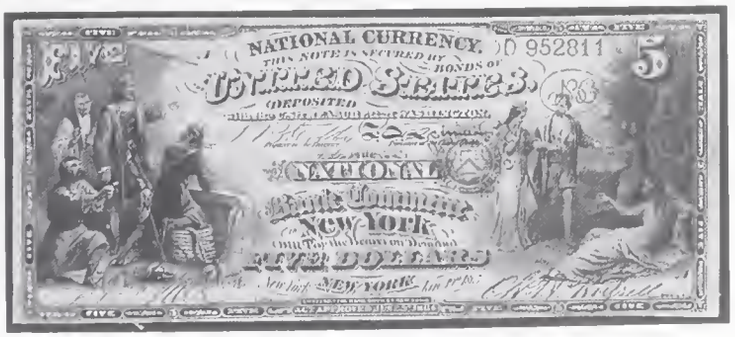
This is one of the more elusive of New York City's ten numerically titled banks, with this Original Series $10.00 the earliest note which could exist from here. The note grades a nice **Fine-Very Fine**, although there is one age spot at the top and the border is trimmed into the design at the top right. (400-700)

Attractive $50.00 Brown Back



2139 **New York City** - $50.00 1882 Fr. 508 **The National Broadway Bank** Ch. # 687

A very nice $50.00 Brown Back from a bank which bears one of the most evocative New York City issuing titles. The top margin is just a bit close, but the color and overall appearance are first rate. Sharp **Very Fine**. (1250-2250)



2140 **New York City** - $5.00 Original Fr. 397 **The NB of Commerce** Ch. # 733

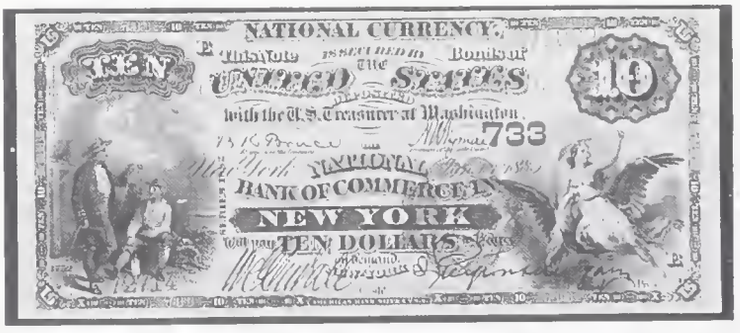
An intriguing note with a long established pedigree, as it was lot 931 in Bill Donlon's personal collection sale of May, 1971. It bears the "NBC" logo stamped under the Treasury number, which we have observed on only one or two other PCP notes from here. Bright **Very Fine** (350-550)

2141 **New York City** - $5.00 1882 Fr. 467 **The NB of Commerce** Ch. # 733

A beautifully centered and well printed example bearing the J. Pierpont Morgan signature as Vice President. **Gem Crisp Uncirculated**, a perfect example for type. (1000-1300)

2142 **New York City** - $5.00 1882 Fr. 467 **The NB of Commerce** Ch. # (E)733

The second layout used by this bank on its $5.00 Brown Back issue. **Very Fine+**. (200-250)

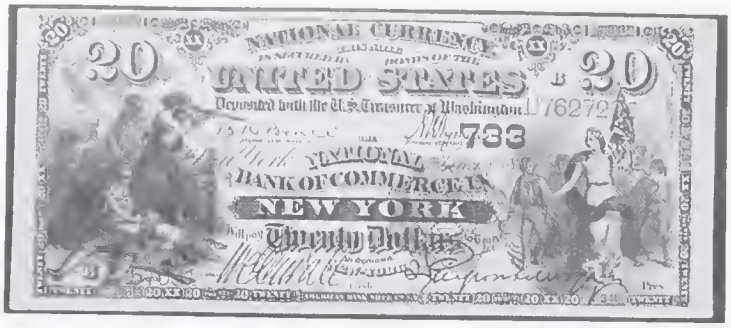


2143 **New York City** - $10.00 1882 Fr. 480 **The NB of Commerce** Ch. # 733

The middle note of this Brown Back denomination set, and as nice as they come, featuring full embossing, brilliant colors, and crackling fresh paper. This is one note you will never have to worry about upgrading. **Superb Gem Crisp Uncirculated** (1200-1600)

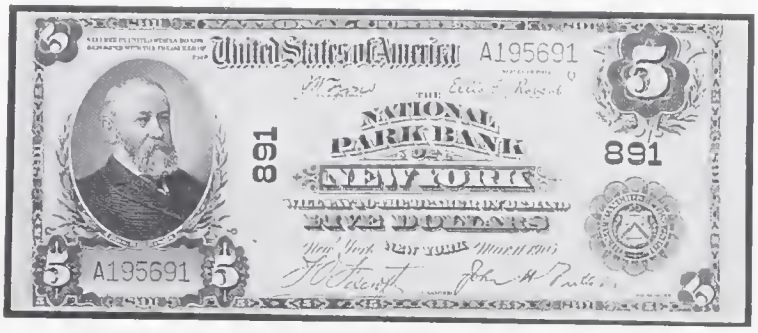
REMINDER —

A 10% Buyer's Fee Will Be Added To All Successful Bids.



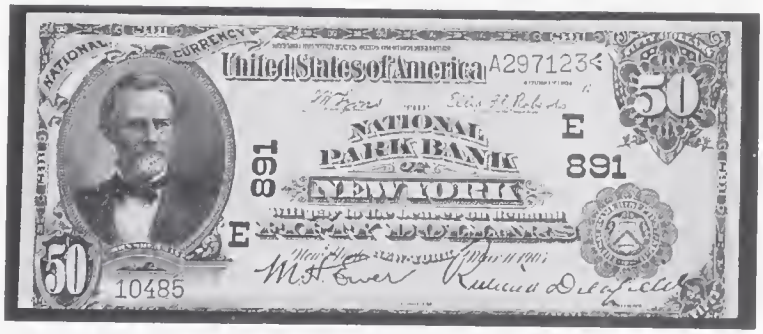
2144 **New York City** - $20.00 1882 Fr. 494 **The NB of Commerce** Ch. # 733

A very nice Brown Back $20.00, but with just enough light handling to remove it from the gem class. **Choice Crisp Uncirculated** (900-1200)



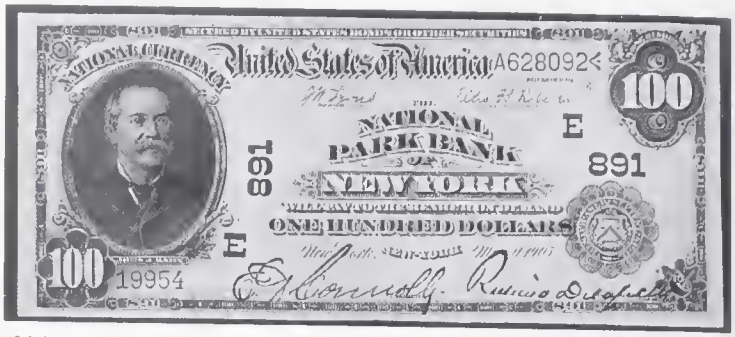
2145 **New York City** - $5.00 1902 Fr. 598 **The National Park Bank** Ch. # 891

There are a couple of very light bends and light handling marks, but this note is crackling fresh and clearly has never circulated. This note bears the "A" prefix, which was used only by the handful of banks which issued more than one million sheets of any particular denomination. **Crisp Uncirculated.**(150-250)



2146 **New York City** - $50.00 1902 Date Back Fr. 667 **The National Park Bank** Ch. # (E)891

Trimmed considerably into the design at the bottom, but otherwise very nice. **Very Fine.** (200-400)



2147 **New York City** - $100.00 1902 Date Back Fr. 689 **The National Park Bank** Ch. # 891

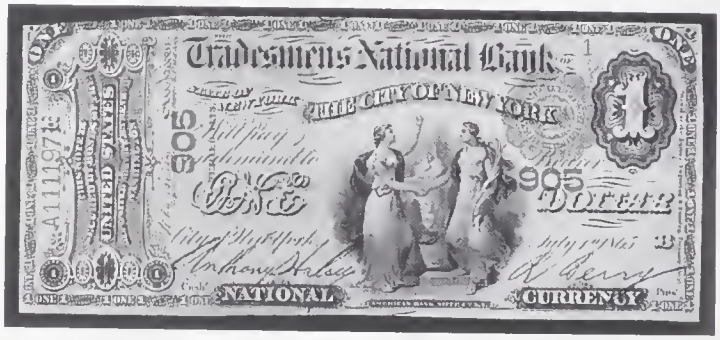
A difficult note to grade, as it has several folds but is otherwise new, with its original embossing fully evident and the paper and ink quality as nice as that found on most uncirculated notes. **Extremely Fine**, a perfect type example. (600-900)

2148 **National Park Bank Grouping**

New York City - $5.00 1875 Fr. 403 **National Park Bank** Ch. # 891 **Good**, overprint faded, corner repair, and small skin on reverse.

$5.00 1902 (2) Fr. 598 **National Park Bank** Ch. # (E)891, 891 **F+, VF+**

Total 3 pieces. (120-160)



2149 **Serial Number 1 First Charter**

New York City - $1.00 1875 Fr. 383 **The Tradesmen's NB** Ch. # 905

The mate to the example we sold in our October auction, with this being the plate B example. This is an attractive blue end paper serial number 1 note, identical in grade to the last but for one minuscule repair in the top margin. As was the other specimen's, the margin is trimmed in just a bit at the top left. The last note fetched $1320, and this should realize just about the same amount. **Extremely Fine.** (1200-1600)

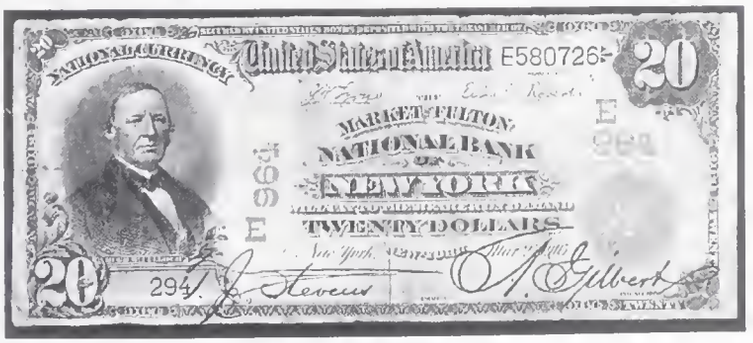
2150 **New York City** - $5.00 1875 Fr. 404 **The National Shoe & Leather Bank** Ch. # 917

This is an exceptional note combining one of New York City's most interesting occupational titles with one of the brightest and most appealing FCP fives we've ever had to offer. While the note bears evidence of light circulation, the red overprint appears to have been applied yesterday, with the green color on the reverse extraordinary as well. **Extremely Fine+**, a great note of the type found only when old-time collections are being dispersed. (500-900)

2151 **New York City** - $5.00 Original Fr. 397 **The Market NB** Ch. # 964

Closely trimmed but beautifully fresh and original, with colors as bright as the day they were printed. **Choice About Uncirculated**. (500-900)



2152 **New York City** - $20.00 1902 Red Seal Fr. 639 **The Market & Fulton NB** Ch. # (E)964

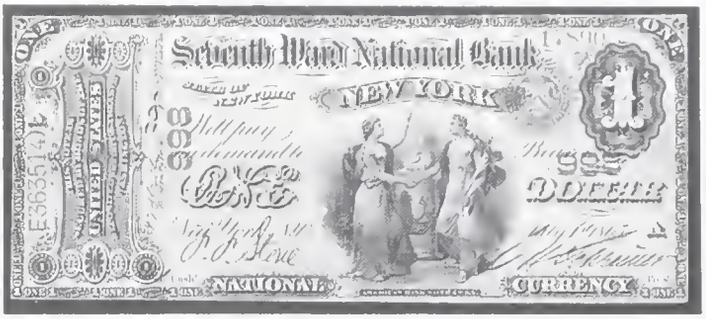
This was one of New York City's scarcer issuing titles, with only six examples reported in the Kelly census. This Red Seal is well circulated, but fully intact with strong black signatures. (150-300)

2153 **New York City** - $1.00 Original Fr. 380 **The Saint Nicholas NB** Ch. # 972

A note offered just in time for your Christmas bidding. This is a well circulated **Good-Very Good** example with a few splits and some chips out of the bottom. (150-250)

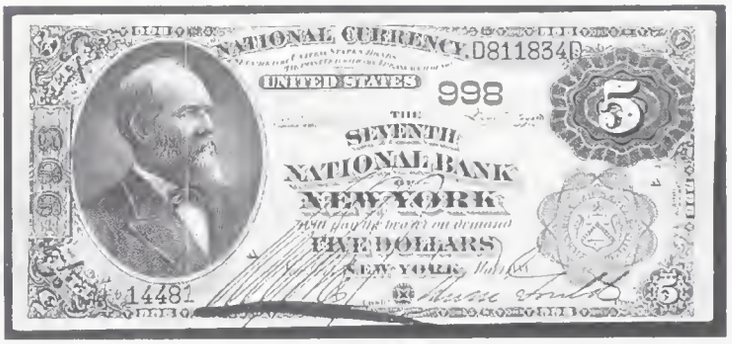
2154 **New York City** - $5.00 Original Fr. 397 **The Saint Nicholas NB** Ch. # 972

Very closely trimmed and with a small inked number on the face. **Very Good**, with clear signatures. (150-250)



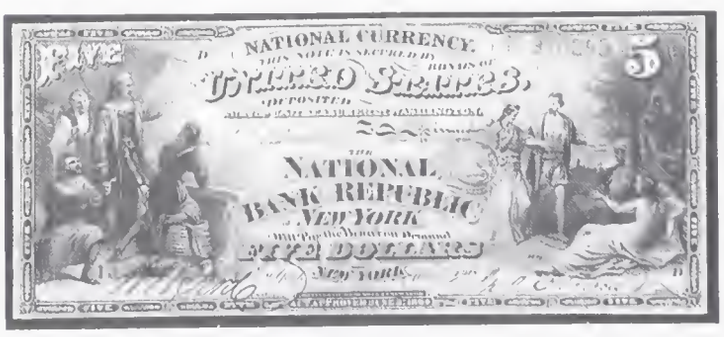
2155 **New York City** - $1.00 Original Fr. 380 **The Seventh Ward NB** Ch. # 998

Nice **Fine-Very Fine** example with bold signatures. The trim is close, as is typical of FCP notes from this bank, all around. (200-300)



2156 **New York City** - $5.00 1882 Fr. 470 **The Seventh NB** Ch. # 998

Much the scarcer title used by this bank, which issued Brown Backs only with this nomenclature before ceasing operations in 1903. The Kelly census shows only four such examples extant. **Very Fine-Extremely Fine**, with a great cashier's vanity signature. (250-450)

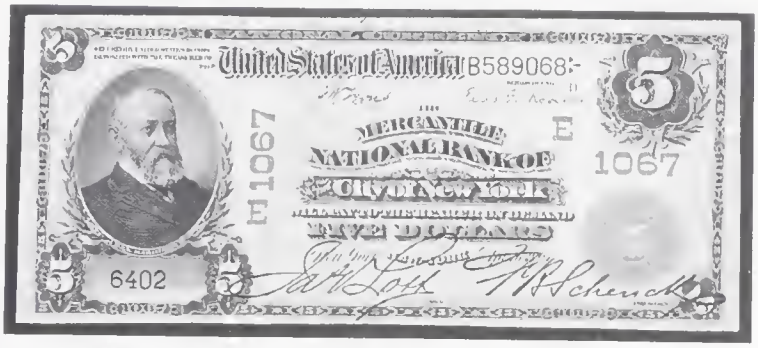


2157 **New York City** - $5.00 Original Fr. 397 **The NB of the Republic** Ch. # 1000

A nice First Charter five. **Fine-Very Fine**. (250-450)

2158 **New York City** - $5.00 1882 Fr. 469 **The NB of the Republic** Ch. # 1000

An unusually well margined example of the so-called "Racketeer Note," so named for the reverse charter number which served to fool the unwary into thinking the owner was displaying a $1000 bill. **Very Fine+++**, ex-Philpott and Amon Carter. (200-400)

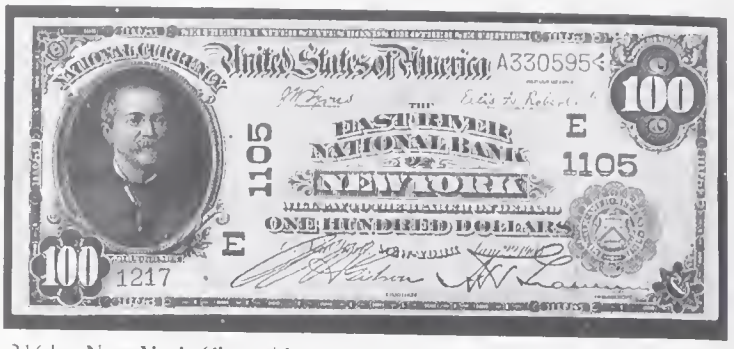


2159 **New York City** - $5.00 1902 Red Seal Fr. 587 **The Mercantile NB** Ch. # (E)1067

A brightly colored and well printed high grade Red Seal, **Extremely Fine**, with bold black signatures of Jas. V. Lott and F.R. Schenck. (300-400)

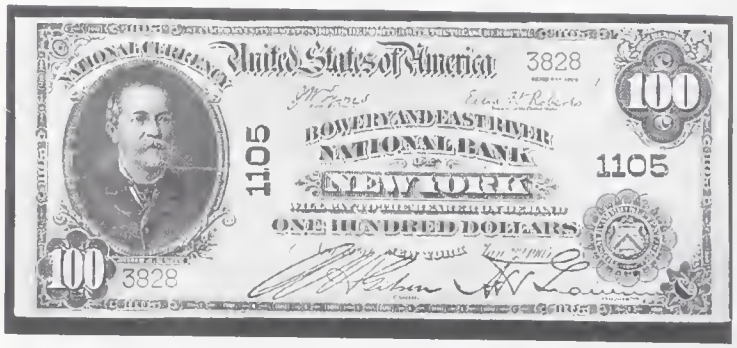
2160 **New York City** - $50.00 1902 Fr. 675 **Bowery & East River NB** Ch. # 1105

A seldom seen high denomination example. **Fine**. (250-450)



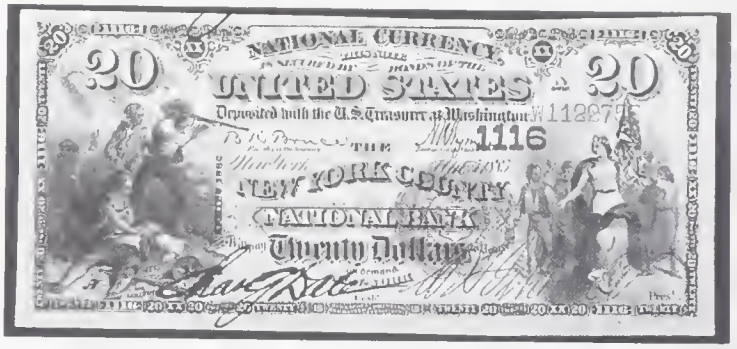
2161 **New York City** - $100.00 1902 Date Back Fr. 689 **The East River NB** Ch. # (E)1105

A very scarce denomination from this bank in this title **Fine-Very Fine**. (400-800)



2162 **New York City** - $100.00 1902 Fr. 698 **Bowery & East River NB** Ch. # 1105

The perfect mate to the above note. **Fine+**, with strong black signatures, along with a few pinholes which really do not detract. (350-550)



2163 **New York City** - $20.00 1882 Fr. 494 **The New York County NB** Ch. # 1116

A wonderful example from this considerably scarcer bank. The margins here are so large as to be positively abnormal, while the quality of inks and paper are beyond reproach. **Choice Extremely Fine**, a pen signed beauty certain to please even the most fastidious collector. (500-800)

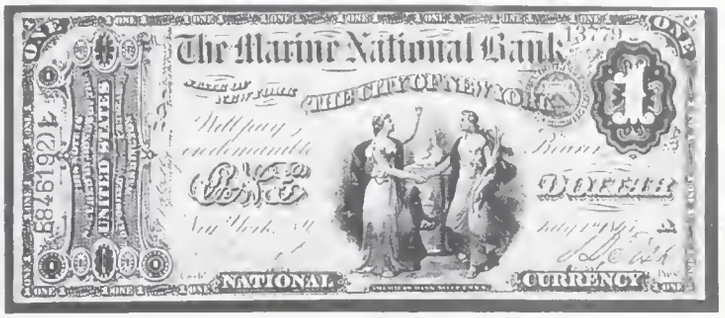
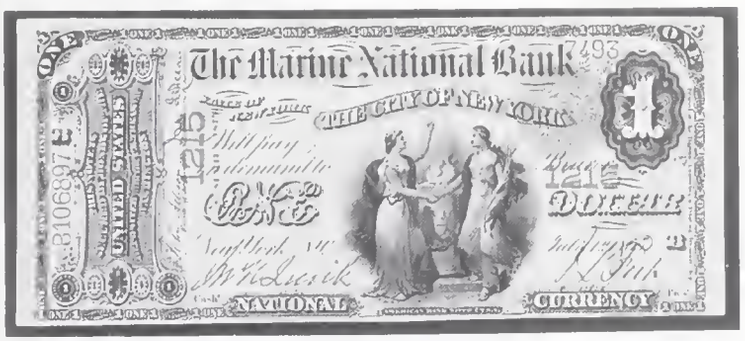
2164 **New York City** - $5.00 1882 Fr. 468 **The Leather Manufacturers NB** Ch. # 1196

A most attractive Brown Back with one of New York's most interesting occupational titles. Bright **Very Fine-Extremely Fine**, a note which has been off the market since our consignor purchased it in a March, 1972 Stack's auction. (400-600)



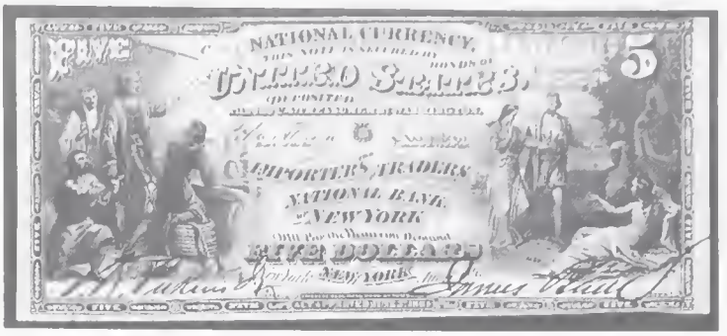
2165 **New York City** - $1.00 Original Fr. 380 **The Marine NB** Ch. # 1215

A very scarce New York City bank which issued First Charter examples only before entering receivership in 1884. The Kelly census lists a total of only six pieces known on the bank, with this collection containing two. **Very Fine**, with two color pen signatures. (400-800)



2166 **New York City** - $1.00 1875 Fr. 385 **The Marine NB** Ch. # 1215

A beautiful First Charter ace with one of the brightest red overprints we've ever laid eyes on. If the bottom margin here was just a bit more full, this would be a flaming gem. **Choice Crisp Uncirculated**. (900-1200)

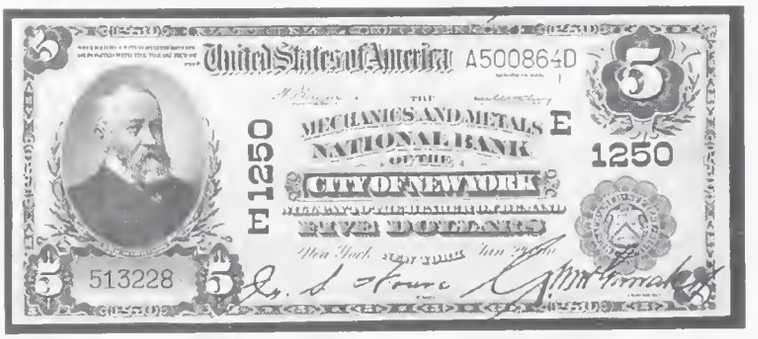


2167 **New York City** - $5.00 1875 Fr. 401 **The Importers & Traders NB** Ch. # 1231

A classy First Charter note with everything going for it, including a good occupational title, a nice layout, and bold jet black signatures. **Very Fine+**. (375-575)

2168 **New York City** - $20.00 1902 Red Seal Fr. 639 **The Mechanics NB** Ch. # (E)1250

A bright **Very Fine** Red Seal $20.00 with a couple of light spots on the paper which detract little, if at all. (250-450)



2169 **New York City** - $5.00 1902 Fr. 601 **The Mechanics & Metals NB** Ch. # (E)1250

The second title used by this bank. **About Uncirculated**, ex-lot 174 of the 1971 ANA auction. (125-175)

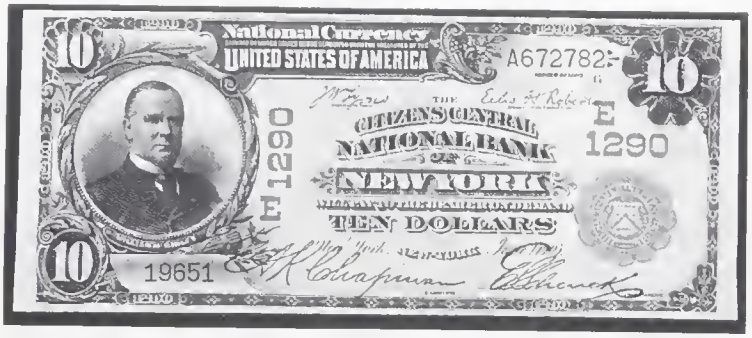
2170 **New York City** - $100.00 1902 Date Back Fr. 689 **The National Butchers & Drovers Bank** Ch. # (E)1261

This is the only hundred we've ever seen from this bank, which bears one of the City's best occupational titles. **Fine**. (450-850)

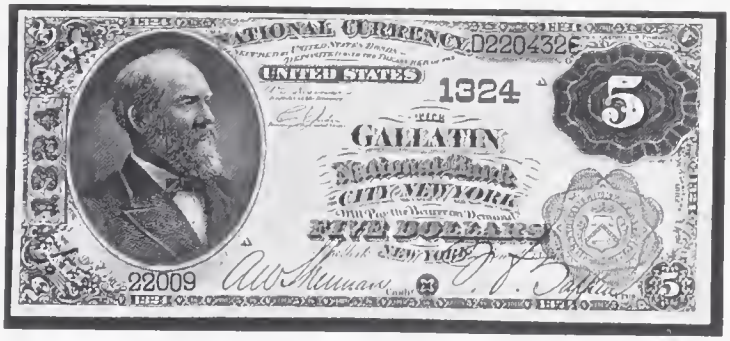


2171 **New York City** - $10.00 1902 Red Seal Fr. 613 **The Citizens Central NB** Ch. # (E)1290

Yet another well centered and unusually bright Red Seal. **Extremely Fine**, with the appearance of a new note at first glance. (300-500)

2172 **New York City** - $10.00 1902 Red Seal Fr. 613 **The Citizens Central NB** Ch. # (E)1290

Evenly circulated **Very Good-Fine** Red Seal with good color for the grade. (125-175)



2173 **New York City** - $5.00 1882 Fr. 469 **The Gallatin NB** Ch. # 1324

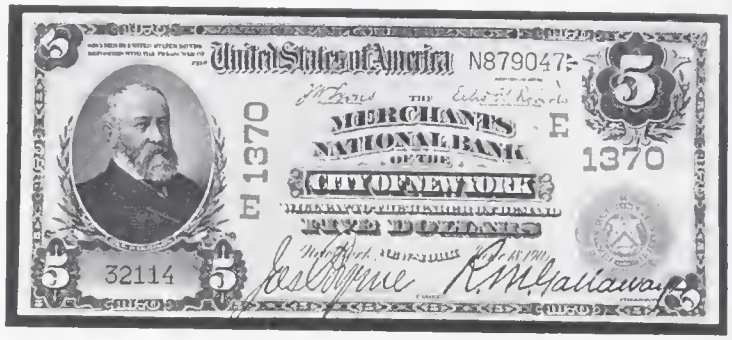
Like so many notes in this collection, this piece stands head and shoulders above most others sharing the same technical grade. It is essentially a new note with the brilliance, flash, and originality of a note printed this morning, albeit with a light center fold and two handling bends. This is the kind of note where the published grade falls considerably short of describing just how nice the piece is. **Extremely Fine-About Uncirculated**. (350-550)

2174 **New York City** - $10.00 1902 Red Seal Fr. 613 **The Hanover NB** Ch. # (E)1352

An unremarkable Red Seal save for one significant feature. The Treasury number and the serial number are the same, which is the only time we have ever observed this on a Red Seal. **Very Good-Fine**. (150-300)

2175 **New York City** - $10.00 1902 Date Back Fr. 616 **The Hanover NB** Ch. # (E)1352

A barely circulated Date Back which has retained its full original embossing. **Extremely Fine-About Uncirculated**. (100-150)



2176 **New York City** - $5.00 1902 Red Seal Fr. 587 **The Merchants NB** Ch. # (E)1370

A bright Red Seal which is perfect for type. Our consignor has owned this note since he purchased it in Bill Donlon's September 6, 1972 sale, where it was lot 622. **Choice Crisp Uncirculated**. (600-1000)

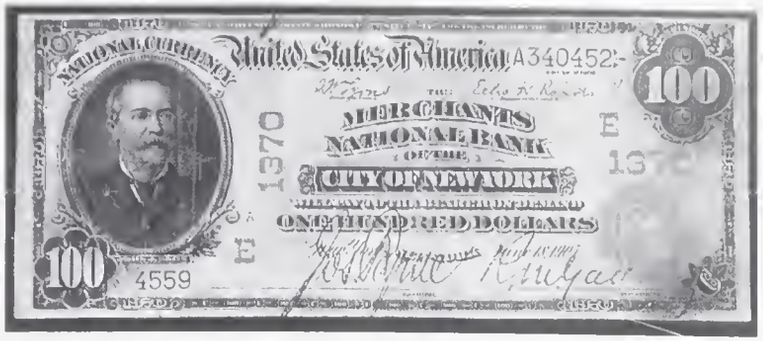
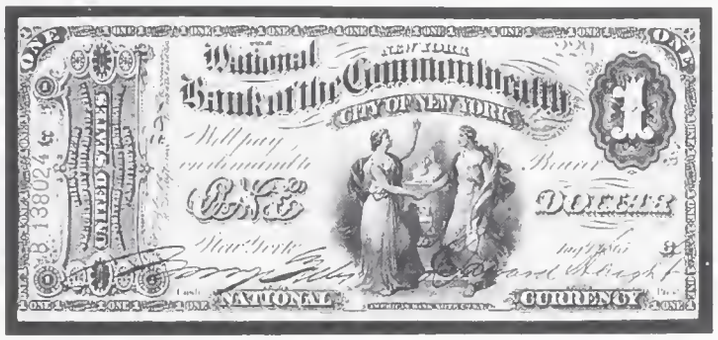
Rare New York City $100.00 Red Seal



2177 **New York City** - $100.00 1902 Red Seal Fr. 686 **The Merchants NB** Ch. # (E)1370

This is an excessively rare type from any New York City bank, with the total census from all banks combined being two (although we have heard rumors of a third). We never did succeed in obtaining an example during all of the years in which we collected New York City notes, and have never before offered one. In fact, even the landmark collection of Red Seals offered at Memphis in 1997 (which contained 31 of the 71 pieces in private hands) lacked any example from New York City. **Very Good-Fine**, a difficult note to estimate but rest assured it likely will not go cheap. (2000-4000)



2178 **New York City** - $1.00 Original Fr. 380 **The NB of the Commonwealth** Ch. # 1372

An excessively rare note which is only the second example from this short lived institution ever to be offered for sale. It likely survived due to the penned New Year's 1867 greeting on the reverse, which in our opinion does not detract in the slightest from the appeal of this note. While the side margins are trimmed a bit close, the colors on this piece are simply spectacular. **Very Fine-Extremely Fine**, considerably higher grade than the other known piece from here, and worthy of a strong bid. (1000-2000)

2179 **New York City** - $5.00 1902 Red Seal Fr. 587 **The Phenix NB** Ch. # (E)1374

A brightly colored Red Seal which is crackling fresh and just a hair from new. **Choice About Uncirculated**, a premium example. (350-550)

2180 **New York City** - $5.00 1902 Date Back Fr. 593 **The Chatham & Phenix NB** Ch. # (E)1375

This bank, the short-lived product of the 1911 merger of the Chatham NB and the Phenix NB, should not be confused with the similarly titled (and extremely common) later charter joint venture. Notes were issued under the earlier title for only four years (from 1911 through 1915), with the Kelly census reporting only six such examples extant. This is the nicest our consignor could acquire after many years of looking. **Fine**. (125-225)

2181 **New York City** - $1.00 Original Fr. 380 **The Atlantic NB** Ch. # 1388

An excessively rare bank which issued First Charter notes only for less than eight years before entering receivership in early 1873. Only one note is reported in the Kelly census, although a second example surfaced several years ago, making the total population two. This is a lovely as well as a rare note, with an exceptionally vivid red seal and overprint. **Extremely Fine**, as rare a New York City note as you are likely to find. (1000-1500)

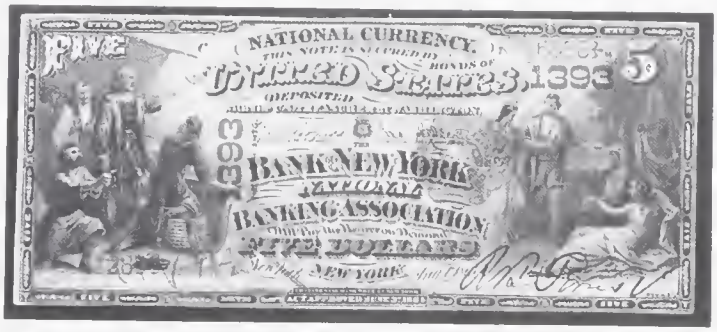
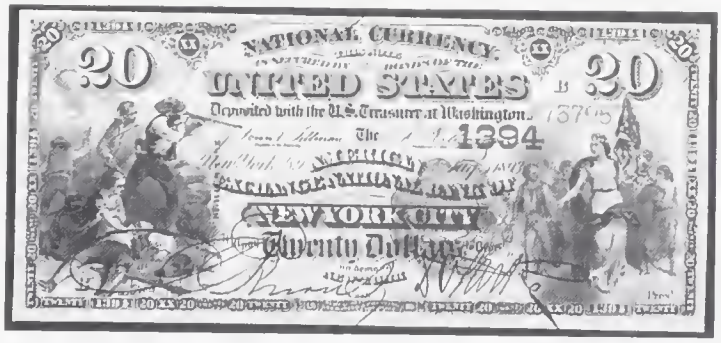
2182 **New York City** - $1.00 Original Fr. 380 **The Continental NB** Ch. # 1389

Bright, fresh, and unmolested, in short, just as exceptional as most of the First Charter notes in this incredible offering. **Extremely Fine-About Uncirculated** (350-650)



2183 **New York City** - $5.00 1875 Fr. 404 **The Bank of New York National Banking Association** Ch. # 1393

Trimmed a bit close but with unusually vivid colors for a circulated note. **Very Fine**, with unusual two color signatures, the cashier's in purple, the vice-president's in black. (375-525)



2184 **New York City** - $20.00 1882 Fr. 501 **The American Exchange NB** Ch. # 1394

A lovely $20.00 Brown Back which appears uncirculated from the face. Close inspection of the back discloses a few very light ripples. **About Uncirculated**. (450-750)

2185 **New York City** - $5.00 1902 Red Seal Fr. 588 **The American Exchange NB** Ch. # (E)1394

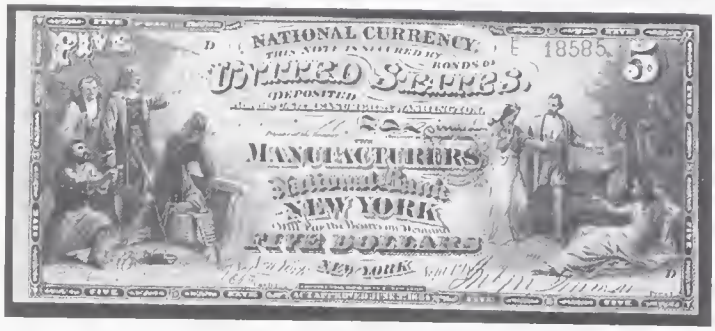
High grade but cut into the design at the bottom, and with a small piece of the adjoining note at the top. **Extremely Fine**, with a tiny stain at the top margin. (250-300)

2186 **New York City** - $10.00 1902 Date Back Fr. 617 **The American Exchange NB** Ch. # (E)1394

A lovely Date Back just one center fold from new **Choice About Uncirculated**. (150-250)

2187 **New York City** - $5.00 1902 Fr. 599 **The American Exchange Pacific NB** Ch. # 1394

The second title used by this bank. **About Uncirculated**, with engraved signatures, ex-Donlon's September, 1972 sale. (100-150)



2188 **New York City** - $5.00 Original Fr. 397 **The Manufacturers NB** Ch. # 1443

Another exceptionally bright FCP example, this from the bank which later moved to Brooklyn. **Very Fine-Extremely Fine**, the right margin trimmed a bit close and with an inked name in the reverse fold. (300-500)

2189 **New York City** - $5.00 1882 Fr. 469 **The National City Bank** Ch. # (E)1461

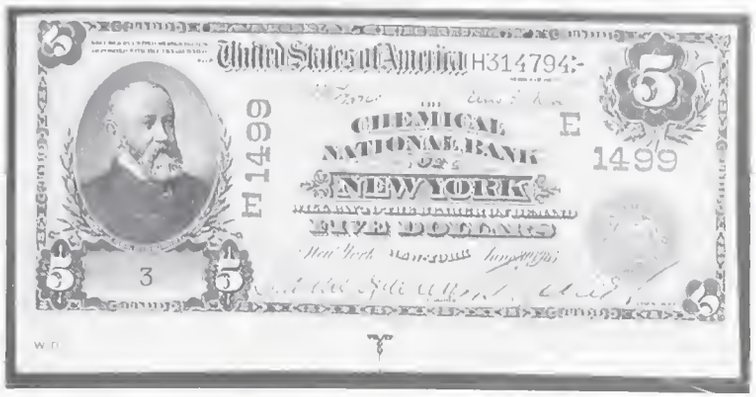
Evenly circulated no problems **Fine-Very Fine** Brown Back. (125-175)

2190 **New York City** - $10.00 1902 Red Seal Fr. 614 **The National City Bank** Ch. # (E)1461

A pleasing Red Seal which is perfect for type. **About Uncirculated+++**. (450-650)

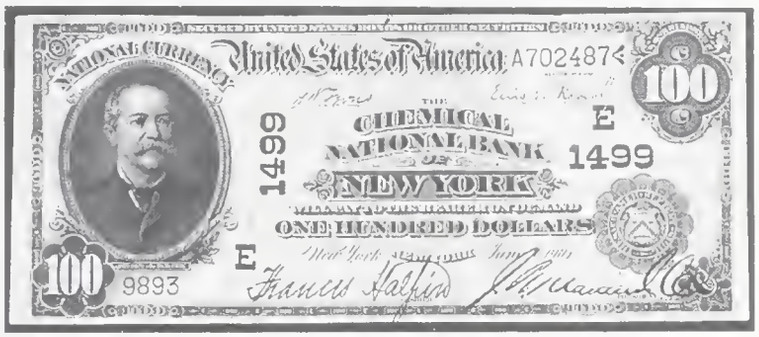
2191 **New York City** - $10.00 1902 Red Seal Fr. 614 **The National City Bank** Ch. # (E)1461

High grade and with bold signatures. The red overprint is just a bit muted. **Very Fine**. (150-250)



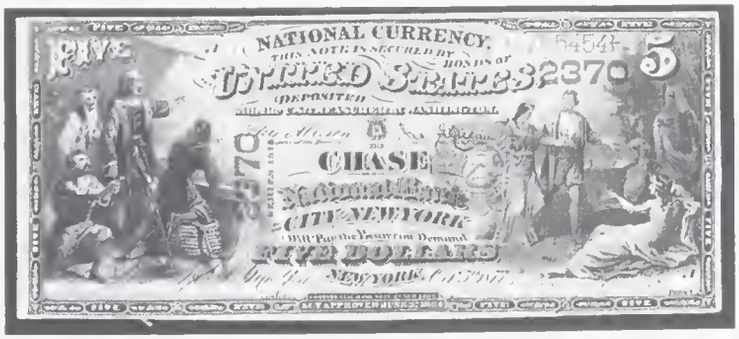
2192 **New York City** - $5.00 1902 Red Seal Fr. 587 **The Chemical NB** Ch. # (E)1499

A beautiful note from one of New York City's most curious banks. Despite receiving its charter in 1865, the bank issued no First Charter notes and emitted a mere handful of Brown Backs. Then, beginning with Red Seals, its issue blossomed to the size one would expect to see commensurate with the bank's capitalization. This pen signed Red Seal is an absolute peach, having retained its full bottom selvage. **Choice About Uncirculated**, a beauty which is one light center fold from gem. (1000-1500)



2193 **New York City** - $100.00 1902 Date Back Fr. 689 **The Chemical NB** Ch. # (E)1499

This is only the second example of this denomination we've ever seen from this bank. Nice **Fine-Very Fine**, with just a trifle of aging visible in the paper. (450-750)

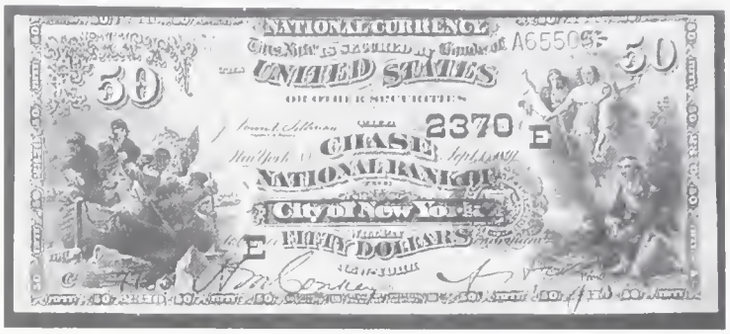


2194 **New York City** - $5.00 1875 Fr. 403 **The Chase NB** Ch. # 2370

This is one of the nicer Chase NB FCP fives we have encountered, with broader margins than most. Like virtually all of the known pieces, there are a couple of corner tip folds, and a light handling mark or two, but the note is bright and fresh and well deserves the **Crisp Uncirculated** grade. (550-850)

2195 **New York City** - $5.00 1882 Fr. 475 **The Chase NB** Ch. # 2370

A nice high grade $5.00 Brown Back. **Extremely Fine** with bold signatures. (300-400)

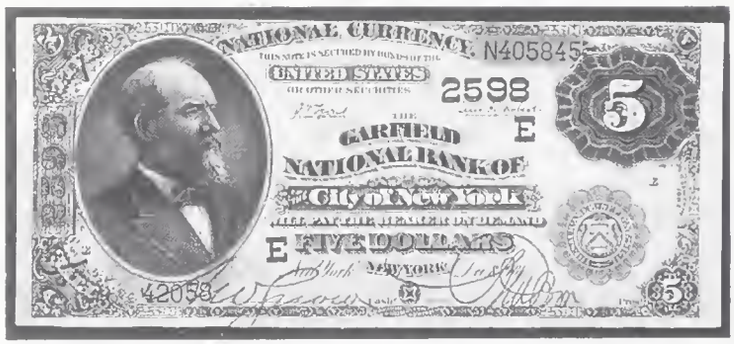


2196 **New York City** - $50.00 1882 Fr. 561 **The Chase NB** Ch. # (E)2370

The top margin is trimmed slightly into the design and there are a handful of light rust spots visible mostly on the reverse, but this is overall a higher grade circulated example than are most notes of this very scarce type and denomination. **Fine-Very Fine**, a perfect example (750-1150)

2197 **New York City** - $5.00 1902 Fr. 606 **The Chase NB** Ch. # 2370

Bright and crispy **Extremely Fine** example with engraved officers' signatures. (75-125)



2198 **New York City** - $5.00 1882 Date Back Fr. 537 **The Garfield NB** Ch. # (E)2598

This beautifully bright and crackingly fresh note is the nicest $5.00 Date Back from here we've ever encountered. This type is always popular from here because of the combination of the Garfield bank title next to the handsome portrait of the martyred president in the design adopted shortly after his assassination in 1881 **Choice Extremely Fine**. (250-450)

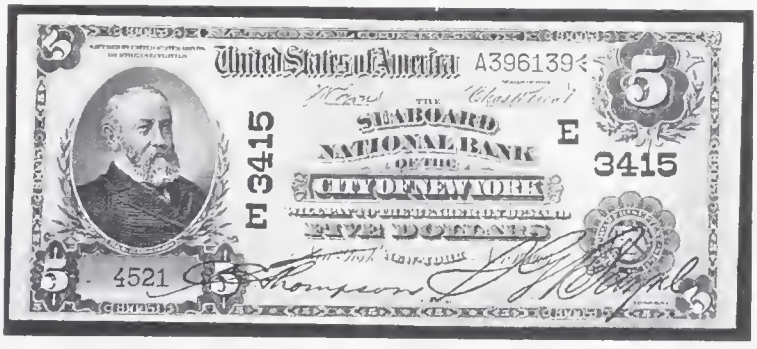
2199 **New York City** - $5.00 1875 Fr. 405 **The Lincoln NB** Ch # 2608

This was the last bank chartered in New York City which issued First Charter notes. **Extremely Fine+**, a premium pen signed beauty. (450-550)

2200 **New York City** - $10.00 1882 Fr. 479 **The Second NB** Ch. # 2668

A very scarce bank which was the recharter of charter number 62 before the law was changed to allow banks to continue under their initial charter. **Fine**. (175-325)



2201 **New York City** - $5.00 1902 Date Back Fr. 591 **The Seaboard NB** Ch. # (E)3415

The first of two similarly titled institutions. **Fine-Very Fine**, with bold jet-black signatures. (100-150)

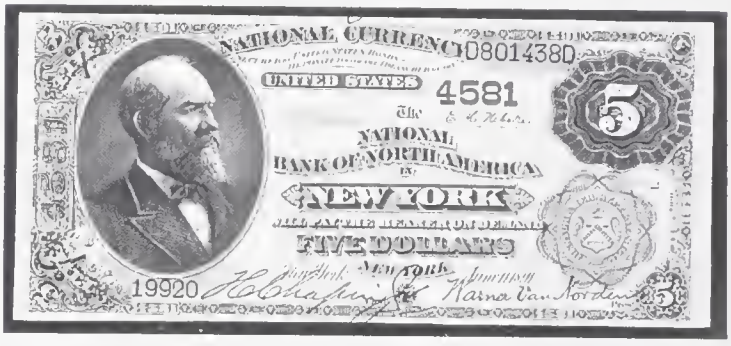
2202 **New York City** - $5.00 1882 Fr. 477 **The Western NB of the United States** Ch. # (E)4567

This bank was a troubled institution from its inception, running through three titles in only 12 years, and ending with this bizarrely grandiose title which seems completely inappropriate for a New York bank. Apparently its clients agreed as well, as the bank failed after using this title for only six months. Only three such examples are recorded in the Kelly census, with this single digit serial number specimen the nicest we've handled. **Extremely Fine**. (350-650)

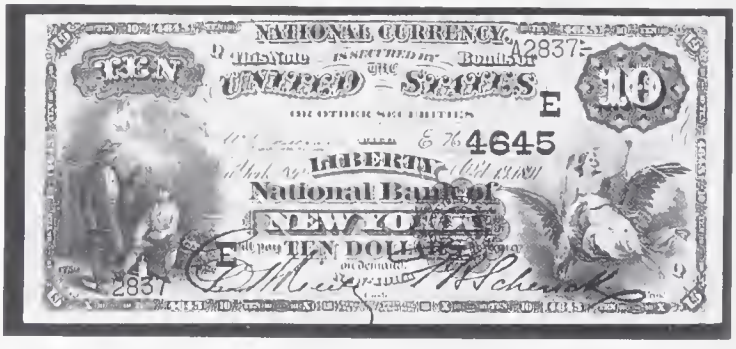


2203 **New York City** - $5.00 1882 Fr. 472 **The NB of North America** Ch. # 4581

A nicely centered Brown Back with exceptionally prominent original embossing and colors as vivid as the day it left the press. **Gem Crisp Uncirculated**. (900-1200)

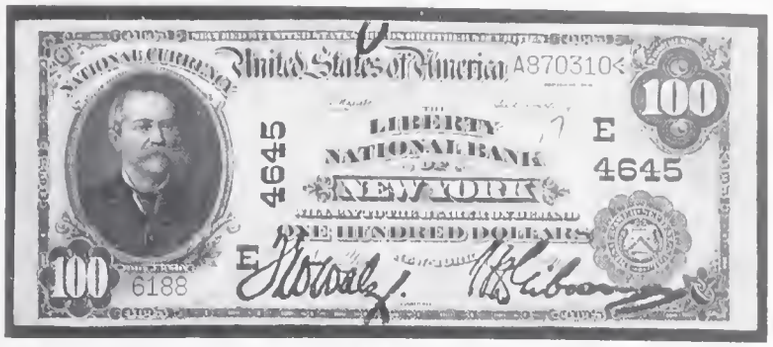
2204 **New York City** - $5.00 1882 **The NB of North America** Ch. # (E)4581

A later $5.00 Brown Back from the same bank, this with the regional letter and different officers' signatures. **Very Fine-Extremely Fine**. (200-300)



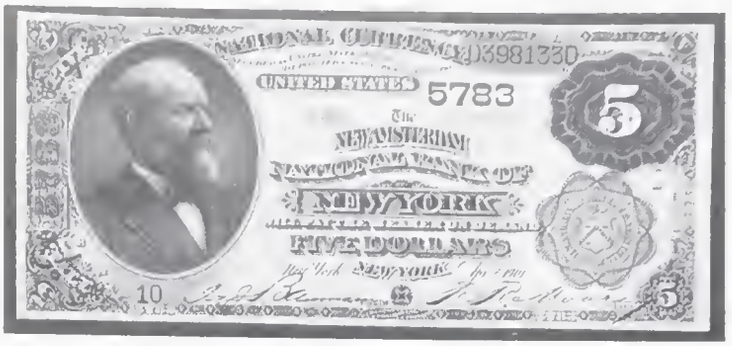
2205 **New York City** - $10.00 1882 Date Back Fr. 540 **The Liberty NB** Ch. # (E)4645

A bright $10.00 Date Back with bold black signatures, a perfect example for type. Most unusually, the Treasury serial number A2837 matches the bank serial number of 2837. **Extremely Fine+**. (350-550)



2206 **New York City** - $100.00 1902 Date Back Fr. 693 **The Liberty NB** Ch. # (E)4645

Another very scarce example of this denomination, featuring distinctive black signatures. Despite a relatively large issue of hundreds from here, this is only the third such note we have recorded in over three decades of looking. **Fine-Very Fine.** (550-850)



2209 **New York City** - $5.00 1882 Fr. 477 **The New Amsterdam NB** Ch. # 5783

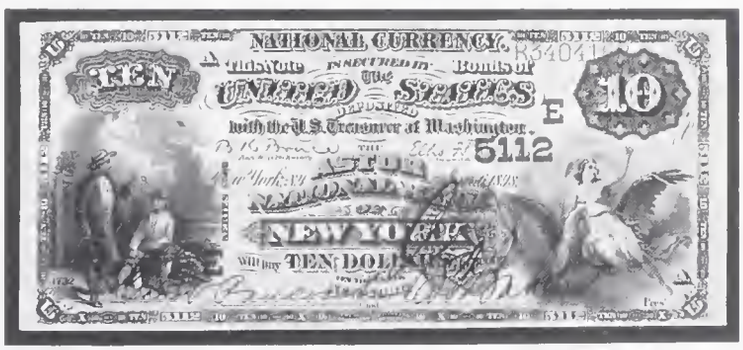
A beautiful Brown Back with a neat serial number and an impeccable pedigree, coming to our consignor from the holdings of Amon Carter, Jr. in 1983. **Choice Crisp Uncirculated.** (700-1000)

2207 **New York City** - $5.00 1882 Fr. 472 **The National Union Bank** Ch. # 4898

Brown Backs only from this scarce and short-lived institution, with the Kelly census standing at only five pieces. Our records indicate that the last offering from here came back in a 1993 CAA auction. **Extremely Fine**, a note which appears new at first glance. (300-500)

2210 **New York City** - $10.00 1882 Fr. 490 **The United NB** Ch. # 5990

This is one of New York City's smallest Brown Back issuers, as this bank was in operation for less than five years between 1901 and 1906. The Kelly census lists five examples known, and we know of no finer specimen than the one our consignor put away two decades ago. **About Uncirculated.** (500-900)



2208 **New York City** - $10.00 1882 Fr. 489 **The Astor NB** Ch .# (E)5112

Brown Backs only from this bank, which issued for less than 10 years before liquidating in 1907. The Kelly census reports only six examples known, with this certainly one of the finest. **About Uncirculated**, with colors, inks, and paper quality suggestive of a note which was printed yesterday. (450-650)

2211 **New York City** - $5.00 1902 Red Seal Fr. 587 **The Consolidated NB** Ch. # (E)6425

Red Seals only with this title, with the Kelly census reporting only four such notes extant. Pen signed **Very Good-Fine**, with good color for the grade. (300-500)

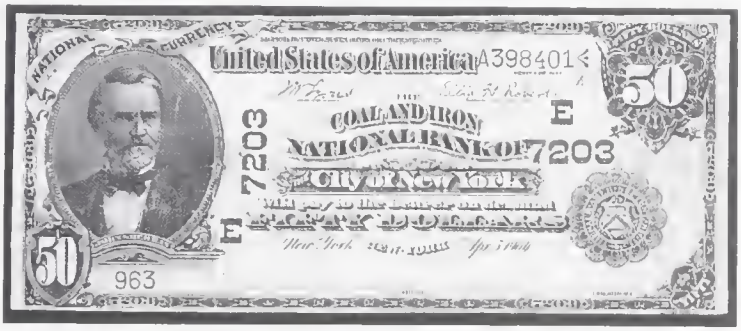
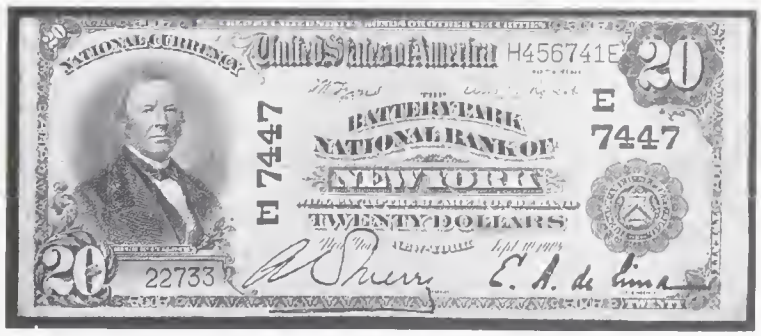
2212 **New York City** - $5.00 1902 Red Seal Fr. 587 **The Maiden Lane NB** Ch. # (E)7107

This has always been one of our favorite titles, especially coming from a bank which issued Red Seals only for just over one year before liquidating in 1905. **About Fine**, a great note likely to bring well into the range of (450-750)



2213 **New York City** - $50.00 1902 Date Back Fr. 667 **The Coal & Iron NB** Ch. # (E)7203

A very scarce high denomination example, albeit with some scuffing, a few pinholes, and a lack of signatures. Call it **Fine** overall, a note likely to bring... (200-400)



2214 **New York City** - $20.00 1902 Fr. 650 **The Battery Park NB** Ch. # (E)7447

Large notes only from this neatly titled bank, which takes its nomenclature from "The Battery," the area at the tip of Manhattan Island at the approach to New York harbor which was fortified from the time of the Dutch settlement until after the War of 1812. Evenly circulated **About Fine**, with good signatures. (150-250)

2215 **New York City** - $10.00 1902 Date Back Fr. 618 **The Sherman NB** Ch. # (E)8922

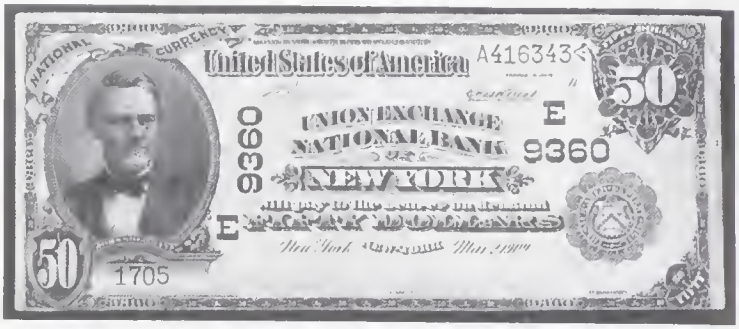
Large notes only from this scarcer New York City institution, which liquidated in 1919. The Kelly census lists five notes known. **Fine**, the signatures faded. (200-400)

2216 **New York City** - $10.00 Ty. 2 **The Peoples NB of Brooklyn** Ch. # 9219

Bright **Extremely Fine+** example. (100-125)

2217 **New York City** - $20.00 1902 Fr. 652 **Union Exchange NB** Ch. # (E)9360

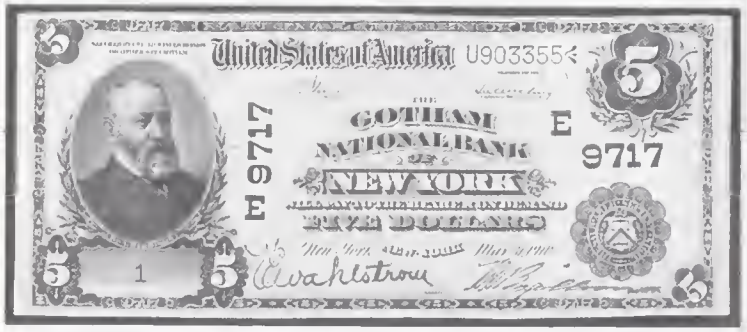
Large notes only from this bank. **Fine-Very Fine**, with one small rust spot. (100-150)



2218 **New York City** - $50.00 1902 Date Back Fr. 669 **Union Exchange NB** Ch. # (E)9360

A well circulated but hardly common high denomination example from this tougher bank. **Very Good-Fine**. (250-450)

Serial #1 Gotham Note



2219 **New York City** - $5.00 1902 Date Back Fr. 593 **The Gotham NB** Ch. # (E)9717

This serial number 1 example is the first note from the first sheet issued by this uniquely New York titled bank. **Extremely Fine**. (600-1000)

2220 **New York City** - $5.00 1902 Fr. 601 **The Harriman NB & TC** Ch. # 9955

A lovely **Choice Crisp Uncirculated** example cut just a bit close at the top and bottom. (200-300)

2221 **New York City** - $10.00 1902 Fr. 627 **The Harriman NB** Ch. # 9955

Barely circulated **Extremely Fine** (125-175)

2222 **New York City** - $10.00 1902 Fr. 628 **The Greenpoint NB** Ch. # 10054

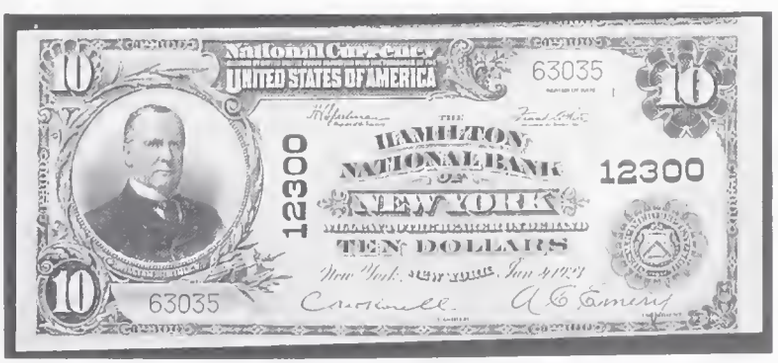
A very rare note which was the first Greenpoint note we had in our collection many years ago. This is not nearly as nice as the example we sold in October, and it likely will go for less than the $3080 that piece brought. **Very Good**, with a small chip out of the bottom border, rare enough to see a winning bid in the range of... (600-1200)

2223 **New York City** - $10.00 1902 Fr. 632 **The Public NB & TC** Ch. # 11034

There is a bit of handling but this note is far too nice to be graded any less than **Crisp Uncirculated** (150-250)

2224 **New York City** - $5.00 1902 Fr. 607 **Seventh NB** Ch. # 11844

The last title used by this bank. **Very Fine**, with good signatures. (125-175)



2225 **New York City** - $10.00 1902 Fr. 635 **The Hamilton NB** Ch. # 12300

A very bright **Extremely Fine+** example sporting engraved bank signatures. This was formerly lot 885 of Bill Donlon's March 31, 1978 sale. (150-250)

2226 **New York City** - $10.00 1902 Fr. 634 **Liberty NB** Ch. # 12352

A bright **Extremely Fine** example with the double bank serial number and engraved bank signatures. (75-125)

2227 **New York City** - $5.00 1902 Fr. 609 **The Queensboro NB** Ch. # 12398

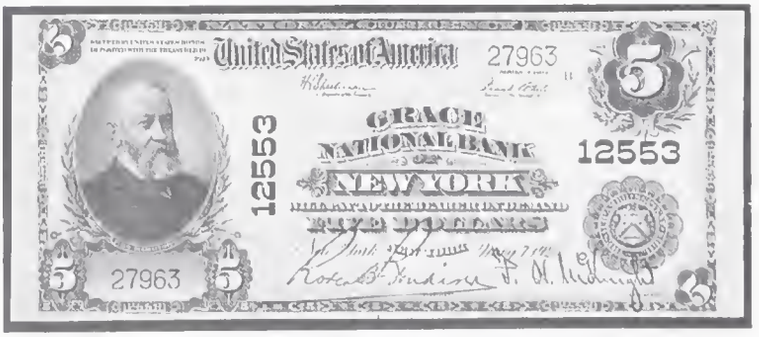
A well circulated but intact large example from this Corona based bank. **Good-Very Good** (150-250)

2228 **New York City** - $20.00 1902 Fr. 661 **United NB** Ch # (E)12406

An excessively rare New York City bank which issued in very small quantities for only five years before liquidating in 1928. Only two examples are known, with this piece never having been publicly offered. There is a notch out of the top right corner, and two other corner tips are off, but the note itself grades at least **Very Fine**. Here's a chance for the serious collector of New York City notes to add a new charter at what very likely will be a non-extortionate price. (300-600)

2229 **New York City** - $10.00 1902 Fr. 635 **The Jamaica NB** Ch. # 12550

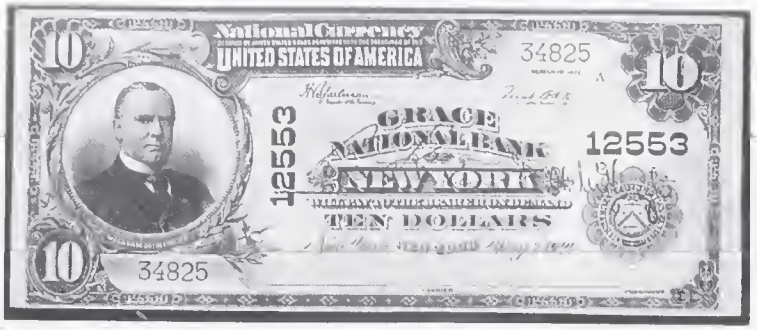
A beautiful note which is far nicer than the circulated example from this bank which brought $385 in our October sale. **Choice Crisp Uncirculated** (400-800)



2230 **New York City** - $5.00 1902 Fr. 609 **Grace NB** Ch. # 12553

This is likely as nice a note as exists from this bank **Choice Crisp Uncirculated** (250-450)

Interesting "Error" National

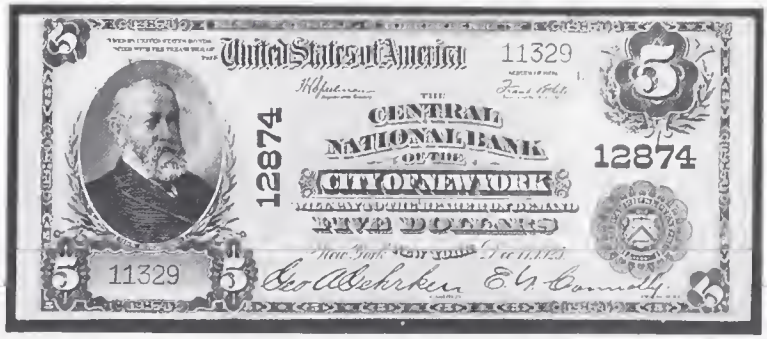


2231 **New York City** - $10.00 1902 Fr. 635 **Grace NB** Ch. # 12553

This is a rare and intriguing note, as the signatures of the bank officers have been applied in the center of the note rather than anywhere near the signature blocks. As these signatures were likely machine applied, it is likely that the sheet was fed into the signature machine incorrectly at the bank. Expect this **Extremely Fine** example to cause some excitement. (300-600)

2232 **New York City** - $10.00 1902 Fr. 635 **The Fordham NB** Ch. # 12825

A tougher bank which was one of only four issuing institutions located in The Bronx. **Fine+**, cut a bit close at the bottom. (175-325)



2233 **New York City** - $5.00 1902 Fr. 609 **The Central NB** Ch. # 12874

A very scarce bank which issued large size examples for only three years. The Kelly census lists six notes known in large size, which seems about right to us. **Very Fine**. (200-400)

Ridgewood Large Size Sheet

2234 **New York City** - $5.00-5.00-5.00-5.00 1902 Fr. 609 **NB of Ridgewood** Ch. # 12897 Uncut Sheet

A most attractive uncut sheet which has retained its full top and bottom selvage. This sheet is unique to this very scarce bank and is one of only three large size sheets extant from the Borough of Queens (the other two are from the Jamaica NB of New York City). A single note from this bank, grading Extremely Fine, brought $1045 in our sale of Long Island notes this past October. This sheet has a fold into the top note, but the other three notes are **Uncirculated**, although there are folds between them. Expect this rare sheet to surprise. (2500-4500)

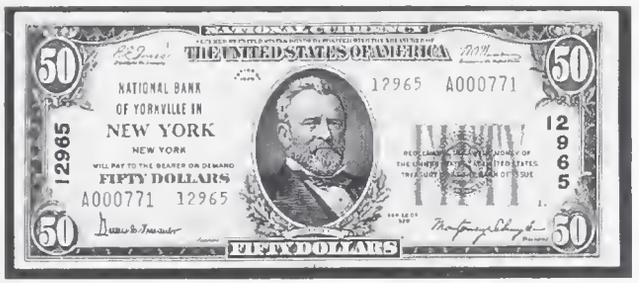
2235 **New York City** - $5.00 1902 Fr. 609 **The Melrose NB** Ch. # 12900

A scarce large note with a lot going for it. This bank was one of the four to issue in The Bronx, being located in the Melrose section of the south Bronx. The Kelly census lists only three large notes known from here, and, with only $610 outstanding in 1934, it's unlikely many more new examples will come to light. Pen signed **About Uncirculated.** (350-650)

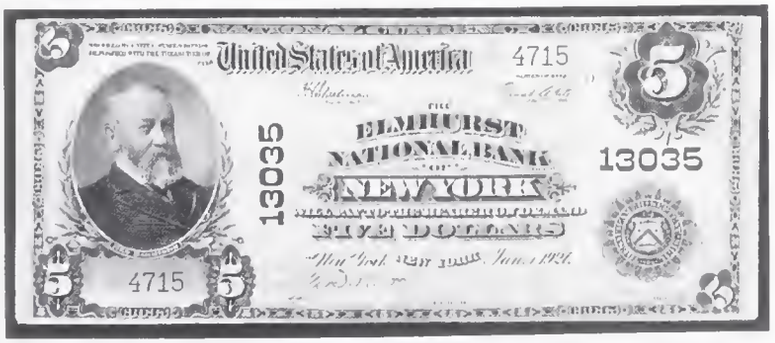
2236 **New York City** - $5.00 1902 Fr. 609 **NB of Yorkville in New York** Ch. # 12965

A more than acceptable large example from this elusive neighborhood bank. **Very Fine**, ex-James Wade collection (1956). (150-250)



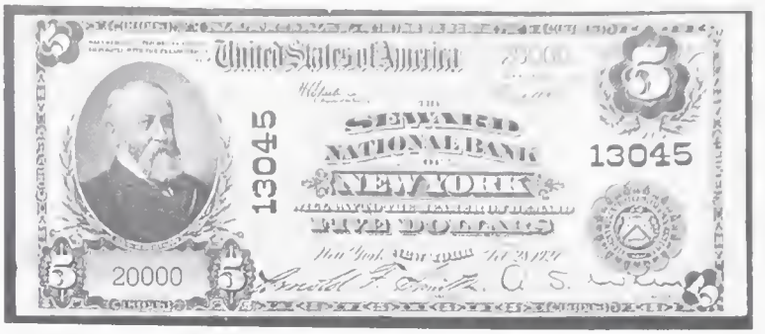
2237 **New York City** - $50.00 Ty. 2 **The NB of Yorkville** Ch. # 12965

Very surprisingly, this small neighborhood bank located in the old German enclave on Manhattan's upper east side was the only bank in the entire city to issue Type 2 $50.00 notes. A total of only 2250 pieces were emitted, with this beautifully centered example certainly one of the finest of the mere handful extant. **Very Fine-Extremely Fine**. (500-900)



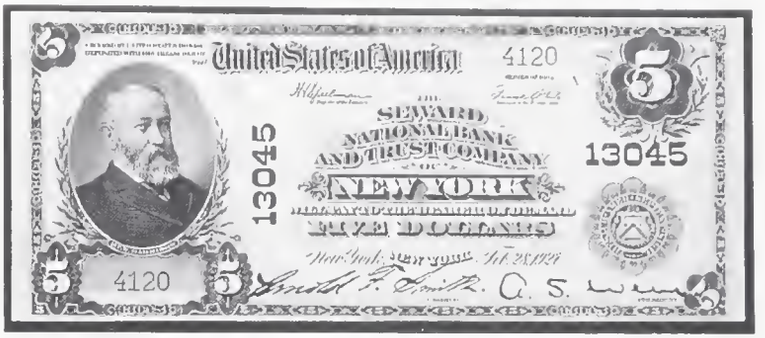
2238 **New York City** - $5.00 1902 Fr. 609 **The Elmhurst NB** Ch. # 13035

A scarce Queens County bank with six large notes listed in the census. Evenly circulated **Fine+**. (300-500)



2239 **New York City** - $5.00 1902 Fr. 609 **The Seward NB** Ch. # 13045

A very attractive note. **Uncirculated**, with an ink stain on the reverse, more than offset by neat serial number 20000. (175-325)



2240 **New York City** - $5.00 1902 Fr. 609 **The Seward NB & TC** Ch. # 13045

A lovely note with the second title used here. **About Uncirculated**, a fitting companion to the note offered above from the same bank. (175-325)

2241 **New York City** - $10.00 Ty. 1 **College Point NB** Ch. # 13105

Nice evenly circulated **Fine-Very Fine** example from this Queens County neighborhood bank. (100-200)

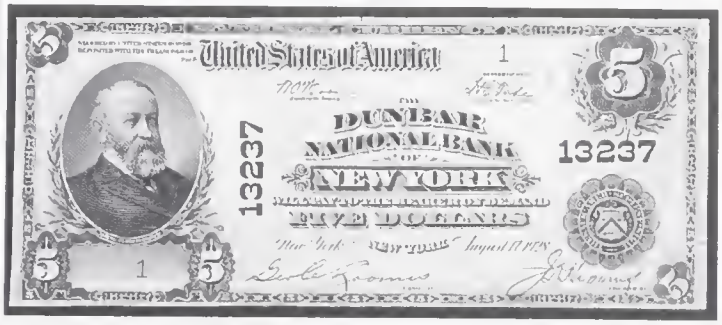
2242 **New York City** - $10.00-10.00-10.00-10.00 1902 Fr. 636 **The Bank of America National Association** Ch. # 13193

A reconstructed "uncut sheet," with all of the notes severed and repaired with tape on the reverse. There are some repaired splits and a bit of soiling as well. **Fine**. (200-300)

2243 **New York City** - $50.00 Ty. 1 **The Bank of America NA** Ch. # 13193

A tougher denomination from this New York City bank. **About Fine**. (100-150)

Serial #1 Dunbar NB



2244 **New York City** - $5.00 1902 Fr. 610 **The Dunbar NB** Ch. # 13237

This institution is well known as one of two black operated National Banks which issued notes, the other being the Douglass NB in Chicago. The bank was located in Harlem, and was funded by the Rockefellers, who provided the start up capital. We've had numerous other notes from here over the years, but this is the first serial number 1 example from this bank we've ever had to offer. **About Uncirculated**, with more handling than real wear, a rare and significant note likely to bring significantly more than it brought when last on the market in Bill Donlon's September, 1972 sale. (600-1000)

2245 **New York City** - $5.00-5.00-5.00-5.00 1902 Fr. 611 **The Dunbar NB** Ch. # 13237 Uncut Sheet

One of the very nicest uncut sheets we've seen from this bank, from which we are privileged to offer three uncut sheets in this sale. This sheet is fully original and only the lightest handling from gem. **Choice Crisp Uncirculated**. (1500-2000)

2246 **New York City** - $5.00-5.00-5.00-5.00 1902 Fr. 611 **The Dunbar NB** Ch. # 13237 Uncut Sheet

A second uncut sheet of fives, this with the double nickel serial number. Again, this sheet bears its full selvage and has only the lightest of handling marks. It's been off the market since it last appeared in the 1981 Memphis auction. **Choice Crisp Uncirculated**. (1500-2000)

2247 **New York City** - $5.00 1902 Fr. 610 **The Dunbar NB** Ch. # 13237

A second single example, this bearing serial number 23 and retaining the full top sheet selvage. **Choice Crisp Uncirculated**, ex-Stack's March 25, 1972 sale, lot 1051. (300-500)

2248 **New York City** - $10.00-10.00-10.00-20.00 1902 Fr. 637/663 **The Dunbar NB** Ch. # 13237

The bottom selvage is missing and the note is trimmed closely, but otherwise this low number sheet has only the lightest traces of handling. **Uncirculated**. (1500-2000)

2249 **New York City** - $5.00 1902 Fr. 612 **The Brooklyn NB** Ch. # 13292

Chartered in February of 1929, this bank issued large notes for only six months before the changeover to Series 1929 examples. All of the notes issued bear the rare Jones and Woods Treasury signatures, used by only about a dozen issuing banks in the entire country who chartered after January of 1929 and chose to issue large size notes. Interestingly, Brooklyn was the home to two of these late charter banks, this and the Kingsboro NB which follows. **Very Fine+**, with clear signatures, and considerably nicer than the example we sold in our last sale for $660.00. (450-850)

2250 **New York City** - $5.00 1902 Fr. 612 **The Kingsboro NB** Ch. # 13304

This is one of the truly great notes in the New York City collection for reasons that transcend its rarity as a Brooklyn issue. Chartered on March 27, 1929, it was the next to last bank in the country to issue large notes, and the last to issue $5.00 examples. These notes have been recognized as rare and significant since the days of the Grinnell sale in 1947, and persistent searching has failed to uncover more than three examples from this bank, a number, incidentally, that has not increased in the last 20 years. This bank issued a total of 1250 sheets of large fives, and had only $470 outstanding in 1935. This example has been off the market since our consignor purchased it in the March, 1972 Stack's sale. Ironically, we were the underbidders at that sale, and never did succeed in obtaining a large note from this bank for our New York City collection. This piece is virtually identical to the example we sold in our last auction in the "Collection of a Gentleman." **Fine-Very Fine**, with engraved signatures of W. Sargeant Nixon and Emmiet J. McCormack, and likely to reach or exceed the realization of $1760 recorded in our last sale. (1500-2500)

2251 **New York City** - $5.00 Ty. 1 **Washington NB** Ch .# 13360

The second title used by this very short-lived bank, which was in business for less than three years. The census reveals only five examples extant which bear this nomenclature. **Fine**. (200-400)

2252 **New York City** - $1.00 Original Fr. 380 **Third NB** Ch. # 87 **VG**, holes

$5.00 1882 Fr. 467 **NB of Commerce** Ch. # 733 **VG+**

$5.00, $10.00 (2) 1902 Fr. 598, 624, **National Park Bank** Ch. # 891 **F, VG, G-VG**

$5.00 1882 Fr. 471 **American Exchange NB** Ch. # 1394 **Good**

$10.00 Ty. 1, $20.00 Ty. 1 **Chase NB** Ch. # 2370 **Choice CU, F**

$20.00 Ty. 1 **Liberty NB & TC** Ch. # 12352 **VG**

Total nine pieces. (400-500)

2253 **Some Mostly High Grade New York City Notes**

New York City - $5.00, $10.00 1902 Fr. 606, 632 **Chatham & Phenix NB** Ch. # (E)10778, 10778 **EF, EF**

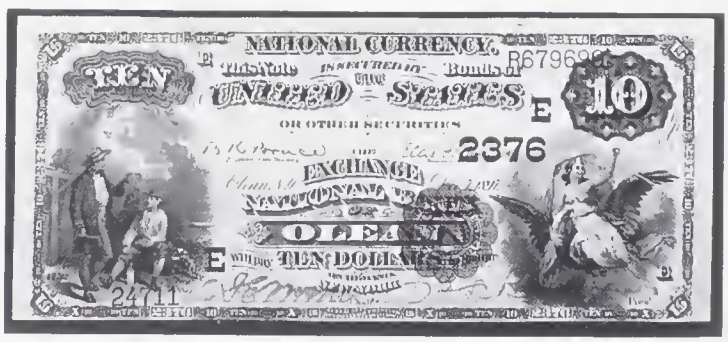
$10.00 1902 (2) **Public NB** Ch. # (E)11034, 11034 **VF, EF**

$10.00 1902 **Hamilton NB** Ch. # 12300 **VF**, damaged

$20.00 1902 Fr. 661 **Grace NB** Ch. # 12553 **F-VF**

$10.00 1902 Fr. 636 **Bank of America NA** Ch .# 13193 **VF**

Total seven pieces. (300-400)



2254 **Olean** - $10.00 1882 Date Back Fr. 544 **The Exchange NB** Ch. # (E)2376

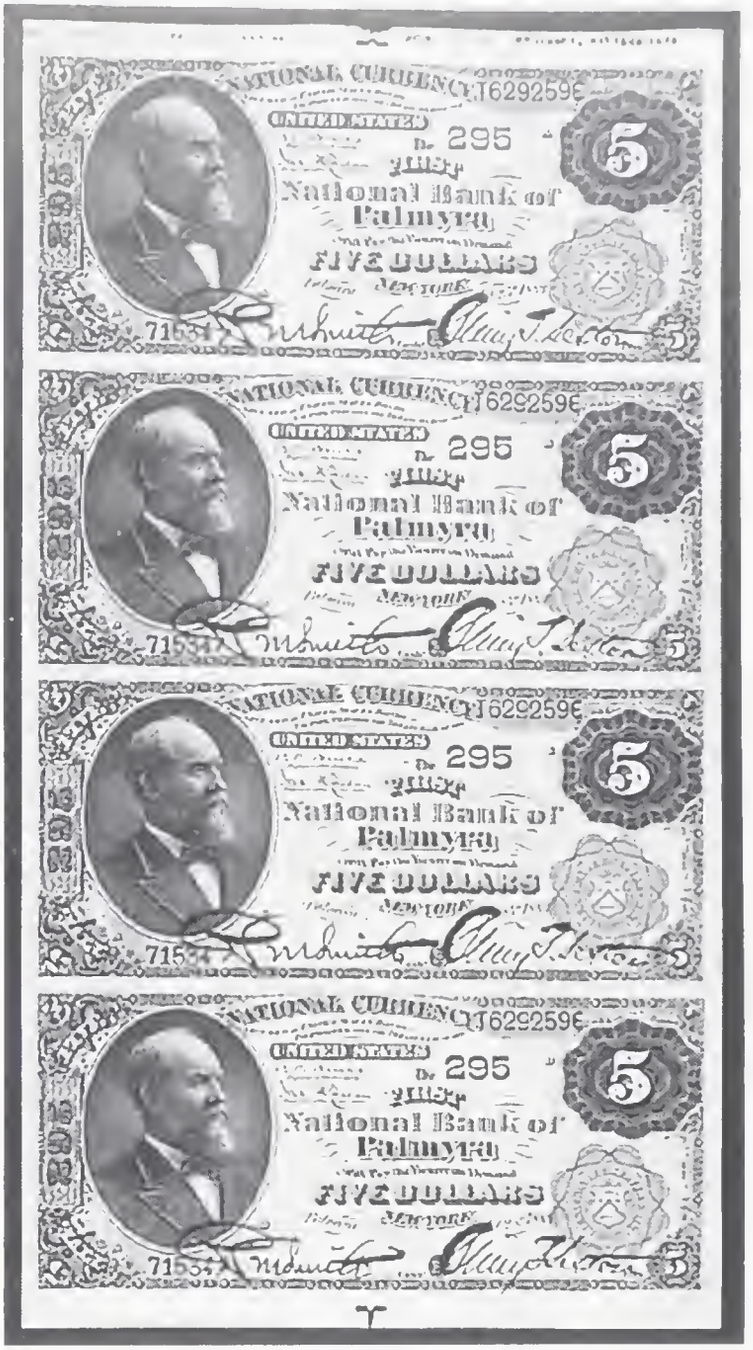
The bottom margin is cut close, and there are three well hidden folds, but this is otherwise a nice example of this better type. **Extremely Fine**. (350-450)

2255 **Oswego** - $1.00 Original Fr. 380 **The First NB** Ch. # 255

Not a rare bank, but this is the only ace we've recorded from here. **Very Good** (200-300)

2256 **Ozone Park** - $10.00 1902 Fr. 626 **The First NB** Ch. # (E)8865

An excessively rare Queens neighborhood bank which was in business for only 15 years before liquidating in 1922. This is the third note known from the bank, and only the third appearance of any note from here at public sale in the past 50 years. The example we sold in October, which was just a hair nicer than this piece, brought $1980.00. Expect this **Very Good-Fine** specimen, which is trimmed just a bit close at the bottom left, to see bidding reach or exceed... (1000-1500)



2257 **Palmyra** - $5.00-5.00-5.00-5.00 1882 Fr. 466 **The First NB** Ch. # 295 Uncut Sheet

A lovely Brown Back sheet which is one of only three such sheets known from the entire state, and is unique as a $5.00 sheet. While folded between the notes, each note itself is a perfect gem, as the sheet is perfectly original, with incredible embossing, color and signatures. If you are looking for only the finest in Nationals, you've found it here. Expect this, like most uncut large size sheets, to bring less than it truly is worth. (4000-6000)

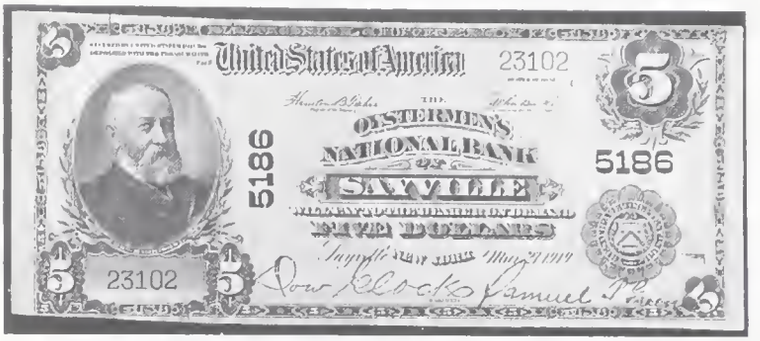
2267 **Roosevelt** - $5.00 1902 Fr. 607 **The First NB** Ch. # 11953

A very scarce Nassau County bank which issued $5.00 notes only and had a mere $470 outstanding in large notes in 1935. The census lists only three notes. **Fine,** with a small red pencil mark on the face. (800-1200)



2268 **Sayville** - $5.00 1902 Fr. 606 **The Oystermen's NB** Ch. # 5186

One of Long Island's great titles, and truly a bank from which there are never enough notes to go around. **Fine,** with a bit of wallet staining which really detracts only slightly. (1000-1500)

2269 **Skaneateles** - $10.00 1882 Fr. 490 **The NB of Skaneateles** Ch. # (E)5360

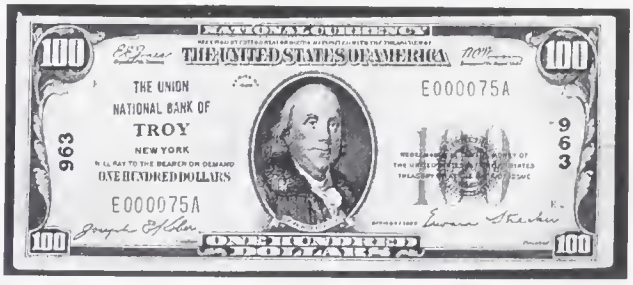
2273 **Troy** - $50.00 Ty. 1 **The Manufacturers NB** Ch. # 721

A tougher denomination from this bank. **Fine-Very Fine**, with two pinholes and a couple of small numbers stamped on the back. (100-150)

Excessively Rare $50.00 Serial #1

2274 **Troy** - $50.00 Ty. 1 **The Union NB** Ch .# 963

The first note from the first sheet of fifties issued by this bank. This represents the first time we have ever had the opportunity to handle any serial number 1 $50.00 Series 1929 example from any New York bank, a true indication of just how rare these high denomination number 1 notes really are. **Extremely Fine**, a great note worthy of whatever price it brings. (1000-2000)



2275 **Troy** - $100.00 Ty. 1 **The Union NB** Ch. # 963

A nice companion to the number 1 $50.00 offered above, and quite scarce in its own right, with only 80 sheets of hundreds being issued from here. **Fine-Very Fine**. (250-450)

This newly discovered and unreported sheet represents an exciting find from this rare bank, which had but $725 outstanding in large notes at its close in 1933 and hitherto was represented by only one large size note in the Kelly census. There are folds between each note, but the notes themselves are **Crisp Uncirculated**. Expect this great single digit sheet to reach or exceed... (2500-4500)

2281 **Whitney Point** - $20.00 Ty. 2 **The First NB** Ch. # 7679

2286 **Elizabeth City** - $10.00 1882 Fr. 485 **The First NB** Ch. # (S)4628

The first title used by this bank. While a hoard of third charter notes from this bank (all with the second title) exists, examples using the first title are downright rare, with only four such pieces listed in the Kelly census. This Brown Back is the first we've had. **Very Good+++**, with good color and body for the grade. (500-900)

2287 **Rocky Mount** - $20.00 1902 Date Back Fr. 642 **The First NB** Ch. # (S)7362

Our records, now covering over 222,000 offerings of National Bank Notes at public sale over the past 50+ years, indicate that this is the first offering of any note from this bank at public sale during that time. **Very Good**, with a small tear at the top right, not really pretty, but if rarity is any guide... OHIO

Selections From The Collection of Ken McDannel

We are pleased to offer below a special section of Ohio Nationals from the holdings of our friend, the late Ken McDannel. One of Ken's special contributions to the hobby was his rarity scale, covering each denomination and type. We have reproduced it below, and are using it on all of his notes offered here. In this offering you will find Ken's "keepers," notes of special importance to him. Included among them are serial number ones, errors, rare banks, and towns which are virtually never seen in auction or sales catalogues. Enjoy this special offering, as its like will be a long time in coming.

2296 **Canton** - $5.00 1875 Fr. 404 **The City NB** Ch. # 2489 McD-8

This was one of Ken's prize notes and it is certainly easy to understand why. 2304 **Cleves** - $10.00 Ty. 2 **The Cleves NB** Ch. # 13774 McD-8

A similar example with the same signatures. The overprint shift is much less apparent on this higher grade example. **Very Fine+++**. (250-450)

2305 **Covington** - $20.00 Ty. 1 **The Citizens NB** Ch. # 5530 McD-10

This was the discovery note in small size from this bank when it appeared in a 1981 Hickman-Oakes auction. It's been off the market since, as part of Ken's holdings. Although no longer unique, this Miami County note is still quite scarce. **Very Fine**. (200-400)

An excessively rare note from one of the smallest banks in the state. This bank issued only a literal handful of notes, with the last offering of any kind from here coming on a 1971 fixed price list. Only three notes are known from this obscure location, two of which come from this short-lived bank, which was in operation for a brief five years between 1872 and 1877. By 1910, only $423 was outstanding from here. This note grades a perfect **Fine+**, with no flaws whatever. If rarity is any guide, expect this great item to see a winning bid in the range of... 2335 **Newark** - $50.00 Ty. 1 **The First NB** Ch. # 858

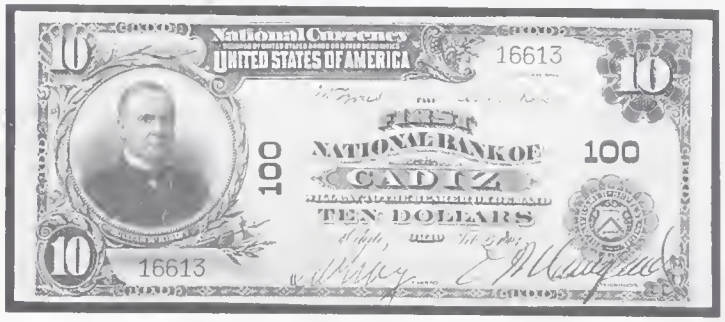
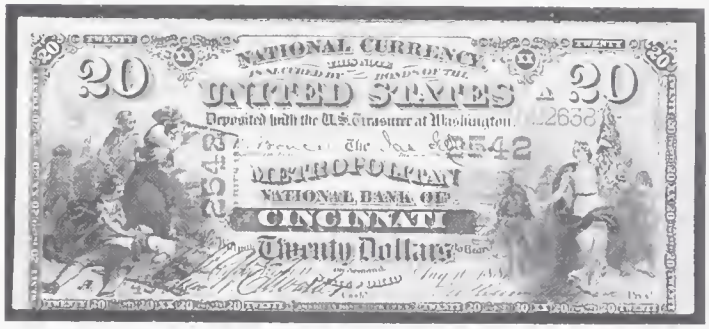
ADDITIONAL OHIO NOTES



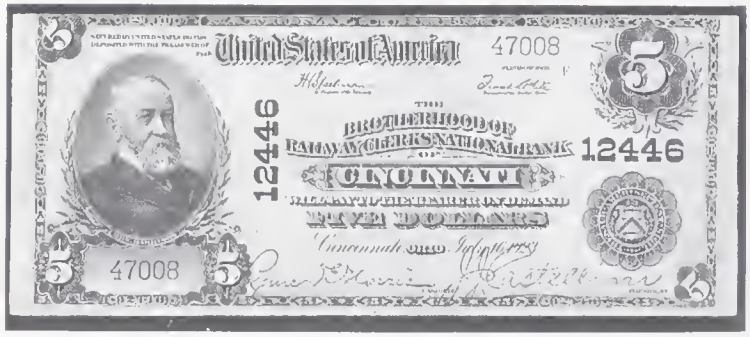
2385 **Cadiz** - $10.00 1902 Fr. 624 **The First NB** Ch. # 100

One of the nicest notes we've seen from this low charter bank. Bright **Very Fine-Extremely Fine**. (175-350)



2386 **Cincinnati** - $20.00 1875 Fr. 435 **The Metropolitan NB** Ch. # 2542

A scarcer Cincinnati bank which issued Series 1875 examples only. This First Charter twenty, although closely trimmed at the bottom, is a most attractive example which has retained its full brightness. **Very Fine**. (1000-1500)



2387 **Cincinnati** - $5.00 1902 Fr. 609 **The Brotherhood of Railway Clerks NB** Ch. # 12446

A more than acceptable note from one of the more elusive of the union organized national banks. **Fine-Very Fine**. (200-400)

2388 **Circleville** - $10.00 1902 Fr. 624 **The Third NB** Ch. # 2817

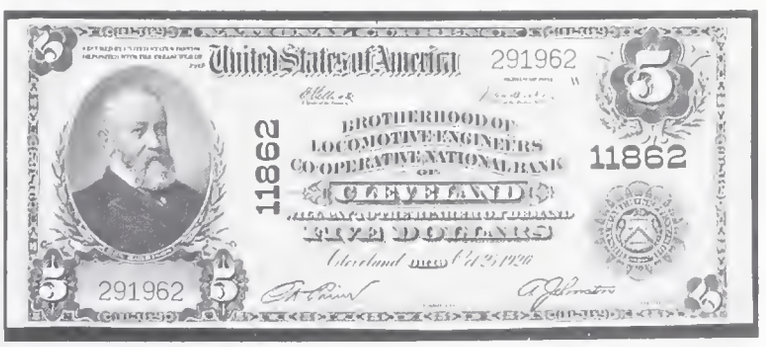
A lovely example with virtually no traces of circulation save for a few folds. Bright **Extremely Fine**, with vivid pen signatures. The Kelly reference lists only three large examples extant from here, with this piece only a handful of serials from the end of the run. (350-550)

2389 **Cleveland** - $10.00 1902 Red Seal Fr. 613 **The Cleveland NB** Ch. # (M)2956

A well circulated but still decent Red Seal. **Very Good**, with clear signatures and a bright overprint for the grade. (175-325)

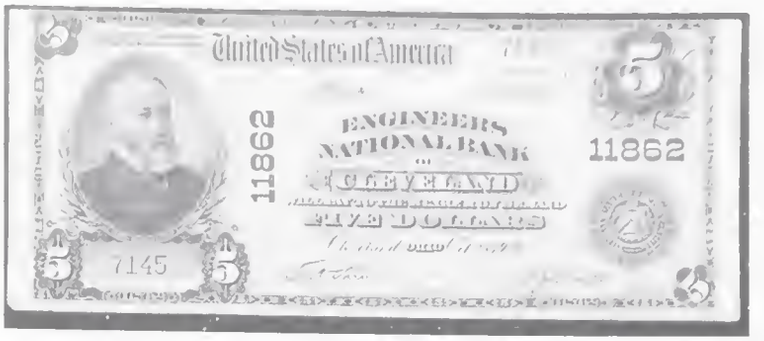
2390 **Cleveland** - $5.00 Ty. 2 **Central United NB** Ch. # 4318

Gem Crisp Uncirculated. (100-150)



2391 **Cleveland** - $5.00 1902 Fr. 607 **Brotherhood of Locomotive Engineers Co-Operative NB** Ch. # 11862

One of the highest grade notes we've ever seen which bears this always in demand title. **Choice Crisp Uncirculated**, with the paper not quite as bright as it could be. (450-850)



2392 **Cleveland** - $5.00 1902 Fr. 607 **Engineers NB** Ch. # 11862

Somewhat scarcer with the second title used by this bank. **Fine-Very Fine**. (175-325)

2393 **Cleveland** - $5.00 Ty. 1 **Engineers NB** Ch. # 11862

The Kelly census lists only three Series 1929 examples from this bank in the census, and the Bish collection has two. This is the nicer of the pair, grading **Very Fine**, with a tiny bit of soil at the bottom. (300-600)

2394 **Cleveland** - $5.00 Ty. 1 **Engineers NB** Ch. # 11862

The second of the two examples in this collection **About Fine**, rare enough to bring... (200-400)

Uncut Sheet

This is the only $50.00 uncut sheet known from Ohio, and is one of only a literal handful of $50.00 uncut sheets known from all states combined. There are a couple of minuscule corner tip folds, and one fold through the center, but the notes themselves grade **Choice Crisp Uncirculated**. Expect this great item to reach or exceed... 2396 **Malta** - $10.00 1882 Fr. 485 **The Malta NB** Ch. # (M)2052

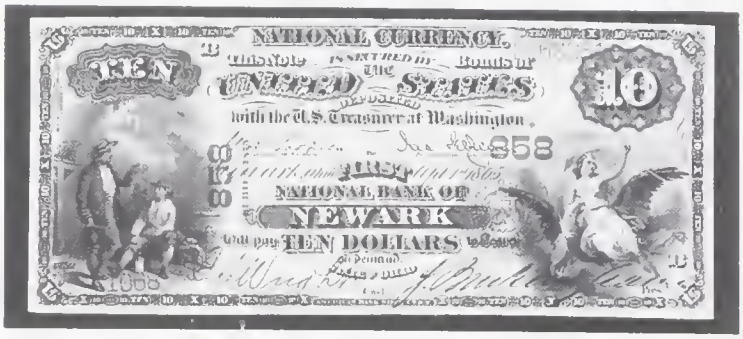
A very nice Brown Back from this scarce Morgan County location. Pen signed **Very Fine**. (500-800)



2397 **Newark** - $10.00 1875 Fr. 419 **The First NB** Ch. # 858

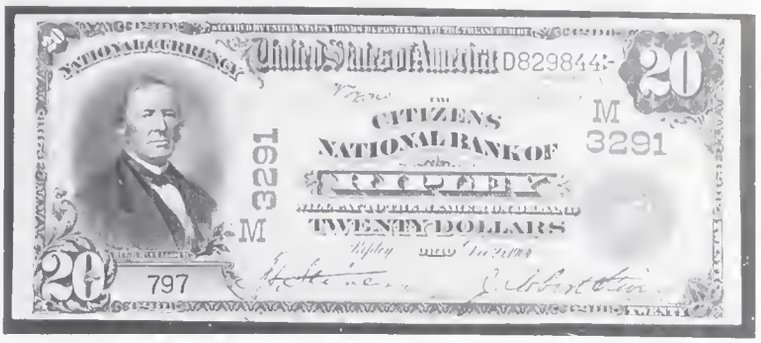
Perfect quality of paper and inks makes this a type note not to be missed by the collector searching for an outstanding First Charter ten for his collection. The top margin is trimmed so that it touches the design at the top left quarter of the reverse, and there is a minuscule handling mark, but for overall appearance it would be hard to top this note at any price. It would make a wonderful display item along with the $10.00 Proof with this design offered as lot 1078 in this sale. **Choice Crisp Uncirculated**. (2250-3250)

2398 **Norwood** - $20.00 Ty. 1 **The First NB** Ch. # 6322

A quartet of four pieces, grading **Very Fine**, **Very Fine** with an ink stain, and **Fine** (2). (175-225)

2399 **Paulding** - $20.00 1882 Value Back Fr. 581 **The Paulding NB** Ch. # (M)5862

A nice example of this very tough type and denomination. Pen signed **Fine+**, with excellent margins for this issue. (250-350)



2400 **Christmas Dated $20.00 Red Seal**

Ripley - $20.00 1902 Red Seal Fr. 639 **The Citizens NB** Ch. # (M)3291

A vibrantly colored Red Seal with sharp pen signatures. This note bears the most unusual plate date of December 25, 1904, not exactly the usual date found on Nationals. This is, in fact, the only bank we know of to have used this date. **Extremely Fine-About Uncirculated**. (400-600)

OKLAHOMA

2401 **El Reno** - $20.00 Ty. 1 **The Citizens NB** Ch. # 5985

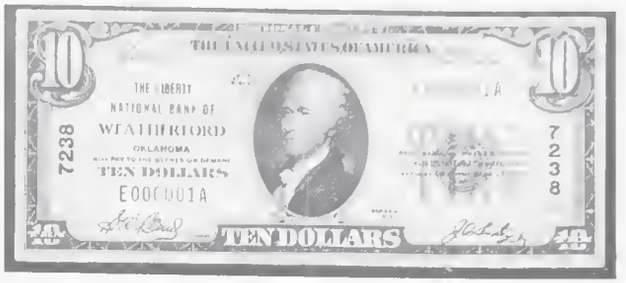
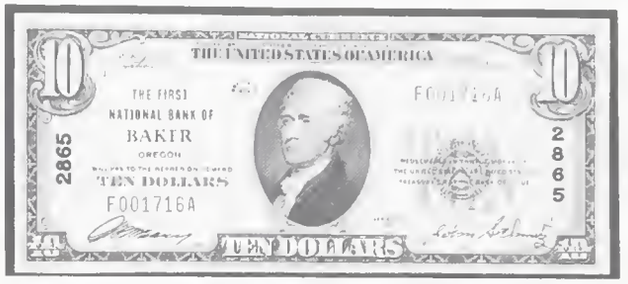
Currency Auctions of America, Inc. is pleased to announce that our next public auction will take place in May of 1999!



2403 **Weatherford** - $10.00 Ty. 1 **The Liberty NB** Ch. # 7238

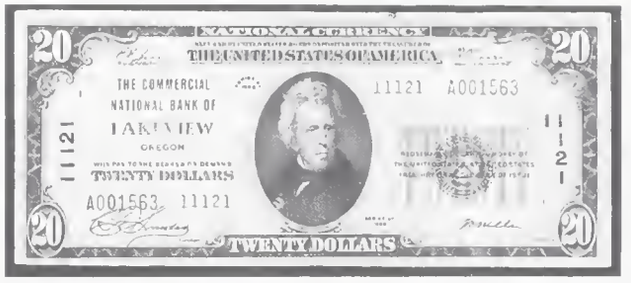
Serial number 1, an unusual note in that it clearly circulated before being set aside. **Fine+**, with a few areas of light foxing. This is a very scarce bank, with only three small examples reported to date in the Kelly census. (400-800)

OREGON



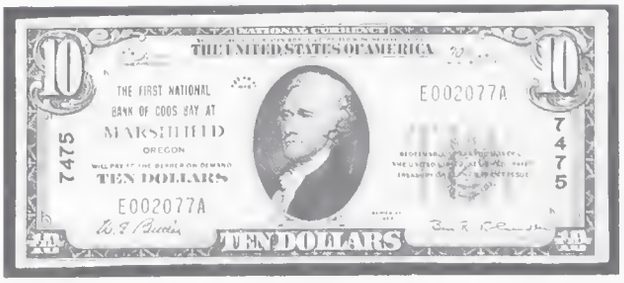
2404 **Baker** - $10.00 Ty. 1 **The First NB** Ch. # 2865

An absolutely beautiful example worthy of the finest collection. **Gem Crisp Uncirculated**. (200-400)



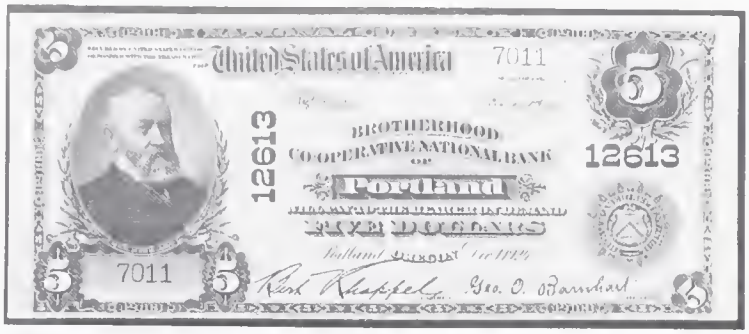
2405 **Lakeview** - $20.00 Ty. 2 **The Commercial NB** Ch. # 11121

A very scarce note from a very scarce bank, as twenties were the sole denomination issued in Type 2 notes. We've recorded only five offerings of any kind from here, the last coming 13 years ago. **Fine+**. (350-650)



2406 **Marshfield** - $10.00 Ty. 1 **The First NB of Coos Bay** Ch. # 7475

There are a few pinholes in the more than ample top margin, but this is otherwise an attractive example of this desirably titled note. **Fine-Very Fine**. (175-325)



2407 **Portland** - $5.00 1902 Fr. 609 **Brotherhood Co-Operative NB** Ch. # 12613

A lovely example from this labor organized bank, which had only $690 outstanding in 1935 in large size notes. **Choice About Uncirculated,** just the lightest of bends from new. (350-650)

2408 **The Dalles** - $10.00 Ty. 1 **The First NB** Ch. # 3441

Evenly circulated **Very Good-Fine** example from this always popular location. (150-250)

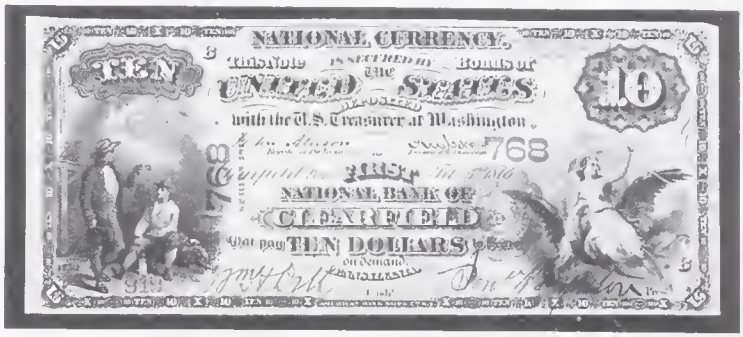
2411 **Chester** - $10.00 1902 Date Back Fr. 616 **The Pennsylvania NB** Ch. # (E)6654

Easily the scarcest of the four issuing banks in this gritty Delaware County industrial center. Nice pen signed **Fine+.** (250-450)



2412 **Clearfield** - $10.00 1875 Fr. 416 **The First NB** Ch. # 768

A beautiful blue end paper example which looks better than most every uncirculated FCP ten we've handled. **Extremely Fine-About Uncirculated,** a perfect type example which is certain to please. (1000-1400)

2413 **Clifton Heights** - $10.00 1902 Date Back Fr. 616 **The First NB** Ch. # (E)6275

This was the sole National Bank to issue large size notes in this Delaware County location. The Kelly census lists six such notes known, with this the first such example we've seen for sale in some time. **Fine-Very Fine.** (350-650)

2414 **Darby** - $5.00 1902 Fr. 601 **The First NB** Ch. # (E)4428

A better Delaware County note from the only bank to issue from here. **Fine,** with strong signatures. (150-250)

2415 **Dauphin** - $10.00 1902 Fr. 632 **The Dauphin NB** Ch. # (E)11512

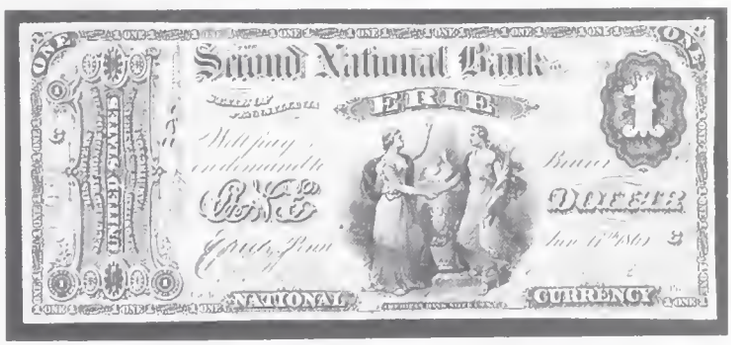
An extremely scarce large size note from this avidly collected county. Only two large examples are recorded in the Kelly census, and, with a meager $940 outstanding, it's unlikely that many more will surface. **Very Good**. (400-700)

2416 **Dayton** - $10.00 Ty. 1 **The First NB** Ch. # 5742

A better note from the only bank to issue from here. **Very Good** (100-150)

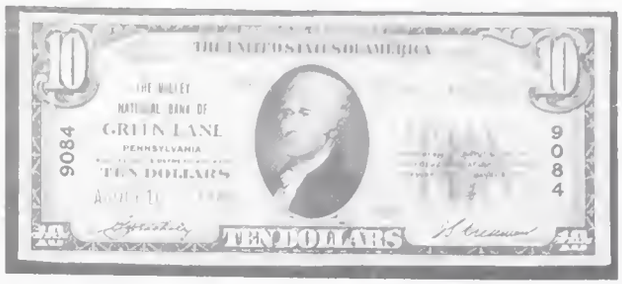
2417 **Doylestown** - $10.00 1902 Fr. 624 **The Doylestown NB & TC** Ch. # 573

Well circulated but quite scarce, as this note bears the second title used, with a Kelly census of only two large examples. **Very Good**. (150-250)



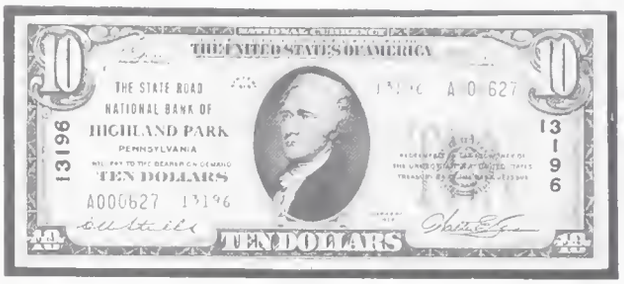
2418 **Erie** - $1.00 Original Fr. 380 **The Second NB** Ch. # 606

A very decent example, but the seal is faded. **Fine-Very Fine** (200-300)



2419 **Green Lane** - $10.00 Ty. 2 **The Valley NB** Ch. # 9084

A better Montgomery County bank, and in nice grade as well. **Very Fine-Extremely Fine** (175-275)



2420 **Highland Park** - $10.00 Ty. 2 **The State Road NB** Ch. # 13196

Although chartered in 1928, this Cumberland County bank elected to issue Type 2 examples only. All notes from this uniquely titled bank are scarce, with our records revealing only three prior offerings of any kind, the last coming in 1996, when a considerably lower grade example than this brought $715 at auction. **Choice About Uncirculated**, easily the nicest note we know of from here. (600-900)

2421 **Hummelstown** - $10.00 1902 Date Back Fr. 616 **The Hummelstown NB** Ch. # (E)2822

A very scarce Dauphin County bank, with only three large notes enumerated in the Kelly census, right in line with the low $1560 outstanding in large notes from here in 1935. This example is easily the nicest note we've ever seen, grading a strong **Extremely Fine** with sharp pen signatures. (450-750)

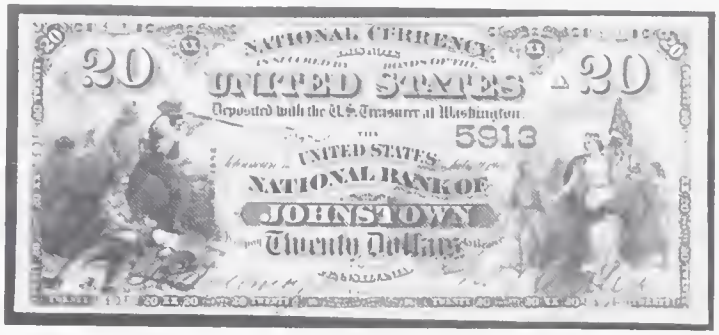
Gorgeous Serial Number 1

$20.00 Brown Back

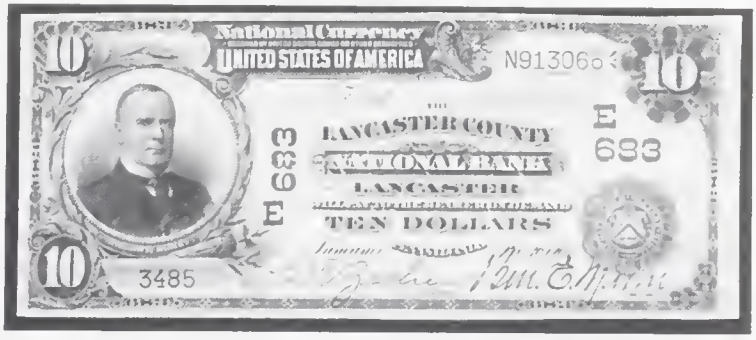


2422 **Johnstown -** $20.00 1882 Fr. 504 **The United States NB** Ch. # 5913

A lovely $20.00 Brown Back which would be outstanding even were it not a serial number 1 note. Crackling fresh and with outstanding colors, this is simply one of the finest serial number 1 notes we've ever handled, and may well be the finest $20.00 serial number 1 Brown Back extant. With just a touch more margin on the reverse, we would unhesitatingly grade this superb gem. **Gem Crisp Uncirculated** (1750-2750)

2423 **Kutztown -** $20.00 Ty. 1 **The Kutztown NB** Ch. # 5102

Two pieces, the first grading **Extremely Fine-About Uncirculated**, the second **Very Fine**. (150-200)



2424 **Lancaster -** $10.00 1902 Date Back Fr. 616 **The Lancaster County NB** Ch. # (E)683

Despite issuing continuously from its inception in 1865 through the very end of the large size era, large notes of any kind have been conspicuously absent from the market from this bank. The Kelly census shows nine such examples, with most from this avidly collected area long ensconced in local collections. Pen signed **Fine-Very Fine**. (200-300)

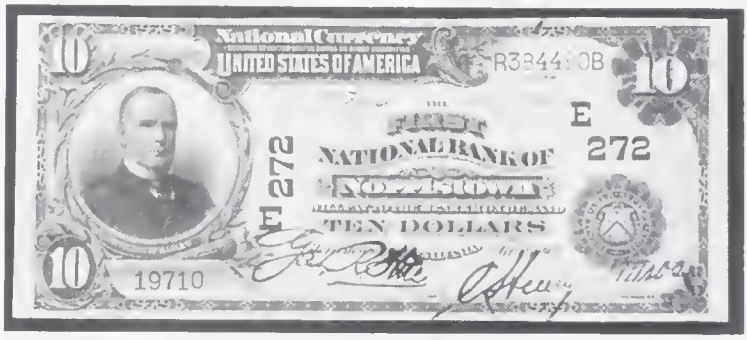
2427 **New Bethlehem -** $10.00 1882 Fr. 487 **The First NB** Ch. # 4978

A lovely and crackling fresh $10.00 Brown Back, marred only by some inked graffiti at the upper right hand corner. **Crisp Uncirculated** (500-700)



2428 **Norristown -** $10.00 1902 Fr. 624 **The First NB** Ch. # (E)272

Large notes only from this tougher Montgomery County bank. Nice **Fine+**, with a most unimportant blue pencilled number on the back. (200-300)

2429 **Norristown -** $10.00 1902 Fr. 624 **The Montgomery NB** Ch. # (E)1148

A nice evenly circulated example from this tough Norristown bank. **Fine+** with blue signatures. (150-250)

2430 **North Wales** - $10.00 1902 Fr. 627 **The North Wales NB** Ch. # (E)4330

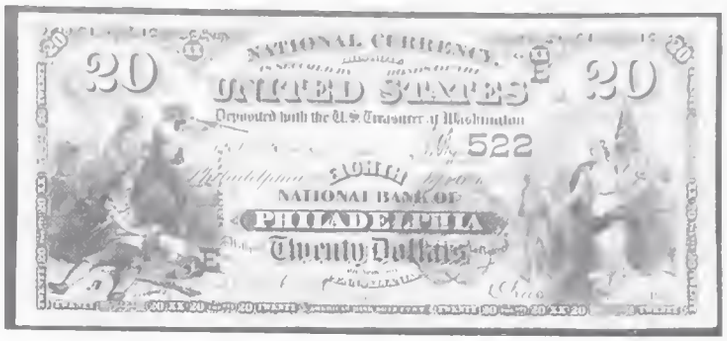
A scarcest Montgomery County bank in large size, with the Kelly census reporting only six such notes known. **Fine**. (250-450)

2431 **Oxford** - $10.00 1902 Fr. 624 **The NB of Oxford** Ch. # (E)728

A nice example from this well collected Chester County bank. **Very Fine**. (175-325)

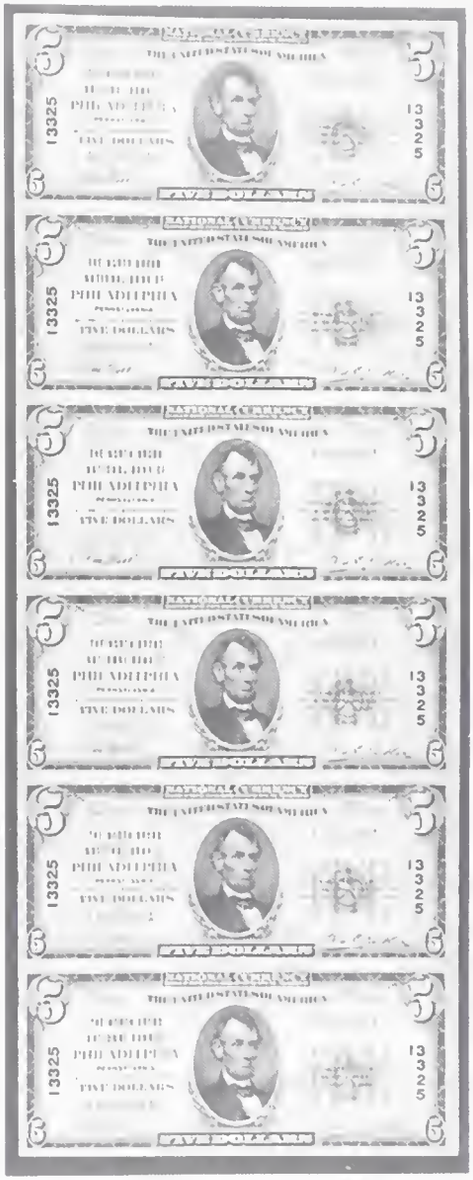
2432 **Philadelphia** - $1.00-1.00-1.00-2.00 Original Fr. 380/387 **The Third NB** Ch. # 234 Uncut Sheet

A wonderful early uncut sheet, and like so much truly rare early material in today's market, woefully undervalued. One can get some appreciation of the rarity of First Charter uncut sheets by the simple mathematics of survival. Of the approximately 2000 uncut sheets in the Kelly census, only 16 are First Charter sheets—less than one percent. Of that number, fewer than 10 are the $1-1-1-2 sheets. It's hard to make a market in something that is so prohibitively scarce that appearances are counted in years rather than days or months. When this situation changes, as it most certainly will, expect the value of these items to soar. In the meantime, this sheet, grading **Extremely Fine**, and bearing the ex-Grinnell pedigree, will likely bring somewhere in the range of... (6000-10000)



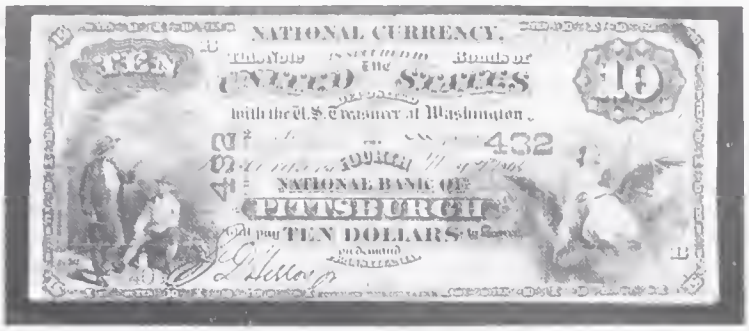
2433 **Philadelphia** - $20.00 1882 Fr. 494 **The Eighth NB** Ch. # (E)522

A beautifully centered and unusually high grade Brown Back from this popular numerically titled bank. Bright **Very Fine-Extremely Fine**, with sharp pen signatures of C.B. Cooke and Chas. Porter. (450-750)



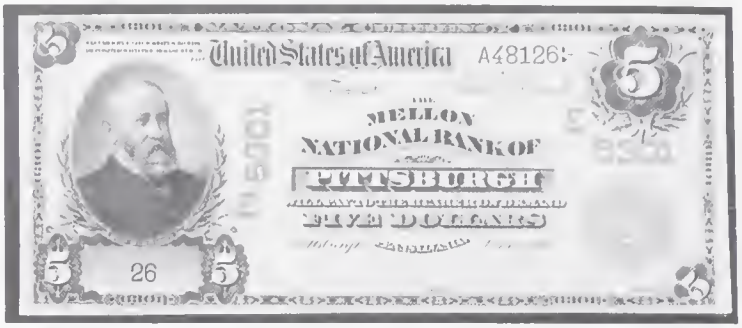
2434 **Philadelphia** - $5.00 Ty. 1 **The North Broad NB** Ch. # 13325 Uncut Sheet

This serial number 2 sheet is a rare item both for this bank and the city of Philadelphia as well, a location from which uncut sheets are seldom offered. The sheet is somewhat aged, and has a few light water stains. The only folds it displays are on the bottom note. Expect to see bidding end in the area of... (600-800)



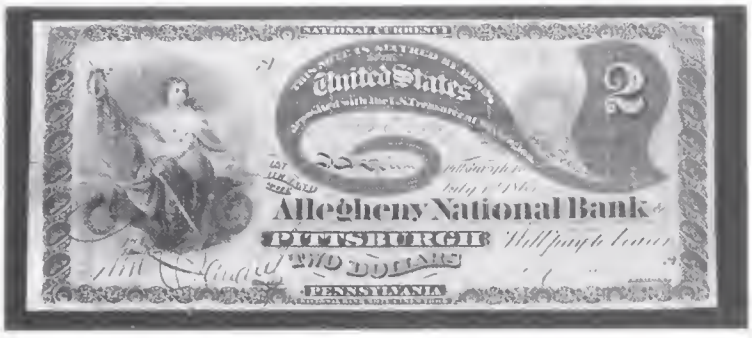
2435 **Pittsburgh** - $10.00 1875 Fr. 416 **The Fourth NB** Ch. # 432

Well circulated but intact **Very Good**, with a small stain at the top. (200-400)



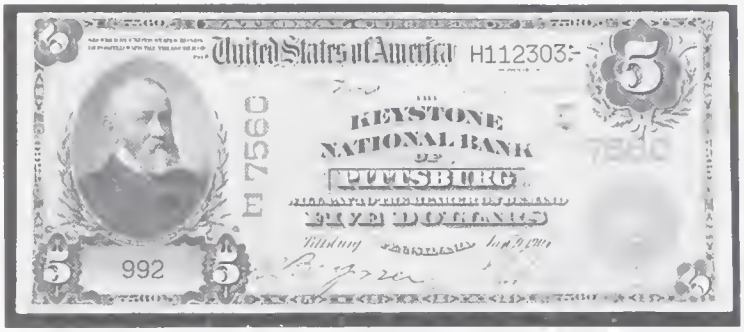
2438 **Pittsburgh** - $5.00 1902 Red Seal Fr. 587 **The Mellon NB** Ch. # (E)6301

Choice Crisp Uncirculated, the signatures visible but considerably faded. (500-700)



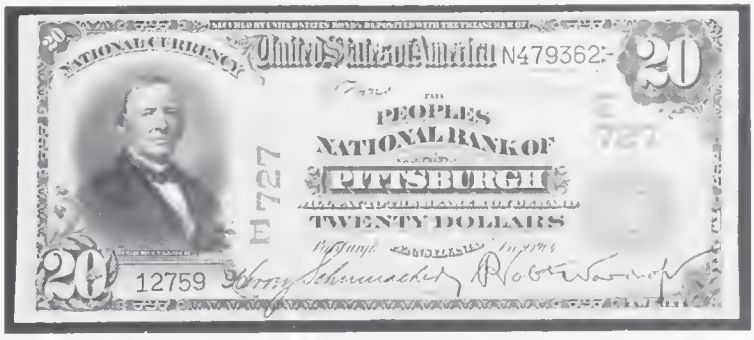
2436 **Pittsburgh** - $2.00 Original Fr. 387 **The Allegheny NB** Ch. # 722

A decent lazy Two from a scarce Pittsburgh bank which entered receivership in 1908. Our records disclose only two offerings of any kind from this bank at public sale during the past five decades. **Very Good**, with a margin split and a waxy substance on the left margin of the note. (400-600)



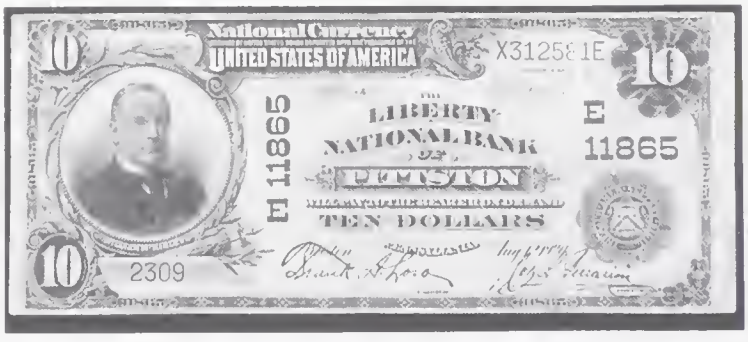
2439 **Pittsburg** - $5.00 1902 Red Seal Fr. 587 **The Keystone NB** Ch. # (E)7560

The right title for a Pennsylvania note. This note dates from the short-lived era where the "h" was dropped from the name Pittsburgh. Attractive **Fine-Very Fine**, with a vibrant red overprint, a good note from a very scarce bank. (400-800)



2437 **Pittsburgh** - $20.00 1902 Red Seal Fr. 639 **The Peoples NB** Ch. # (E)727

A brightly colored and lightly circulated example which is perfect for type. **Very Fine-Extremely Fine**, with great margins, signatures and appearance. (300-500)



2440 **Pittston** - $10.00 1902 Fr. 633 **The Liberty NB** Ch. # (E)11865

Don't be deceived because small notes from here are common, as large examples from this bank are few and far between. The Kelly census lists four such pieces, with this example the first we've handled in over 10 years. **About Fine**. (200-400)

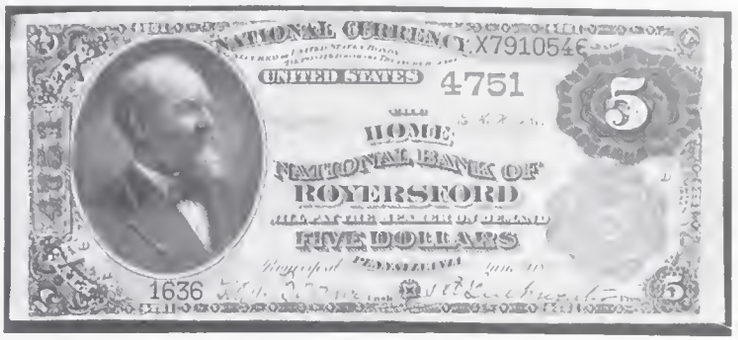
IS PLEASED TO ANNOUNCE
THAT OUR NEXT PUBLIC AUCTION
WILL BE IN ROSEMONT, MAY 14-15, 1999

Possible Unique Brown Back

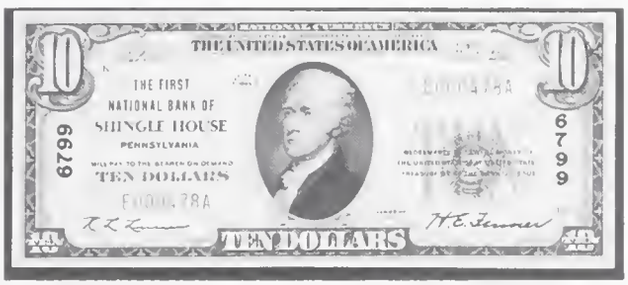


2441 **Royersford -** $5.00 1882 Fr. 472 **The Home NB** Ch. # 4751

An excessively rare Montgomery County note from a bank which issued Brown Backs only before liquidating in 1903. The census indicates that one example is known, with that likely the piece that appeared on a 1976 fixed price list, which is the sole appearance of any note from here prior to today. Whether unique or not, this is clearly a major rarity which is of importance to every collector of this area's notes. Pen signed **Fine-Very Fine**. (1500-2500)

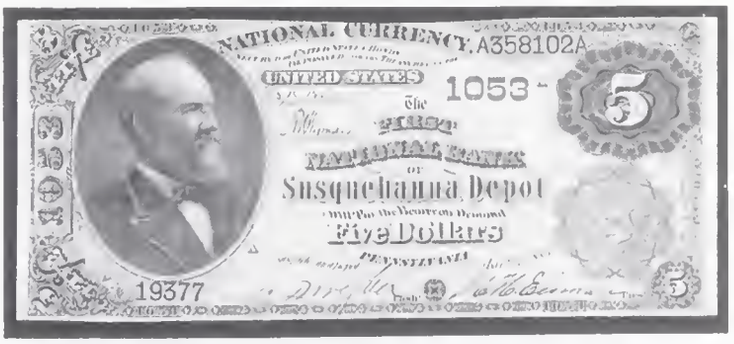
2442 **Selinsgrove -** $20.00 Ty. 2 **The Farmers NB** Ch. # 8653

Considerably the scarcer of the two banks to issue from here. **Very Fine**. (150-250)



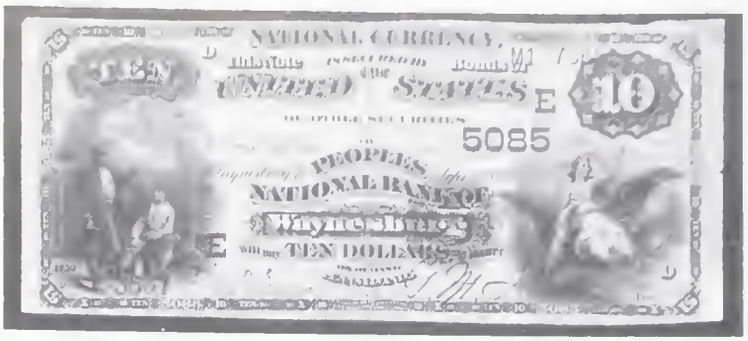
2443 **Shingle House -** $10.00 Ty. 1 **The First NB** Ch. # 6799

A great note which is by far the nicest example we've ever seen from this most desirable location. While a handful of examples are reported from here, all are closely held, as our records indicate that there have been only two offerings of any kind from here at public sale in the past 50 years. **Extremely Fine+**. (750-1500)



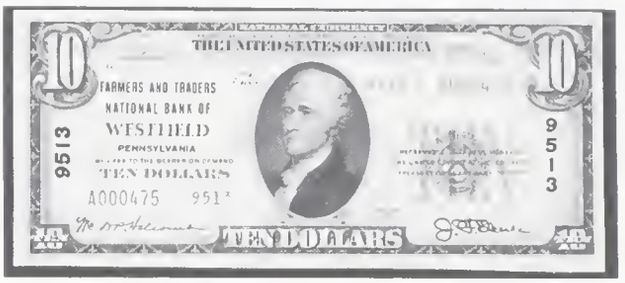
2444 **Susquehanna Depot -** $5.00 1882 Fr. 467 **The First NB** Ch. # 1053

A great note from the Bish collection. Only three examples are reported from this bank with this title, which was used only until 1905. **Fine+**, certain to see considerable bidding amongst the many collectors seeking this note. (500-900)



2445 **Waynesburg -** $10.00 1882 Date Back Fr. 543 **The Peoples NB** Ch. # (E)5085

One of an amazing seven banks which issued in this small Greene County community. This is one of the scarcer institutions, as it issued large notes only before liquidating in 1923. The Kelly census from here is only four pieces. **Very Good-Fine**, with pen signatures. (200-400)



2446 **Westfield -** $10.00 Ty. 2 **Farmers & Traders NB** Ch. # 9513

A beautiful example which is easily the finest note we've ever seen from this Tioga County bank. **Gem Crisp Uncirculated**. (300-500)

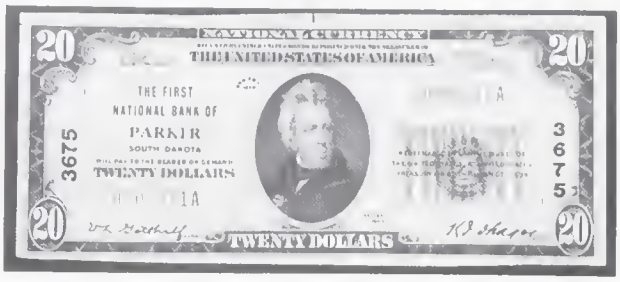
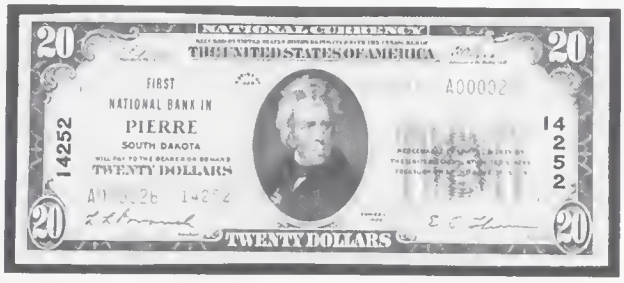
SOUTH DAKOTA



2450 **Parker** - $20.00 Ty. 1 **The First NB** Ch. # 3675

A nice high grade circulated example from this elusive bank. **Very Fine.** (250-350)

Rare 14000 Charter



2451 **Pierre** - $20.00 Ty. 2 **First NB** Ch. # 14252

One of the truly rare 14000 charter banks, which issued only a handful of notes at the very end of the note issuing period. Our records show only three offerings from this bank over the past 50 years, the latest coming nine years ago. **Choice Crisp Uncirculated,** a great note worthy of the finest of collections. (700-1200)

TENNESSEE

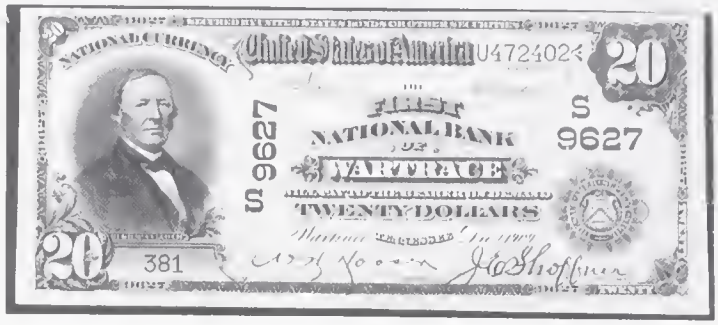
Unique For The Bank



2453 **Wartrace** - $20.00 1902 Date Back Fr. 645 **The First NB** Ch. # (S)9627

A true wonder note from a bank which has not been offered at public sale since this very example was sold as lot 3955 of the fabled Grinnell sale in March of 1946. It has not been offered or seen since that time. The note is unique to our best knowledge, and, considering that this bank was in existence for only five years before its 1915 demise, could well remain that way forever. Pen signed **Very Fine-Extremely Fine,** impossible to estimate with any certainty, but quite likely to surprise... (2500-5000)

TEXAS

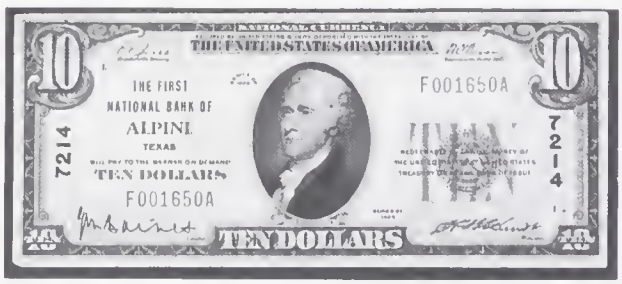
The "West Texas" Collection

It is our pleasure to offer below a collection of Texas Nationals that has been two decades in the making. Working quietly and without fanfare, our consignor has assembled a significant holding in what has been a most competitive arena. While many of the notes were purchased at public sale, several of the most important pieces were purchased locally, and are new to the numismatic market. Enjoy this offering, as its like will not soon be available.

2454 **Abilene** - $10.00 Ty. 1 **The Farmers & Merchants NB** Ch. # 4166

$10.00 Ty. 1 **The Citizens NB** Ch. # 6476

Two pieces, the first **Extremely Fine** but a bit oil soaked, the second **Very Fine** but with a large erasure on the reverse. (150-250)



2455 **Alpine** - $10.00 Ty. 1 **The First NB** Ch. # 7214

A high grade example from this small west Texas community. **Extremely Fine,** but with some wallet staining on both sides. (150-250)

2456 **Alpine** - $10.00 1902 Fr. 635 **State NB** Ch. # 12289

A very scarce bank in large size. This example is actually nicer than the Irish specimen, which realized $357.50. **Fine+**, cut into the design at the top. (300-500)

2457 **Alpine** - $10.00 Ty. 2 **The First NB** Ch. # 7214

$10.00 Ty. 1 **State NB** Ch. # 12289

Two pieces covering both of Alpine's issuing banks, the first **Fine+**, with a bank stamp on the front, the second **Very Fine** but quite soiled. (175-275)

2458 **Athens** - $10.00 1902 Fr. 627 **The First NB** Ch. # 4278

A scarce bank in large size, as even the Irish collection lacked such a note. **About Fine**, the signatures faded. (250-450)

2459 **State Capital Trio**

2464 **Bowie** - $10.00 1902 Date Back Fr. 620 **The City NB** Ch. # (S)4785

This is a really rare Bowie bank, where, as in so many cases in Texas, the vast majority of the known notes repose in the vaults of the Moody Foundation, the ultimate resting place, perhaps literally, of the Philpott collection. We have recorded only two previous offerings of any kind from this bank, the last when the Irish example, which was markedly inferior to this piece, brought $550 back in 1997. Nice **Fine-Very Fine**, with bold purple signatures. (500-900)

2474 **Crawford** - $10.00 1902 Date Back Fr. 621 **The First NB** Ch. # (S)10400

A great note which is unique to the best of our knowledge. No example from here has ever been offered publicly or has ever surfaced as part of any Texas holding previous to this example being offered here. Well circulated **Very Good**, with a scuffed area above the title, but where can another note from this town be obtained at any price? (1250-2250)

This small bank liquidated in February of 1930 and, as a consequence, issued only a handful of sheets of Series 1929 notes. Only one such example is reported in the Kelly census, with even the Irish holdings lacking a specimen. Well circulated **Very Good**, fully intact and just plain rare. (300-500)

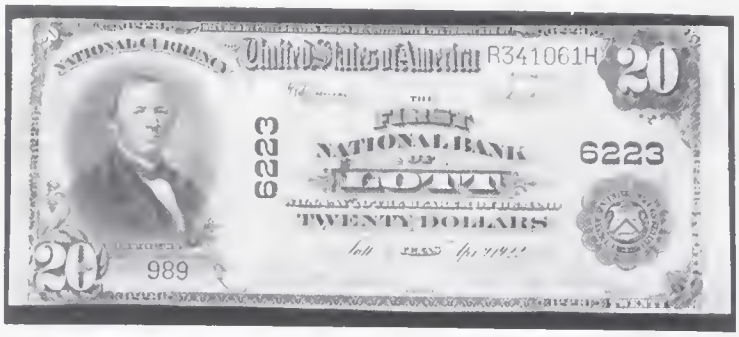
2511 **Laredo** - $50.00 1882 Date Back Fr. 563 **The Milmo NB** Ch. # (S)2486

This note, and a handful of others like it, represent the only real opportunity Texas collectors have to obtain a note of this scarce type and denomination. As are all of these we've seen from this bank, it is trimmed down to the margins on all four sides. There is a small hole and some light discoloration as well. **Fine**. (1000-2000)



2516 **Lott** - $20.00 1902 Fr. 661 **The First NB** Ch. # 6223

A very scarce Falls County bank, with only four large notes recorded in the Kelly census. **Fine**, with a small tear at the right margin. (300-500)

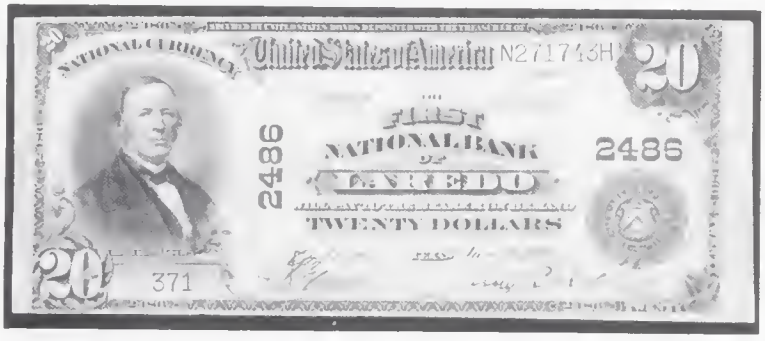
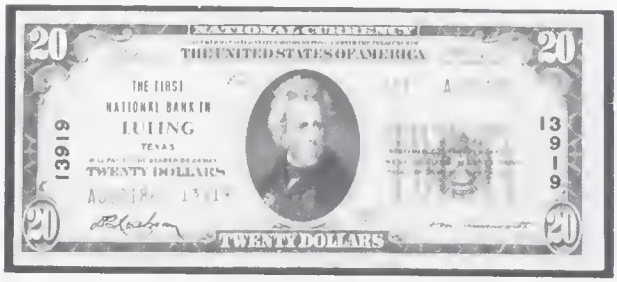
Very Fine Caldwell County example. (150-250)



2512 **Laredo** - $20.00 1902 Fr. 659 **The First NB** Ch. # 2486

A nice pen signed **Fine-Very Fine** example from this much scarcer Laredo bank. (250-450)

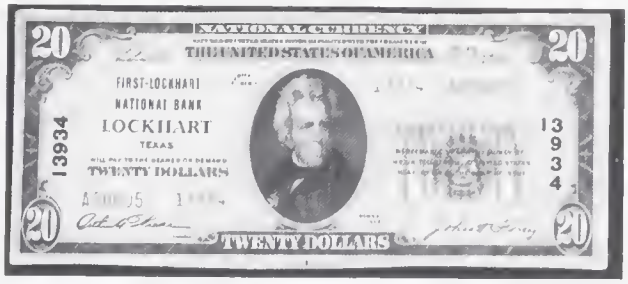


2518 **Luling** - $20.00 Ty. 2 **The First NB** Ch. # 13919

Even nicer than the $10.00 offered above. **Extremely Fine**. (175-275)

2513 **Laredo** - $10.00 Ty. 1 **The Laredo NB** Ch. # 5001

About Uncirculated, a superior note from this bank. (125-175)



2514 **Lockhart** - $20.00 Ty. 2 **First-Lockhart NB** Ch. # 13934

Despite three issuing banks, obtaining even one note from this small central Texas location is a major challenge. Only two single notes plus an uncut sheet are reported from this bank. **Very Fine**. (350-650)

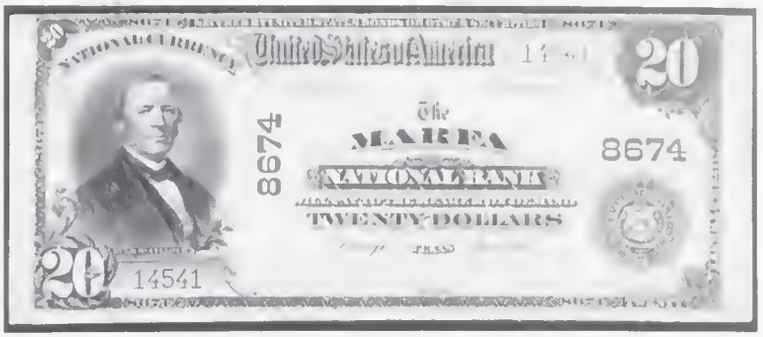
2515 **Longview** - $5.00 Ty. 2 **The Rembert NB** Ch. # 12411

A considerably nicer grade note from here than one normally sees. **Very Fine**. (150-200)

The Finer of Only Two Examples Known

2519 **Malakoff** - $10.00 1902 Fr. 630 **The First NB** Ch. # 10403

A true wonder of survival from a town that was unrepresented in both the Everson and Irish collections. This is only the second offering of any kind from here, with the example offered years ago both low grade and damaged. This piece is considerably nicer. **About Fine**, a great note from one of the smallest issuers in Texas. Expect some stiff competition to bring home this note, from a bank which had but $530 outstanding in large notes in 1935. (1500-2500)



2520 **Marfa** - $20.00 1902 Fr. 652 **The Marfa NB** Ch. # 8674

This was the sole bank to issue in Presidio County, in far west Texas. Large notes from here are scarce, and this is a nice one, grading **Very Fine** with purple signatures. (300-500)

2521 **Marfa** - $10.00 Ty. 1 **The Marfa NB** Ch. # 8674

A nice companion to the large note above. **Very Fine**. (150-250)

2522 **Marlin** - $10.00 1902 Fr. 628 **The First NB** Ch. # 4706

$20.00 Ty. 1 **The First NB** Ch. # 4706

Two pieces, the large note **Fine**, the signatures gone, the small note a nice **Fine-Very Fine**. (250-350)

2523 **Marlin** - $10.00 1882 Date Back Fr. 545 **The Marlin NB** Ch. # (S)5606

A better type on the tougher of the two Marlin banks. **Very Good**, with a couple of paper peels which affect the Treasury signatures. (250-450)

2524 **Marshall** - $10.00 1902 Fr. 635 **The State NB** Ch. # 12703

This is a very scarce Marshall bank which had only $920 outstanding in large notes in 1935. The Kelly census lists three large examples from here, including this piece. Well circulated **Very Good**. (250-450)

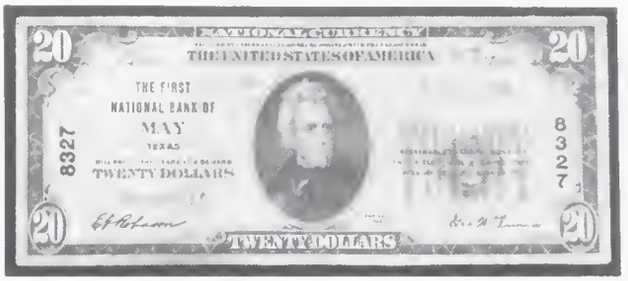
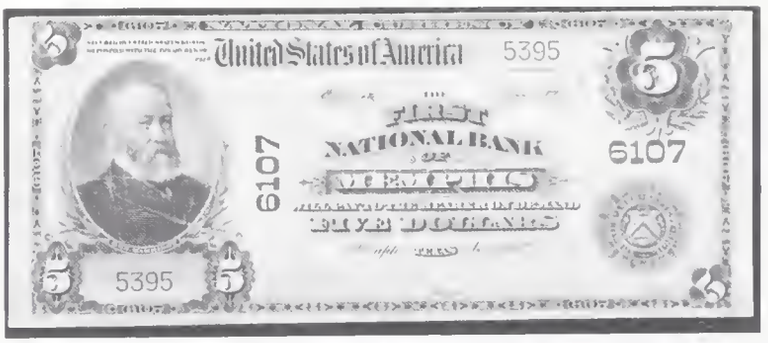
A pleasing **Fine** small example. (175-325)



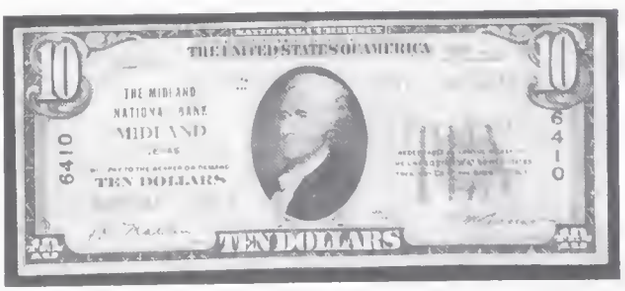
2527 **May** - $20.00 Ty. 1 **The First NB** Ch. # 8327

A nice three letter town name and scarce as well. Well circulated but intact **Very Good**, although there is a bit of discoloration at the margins. (200-400)



2528 **Memphis** - $5.00 1902 Fr. 608 **The First NB** Ch. # 6107

A decent **Fine** example from this scarce Panhandle bank. (250-450)

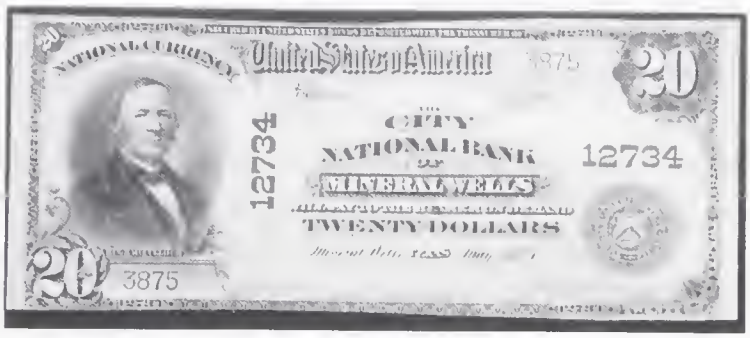


2529 **Midland** - $10.00 Ty. 2 **The Midland NB** Ch. # 6410

An always popular west Texas location, and a Type 2 as well. **Very Good**. (175-325)

2530 **Mineola** - $5.00 Ty. 1 **The First NB** Ch. # 5127

A very scarce note from rural Wood County in NE Texas. **About Fine**, with a few pinholes as well as a small piece of a bank stamp which really does not detract at all. (125-225)



2531 **Mineral Wells** - $20.00 1902 Fr. 661 **The City NB** Ch. # 12734

This is an excessively rare bank in large size which was missing from both the Irish and Everson collections. Incredibly, even the Philpott collection lacked a large size note from here as well. Only two examples are reported, with the whereabouts of the other piece unknown to us. **Fine**, one of the great notes in this collection and a real prize for its new owner. (1000-1500)

2532 **Mineral Wells** - $20.00 Ty. 2 **The State NB** Ch. # 12669 **VG**

$10.00 Ty. 1 **The City NB** Ch. # 12734 **VG**

2533 **Moody** - $10.00 1902 Fr. 633 **The First NB** Ch. # 5774

A very scarce bank in large size, with only four such examples listed in the Kelly census. Pen signed **Very Fine**, with four small rust spotted pinholes which sound far worse than they look. (300-500)

2534 **Moody** - $10.00 Ty. 2 **The First NB** Ch. # 5774

Fine-Very Fine Type 2 example from this one bank central Texas location. (200-300)

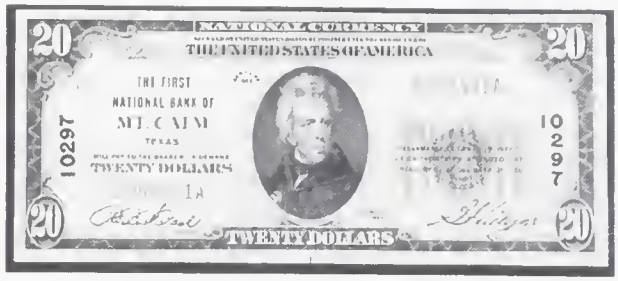
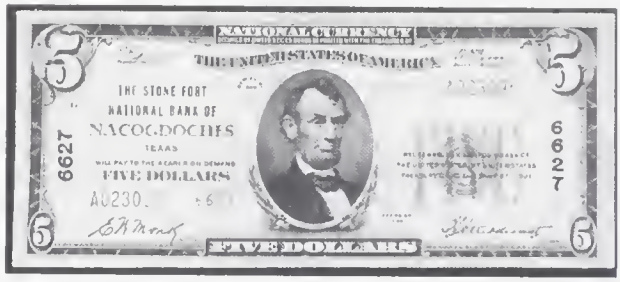
Two large notes are reported from here, with this the first we've handled. **Very Good+**, with an unimportant ink mark in the right margin. (450-750)



2536 **Mt. Calm** - $20.00 Ty. 1 **The First NB** Ch. # 10297

A high grade small size example from this tough bank. **About Uncirculated**, with a touch of soiling on the back. (250-450)



2537 **Nacogdoches** - $5.00 Ty. 2 **The Stone Fort NB** Ch. # 6627

The only denomination issued in small size by this always in demand bank. **Fine**. (200-300)

2538 **New Braunfels** - $10.00 1902 Fr. 627 **The First NB** Ch. # (S)4295

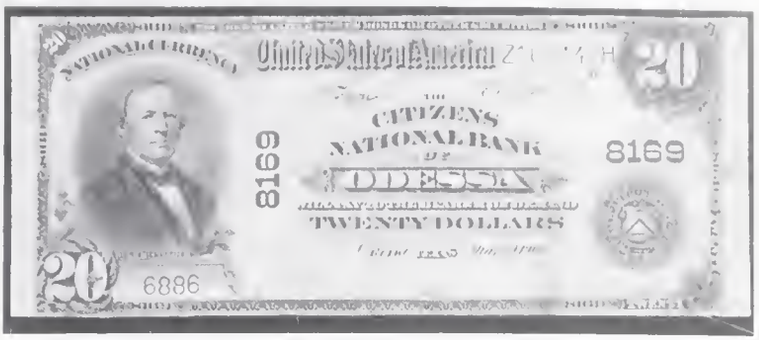
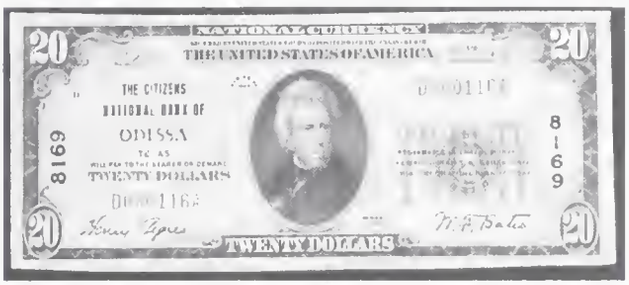
Rare Odessa Trio



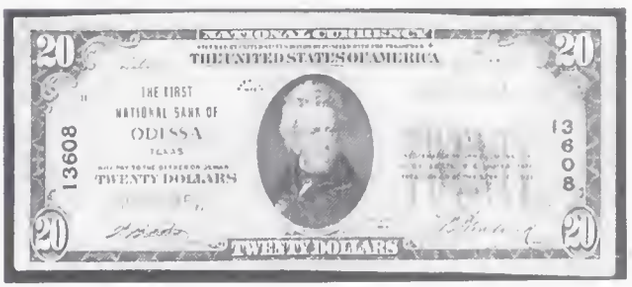
2539 **Odessa** - $20.00 1902 Fr. 651 **The Citizens NB** Ch. # 8169

This and the two Odessa notes that follow are among our consignor's proudest possessions. Our consignor obtained this note from pioneer Midland collector John Culver in 1970. Its offering here represents only the fourth time since 1945 that any example, large or small, from this bank has been available at public sale. This piece is just a bit nicer than the Irish specimen, which brought $1320.00. It would not surprise us at all to see this note reach or exceed that figure. **Fine**. (1000-1500)



2540 **Odessa** - $20.00 Ty. 1 **The Citizens NB** Ch. # 8169

Three small notes are listed in the census from here, with this the first we've ever had to offer. The Irish specimen brought just under $500, which seems conservative in this market. **Fine-Very Fine**. (350-650)



2541 **Odessa** - $20.00 Ty. 1 **The First NB** Ch. # 13608

Only three notes are reported on this rare bank, with our records agreeing by showing only three offerings from here. The Irish example, just a tad nicer than this, brought a very strong $1320.00. Expect this unmolested **Very Good-Fine** specimen to bring... (500-900)

2542 **Orange** - $10.00 1902 Fr. 626 **The First NB** Ch. # 4118

A rather scarce bank, with only six large examples reported in the Kelly census. This is the only note from this bank that we know of to have Treasury engraved signatures, an oddity on a bank which issued as few sheets as this one did. **Very Fine**, a bit tight at the bottom. (200-400)

2543 **Paducah** - $10.00 1902 Fr. 628 **The First NB** Ch. # (S)10230

An extremely scarce large note which was missing from both the Irish and Everson collections. The census lists only two large notes from here, with this the first we've ever seen for sale. **Very Good+**. (600-900)

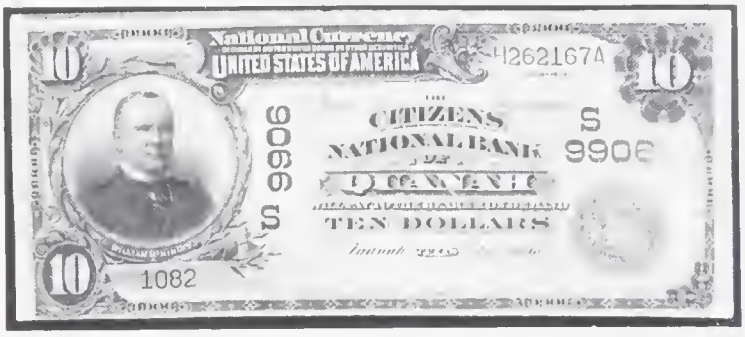
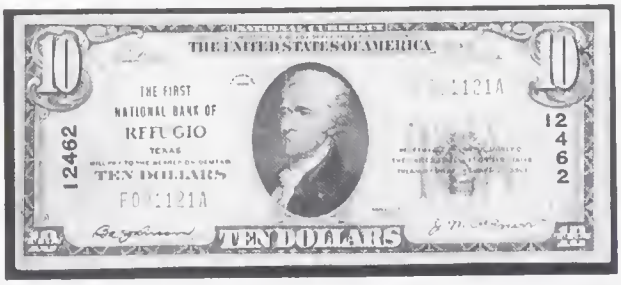
First Ever Public Offering



2552 **Quanah -** $10.00 1902 Date Back Fr. 619 **The Citizens NB** Ch. # (S)9906

Missing from all of the great Texas collections which have come on the market (save for one specimen locked up in the Philpott holdings), this example, from a bank which was in business for less than seven years, represents the one opportunity collectors have had in the past two generations to obtain even one note from this bank. **Very Good-Fine**, with a couple of minuscule (and totally unimportant) paper pulls, a great rarity certain to see some spirited bidding. (1250-2250)



2553 **Refugio -** $10.00 Ty. 1 **The First NB** Ch. # 12462

From the only bank to issue in Refugio County in deep south Texas. **About Fine**. (175-325)

2555 **Saint Jo** - $10.00 Ty. 1 **The First NB** Ch. # 5325

A tougher large size note, with only four such examples listed in the Kelly census. This piece is hardly condition census, grading **Fine** but for a crudely tape repaired right corner, but it should do until a better one comes along, which might be a while. (100-200)

2588 **Wichita Falls** - $100.00 Ty. 2 **Wichita NB** Ch. # 13676

Newly discovered and quite likely the finest Type 2 $100.00 example known from any bank in Texas. We've had several uncirculated Type 2 fifties over the years, but this is the first Type 2 hundred we've ever seen in anywhere near this grade. Currency Auctions of America, Inc.

Knowledge —
The Priceless Numismatic Resource

A well organized numismatic library is the key to a successful collecting experience. Currency Auctions of America's catalogs and prices realized will help you answer such questions as:

- What have items similar to the one I am considering adding to my collection actually sold for in the recent past?
- How often has a particular item come on the market over the years? Can it or similar pieces be found with regularity, or are its appearances few and far between?
- Has the specific note I am now considering purchasing appeared in a past auction, and if so, what did it actually sell for?
- Have price trends for the items I am considering buying been generally up or down over the years?

A library of Currency Auctions of America's past auction catalogs and prices realized is a valuable collecting resource and asset. It will tell you at a glance what items are ***really*** selling for, not simply what they are offered at and perhaps remain unsold for extended periods.

The knowledge gained from a study of Currency Auctions of America's past catalogs and prices realized will repay your modest investment to acquire them many times over.

Since 1990 we have conducted 19 sales and placed in excess of 45,100 lots in the hands of the collecting fraternity. Do you have a complete set?
